

# Security Awareness

## Monthly Focus

Volume 12, Quarter 1, Issue 3

September 2024

### September is National Insider Threat Awareness Month

- Anyone can be at risk of becoming a threat, whether intentionally or unintentionally.
- Impacts from insider threats include but are not limited to
  - Resource degradation
  - Harm to national/transportation security
  - Organizational/operational readiness
  - Potential injury to persons and even loss of life
  - Loss of organizational reputation, innovation, and industry advantage; and financial instability.
- Helpful Contacts & Resources
  - National Insider Threat Task Force | [NCSC\\_ETD\\_Partnership@odni.gov](mailto:NCSC_ETD_Partnership@odni.gov)

### Remember, Security is Everybody's Business!

The Department of Aviation's Safety & Security Division is responsible for managing an effective Airport Security Program that ensures a safe and secure environment at the world's busiest and most efficient airport while exceeding customers' expectations and complying with applicable regulations, laws and codes.

If you have questions, please contact the Safety & Security Division at [SecurityID@atl.com](mailto:SecurityID@atl.com). Thank you for your continued support of the Airport Security Program.
