Badge Deactivation Procedures

If an ATL Security Identification Badge is no longer needed, unrecoverable or lost/stolen, the employer and/or employee must immediately call Airport Security at one of the following numbers to request badge deactivation:

1. Airport Security Access Control: (404) 274-0368
2. Airport Security Compliance & Enforcement: (404) 326-8495 / (404) 561-6416
3. Airport Communications: (404) 530-6800

In addition, a written Change in Status Form is required and must be delivered to the Airport Security Office on the following business day. The Change in Status Form can be sent to SecurityID@atl.com.

Remember, Security is Everybody’s Business!
