Customs Seal Office Relocation

The U.S. Customs and Border Protection Seal Office has relocated from the Department of Aviation Security Office to the International Terminal CBP Global Entry Office on the public side of the International Terminal. Custom Seal application packets MUST be dropped off at the new location.

Please note that applicants who need to visit the CBP Global Entry Office are not allowed to be escorted through the Concourses (sterile areas); they must access from the Departures level of the International Terminal.

Remember, Security is Everyone’s Business!

The Department of Aviation, Security Division is responsible for managing an effective Airport Security Program that ensures a safe and secure environment at the world’s busiest airport while exceeding customers’ expectations and complying with applicable regulations, laws, and codes.

If you have any questions, please contact the Security Division via email at SecurityID@atl.com. We thank you in advance for your continued support of the Airport Security Program.
