August 2019

Badge Display and Challenging

All personnel in possession of ATL badges are required to display their badge at all times when in the secure, sterile, or SIDA areas of the Airport. Badges are to be worn on the outermost garment between the neck and waist.

Failure to display your badge in these areas may result in fines, badge suspension and/or revocation from TSA and/or DOA.

ATL employees should also remember to **CHALLENGE** individuals who are not displaying their badge in these areas.

Remember, Security is Everybody's Business!

The Department of Aviation, Security Division is responsible for managing an effective airport security program that ensures a safe and secure environment at the world's busiest airport while exceeding customers' expectations and complying with applicable regulations, laws, and codes.

If you have any questions, please contact the Security Division via email at SecurityID@atl.com. We thank you in advance for your continued support of the Airport Security Program.
