# Security Awareness Monthly Focus

## Applicant Email Address Required

All applicants must provide an email address on the badge application when processing fingerprints and/or badging.

All applicants must provide an email address to receive their individual training account login. Please write your email address on the top of your application(s). A friendly reminder that Insider Threat is now a required course for all badge holders.

New application forms will be published soon with the applicant's email address and airport person ID fields as part of the form.

### Remember, Security is Everybody's Business!

The Department of Aviation's Safety & Security Division is responsible for managing an effective Airport Security Program that  ensures a safe and secure environment at the world's busiest and most efficient airports while exceeding customers'   expectations and complying with applicable regulations, laws, and codes.

If you have questions, please contact the Safety & Security Division at SecurityID@atl.com.  Thank you for your continued support of the Airport Security Program.
