

Not every disability is visible - some are just not obvious.

The Hidden Disabilities Sunflower makes you visible.

Living with a hidden disability can make daily life more demanding for many people, but it can be difficult for others to identify, acknowledge or understand the challenges you face.

Wearing the Hidden Disabilities Sunflower can indicate to people around you, including airport staff, employees and other travelers that you may need additional support, help or simply a little more time.

1. Ask if you can help
2. Be kind
3. Listen closely
4. Have patience
5. Do not judge
6. Show respect

ATL is a proud member of the global Hidden Disabilities Sunflower network. Our staff are trained to identify the Sunflower and may ask to assist you.
