Badge-sharing

Badge-sharing occurs when the holder of an ATL-issued badge allows another individual to use his badge in order to gain access at the Airport.

Sharing your ATL-issued badge is prohibited and can result in a Breach of Rules Notice (BORN) citation and fine from the Department of Aviation, as well as the TSA.

Remember, security is everybody’s business!

The Department of Aviation, Security Division is responsible for managing an effective airport security program that ensures a safe and secure environment at the world's busiest airport while exceeding customers’ expectations and complying with applicable regulations, laws, and codes.

If you have any questions, please contact the Security Division via email at SecurityID@Atlanta-Airport.com.

We thank you in advance for your continued support of the Airport Security Program.
