Hartsfield-Jackson Seeks Proposals for Green Acres ATL Energy Park

WHO:

Roosevelt Council, Jr., Aviation Deputy General Manager

Liza Milagro, Senior Sustainability Planner

WHAT:

Hartsfield-Jackson Atlanta International Airport will host a press conference to announce plans to build a state-of-the-art, onsite composting and recycling facility called Green Acres ATL Energy Park.

A pre-proposal conference will follow the event for firms interested in building and operating the facility. The project is part of an overall initiative by Atlanta Mayor Kasim Reed and the airport management team to make Hartsfield-Jackson one of the greenest airports in the world and achieve Zero Waste status by the year 2020.

WHEN:

Press Conference: Thursday, February 19, 2015 at 1:30 p.m.

Pre-Proposal Conference: Thursday, February 19, 2015 at 2 p.m.

WHERE:

Hartsfield-Jackson's Technical Support Campus, 1255 South Loop Road, College Park, GA 30337

###

Hartsfield-Jackson Atlanta International Airport

Hartsfield-Jackson (ATL) is the world's busiest and most efficient airport, serving more than 96.1 million passengers annually with nonstop service to more than 150 U.S. destinations and nearly 70 international destinations in more than 45 countries. ATL boasts a direct economic impact of \$34.8 billion in metro Atlanta and a total direct economic impact of \$70.9 billion in Georgia. The Airport is the largest employer in Georgia, with more than 63,000 employees. The Airport is a frequent recipient of awards of excellence for concessions, operations, architectural engineering and construction – including the 2013 Global Efficiency Excellence Award from the Air Transport Research Society, 2013 Project of the Year, Architectural Category for the Maynard H. Jackson Jr. International Terminal from the American

Association of Airport Executives Southeast chapter and the 2012 Best Airport in North America, Business Travel Award from the Business Traveler Magazine. ATL has completed more than \$6 billion worth of capital improvements, including a new, energy-efficient rental car center, a gold LEED-certified international terminal and aesthetic and functional upgrades to its concourses, people movers and parking services.
