

Security Awareness

Monthly Focus

Volume 10, Quarter 2, Issue 5

November 2022

Applicant Email Address Required

The DOA Security Credentialing Office has implemented a new applicant enrollment platform that communicates applicant status updates and automatically creates the individual online training account.

All applicants must provide an email address to receive their individual training account login. Please write your email address on the top of your application(s).

New application forms will be published soon with the applicant email address and unique person ID fields as part of the form.

Remember, Security is Everyone's Business

The Department of Aviation's Safety & Security Division is responsible for managing an effective Airport Security Program that ensures a safe and secure environment at the world's busiest and most efficient airport while exceeding customers' expectations and complying with applicable regulations, laws and codes.

If you have questions, please contact the Safety & Security Division at SecurityID@atl.com. Thank you for your continued support of the Airport Security Program.
