DATE: February 26, 2015
TO: ATL Stakeholders
FROM: Jan Lennon, Director of Security
SUBJECT: Access Restrictions

EFFECTIVE IMMEDIATELY

ATL SIDA badge access levels are being modified. Badge access to certain card readers in the North and South Terminals will be deactivated and access to various areas throughout the airport will be re-assigned on an “as needed” basis. The most noticeable change will occur in the North and South Terminals where elevators and stairwells will be further restricted. For the near term, the Atrium Freight Elevators can be used as alternate access points.

If you have any questions, please contact Keith Jackson, Airport Security Manager – Security Services at keith.jackson@atlanta-airport.com.

Thank you for your continued support of the Airport Security Program.
