Hartsfield-Jackson Atlanta International Airport

Hartsfield-Jackson (ATL) is the world's busiest and most efficient airport, serving more than 104 million passengers annually with nonstop service to more than 150 U.S. destinations and 70 international destinations in more than 50 countries. ATL boasts a direct economic impact of \$34.8 billion in metro Atlanta and a total direct economic impact of \$70.9 billion in Georgia. The Airport is the largest employer in Georgia, with more than 63,000 employees. The Airport is a frequent recipient of awards of excellence for concessions, operations, sustainability, architectural engineering and construction. ATL is now embarking on a \$6 billion capital improvement program, ATLNext, that will modernize the Domestic Terminal and concourses, build new parking decks, construct a 440-room hotel and Class A commercial office space, add a 6th runway and new Concourse G, and expand cargo facilities.
