Hartsfield-Jackson Atlanta International Airport

Hartsfield-Jackson is the world's busiest airport, serving more than 95 million passengers annually with nonstop service to 160 U.S. destinations and nearly 70 international destinations in more than 45 countries. The Airport is a frequent recipient of awards of excellence for concessions, operations, architectural engineering and construction - including the 2011 Global and North American Airport

Efficiency Excellence Award from the Air Transport Research Society (for more information, go to [www.atrsworld.org](http://www.atrsworld.org)). It is undergoing \$6 billion-plus in capital improvements, which include a new, energy-efficient rental car center; a new, 12-gate international terminal (for more information, go to [www.atlanta-airport.com/internationalterminal/](http://www.atlanta-airport.com/internationalterminal/)); and aesthetic and functional upgrades to its concourses, people movers and parking services.
