**Hartsfield-Jackson Atlanta International Airport**

Hartsfield-Jackson (ATL) is the world's busiest and most efficient airport, serving more than 104 million passengers annually with nonstop service to more than 150 U.S. destinations and 70 international

destinations in more than 50 countries. ATL boasts a direct economic impact of \$34.8 billion in metro Atlanta and a total direct economic impact of \$70.9 billion in Georgia. The Airport is the largest employer in Georgia, with more than 63,000 individuals working on-site. The Airport is a frequent recipient of awards of excellence for concessions, operations, sustainability, architectural engineering and construction. In 2016, ATL set in motion a multibillion-dollar capital improvement program, ATLNext, which will modernize the Domestic Terminal, extend two concourses, construct several parking decks, add a sixth runway, expand cargo facilities and pave the way for a 440-room InterContinental Hotel with Class A office space.
