Security Badge Deactivation

If an ATL security badge is no longer needed, unrecoverable or lost/stolen, the employer and/or employee must immediately call Airport Security via one of the numbers below to request badge deactivation:

404-274-0368   **Airport Security Access Control**
404-326-8495 / 404-561-6416   **Airport Security Compliance & Enforcement**
404-530-6800   **Airport Communications**

In addition, a *Change in Status Form* must be completed and delivered to the Airport Security Office within one business day. The *Change in Status Form* can be sent via email to SecurityID@atl.com.

Remember, Security is Everyone's Business!
