Employee Inspections and Prohibited Items

All ATL badge holders, as well as individuals being escorted, are subject to additional inspections at any time when they’re entering or working in any restricted or secure areas. This includes STERILE areas (concourses), SECURED areas (baggage makeup and apron areas) and the AOA (areas within the SIDA perimeter fence).

Individuals who are found with prohibited items in any restricted or secure areas are subject to penalties which may include:
- Immediate badge revocation,
- Arrest and criminal prosecution,
- Civil penalties assessed by the Transportation Security Administration (TSA).

Remember, Security is Everybody’s Business!

The Department of Aviation, Security Division is responsible for managing an effective airport security program that ensures a safe and secure environment at the world's busiest airport while exceeding customers' expectations and complying with applicable regulations, laws, and codes.

If you have any questions, please contact the Security Division via email at SecurityID@Atlanta-Airport.com.

We thank you in advance for your continued support of the Airport Security Program.
