Hartsfield-Jackson Atlanta International Airport

Hartsfield-Jackson (ATL) is the world's most traveled and most efficient airport, serving more than 101 million passengers annually with nonstop service to more than 150 U.S. destinations and nearly 70 international destinations in more than 45 countries. ATL boasts a direct economic impact of \$34.8 billion in metro Atlanta and a total direct economic impact of \$70.9 billion in Georgia. The Airport is the largest

employer in Georgia, with more than 63,000 employees. The Airport is a frequent recipient of awards of excellence for concessions, operations, sustainability, architectural engineering, and construction. ATL is now in the midst of a \$6 billion capital improvement plan, ATL Next, that will modernize the domestic terminal and concourses, create new parking decks, construct a 300-room hotel, Class A commercial office space, add a new runway, new concourse and expand cargo facilities.
