Security Identification Badge Application

DOA Security has updated the Security Identification Badge Application!

The updated form now includes:

- New alias/maiden name field
- New Safety Management System (SMS) Training section
- Updated badge deactivation procedures
- The ATL security badge is for official business purposes only

The latest form version SD FORM ID-01 (07/14) can be downloaded from the airport’s website at:

The prior form version SD FORM ID-01 (12/11) will no longer be accepted after September 1, 2014.

Remember, security is everybody’s business!
