November 2020

Updated Security Forms

Effective December 1st, DOA Security will release updated versions of the following forms: vehicle access permit, fingerprint application, badge return form and security identification (SIDA) badge application.

The updated forms can be downloaded from the Airport's website at <http://tinyurl.com/atlsecurityservices> or directly at <http://www.atl.com/business-information/air-security-services/>.

The latest version of the SIDA badge application form is **SS 20-1201**.

Prior versions of the security identification (SIDA) badge application will not be accepted on or after January 1, 2021.

Remember, Security is Everybody's Business!

The Department of Aviation's Safety & Security Division is responsible for managing an effective Airport Security Program that ensures a safe and secure environment at the world's busiest and most efficient airport while exceeding customers' expectations and complying with applicable regulations, laws and codes.

If you have questions, please contact the Safety & Security Division at SecurityID@atl.com. Thank you for your continued support of the Airport Security Program.
