

# Security Awareness

## Monthly Focus

Volume 9, Quarter 2, Issue 6

December 2021

### Updates to the Security Webpage

The Safety & Security webpage has been updated to reflect the current Credentialing requirements.

In the “FAQ” section, you will find the most up-to-date changes and frequently asked questions as it pertains to the Safety and Security division.

We will continually update this section to address frequent topics of interest expressed by the Airport community.

**Remember, Security is Everyone’s Business!**

The Department of Aviation’s Safety & Security Division is responsible for managing an effective Airport Security Program that ensures a safe and secure environment at the world’s busiest and most efficient airport while exceeding customers’ expectations and complying with applicable regulations, laws and codes.

If you have questions, please contact the Safety Security Division at [SecurityID@atl.com](mailto:SecurityID@atl.com). Thank you for your continued support of the Airport Security Program.
