Updated Security Identification Badge Application

DOA Security has updated the Security Identification Badge Application.

The updated form can be downloaded from the Airport's website at http://tinyurl.com/atlsecurityservices or directly at http://www.atl.com/business-information/air-security-services/.

The latest version is SD FORM ID-01 (11/2019).

Prior versions of the form will not be accepted for any employees beginning the application process on or after December 2, 2019.

Remember, Security is Everybody's Business!

The Department of Aviation's Security Division is responsible for managing an effective Airport Security Program that ensures a safe and secure environment at the world's busiest and most efficient airport while exceeding customers' expectations and complying with applicable regulations, laws and codes.

If you have questions, please contact the Security Division at SecurityID@atl.com. Thank you for your continued support of the Airport Security Program.
