Security Badge Renewals

ATL employees can start the Security badge renewal process up to 60 days prior to the badge's expiration date.

ATL badge holders who allow their badge to expire are not eligible for renewals; they will be treated as new applicants, which may increase processing times.

Please start the badge renewal process as soon as you become eligible.

Remember, Security is Everybody's Business!

The Department of Aviation Security division is responsible for managing an effective Airport Security Program that ensures a safe and secure environment at the world's busiest airport while exceeding customers' expectations and complying with applicable regulations, laws and codes.

If you have any questions, please contact the Security division via email at SecurityID@atl.com. We thank you in advance for your continued support of the Airport Security Program.
