## SECURITY AND SOURCES OF PAYMENT FOR THE SERIES M/N/O/P/Q NOTES

### General

This Offering Memorandum speaks only to the Series M/N/O/P/Q Notes and not any other notes. For a more detailed discussion of the provisions of the Bond Ordinance and the Series M/N/O/P/Q Supplemental Ordinances with respect to the payment of the Series M/N/O/P/Q Notes from the General Revenues and PFC Revenues, as applicable, see "APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE," "APPENDIX C - SUMMARY OF CERTAIN PROVISIONS OF THE SERIES M/N/O SUPPLEMENTAL ORDINANCE," and "APPENDIX D - SUMMARY OF CERTAIN PROVISIONS OF THE SERIES P/Q SUPPLEMENTAL ORDINANCE" attached hereto.

### Series M/N/O/P/Q Third Lien GARB Notes; Subordinate Pledge of General Revenues

The Series M/N/O/P/Q Third Lien GARB Notes are limited obligations of the City being issued under the Bond Ordinance payable from and secured by a pledge of and lien on Pledged Revenues on a parity with the Outstanding Third Lien GARB Notes and the Series 2024 Short-Term Notes, junior and subordinate in right of payment to the pledge of and lien on Pledged Revenues securing: (a) the Outstanding Senior Lien General Revenue Bonds and the Outstanding Hybrid PFC Bonds, and (b) any other Additional Bonds issued on a parity with such Outstanding Senior Lien General Revenue Bonds and Outstanding Hybrid PFC Bonds under the Bond Ordinance. **The Series M/N/O/P/Q Third Lien GARB Notes are not secured by PFC Revenues, Special Purpose Revenues or Released Revenues, any of which may be pledged to secure other bonds and obligations under the Bond Ordinance.** See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES M/N/O/P/Q NOTES - Additional Bonds" and "OUTSTANDING AIRPORT OBLIGATIONS" herein and "APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE," "APPENDIX C - SUMMARY OF CERTAIN PROVISIONS OF THE SERIES M/N/O SUPPLEMENTAL ORDINANCE," and "APPENDIX D - SUMMARY OF CERTAIN PROVISIONS OF THE SERIES P/Q SUPPLEMENTAL ORDINANCE" attached hereto.

The Bond Ordinance defines "Pledged Revenues" to mean all Revenues and all moneys paid or required to be paid into, and all moneys and securities on deposit from time to time in, the funds and accounts specified in the Bond Ordinance, but excluding (a) amounts in the Revenue Fund required to be used to pay Operating Expenses and (b) any amounts required in the Bond Ordinance to be set aside pending, or used for rebate to the United States government pursuant to Section 148(f) of the Code, including, but not limited to, amounts in the Rebate Account. Pursuant to the Bond Ordinance, all Pledged Revenues are pledged to the prompt payment of the principal of, premium, if any, and interest on the Bonds, obligations treated as Senior Lien Bonds or Subordinate Lien Bonds pursuant to the Bond Ordinance and the City's obligations under the Contracts; provided, however, General Revenues shall secure only (a) General Revenue Bonds, (b) Subordinate Lien Bonds which have a lien on General Revenues, (c) Hybrid Bonds which have a lien on General Revenues, and (d) any Contracts with respect to such Bonds; and PFC Revenues shall secure only (a) PFC Revenue Bonds, (b) Subordinate Lien Bonds which have a lien on PFC Revenues, (c) Hybrid Bonds which have a lien on PFC Revenues, and (d) any Contracts with respect to such Bonds.

The Bond Ordinance defines "General Revenues" to mean all Revenues of the Airport other than PFC Revenues, Special Purpose Revenues and Released Revenues. "Revenues" are defined in the Bond Ordinance as (a) all revenues, income, receipts and money derived from the ownership and operation of the Airport, including without limitation all rentals, charges, landing fees, use charges and concession revenue received by or on behalf of the City, income received from, and gained from, securities and other investments and amounts earned on amounts deposited in funds and accounts under the Bond Ordinance or otherwise maintained with respect to the Airport, and (b) all gifts, grants, reimbursements or payments received from governmental units or public agencies for the benefit of the Airport which are (y) not restricted by law or the payor to application for a particular purpose other than payment of certain Bonds or Contracts and (z) otherwise lawfully available for payment of Bonds or Contracts; provided "Revenues" includes PFC Revenues. The term "Revenues" does not include proceeds of insurance so long as such proceeds are to be paid to a party separate from the City in respect of a liability or are to be used to repair or replace portions of the Airport. General Revenues are primarily derived from fees and rentals paid pursuant to leases and agreements between the airlines serving the Airport (the "Airlines") or concessionaires and the City. See "INFORMATION CONCERNING GENERAL REVENUES AND PFC REVENUES" and "AIRPORT FINANCIAL INFORMATION - Analysis of Airport Operations" herein. For a description of the application of General Revenues as required by the Bond Ordinance, see "APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE" attached hereto.

Under the Bond Ordinance, all Revenues except PFC Revenues, Special Purpose Revenues, and Released Revenues are to be deposited into the Revenue Fund and allocated to the appropriate accounts therein including the General Revenue Account. Amounts deposited into the General Revenue Account are applied or deposited into the funds, accounts, and subaccounts established under the Bond Ordinance and applied by the City from time to time to the following purposes and, prior to the occurrence and continuation of an Event of Default, in the order of priority determined by the City in its sole discretion, and used as follows:

Operating Expenses. Pay all expenses reasonably incurred in operating, maintaining, and repairing Airport facilities.

Sinking Fund. Make payments into the Interest and Principal Subaccounts of the Payments Account to meet all Debt Service Requirements of General Revenue Bonds.

Debt Service Reserve Account. Make any payments into the Debt Service Reserve Subaccounts needed to meet the Debt Service Reserve Requirement for Bonds which have a Debt Service Reserve Requirement.

Rebate Account. Make any payments due to the U.S. government as arbitrage rebate payments.

Renewal and Extension Fund. Amounts remaining after all other funding requirements of the Bond Ordinance have been met are retained for other Airport purposes, including, funding capital improvements to the Airport, funding operating and other reserve accounts and redeeming or purchasing Bonds prior to their maturities.

General Revenue Enhancement Subaccount. Amounts may also be transferred from the Renewal and Extension Fund to the General Revenue Enhancement Subaccount. Any amounts on deposit in the General Revenue Enhancement Subaccount are accounted for as General Revenues in computing the coverage of Debt Service Requirements of General Revenue Bonds by Net Revenues.

For additional information on the flow of funds relating to General Revenues, see "APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE" attached hereto.

See "INFORMATION CONCERNING GENERAL REVENUES AND PFC REVENUES - Certain Agreements Affecting General Revenues" herein. For a summary of the key provisions of the Airport Use and Lease Agreement, see "SUMMARY OF CERTAIN PROVISIONS OF THE AIRPORT USE AND LEASE AGREEMENT AND THE RATE MAKING METHODOLOGY" herein.

The Series P/Q Notes will not be secured by PFC Revenues, Special Purpose Revenues, or Released Revenues, any of which may be pledged to secure other bonds and obligations under the Bond Ordinance. The Bond Ordinance provides that, under certain circumstances, additional separable categories or portions of General Revenues (such as the herein described CFC Revenues) may be withdrawn from General Revenues and thereafter be treated as Released Revenues for all purposes, including ceasing to secure the Series P/Q Notes. In addition, the Bond Ordinance permits, under certain circumstances, the issuance of Additional Bonds secured on a parity with the Series P/Q Notes as to the lien on General Revenues. See "OUTSTANDING AIRPORT OBLIGATIONS - Senior Lien General Revenue Bonds - Proposed Issuance of Additional Senior Lien General Revenue Bonds" herein and "APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE" attached hereto.

### **Series M/N/O Modified Hybrid PFC Notes; Subordinate Pledge of PFC Revenues and General Revenues**

The Series M/N/O Modified Hybrid PFC Notes are limited obligations of the City issued under the Bond Ordinance payable from and secured by a pledge of and lien on: (a) the portion of Revenues of the Airport constituting PFC Revenues on a parity with the Outstanding Modified Hybrid PFC Notes, junior and subordinate in right of payment to the pledge of and lien on PFC Revenues securing the Outstanding Hybrid PFC Bonds and any other Additional Bonds issued on a parity with such Outstanding Hybrid PFC Bonds under the Bond Ordinance, and (b) Pledged Revenues, on a parity with the Series M/N/O/P/Q Third Lien GARB Notes, the Outstanding Third Lien GARB Notes, and the Outstanding Modified Hybrid PFC Notes, junior and subordinate in right of payment to the pledge of and lien on Pledged Revenues securing: (i) the Outstanding Senior Lien General Revenue Bonds, (ii) the Outstanding Hybrid PFC Bonds, and (iii) any other Additional Bonds issued in parity with such Outstanding Senior Lien General Revenue Bonds and Outstanding Hybrid PFC Bonds under the Bond Ordinance. **The Series M/N/O Modified Hybrid PFC Notes are not secured by Special Purpose Revenues or Released Revenues, either of which may be pledged to secure other bonds and obligations under the Bond Ordinance.** See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES M/N/O/P/Q NOTES - Additional Bonds" and "OUTSTANDING AIRPORT OBLIGATIONS" herein and

"APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE," "APPENDIX C - SUMMARY OF CERTAIN PROVISIONS OF THE SERIES M/N/O SUPPLEMENTAL ORDINANCE," and "APPENDIX D - SUMMARY OF CERTAIN PROVISIONS OF THE SERIES P/Q SUPPLEMENTAL ORDINANCE" attached hereto.

The Bond Ordinance defines "PFC Revenues" to mean all income and revenues received by or required to be remitted to the City from the passenger facility charges imposed by the City pursuant to the Aviation Safety and Capacity Expansion Act of 1990, Pub. L. 101-508, Title IX, Subtitle B, §§9110 and 9111, as amended from time to time (the "PFC Act"), certain terms and conditions provided in the PFC Act, Part 158 of the Federal Aviation Regulations (14 CFR Part 158), as amended from time to time, and any other regulation issued with respect to the PFC Act (collectively, the "PFC Regulations") and an ordinance of the City adopted on February 26, 1997, including any interest earned after such charges have been remitted to the City as provided in the PFC Regulations, all of which may be pledged pursuant to the PFC Act and PFC Regulations. The term "PFC Revenues" also includes any interest or other gain in any of the accounts or subaccounts created in the Bond Ordinance or in any Supplemental Ordinance resulting from any investments and reinvestments of PFC Revenues.

Under the Bond Ordinance, all PFC Revenues are deposited into the PFC Revenue Fund and used to pay the approved costs of PFC Facilities, either directly or as debt service on PFC Revenue Bonds. Pursuant to the Bond Ordinance, amounts remaining in the PFC Revenue Fund after the payment of project costs (together with any amounts in the PFC Revenue Bond Account of the Sinking Fund) must, at all times, be sufficient to cover debt service payments to be made on all PFC Revenue Bonds during the succeeding year. Amounts in the PFC Revenue Fund may also be transferred to the PFC Revenue Enhancement Account. Any amounts on deposit in the PFC Revenue Enhancement Account are accounted for as PFC Revenues in computing the coverage of Debt Service Requirements of PFC Revenue Bonds by PFC Revenues. For additional information on the flow of funds relating to PFC Revenues, see "APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE" attached hereto.

For additional information, see "INFORMATION CONCERNING GENERAL REVENUES AND PFC REVENUES" and "AIRPORT FINANCIAL INFORMATION - Analysis of Airport Operations" herein. For a detailed description of the application of General Revenues and PFC Revenues as required by the Bond Ordinance, see "APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE" attached hereto.

The Bond Ordinance provides that, under certain circumstances, additional separate categories or portions of PFC Revenues as well as General Revenues may be withdrawn from PFC Revenues and/or General Revenues (such as the herein described CFC Revenues) and thereafter be treated as Released Revenues for all purposes, including ceasing to secure the Series M/N/O Modified Hybrid PFC Notes. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES M/N/O/P/Q NOTES - Additional Bonds" herein and "APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE - Released Revenues" attached hereto.

## **Provisions Applicable to Hybrid PFC Bonds**

The Bond Ordinance provides that, for purposes of compliance with the rate covenant, in determining the Debt Service Requirement on Hybrid PFC Bonds with a Senior Lien on PFC Revenues and a Subordinate Lien on General Revenues, (a) if the debt service on such Hybrid PFC Bonds for the relevant period was paid from, or for future periods is expected to be paid from, General Revenues, such debt service will be taken into account in determining the Debt Service Requirement for General Revenue Bonds only and will not be taken into account in determining the Debt Service Requirement for Hybrid PFC Bonds, notwithstanding the lien of such Hybrid PFC Bonds on PFC Revenues; and (b) if the debt service on such Hybrid PFC Bonds for the relevant period was paid from, or for future periods is expected to be paid from, PFC Revenues (for this purpose, including amounts in the PFC Revenue Enhancement Subaccount), such debt service will be taken into account in determining the Debt Service Requirement for PFC Revenue Bonds only and will not be taken into account in determining the Debt Service Requirement of General Revenue Bonds, notwithstanding the lien of such Hybrid PFC Bonds on General Revenues. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES M/N/O/P/Q NOTES - Rate Covenant" herein.

## **Rate Covenant**

The City has covenanted and agreed that at all times while any Bonds are outstanding and unpaid it will prescribe, fix, maintain, and collect rates, fees, and other charges for the services and facilities of the Airport to: (a) provide for 100% of the Operating Expenses of the Airport and for the accumulation in the Revenue Fund of a reasonable reserve therefor, and (b) produce Net Revenues in each Fiscal Year which will: (i) equal, for General Revenues, at least 120% (and 110% without regard to amounts in the General Revenue Enhancement Subaccount) of the Debt Service Requirement on all related Bonds then Outstanding (including the Outstanding Senior Lien General Revenue Bonds) for the Sinking Fund Year ending on the next January 1, and at least 100% of the Debt Service Requirement on all other Bonds payable from related Revenues then Outstanding for the year of computation, (ii) enable the City to make all required payments, if any, into the Debt Service Reserve Account and the Rebate Account and on Contracts or Other Airport Obligations, (iii) enable the City to accumulate an amount to be held in the Renewal and Extension Fund, which in the judgment of the City, is adequate to meet the costs of major renewals, replacements, repairs, additions, betterments and improvements to the Airport, necessary to keep the same in good operating condition, or is required by any governmental agency having jurisdiction over the Airport, and (iv) remedy all deficiencies in required payments into any of the funds and accounts mentioned in the Bond Ordinance from prior Fiscal Years.

The City has covenanted and agreed at all times while any Bonds are outstanding and unpaid it will prescribe, fix, maintain, and collect PFC Revenues which will equal at least 100%, without regard to amounts in the PFC Revenue Enhancement Subaccount, of the Debt Service Requirement of all related Bonds then Outstanding (including the Outstanding Hybrid PFC Bonds) for the Sinking Fund Year ending on the next January 1, and at least 100% of the Debt Service Requirement on all other Bonds payable from related Revenues then Outstanding for the year of computation. The City's ability to prescribe, fix, maintain and collect certain rates, fees and other charges may be limited by various contractual obligations to third parties, as well as Federal

Aviation Administration ("FAA") limitations on the PFC rate to be imposed at the Airport. See "INFORMATION CONCERNING GENERAL REVENUES AND PFC REVENUES" herein.

In addition, the City has also covenanted and agreed in the Bond Ordinance to have on deposit in an Operating and Maintenance Reserve Account established within the Renewal and Extension Fund, as of the first day of each Fiscal Year, one quarter of the budgeted Operating Expenses for such Fiscal Year, as determined upon the adoption of the Annual Budget for the Airport. To the extent amounts on deposit in the Operating and Maintenance Reserve Account are in excess of the required reserve amount set forth in the immediately preceding sentence, the City may transfer such excess to the Renewal and Extension Fund. In the event of any withdrawal from the Operating and Maintenance Reserve Account, other than a withdrawal of excess funds as described above, the City shall deposit monthly into the Operating and Maintenance Reserve Account an amount equal to one-twelfth of the aggregate amount of such withdrawal until the balance in the Operating and Maintenance Reserve Account is at least equal to the required reserve amount.

### **Additional Bonds**

Senior Lien General Revenue Bonds. The City has the right, subject to certain conditions imposed by the Bond Ordinance, to issue Additional Bonds secured on a parity with the Senior Lien General Revenue Bonds, including the Outstanding Senior Lien General Revenue Bonds and the Series 2024 Bonds, if and to the extent such Additional Bonds will have met the requirements and conditions for the issuance of any such Additional Bonds set forth in the Bond Ordinance. The issuance by the City of any such Additional Bonds secured by a Senior Lien on General Revenues, may dilute the security for the Series 2024 Bonds and the Outstanding Senior Lien General Revenue Bonds. For a description of the requirements and conditions for the issuance of any such Additional Bonds, see "APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE" attached hereto. See also, "OUTSTANDING AIRPORT OBLIGATIONS - Senior Lien General Revenue Bonds" herein.

Hybrid PFC Bonds. The City also has the right, subject to certain conditions imposed by the Bond Ordinance, to issue Additional Bonds secured on a parity with the Hybrid PFC Bonds, including the Outstanding Hybrid PFC Bonds, if and to the extent such Additional Bonds will have met the requirements and conditions for the issuance of any such Additional Bonds set forth in the Bond Ordinance. The issuance by the City of any such Additional Bonds secured by a Senior Lien on PFC Revenues and a Subordinate Lien on General Revenues, including when and if issued the hereinafter defined Planned 2025 Hybrid PFC Bonds, may dilute the security for the Outstanding Hybrid PFC Bonds. For a description of the requirements and conditions for the issuance of additional Hybrid PFC Bonds, see "APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE" attached hereto. See also, "OUTSTANDING AIRPORT OBLIGATIONS - Hybrid PFC Bonds" herein.

Special Purpose Airport Revenue Bonds. In addition, the Bond Ordinance permits the issuance of Special Purpose Airport Revenue Bonds to finance Special Purpose Facilities. As of January 1, 2025, there were no Special Purpose Airport Revenue Bonds of the City outstanding. The City does not presently anticipate issuing any Special Purpose Airport Revenue Bonds.

Released Revenue Bonds. The Bond Ordinance also permits the City, upon meeting certain conditions, to create a separable category or portion of revenues, income, receipts and money relating to a definable service, facility or program of the Airport, and for such category of revenues to be withdrawn from General Revenues or PFC Revenues and thereafter treated as Released Revenues for all purposes including the security for Released Revenue Bonds. To date, the City has created a separate category of Released Revenues for the revenues generated by the customer facility charge, currently in the amount of \$5.00 per day, on each transaction-day, as charged and collected by the rental car companies and remitted to the City (the "CFC Revenues") pursuant to an ordinance adopted by the City effective October 1, 2005. The City has pledged the CFC Revenues to secure its payment obligations in respect of an Installment Purchase Agreement, dated June 1, 2006, which payments are being used to pay the principal of, premium (if any) and interest on: (a) City of College Park (Georgia) Taxable Revenue Bonds (Hartsfield-Jackson Atlanta International Airport Consolidated Rental Car Facility Project), Series 2006A and (b) City of College Park (Georgia) Revenue Bonds (Hartsfield-Jackson Atlanta International Airport Automated People Mover System Maintenance Facility Project), Series 2006B (together, the "Series 2006A/B Bonds"), which were issued for the purpose of funding a portion of the costs of construction of the consolidated rental car facility and automated people mover system maintenance facility at the Airport (the "Rental Car Center"). As of January 1, 2025, the Series 2006A/B Bonds were outstanding in the aggregate principal amount of \$123,460,000. As of January 1, 2025, the City has not authorized the issuance of any Additional Bonds backed by Special Purpose Revenues or Released Revenues. For a more detailed summary of certain provisions of the Bond Ordinance relating to Special Purpose Revenues and Released Revenues, see "APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE" attached hereto.

## **Remedies**

The Series M/N/O Supplemental Ordinance and the Series P/Q Supplemental Ordinance constitutes a contract between the City and the owners from time to time of the Series M/N/O Notes and the Series P/Q Notes, respectively, and the pledge, covenants, and agreements of the City set forth in the Series M/N/O Supplemental Ordinance and the Series P/Q Supplemental Ordinance are for the equal benefit, protection, and security of the owners of the Series M/M/N/O Notes and the Series P/Q Notes, respectively, with respect to General Revenues and PFC Revenues, as applicable.

If the City were to default on the Series M/N/O/P/Q Notes, the realization of value from the pledge of the General Revenues and PFC Revenues, as applicable, to secure the payment of the Series M/N/O/P/Q Notes would depend upon the exercise of various remedies specified by the Bond Ordinance and State law. These remedies may require judicial actions, which are often subject to discretion and delay and which may be difficult to pursue. The enforceability of rights or remedies with respect to the Series M/N/O/P/Q Notes may be limited by state and federal laws, rulings, and decisions affecting remedies and by bankruptcy, insolvency, or other laws affecting creditors' rights or remedies heretofore or hereafter enacted.

## **Provisions of the Bond Ordinance Governing the Transfer, Ownership, Management, Operation or Control of the Airport**

Under the Bond Ordinance, the City is prohibited from, directly or indirectly, transferring the ownership, management, operation or control of the Airport, except in the instance of a change in the City's form of government which is subject to the assent of a majority of qualified voters. Notwithstanding the foregoing, the City reserves the right to transfer the Airport as a whole to any political subdivision or authority or agency of one or more political subdivisions of the State provided (a) such entity has provided evidence reasonably satisfactory to the City that the successor entity has comparable airport operations and management experience both in size and scope as the Airport and (b) such entity has been formed under the authority of a duly adopted and ratified local government reorganization act which consolidates the governmental and corporate powers of the City with a county as provided in Article IX, Section III, Paragraph II of the 1983 Constitution of the State, as the same may be hereafter amended. Such consolidated government may assume or be delegated the legal authority to own and operate the Airport, or any portion thereof, on behalf of the public, provided that it undertakes in writing, filed with the Attesting Officer, the City's obligations under the Bond Ordinance, and there shall be first filed with the Attesting Officer: (a) an opinion of Bond Counsel to the effect that such sale will not adversely affect the extent to which interest on any Tax-Exempt Bonds is excluded from gross income for federal income tax purposes; and (b) an opinion of an Airport Consultant expressing the view that such transfer will not result in any diminution of Net Revenues to the extent that in any future Fiscal Year the Net Revenues will be less than 120% of the average annual Debt Service Requirement on all Senior Lien Bonds to be Outstanding after such transfer with a lien on any category of Revenues, in the then current and each succeeding Fiscal Year. In reaching this conclusion, the Airport Consultant shall take into consideration such factors as the Airport Consultant may deem significant, including any rate revision to be imposed by the transferee political subdivision, authority, or agency.

See "APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE" attached hereto.

### **Limited Obligations**

**THE SERIES M/N/O/P/Q NOTES SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OF THE CITY WITHIN THE MEANING OF ANY CONSTITUTIONAL LIMITATION ON DEBT NOR CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE CITY. THE SERIES M/N/O/P/Q NOTES SHALL NOT BE PAYABLE FROM OR BE A CHARGE UPON ANY FUNDS OTHER THAN THE REVENUES AND AMOUNTS PLEDGED TO THE PAYMENT THEREOF, NOR SHALL THE CITY BE SUBJECT TO ANY PECUNIARY LIABILITY THEREON. NO OWNER OR OWNERS OF THE SERIES M/N/O/P/Q NOTES SHALL EVER HAVE THE RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF THE CITY TO PAY THE SERIES M/N/O/P/Q NOTES OR THE INTEREST THEREON, NOR TO ENFORCE PAYMENT OF THE SERIES M/N/O/P/Q NOTES AGAINST ANY PROPERTY OF THE CITY; NOR SHALL THE SERIES M/N/O/P/Q NOTES CONSTITUTE A CHARGE, LIEN, OR ENCUMBRANCE, LEGAL OR EQUITABLE, UPON ANY PROPERTY OF THE CITY, EXCEPT FOR THE AMOUNTS PLEDGED TO THE PAYMENT OF THE**

**SERIES M/N/O/P/Q NOTES AND ANY OTHER FUNDS PLEDGED TO SECURE THE PAYMENT OF THE SERIES M/N/O NOTES AND THE SERIES P/Q NOTES IN THE MANNER SET FORTH IN THE SERIES M/N/O SUPPLEMENTAL ORDINANCE AND THE SERIES P/Q SUPPLEMENTAL ORDINANCE, RESPECTIVELY.**

**THE CREDIT FACILITIES**

The City Council consists of 15 members who are elected to serve four-year terms of office. The City is divided into 12 City Council districts. Twelve members of the City Council are elected by district, and three members of the City Council are elected at-large. The three at-large members of the City Council are required to reside, respectively, in District No. 1, 2, 3 or 4; District No. 5, 6, 7 or 8; and District No. 9, 10, 11 or 12.

The Charter establishes the office of the President of the City Council. The President of the City Council is elected from the City at-large for a term of four years. The President of the City Council presides at meetings, but is not a member of the City Council, and votes only in the case of a tie vote of the City Council. Under the Charter, the President of the City Council exercises all powers and discharges all duties of the Mayor in the case of a vacancy in the Office of the Mayor or during the disability of the Mayor. Under the Charter, the Mayor is elected from the City at-large for a term of four years. ## THE AIRPORT

*The information included under "THE AIRPORT" herein may not contain all relevant information with respect to the Airport. Additional information regarding the Airport is available through EMMA. The Filings were provided as of the respective dates and for the periods specified therein. The information in the Filings is subject to change without notice, and any subsequent statements made by the City do not, under any circumstances, imply that there have not been any changes since the specified dates of the Filings. Accordingly, the information in the Filings may not be indicative of current or future results or performance of the Airport due to these and other factors and are not incorporated into, and are not part of, this Offering Memorandum. The City does not assume any responsibility to update any such information other than the financial and operating data included as part of its continuing disclosure undertakings relating to certain outstanding Bonds (entered into by the City solely for the benefit of the holders of such Bonds). See "CONTINUING DISCLOSURE" herein.*

### General

The Airport is owned by the City and operated by the Department of Aviation. It is classified as a large hub by the FAA, is the principal air carrier airport serving the State and the southeastern United States and serves as a primary transfer point in the national air transportation system. According to Airports Council International, the Airport is the busiest passenger airport in the world with approximately 104.7 million total (enplaned and deplaned) passengers in calendar year 2023. The Airport is also becoming the busiest airline hub in the nation and is the principal connecting hub for Delta Air Lines, Inc. ("Delta").

### Airport Facilities

The Airport is located in Clayton and Fulton counties, Georgia, about 10 road miles south of downtown Atlanta. The Airport occupies approximately 4,750 acres and is surrounded by the cities of College Park, East Point, and Hapeville to the west and north, and by the City and unincorporated areas of Clayton County to the east and south. Access to the Airport is provided via interstate highways I-85, I-285, and I-75, which bound the Airport site to the west, south, and east, respectively.

*Airfield.* The Airport has five parallel east-west runways, two immediately north of the passenger terminal complex (Runway 8L-26R, 9,000 feet long, and Runway 8R-26L, 9,999 feet long), two immediately south of the terminal complex (Runway 9L-27R, 12,390 feet long, and Runway 9R-27L, 9,000 feet long), and a fifth (Runway 10-28, 9,000 feet long) separated from Runway 9R-27L by 4,200 feet to the south. Of the two pairs of parallel runways immediately north and south of the terminal complex, the outboard runways (Runways 8L-26R and 9R-27L,

separated by 6,450 feet) are used primarily for aircraft landings. The inboard runways (Runways 8R-26L and 9L-27R, separated by 4,400 feet) are used primarily for aircraft takeoffs. Runway 10-28, opened in 2006, is used primarily for aircraft landings. All runways are equipped with instrument landing systems, lighting systems, and other air navigation aids, permitting the Airport to operate in virtually all weather conditions. The separation between the runways permits the simultaneous use of three runways for aircraft landings in poor visibility.

*Domestic Passenger Terminal.* Opened in 1980, the central passenger terminal complex of the Airport (the "CPTC") originally consisted of a landside building (now the domestic terminal) and Concourses T-North, A, B, C, and D. The CPTC has been expanded with the addition of the international landside terminal and Concourses T-South, E and F to encompass approximately 6.8 million square feet.

A 7,400-foot-long underground transportation mall accommodates an automated guideway transit system ("AGTS"), known as the Plane Train, and pedestrian walkways that connect all terminal buildings and concourses. The AGTS typically operates with 260-person-capacity, four-car trains at approximately two-minute intervals. The midfield location of the CPTC provides for the optimal movement of aircraft between the terminal gates and the runways and has been the model for the design of many other major world airports.

The domestic landside terminal building contains approximately 1.3 million square feet of space housing passenger and baggage check-in, security screening, baggage claim, ground transportation, concessions, airline operations, Airport administration, and other services and functions. The building is generally symmetrical along its east-west axis, with Delta occupying the south side of the building (the South Terminal) and the other domestic airlines occupying the north side (the North Terminal). Check-in, security screening, and other enplaning passenger functions are accommodated at the east end of the building; baggage claim and other deplaning passenger functions are accommodated at the west end.

A 250,000-square-foot, three-story atrium in the center of the building, opened in 1995, provides a large open space for waiting, circulation, concessions, and other passenger services. Upper levels of the atrium accommodate Airport administrative offices and a USO center. North and South Terminal Parkways provide vehicle access to 750-foot-long curbsides at the North and South Terminals. The Terminal Parkways are covered by canopies spanning their full 150-foot width that were completed in 2018. Pedestrian bridges beneath the canopies connect the terminal building to the adjacent parking garages.

The five domestic concourses together provide approximately 2.3 million square feet of space, are separated from one another by approximately 1,000 feet, and provide 156 aircraft parking positions (gates) equipped with loading bridges and configured for the current mix of aircraft operating at the Airport. The concourses provide passenger holdrooms, concessions, baggage handling facilities, airline operations space, and other services and functions.

Domestic gates are preferentially leased to Airlines except for gates on Concourse D and Concourse T that are managed for the City on a common-use basis by TBI ATL Operations, JV ("TBI") pursuant to a recently executed contract (the "TBI Common Use Facilities Agreement").

International Passenger Terminal. The international terminal complex comprising Concourse E, Concourse F, and the Maynard H. Jackson Jr. International Terminal ("MHJIT") provides approximately 3.2 million square feet of terminal space and 40 loading bridge-equipped gates, most capable of accommodating arrivals and departures by widebody aircraft in domestic or international service. TBI manages the international terminal for the City pursuant to the TBI Common Use Facilities Agreement. Concourse E, opened in 1994 with 24 gates and expanded in 2001 with four additional gates, provides approximately 1.8 million square feet of space. Concourse F, opened in 2012, provides approximately 1.1 million square feet of space and 12 gates. All gates at Concourses E and F are operated on a common-use basis. Delta has priority use rights on the majority of the 28 gates at Concourse E and on six of the 12 gates at Concourse F. The exact number of priority-use gates fluctuates monthly based on Delta's international flying schedule. The remaining gates, along with the priority-use gates used by Delta when they are not utilizing them, are utilized by foreign flag airlines and domestic airlines needing a common-use gate at the Airport.

A 220,000-square-foot federal inspection services ("FIS") facility at Concourse E provides the capacity for U.S. Customs and Border Protection ("CBP") to process approximately 3,600 arriving international passengers per hour through immigration and customs inspections. A second, 150,000-square-foot, FIS facility at Concourse F provides the capacity for CBP to process approximately 2,400 arriving international passengers per hour.

The MHJIT landside terminal building, opened in 2012, provides approximately 0.3 million square feet of space on five levels and accommodates ground transportation facilities, two-level curbside roadways, international passenger check-in facilities, and baggage claim facilities for precleared passengers (i.e., those arriving from Canada and other countries where they clear CBP inspections at their departure airport). Arriving international passengers proceed directly to ground transportation after clearing CBP inspections without having to recheck their baggage for reclaim, as was the case before MHJIT opened. Access to MHJIT is from the east, via a second Airport entrance roadway. Shuttle buses transport passengers between the domestic and international terminal buildings.

Air Cargo. Air cargo transported by passenger and all-cargo airlines serving the Airport is processed through 11 buildings totaling approximately 1.5 million square feet. Associated apron space provides parking positions for 28 widebody aircraft. A 490,000-square-foot complex of buildings is located north of the airfield and a 360,000-square-foot complex of buildings is located to the south, between Runways 9R-27L and 10-28. Delta operates cargo buildings occupying 525,000 square feet in the approximately 110-acre area east of the CPTC and south of Maynard H. Jackson Jr. Boulevard, referred to as the central terminal support area. The U.S. Postal Service operates a 120,000-square-foot regional distribution center at the eastern boundary of the Airport.

## **Capital Plan to 2030**

As part of the Airport Use and Lease Agreement, the City and the Signatory Airlines (as defined herein), agreed upon the Approved Projects (as defined herein), which constitute a \$6.16 billion (in July 2014 dollars) capital improvement plan through Fiscal Year 2035, as well as a funding plan for the Approved Projects. For a description of the projects included in the Approved Projects and other Airline-funded projects, see "SUMMARY OF CERTAIN

PROVISIONS OF THE AIRPORT USE AND LEASE AGREEMENT AND THE RATE MAKING METHODOLOGY - Approved Projects" herein.

The City developed the "Capital Plan to 2030," an approximately \$11.1 billion capital improvement plan at the Airport, which the City expects to fund through Fiscal Year 2030. The Capital Plan to 2030 includes ongoing and future projects in varying stages of execution, and the Airport has already received approval from the airlines, where required, for certain of these projects. The actual timing of construction or implementation of projects will depend on the achievement of forecast demand or other justification of need, and the receipt of required environmental and other regulatory approvals. The City intends to fund the Capital Plan to 2030, with a combination of the proceeds of Bonds, federal grants in aid, PFC Revenues, CFC Revenues, commercial paper notes, and other Airport funds.

The Capital Plan to 2030 is subject to frequent review and modification based on expected funding priorities of the Airport. The City will continue to actively assess and manage its capital needs to determine any necessary modifications to the Capital Plan to 2030 as necessary to accommodate evolving priorities with respect to demand-driven traffic activity, operational needs of the Airport, and other factors, which could result in increases or decreases to the costs of the Capital Plan to 2030, or extend or accelerate the timing to complete certain elements of the Capital Plan to 2030. Any revisions to the Capital Plan to 2030 will reflect a careful balancing by the City of imperatives related to accommodating evolving priorities with respect to demand-driven traffic activity, operational needs of the Airport, and sound financial management of the Department of Aviation's available revenues and debt capacity.

Additional information regarding the Capital Plan to 2030 was included in the 2024 Official Statement, including the 2024 Report of the Airport Consultant attached thereto, which is available on EMMA; any such information is as of the date set forth therein, and shall not be deemed incorporated herein.

In addition, the City may issue additional Senior Lien General Revenue Bonds issued on a parity with the Outstanding Senior Lien General Revenue Bonds and the Planned 2025-2030 General Revenue Bonds in connection with financing or refinancing opportunities that: (a) lower costs of borrowing and/or maximize savings in accordance with long term planning objectives, and/or (b) provide funding for projects approved by the City Council.

## **Other Airport Obligations**

Pursuant to the Bond Ordinance, the Other Airport Obligations do not have a lien on any category of Revenues of the Airport. As of January 1, 2025, there were no Other Airport Obligations currently outstanding under the Bond Ordinance. The City does not presently anticipate issuing any Other Airport Obligations.

## **Hedge Agreements and Subordinate Hedge Agreements**

## **Pension and OPEB Matters**

The City is required to have actuarial estimates produced for its pension and other post-employment benefits ("OPEB") liabilities. Actuarial estimates are "forward-looking" information that reflect the judgment of the fiduciaries of the pension plans and are based upon a variety of assumptions, one or more of which may prove to be inaccurate or be changed in the future, and will change with the future experience of the pension plans. For a summary of the City's pension and OPEB liabilities and the financial impact of such obligations on the Department of Aviation, see the basic financial statements of the Department of Aviation as of and for the Fiscal Years ended June 30, 2024 and 2023 (the "2024 Financial Statements") and the notes to the 2024 Financial Statements, including particularly Note (8) Pensions and Postemployment Benefits. The 2024 Financial Statements are available on EMMA.

For additional information regarding significant accounting policies relating to such pension and OPEB liabilities, see the 2024 Financial Statements and the notes to the 2024 Financial Statements, including particularly Note (1) Summary of Significant Accounting Policies - (j) Net Pension Liability, - (k) Other Postemployment Liability, and - (l) Deferred Inflows and Outflows. In addition, see the Department of Aviation's Annual Comprehensive Financial Report for the Fiscal Years Ended June 30, 2024 and 2023, which is available through EMMA, for the management's discussion and analysis (unaudited) and required supplementary information (unaudited) relating to the Department of Aviation's proportionate share of the City's pension and OPEB liabilities and the financial impact of such obligations on the Department of Aviation.

## **INFORMATION CONCERNING GENERAL REVENUES AND PFC REVENUES**

### **Certain Agreements Affecting General Revenues**

Effective October 1, 2017, Airline rentals, fees, and charges were calculated in accordance with the procedures established under the Airport Use and Lease Agreement for calculating rentals, fees, and charges for the use and occupancy of facilities constituting the two Airline cost centers: the Airfield Cost Center and the Terminal Cost Center. Airlines that enter into an Airport Use and Lease Agreement are referred to as "Signatory Airlines." The Signatory Airlines collectively

account for substantially all the landed weight and passengers at the Airport. See "SUMMARY OF CERTAIN PROVISIONS OF THE AIRPORT USE AND LEASE AGREEMENT AND THE RATE MAKING METHODOLOGY - Rates and Charges" and " - Revenue Sharing" and "AIRPORT FINANCIAL INFORMATION" herein.

## **General Revenues**

Airline Revenues. Airline revenues are comprised of landing fees, terminal rentals (net of credits) and reimbursed expenses paid to the City.

Landing Fees. Under the terms of the Airport Use and Lease Agreement, Airlines pay landing fees which are calculated to recover all of the Debt Service and associated Coverage Requirements (as defined in the Airport Use and Lease Agreement) allocable to the Airfield Cost Center; the Amortization (as defined in the Airport Use and Lease Agreement) allocable to airfield capital improvement projects funded from the Renewal and Extension Fund, if any; and the Direct Operating Expenses (as such terms are defined in the Airport Use and Lease Agreement) allocable to the Airfield Cost Center.

Terminal Rentals. Under the terms of the Airport Use and Lease Agreement, the Signatory Airlines pay terminal facilities rentals calculated to recover all of the Debt Service and associated Coverage Requirements allocable to the Terminal Cost Center, the Amortization allocable to the terminal capital improvement projects funded from the Renewal and Extension Fund, if any; and the Direct Operating Expenses allocable to the Terminal Cost Center, along with certain Prior Tenant Specific Finish Costs.

Reimbursed Expenses. Under the Airport Use and Lease Agreement, effective October 1, 2017, all reimbursed expenses are captured in the Airfield Cost Center and Terminal Cost Center and recovered from the Airlines through landing fees or terminal rentals.

See "AIRPORT FINANCIAL INFORMATION" herein.

Non-Airline Revenues. Non-Airline Revenues are comprised of Inside Concession Revenues (as defined in the Airport Use and Lease Agreement), parking and ground transportation revenues, other revenues (including accrual to cash basis adjustments), and investment income. See "AIRPORT FINANCIAL INFORMATION" herein.

The Airport Use and Lease Agreement provides for an annual credit against Signatory Airline Terminal Rentals (as defined in the Airport Use and Lease Agreement). Such Airline credits are calculated as a percentage of Total Inside Concessions Revenues (as defined in the Airport Use and Lease Agreement) received by the City from food, beverage, retail, and other terminal concessions and services, and an enplaned passenger credit. Under the Airport Use and Lease Agreement, the portion of the Airline credit attributed to Inside Concessions Revenues was calculated using 70% through Fiscal Year 2021 and 50% in Fiscal Year 2022, and the enplaned passenger component of the Airline credit was calculated at \$0.60 per enplaned passenger through Fiscal Year 2021 and \$0.40 per enplaned passenger in Fiscal Year 2022. Under the same agreement, commencing Fiscal Year 2023 Inside Concessions Revenues (as defined in the Airport Use and Lease Agreement) is calculated using 50% during the term of the agreement, and the per

enplaned passenger credit is calculated at \$0.40 per enplaned passenger through Fiscal Year 2027, and will be terminated thereafter. For information regarding the calculation for the enplaned passenger component of the Airline credit after Fiscal Year 2022, see "SUMMARY OF CERTAIN PROVISIONS OF THE AIRPORT USE AND LEASE AGREEMENT AND THE RATE MAKING METHODOLOGY - Revenue Sharing" herein.

### **Passenger Facility Charges; PFC Revenues**

Under the PFC Act, the FAA may authorize public agencies controlling certain commercial service airports such as the Airport to impose a passenger facility charge ("PFC") of \$1.00, \$2.00, \$3.00, \$4.00 or \$4.50 on each eligible passenger enplaned at such airport, subject to certain limitations. Public agencies wishing to impose and use these PFCs must apply to the FAA for such authority and meet certain requirements indicated in the legislation and regulations issued by the FAA. Regardless of the number of PFC applications which have been approved by the FAA, an airport can only collect a maximum of \$4.50 from each eligible enplaning passenger per flight segment (up to four flight segments per round-trip). PFC applications are approved by the FAA to fund specific projects in specific total amounts that may be collected up until a certain deadline. PFC Revenues serve as an important source of funding for the Capital Plan to 2030 and to make debt service payments on the Outstanding Hybrid PFC Bonds and, if and when issued, the Planned 2025 Hybrid PFC Bonds.

The purpose of the PFC program created pursuant to the PFC Act is to provide funding for improvements to the national airport system. The proceeds from PFCs must be used to finance eligible airport-related projects that (a) preserve or enhance safety, capacity or security of the national air transportation system, (b) reduce noise from an airport that is part of such system, or (c) furnish opportunities for enhanced competition between or among air carriers. "Eligible airport-related projects" include airport development or planning, terminal development, airport noise compatibility measures and planning and construction of gates and related areas (other than restaurants, rental car facilities, automobile parking or other concessions) for the movement of passengers and baggage.

As of September 30, 2024, the aggregate amount of PFC Revenues that the City was authorized by the FAA to collect was \$7,849,281,160, all of which is approved to be used for approved projects (including amounts already expended). The City began collecting PFC Revenues in 1997 and, based on the Airport's most recent quarterly PFC Revenues report through September 30, 2024, the City had collected PFC Revenues totaling \$4,738,591,978 (including interest earnings), of which \$4,243,045,135 has been expended, \$2,487,695,212 for project costs on a "pay as you go" basis and \$1,755,349,923 for principal, interest and other financing expenses.

On February 8, 2024, the FAA approved 24-24-C-00-ATL for \$172,057,764 (the "Approved PFC Application"). The Approved PFC Application reflects ongoing and anticipated work to be performed on seven new capital projects.

On October 2, 2024, the FAA approved 16-18-C-02-ATL for a net effect decrease in the impose and use authority of \$108,538,197 (the "Approved PFC Amendment 2 to Application 18"). The Approved PFC Amendment 2 to Application 18 reflects one ongoing capital project and six final close-out capital projects.

The Approved PFC Application: (a) reconciled final project costs and PFC funds required for completed projects; (b) updated estimated project costs and PFC funds required for ongoing and pending projects; and (c) updated project scopes, where required, to reflect actual work performed or anticipated to be performed. Pursuant to authority granted by the FAA under approved PFC applications, the Outstanding Hybrid PFC Bonds and, when and if issued, the Planned 2025 Hybrid PFC Bonds are payable from and secured by a Senior Lien on PFC Revenues. The Outstanding Hybrid PFC Bonds and, when and if issued, the Planned 2025 Hybrid PFC Bonds are also secured by a Subordinate Lien on General Revenues. The amount of PFC Revenues collected will vary depending on the actual number of qualified passengers. For more information on historical PFC Revenues generated at the Airport, see "AIRPORT FINANCIAL INFORMATION - Historical Debt Service Coverage - Outstanding Hybrid PFC Bonds" herein.

## **SUMMARY OF CERTAIN PROVISIONS OF THE AIRPORT USE AND LEASE AGREEMENT AND THE RATE MAKING METHODOLOGY**

*The following provides a brief summary of certain provisions of the Airport Use and Lease Agreement. Such information and summary do not purport to be complete and are qualified in their entirety by express reference to the Airport Use and Lease Agreement, a copy of which is available from the City. Unless expressly defined herein, capitalized terms used under "SUMMARY OF CERTAIN PROVISIONS OF THE AIRPORT USE AND LEASE AGREEMENT AND THE RATE MAKING METHODOLOGY" herein shall have the meanings assigned to such terms in the Airport Use and Lease Agreement, a copy of which is available from the City.*

### **General**

Most of the passenger and cargo airlines serving the Airport, which collectively account for substantially all the landed weight and passengers at the Airport, operate under the terms of airport use and lease agreements (collectively, the "Airport Use and Lease Agreement"). In April 2016, the City and the Signatory Airlines agreed to the provisions of the Airport Use and Lease Agreement which, among other things, established new procedures for calculating rentals, fees, and charges for the use and occupancy of facilities defining the two Airline cost centers, the Airfield Cost Center and the Terminal Cost Center. Under the provisions of the Airport Use and Lease Agreement that became effective on October 1, 2017 (during Fiscal Year 2018), Airline rentals, fees, and charges are to be calculated to allow the City to recover operating and maintenance expenses and debt service plus coverage on General Revenue Bonds allocable to the Airfield Cost Center or the Terminal Cost Center. Coverage on debt service for General Revenue Bonds outstanding at July 1, 2016 is at 20%, as they may be refunded (as well as other General Revenue Bonds, the proceeds of which are to be used to fund the costs of the terminal modernization program and any subsequent refunding of General Revenue Bonds which were outstanding as of July 1, 2016). Coverage on debt service for the remaining portions of certain outstanding General Revenue Bonds and future General Revenue Bonds, including a portion of the Planned 2025-2030 General Revenue Bonds, is at 30%. Coverage on debt service for a portion of the Planned 2025-2030 General Revenue Bonds issued to fund the costs of the terminal modernization program will be at 20%. Such coverage requirements do not apply to the Hybrid PFC Bonds.

Rather than having separate agreements governing use of the airfield and the CPTC, the Airport Use and Lease Agreement is an integrated agreement covering both. The Airport Use and Lease Agreement contains thoroughly revised, industry standard, contemporary contractual provisions. All Signatory Airlines that are Passenger Carriers have executed substantially the same form of the Airport Use and Lease Agreement with the primary difference between individual agreements being the term of the particular Airport Use and Lease Agreement, as described below. Signatory Airlines that are Cargo Carriers have executed a similar form of agreement, but the agreement for Cargo Carriers is conditioned so that only the provisions affecting Cargo Carriers (e.g., the provisions pertaining to the airfield as well as the general legal requirements such as insurance, indemnification and environmental responsibilities) apply.

Under the provisions of the Airport Use and Lease Agreement, the City and the Signatory Airlines have agreed to the scope, costs, and funding of preapproved capital improvements whose costs are to be allocated to the Airfield Cost Center or Terminal Cost Center and recovered through Airline rentals, fees, and charges. The Airport Use and Lease Agreement also defines procedures under which MII Eligible Signatory Airlines (as defined herein) may approve additional capital improvements whose costs are to be allocated to the Airfield Cost Center or the Terminal Cost Center. For Airfield projects, the cost of which is allocated to the Airfield Cost Center, MII is generally defined as MII Eligible Signatory Airlines accounting for 87% of landed weight, and for Terminal projects, the cost of which is allocated to the Terminal Cost Center, MII is generally defined as MII Eligible Signatory Airlines accounting for 87% of enplaned passengers. Under the terms of the Airport Use and Lease Agreement, a capital improvement project subject to MII consideration is deemed to be approved unless disapproved by MII Eligible Signatory Airlines.

Under the Airport Use and Lease Agreement, the City has agreed to provide the Signatory Airlines with an inside concession credit and a per passenger credit to reduce Airline payments during the transition from the generally lower payments required under the various prior agreements between the City and the Airlines signatory to such agreements, as previously amended and extended (the "Prior Airline Agreements"), provided that the City may reduce such credits as required to ensure that Net Revenues are adequate to provide at least 150% coverage on debt service on General Revenue Bonds. See "SUMMARY OF CERTAIN PROVISIONS OF THE AIRPORT USE AND LEASE AGREEMENT AND THE RATE MAKING METHODOLOGY - Revenue Sharing" herein.

The procedures for the annual adjustment of Airline rentals, fees, and charges established by the Airport Use and Lease Agreement are intended to ensure continued compliance with the rate covenant under the Bond Ordinance and generate Net Revenues adequate to fund ongoing facility renewal, replacement, upgrade, and other capital needs.

Provisions of the Airport Use and Lease Agreement governing the pre-approval of certain future capital projects included within the Approved Projects and other provisions governing capital improvement projects took effect retroactively on July 1, 2016. The remaining provisions of the Airport Use and Lease Agreement, including those governing the calculation of Airline rentals, fees, and charges, took effect on October 1, 2017. As of such date, the Prior Airline Agreements were terminated and deemed to be of no further force and effect, except with respect to certain payment obligations, prior approvals for certain capital projects, and certain other

obligations intended to survive termination pursuant to the terms of such agreements, which survived until such obligations were satisfied.

### **Term of Airport Use and Lease Agreement**

Under the Airport Use and Lease Agreement an "MII Eligible Signatory Airline" is any Airline which makes a 20-year commitment to the City which can be extended for ten years by mutual consent of the City and such MII Eligible Signatory Airline. For air carriers that do not make a 20-year commitment to the City but wish to become Signatory Airlines, the Airport Use and Lease Agreement provides an optional five-year term. Air carriers signing on for five years enjoy the same rights and obligations as MII Eligible Signatory Airlines, with the exception of MII review rights. Air carriers that do not execute the Airport Use and Lease Agreement are deemed non-Signatory Airlines and must sign an Operating Agreement. Non-Signatory Airlines do not participate in revenue sharing. See "SUMMARY OF CERTAIN PROVISIONS OF THE AIRPORT USE AND LEASE AGREEMENT AND THE RATE MAKING METHODOLOGY - Revenue Sharing" herein.

The Airport Use and Lease Agreement has two term options: (a) for MII Eligible Signatory Airlines, the term extends until June 30, 2036, with an option to extend for an additional ten years to 2046 upon mutual consent of the parties; and (b) for all other Signatory Airlines, the initial term extended from July 1, 2016 to June 30, 2021, with three optional successive five-year renewal periods for a potential final termination on June 30, 2036. Such Signatory Airlines may also further extend for an additional two five-year periods should the MII Eligible Signatory Airlines extend to 2046. In 2021, all Signatory Airlines whose agreement term ended June 30, 2021 elected to extend that agreement through June 30, 2026.

### **Leased Premises and Use Rights**

The City assigns space to each Signatory Airline through the issuance of a Premises Notice, the form of which is attached to the Airport Use and Lease Agreement. Space in the Premises Notice is assigned on an Exclusive Use basis (e.g., office space and passenger clubs) and a Preferential Use basis (e.g., Gates). The City retains exclusive control of Common Use Premises in the CPTC, except that the Airport Use and Lease Agreement provides for the assignment of Priority Use rights on some Common Use Gates in order to foster efficient hub operations. The Airport Use and Lease Agreement gives the City the right to build additional Common Use Gates any time capacity on Common Use Gates falls below a certain threshold ("City Common Use Gate Requirement"). The City Common Use Gate Requirement is triggered if the City has three or fewer Domestic Common Use Gates with average utilization over 300 departing seats/day. This threshold acts as an early warning system, signaling that the Domestic Common Use Gates are trending towards full utilization. This gives the City time to build additional Domestic Common Use Gates before reaching capacity on existing Common Use Gates. Under the Airport Use and Lease Agreement, the City was not allowed to invoke its right to build additional Common Use Gates until the earlier of the completion of the Concourse T-North Expansion Project or December 31, 2021. Upon completion of the Concourse T-North Expansion Project in December 2022, the City increased its Common Use Gates in the Domestic Terminal by three for a total of four Domestic Common Use Gates in the Domestic Terminal. Subsequently, the City and the MII Eligible Signatory Airlines agreed to utilize three Common Use Gates in the Domestic Terminal

as swing gates for common use or preferential gates during construction of the Concourse D widening project to mitigate the impacts from construction on gate availability. Upon completion of the Concourse D widening project, which is expected to occur in the last quarter of 2029, the City expects to have a total of four Domestic Common Use Gates. The City continues to evaluate and adopt strategies to enhance operational space and gate capacity needs during improvement and expansion projects.

The Airport Use and Lease Agreement provides the City with enhanced tools to minimize under-utilization of Gates within the CPTC. Preferential Use Gate rights have been redefined to be consistent with current industry norms that protect the Signatory Airlines' flight schedules but give the City enhanced power to accommodate the needs of other carriers when a Signatory Airline has a Preferential Use Gate that is not being fully used. The City also has the right to "recapture" under-utilized Preferential Use Gates and assign them to other air carriers and to rescind Priority Use rights granted on Common Use Gates if certain minimum utilization standards are not met.

The Airport Use and Lease Agreement provides for the continued operation and maintenance of certain domestic facilities in the CPTC by the Atlanta Airlines Terminal Company ("AATC"), a corporation established by the air carriers operating at the Airport for that purpose, or another third-party service provider. The Airport Use and Lease Agreement also provides for the City to continue to use a third-party manager to operate and maintain most common-use terminal facilities, and operate and maintain MHJIT.

## **Rates and Charges**

The Airport Use and Lease Agreement prescribes simplified cost recovery rate-setting methods that the City will use to calculate both Landing Fees and Terminal Rentals each year. See "INFORMATION CONCERNING GENERAL REVENUES AND PFC REVENUES - General Revenues" herein.

*Landing Fees.* There is a single Landing Fee rate to be paid by all Signatory Airlines for each Fiscal Year. The Landing Fees will be calculated to fully recover all of the Debt Service and associated Coverage Requirements allocable to the Airfield Cost Center; the Amortization allocable to airfield capital improvement projects funded from the Renewal and Extension Fund, if any; and the Direct Operating Expenses allocable to the Airfield Cost Center. The Landing Fee rate is expressed in dollars and cents per thousand pounds of FAA certified maximum gross landed weight for each aircraft scheduled to land at the Airport. The Landing Fee rate to be charged to non-Signatory Airlines will be at least 5% higher than the Signatory Airlines' Landing Fee rate.

*Terminal Rentals.* The Terminal Rental rates will be calculated to recover all of the Debt Service and associated Coverage Requirements allocable to the Terminal Cost Center; the Amortization allocable to terminal capital improvement projects funded from the Renewal and Extension Fund, if any; and the Direct Operating Expenses allocable to the Terminal Cost Center, along with certain specified Prior Tenant Finish Costs. AATC Charges and Common Use Facility Manager Costs are billed separately to the air carriers that use the CPTC. The Terminal Rental rates are expressed in dollars and cents per square foot of Exclusive Use and Preferential Use Space assigned to each Signatory Airline, with different rates for four distinct types of Rented Space to reflect their differing utility. The charges for the use of Domestic Common Use Facilities

and International Terminal Common Use Charges (as described in Section 8.05 of the Airport Use and Lease Agreement) are based upon the levels of activity of the air carriers using these facilities.

### **Revenue Sharing**

The Airport Use and Lease Agreement provides for four types of revenue sharing credits to be distributed among the Signatory Airlines on the basis of each Signatory Airline's relative share of Enplaned Passengers:

- The City will share 70% of its Inside Concessions Revenues in Fiscal Years 2018-2021 and 50% of its Inside Concessions Revenues for the remainder of the Term, as it may be extended. The inside concession credit is calculated as a percentage of revenues derived from food, beverage, retail, and other inside terminal concessions.
- The City will also provide a "Per-Passenger Credit" of \$0.60 in Fiscal Years 2018-2021 and \$0.40 in Fiscal Years 2022-2027, with no further Per Passenger Credits during the Term of the particular Airport Use and Lease Agreement or if such term is extended.
- In Fiscal Years 2028 and later, the City will share with the Signatory Airlines 50% of the balance in the Renewal and Extension Fund in excess of \$150 million (after taking account of certain Core Airport Operations Projects).
- In Fiscal Years 2028 and later, the City will also share 100% of the unencumbered balance in the Renewal and Extension Subaccount, if any, that exceeds \$400 million.

Total Inside Concession Credits and Per-Passenger Credits cannot exceed the sum of all actual Inside Concessions Revenues for any given Fiscal Year. The credits may also be reduced so as to ensure that Net Revenues are at least 150% of debt service on General Revenue Bonds. The City also reimburses the Signatory Airlines for a portion of operation and maintenance expenses attributable to inside concession facilities for which the City retains revenues. Additionally, the combination of the four revenue sharing elements above have a limitation of distribution to the Airlines to the aggregate of Inside Concessions Revenues and Outside Concessions Revenues for any given Fiscal Year.

### **Approved Projects**

In May 2015, the City published a master plan to guide the long-term development of the Airport (the "Master Plan"). In May 2016, the City and the Signatory Airlines, as part of the Airport Use and Lease Agreement, mutually agreed to a \$6.16 billion (in July 2014 dollars) 20-year plan of capital improvements consisting of a list of capital projects which includes certain projects from the Master Plan (the "Approved Projects") through Fiscal Year 2035 and includes the following improvements:

- \$1.28 billion in pre-approved airfield improvements funded, in whole or in part, by the Airlines:

- New sixth runway; and
- Airfield upgrades, renewal and replacement.
- \$3.01 billion in pre-approved terminal improvements funded, in whole or in part, by the Airlines, including:
  - New Concourse G;
  - T-North Expansion;
  - International Terminal improvements;
  - Terminal Modernization Program;
  - Automated Guideway Transit System (Plane Train); and
  - CPTC upgrades, renewal and replacement.
- \$1.87 billion in City-funded landside improvements exempt from Airline review including parking garages and air cargo projects.

In 2022, the City and the Signatory Airlines agreed in principle to a reprioritized capital plan, which resulted in MII approval from the MII Eligible Signatory Airlines of certain additional projects relating to the reprioritization of the list of Airline-funded projects to be included in the capital improvement program through Fiscal Year 2035. This process resulted in, among other things, (a) the addition of exempt projects through the notification process set forth in the Airport Use and Lease Agreement and (b) the removal, deferment and/or substantial reduction of certain of the above-referenced pre-approved airfield and terminal improvements, including, but not limited to, the contemplated new sixth runway (excluding land acquisition), new 9R end around taxiway and new Concourse G.

The Airport Use and Lease Agreement categorically exempts certain future projects from Airline review, including:

- City-funded projects not in an Airline rate base;
- Projects, not in excess of \$5 million each, totaling up to \$15 million per year (increasing to \$20 million per year in 2025);
- Mandated or emergency projects; and
- Projects required to meet the City Common Use Gate Requirement.

II approval is required for Airline-funded projects that are not pre-approved or exempt. Absent II approval, when required, the City cannot proceed with a newly proposed project.

Projects that meet the exempt status stated above or have received II approval since execution of the Airport Use and Lease Agreement (or for which II approval is in process and expected) include:

- Construction of south aircraft deicing facility;
- Replacement of AGTS cars and other systems;
- Completion of various fire-life-safety projects;
- Construction of an Airport landside fire station;
- Expansion of the South Security Checkpoint;
- Expansion of the Concourse T Midpoint Vertical Transportation;

- Concourse T-North Modernization;
- Power Distribution Equipment Replacement - Concourse A & D;
- Domestic Terminal Interior Enhancements;
- CPTC Restroom Enhancements;
- Terminal North Ticketing Lobby Reconfiguration;
- Concourse E HVAC Replacement;
- CCTV Digital Upgrades;
- Ramp 6 North Domestic Gates;
- Concourse D Widening;
- Delta Sky Club Concourse D;
- Concourse B Sky Club Expansion; and
- Department of Aviation Data Center.

The City continuously evaluates the addition of new projects and/or the reprioritization of certain projects, whose costs may be paid through Airline rentals, fees, and charges, and may require MII approval from the MII Eligible Signatory Airlines pursuant to the Airport Use and Lease Agreement. See "SUMMARY OF CERTAIN PROVISIONS OF THE AIRPORT USE AND LEASE AGREEMENT AND THE RATE MAKING METHODOLOGY - General" herein. See also, "APPENDIX E - SUMMARY OF CERTAIN PROVISIONS OF THE PRINCIPAL AIRPORT LEASES AND AGREEMENTS" attached to the 2024 Official Statement; any such information is as of the date set forth therein, and shall not be deemed incorporated herein.

#### **Signatory Airlines' Other Right of Termination**

A Signatory Airline may terminate its agreement with the City upon 30 days' written notice to City if the Signatory Airline is permanently deprived, for any reason beyond its control, of the rights, certificates, or authorizations necessary under applicable law to operate its air transportation business at the Airport.

All of the foregoing cash basis information should be read in conjunction with the accrual basis financial statements of the Department of Aviation.

## Historical Revenues and Expenses

Operating Revenues and Expenses (Cash Basis). Operating revenues of the Airport are generally categorized as Airline revenues or non-airline revenues. Airline revenues consist of payments received from Airlines for landing fees, terminal rentals, reimbursed expenses and other service-related revenues. Non-airline revenues are derived from terminal concessions (which include passenger terminal retail, food and beverage sales and services), automobile parking, rental cars, ground transportation, building rentals, ground rentals and certain other revenues. Expenses are comprised of salaries and wages, repairs and maintenance, utility costs, materials and supplies, professional services and other operating costs, and are presented in the following table within their functional activities.

The following tables present a summary of the operating revenues and expenses of the Department of Aviation on a cash basis (converted from accrual to cash basis) for the last five Fiscal Years. The revenue and expenses are presented by income and cost centers and reflect the Department of Aviation's unaudited accrual basis of maintaining its books during each such Fiscal Year and a post-audit single-line conversion to cash basis at the end of each such Fiscal Year. The conversion amounts are consistent with the requirements of the Master Bond Ordinance for the respective Fiscal Years. Because the audited financial statements of the Department of Aviation are presented on an accrual basis in compliance with GAAP where revenues are recognized when earned and expenses recognized when incurred, the terms and amounts in the following cash basis presentation may not agree with certain portions of the audited financial statements of the Department of Aviation.

In addition to the above payments, each Airline is responsible for maintaining its exclusive leased premises and for paying the pro-rata share of the costs of maintaining circulation and support space, as defined in the Airport Use and Lease Agreement or joint leased premises as defined in the Prior Airline Agreements. The CPTC is operated and maintained on behalf of the contracting airlines by AATC, a company established by the Airlines for that purpose. CPTC operating and maintenance expenses incurred by AATC are paid directly by the Airlines and are not recorded as expenses by the Department of Aviation.

The City contracts management, operation and maintenance of all common-use terminal facilities at the Airport to TBI pursuant to the TBI Common Use Facilities Agreement. Such common use facilities are primarily comprised of the international terminal complex and its 40 common use gates, and also include non-Delta domestic baggage claim, domestic common use ticket counters, and domestic common use gate. Under the TBI Common Use Facilities Agreement, TBI acts as the City's agent for the oversight and day-to-day management and

operations of the common use facilities. TBI also collects user fees from the Airlines that utilize the common use facilities pursuant to a methodology based upon the recapture of the operating expenses of TBI and the collection of terminal rentals on behalf of the City. In addition to reimbursement of all reasonable direct operating expenses through user fees, TBI is paid a flat management fee of up to \$1.7 million per year (a base rate of \$1.4 million and 6% of the expenses of any additional projects, up to the max fee). The operating and maintenance expenses incurred by TBI, and its management fee, are not recorded as expenses by the Department of Aviation.

In Fiscal Year 2023, Airline payments per enplaned passenger to the City averaged \$2.27, Airline payments per enplaned passenger to TBI averaged \$0.63 and Airline payments per enplaned passenger to AATC averaged \$2.33, for an all-in Airline payment per enplaned passenger of \$5.23.

In Fiscal Year 2024, Airline payments per enplaned passenger to the City averaged \$3.93, Airline payments per enplaned passenger to TBI averaged \$0.61 and Airline payments per enplaned passenger to AATC averaged \$2.24, for an all-in Airline payment per enplaned passenger of \$6.78.

## Analysis of Airport Operations

The following represents management of the Department of Aviation's discussion and analysis of results of operations at the Airport. The discussion presented below references financial information presented in the table entitled "Historical Revenue and Expenses" under "AIRPORT FINANCIAL INFORMATION - Historical Revenues and Expenses" herein.

During Fiscal Years 2023, 2022, 2021, and 2020, the Department of Aviation used COVID-19 Relief Grants of \$256.6 million, \$93.2 million, \$10.6 million, and \$34.8 million, respectively, for operating expenses. Any discussion in this section related to year-over-year performance of operating expenses excludes the COVID-19 Relief Grants used for reimbursement of operating expenses in order to ensure a meaningful comparison of operating expenses. COVID-19 Relief Grants used for reimbursement of operating expenses are reflected as an adjustment to Net Revenues. Additionally, historical revenues at the Airport were disrupted by the COVID-19 pandemic beginning in February 2020 and certain revenues were further impacted by the relief provided by the City to the Airlines, concessionaires, and rental car companies.

*Operating Results for Fiscal Year 2024 versus Fiscal Year 2023 (Unaudited Cash Basis Converted from Accrual to Cash Basis).* For Fiscal Year 2024, the Department of Aviation reported operating revenues of approximately \$685.3 million compared to approximately \$502.5 million for Fiscal Year 2023. The increase of approximately \$182.8 million in operating revenues in Fiscal Year 2024 was the result of increased passenger traffic throughout the year as the demand for air travel increased and the Airport continued to recover from the COVID-19 pandemic.

Total operating expenses for Fiscal Year 2024 and Fiscal Year 2023 were approximately \$406.4 million and \$378.4 million, respectively. The approximately \$28.0 million increase in operating expenses for the full Fiscal Year 2024 relates to increases in parking operations, operations and security, and general administrative expenses.

In addition to the operating results for Fiscal Year 2024, the Department of Aviation continues to report considerable cash reserves. As of June 30, 2024, the Department of Aviation held net unrestricted cash balances of \$1,078.1 million as compared to \$1,069.2 million as of June 30, 2023.

*Operating Results for Fiscal Year 2024 versus Fiscal Year 2022 (Unaudited Cash Basis Converted from Accrual to Cash Basis).* For Fiscal Year 2024, the Department of Aviation reported operating revenue of \$685.3 million compared to \$383.5 million for Fiscal Year 2022. The increase of approximately \$301.8 million in operating revenues in Fiscal Year 2024 was the result of increased passenger traffic throughout the year as the demand for air travel increased and the Airport continued to recover from the COVID-19 pandemic.

Total operating expenses for Fiscal Year 2024 and Fiscal Year 2022 equaled \$406.4 million and \$345.7 million, respectively. The \$60.7 million increase in operating expenses relates to increases in parking operations, operations and security, general administrative and maintenance expenses.

Net operating revenue for Fiscal Year 2024 and Fiscal Year 2022 totaled \$341.5 million and \$167.4 million, respectively, an increase of \$174.1 million over this time frame.

## **Infrastructure Investment and Jobs Act**

The federal Infrastructure Investment and Jobs Act of 2021, usually referred to as the Bipartisan Infrastructure Law (the "BIL") was approved by the United States Congress and signed

by the President on November 15, 2021. The BIL provides approximately \$20 billion in grants for airport infrastructure development over the five years 2022 through 2026.

Up to approximately \$2.9 billion per year of the BIL funds is being awarded to primary airports as Airport Infrastructure Grants ("AIG"), allocated on the same basis as Airports Improvement Program ("AIP") entitlement grants. The City expects to be allocated approximately \$92.5 million per year in AIG grants for the Airport. Such grants will be for the standard AIP federal match (up to 75% of costs for most projects) and may be used for approved projects meeting PFC eligibility criteria (except that the grants may not be used to pay debt service). The City intends to use approximately \$450.0 million of its AIG grants for certain of the projects in the Capital Plan to 2030.

An additional approximately \$1.0 billion per year will be provided in grants under the Airport Terminal Program ("ATP") provisions of the BIL, with up to 55% going to large hub airports. The federal share is 80%. ATP grants are being awarded at the FAA's discretion following a competitive application process. PFC eligibility criteria apply and priorities for the ATP grants include replacing aging and inadequate facilities, increasing capacity, and facilitating airline competition. The City applied for ATP grant funding for projects to add domestic gates at Ramp 6 North and upgrade terminal restrooms. The City received ATP grant funding of \$44 million for the Capital Plan to 2030.

## **LITIGATION**

The City, like other similar bodies, is subject to a variety of suits and proceedings arising in the ordinary conduct of its affairs. The City, after reviewing the current status of all pending and threatened litigation with the City's Department of Law, believes that, while the outcome of litigation cannot be predicted, the final settlement of all lawsuits which have been filed and of any actions or claims pending or, to the knowledge of the City, threatened against the City or its officials in such capacity are adequately covered by insurance or sovereign immunity or will not have a material adverse effect upon the financial position or results of operations of the Airport.

There is no litigation now pending or, to the knowledge of the City, threatened against the City which restrains or enjoins the issuance or delivery of the Series M/N/O/P/Q Notes or the use of the proceeds of the Series M/N/O/P/Q Notes or which questions or contests the validity of the Series M/N/O/P/Q Notes or the proceedings and authority under which they are to be issued, executed, and delivered. Neither the creation, organization, nor existence of the City, nor the title of the present members or other officials of the City to their respective offices, is being currently contested or questioned to the knowledge of the City.

## **VALIDATION**

The City received an order and final judgment by the Superior Court of Fulton County, Georgia, on May 25, 2022, confirming and validating the Series M/N/O Notes and the security therefor, which judgment is now final and forever conclusive against the City with respect to the validity of the Series M/N/O Notes and the security therefor

The City received an order and final judgment by the Superior Court of Fulton County, Georgia, on December 30, 2024, confirming and validating the Series P/Q Notes and the security therefor. Under State law, if no appeal of the judgment of validation is timely filed, the judgment is final and forever conclusive against the City with respect to the validity of the Series P/Q Notes and the security therefor.

## **TAX MATTERS RELATING TO THE SERIES M/N/O NOTES**

*Co-Note Counsel in connection with the Series M/N/O Notes has not reviewed any material in connection with its opinion. After each New Money Issuance Period, Co-Note Counsel in connection with the Series M/N/O Notes will be asked to confirm and update its opinion, if required.*

Pursuant to the Series M/N/O Supplemental Ordinance, Series M/N/O Notes may be issued within an 18-month period beginning on the first date of issuance of Series M/N/O Notes, and the proceeds of such issue may be applied to finance or refinance any one or more of the following purposes: (i) the costs of planning, engineering, design, acquisition and construction of certain improvements to the Airport, and (ii) the principal of and accrued and unpaid interest on the respective Series M/N/O Notes previously issued. Such 18-month period and successor 18-month periods are "New Money Issuance Periods" as further described in APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE" attached hereto. The description in this section and the opinion described herein apply only to Series M/N/O Notes issued within the initial New Money Issuance Period and to Series M/N/O Notes issued after such period solely to refund principal of the respective Series M/N/O Notes issued during such period; provided Co-Note Counsel has not notified the City that such description and opinion are no longer applicable to Series M/N/O Notes to be issued after such notification. New legislation, new court decisions, new rulings and new regulations enacted, promulgated or interpreted after the date hereof may prevent Co-Note Counsel from rendering such an opinion, otherwise affect the substance of such opinion or diminish the value or otherwise affect the federal or State income tax treatment of the interest on Series M/N/O Notes.

### **Opinion of Co-Note Counsel**

In the opinion of Co-Note Counsel, under current law, (a) interest on the Series M-1 Notes, the Series M-3 Notes, the Series N-1 Notes, the Series N-3 Notes, the Series O-1 Notes and the Series O-3 Notes issued during the initial New Money Issuance Period (i) will not be included in gross income for federal income tax purposes, and (ii) will not be an item of tax preference for purposes of the federal alternative minimum income tax; (b) interest on the Series M-2 Notes, the Series M-4 Notes, the Series N-2 Notes, the Series N-4 Notes, the Series O-2 Notes and the Series O-4 Notes issued during the initial New Money Issuance Period (i) will not be included in gross income for federal income tax purposes, except when held by a "substantial user" of the Airport facilities or a "related person" within the meaning of Section 147(a) of the Code, and (ii) will be an item of tax preference for purposes of the federal alternative minimum income tax; and (c) interest on the Series M/N/O Notes issued during the initial New Money Issuance Period will be exempt from income taxation by the State. No other opinion is expressed by Co-Note

Counsel regarding the tax consequences of the ownership of or the receipt or accrual of interest on Series M/N/O Notes.

Co-Note Counsel's opinion will be given in reliance upon certifications by representatives of the City and other parties as to certain facts relevant to both the opinion and requirements of the Internal Revenue Code of 1986, as amended (the "Code"), and is subject to the condition that there is compliance subsequent to the issuance of the Series M/N/O Notes with all requirements of the Code that must be satisfied in order for interest thereon to remain excludable from gross income for federal income tax purposes. The City has covenanted to comply with the current provisions of the Code regarding, among other matters, the use, expenditure and investment of the proceeds of the Series M/N/O Notes, the timely payment to the United States of any arbitrage rebate amounts with respect to the Series M/N/O Notes, and the timing requirements for the issuance of Series M/N/O Notes. Failure by the City to comply with such covenants, among other things, could cause interest on the Series M/N/O Notes to be included in gross income for federal income tax purposes retroactively to their date of issue.

Co-Note Counsel's opinion represents a legal judgment based in part upon the representations and covenants referenced therein and a review of current law, but is not a guarantee of result or binding on the Internal Revenue Service (the "IRS") or the courts. Co-Note Counsel assumes no duty to update or supplement the opinion to reflect any facts or circumstances that may thereafter come to Co-Note Counsel's attention or to reflect any changes in law or the interpretation thereof that may thereafter occur or become effective.

Customary practice in the giving of legal opinions includes not detailing in the opinion all the assumptions, exclusions, conditions and limitations that are a part of the conclusions therein. See *Statement on the Role of Customary Practice in the Preparation and Understanding of Third-Party Legal Opinions* in *The Business Lawyer*, Volume 63, Page 1277 (2008) and *Legal Opinion Principles* in *The Business Lawyer*, Volume 53, Page 831 (1998). Purchasers of Series M/N/O Notes should seek advice or counsel concerning such matters as they deem prudent in connection with their purchase of Series M/N/O Notes, including with respect to the Co-Note Counsel opinion.

### **Other Tax Matters**

In addition to the matters addressed above, prospective purchasers of Series M/N/O Notes should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to certain taxpayers, including without limitation financial institutions, property and casualty insurance companies, S corporations, foreign corporations subject to the branch profits tax, recipients of Social Security or Railroad Retirement benefits and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations. Prospective purchasers of Series M/N/O Notes should consult their tax advisors as to the applicability and impact of such consequences.

Current and future legislative proposals, if enacted into law, may cause interest on the Series M/N/O Notes to be subject, directly or indirectly, to federal income taxation by, for example, changing the current exclusion or deduction rules to limit the aggregate amount of

interest on state and local government bonds that may be treated as tax exempt by certain individuals.

The IRS has a program to audit state and local government obligations to determine whether the interest thereon is includible in gross income for federal income tax purposes. If the IRS does audit the Series M/N/O Notes, under current IRS procedures, the IRS will treat the City as the taxpayer and the owners of the Series M/N/O Notes will have only limited rights, if any, to participate.

There are many events that could affect the value and liquidity or marketability of the Series M/N/O Notes after their issuance, including but not limited to public knowledge of an audit of the Series M/N/O Notes by the IRS, a general change in interest rates for comparable securities, a change in federal or state income tax rates or treatment, legislative or regulatory proposals affecting state and local government securities and changes in judicial interpretation of existing law. In addition, certain tax considerations relevant to owners of Series M/N/O Notes who purchase Series M/N/O Notes after their issuance may be different from those relevant to purchasers upon issuance. Neither the opinion of Co-Note Counsel nor this Offering Memorandum purports to address the likelihood or effect of any such potential events or such other tax considerations, and purchasers of Series M/N/O Notes should seek advice concerning such matters as they deem prudent in connection with their purchase of Series M/N/O Notes.

Prospective purchasers of the Series M/N/O Notes should consult their own tax advisors as to the status of interest on the Series M/N/O Notes under the tax laws of any state other than Georgia.

## **TAX MATTERS RELATING TO THE SERIES P/Q NOTES**

### **Tax-Exempt Notes**

*Opinion of Co-Note Counsel.* In the opinion of Co-Note Counsel and in accordance with customary opinion practice, under current law, (a) interest on the Series Q-1 Notes (the "Non-AMT Notes") issued during the initial New Money Issuance Period, as described in the Series P/Q Supplemental Ordinance (i) will not be included in gross income for federal income tax purposes and (ii) will not be an item of tax preference for purposes of the federal alternative minimum income tax; (b) interest on the Series P-1 Notes and the Series Q-2 Notes (together, the "AMT Notes") issued during the New Money Issuance Period (i) will not be included in gross income for federal income tax purposes except when held by a "substantial user" of the Airport facilities or a "related person" of a "substantial user" within the meaning of Section 147(a) of the Code and (ii) will be an item of tax preference for purposes of the federal alternative minimum income tax; (c) interest on the Non-AMT Notes and the AMT Notes (together, the "Tax-Exempt Notes") will be taken into account in determining adjusted financial statement income for applicable corporations (as defined in Section 59(k) of the Code) for the alternative minimum tax imposed on such corporations; and (d) interest on the Tax-Exempt Notes will be exempt from income taxation by the State. No other opinion is expressed by Co-Note Counsel regarding the tax consequences of the ownership of or the receipt or accrual of interest on the Tax-Exempt Notes.

Co-Note Counsel's opinion is given in reliance upon certifications by representatives of the City and other parties as to certain facts relevant to both the opinion and requirements of the Code, and is subject to the condition that there is compliance subsequent to the issuance of the Tax-Exempt Notes with all requirements of the Code that must be satisfied in order for interest thereon to remain excludable from gross income for federal income tax purposes. The City has covenanted to comply with the current provisions of the Code regarding, among other matters, the use, expenditure and investment of the proceeds of the Tax-Exempt Notes and the timely payment to the United States of any arbitrage rebate amounts with respect to the Tax-Exempt Notes. Failure by the City to comply with such covenants, among other things, could cause interest on the Tax-Exempt Notes to be included in gross income for federal income tax purposes retroactively to their date of issue. The City may in its discretion, but has not covenanted to, take any and all such actions as may be required by future changes in the Code and applicable regulations in order that interest on the Tax-Exempt Notes remain excludable from gross income for federal income tax purposes.

Customary practice in the giving of legal opinions includes not detailing in the opinion all the assumptions, limitations and exclusions that are a part of the conclusions therein. See *"Statement on the Role of Customary Practice in the Preparation and Understanding of Third-Party Legal Opinions"*, 63 Bus. Law. 1277 (2008) and *"Legal Opinion Principles"*, 53 Bus. Law. 831 (May 1998), updated by *"Statement of Opinion Practices"*, 74 Bus. Law. 801, 807 (2019). Purchasers of the Tax-Exempt Notes should seek advice or counsel concerning such matters as they deem prudent in connection with their purchase of Tax-Exempt Notes.

Co-Note Counsel's opinion represents its legal judgment based in part upon the representations and covenants referenced therein and its review of current law, but is not a guarantee of result or binding on the Internal Revenue Service (the "IRS") or the courts. Co-Note Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may come to Co-Note Counsel's attention after the date of its opinion or to reflect any changes in law or the interpretation thereof that may occur or become effective after such date.

*Original Issue Premium.* Tax-Exempt Notes purchased, whether upon issuance or otherwise, for an amount (excluding any amount attributable to accrued interest) in excess of their principal amount will be treated for federal income tax purposes as having amortizable bond premium. A holder's basis in such Tax-Exempt Note must be reduced by the amount of premium that accrues while such Tax-Exempt Note is held by the holder. No deduction for such amount will be allowed, but it generally will offset interest on the Tax-Exempt Note while so held. Purchasers of such Tax-Exempt Notes should consult their own tax advisors as to the calculation, accrual and treatment of amortizable bond premium and the state and local tax consequences of holding such Tax-Exempt Notes.

*Alternative Minimum Tax.*

*Individuals.* Co-Note Counsel's opinion states that, under current law, (a) interest on the Non-AMT Notes is not an item of preference and is not subject to the alternative minimum tax on individuals and (b) interest on the AMT Notes is an item of preference and is subject to the alternative minimum tax on individuals.

Applicable Corporations. Co-Note Counsel's opinion also states that, under current law, interest on the Tax-Exempt Notes is taken into account in determining adjusted financial statement income for applicable corporations (as defined in Section 59(k) of the Code) for the alternative minimum tax imposed on such corporations. Under current law, an "applicable corporation" generally is a corporation with average annual adjusted financial statement income for a 3-taxable-year period ending after December 31, 2022, that exceeds \$1 billion.

Other Tax Matters. In addition to the matters addressed above, prospective purchasers of the Tax-Exempt Notes should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to certain taxpayers, including without limitation financial institutions, property and casualty insurance companies, S corporations, foreign corporations subject to the branch profits tax, recipients of Social Security or Railroad Retirement benefits and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations. Prospective purchasers of the Tax-Exempt Notes should consult their tax advisors as to the applicability and impact of such consequences.

Prospective purchasers of the Tax-Exempt Notes should consult their own tax advisors as to the status of interest on the Tax-Exempt Notes under the tax laws of any state other than Georgia.

The Service has a program to audit state and local government obligations to determine whether the interest thereon is includible in gross income for federal income tax purposes. If the Service does audit the Tax-Exempt Notes, under current Service procedures, the Service will treat the City as the taxpayer and the owners of the Tax-Exempt Notes will have only limited rights, if any, to participate.

There are many events that could affect the value and liquidity or marketability of the Tax-Exempt Notes after their issuance, including, but not limited to, public knowledge of an audit of the Tax-Exempt Notes by the Service, a general change in interest rates for comparable securities, a change in federal or state income tax rates, federal or state legislative or regulatory proposals affecting state and local government securities and changes in judicial interpretation of existing law. In addition, certain tax considerations relevant to owners of Tax-Exempt Notes who purchase Tax-Exempt Notes after their issuance may be different from those relevant to purchasers upon issuance. Neither the opinion of Co-Note Counsel nor this Offering Memorandum purports to address the likelihood or effect of any such potential events or such other tax considerations and purchasers of the Tax-Exempt Notes should seek advice concerning such matters as they deem prudent in connection with their purchase of Tax-Exempt Notes.

## **Taxable Notes**

Opinion of Co-Note Counsel. In the opinion of Co-Note Counsel and in accordance with customary opinion practice, under current law, interest on the Series P-2 Notes (the "Taxable Notes") issued during the initial New Money Issuance Period, as described in the Series P/Q Supplemental Ordinance, will not be excludable from gross income for federal income tax purposes. No other opinion is expressed by Co-Note Counsel regarding the tax consequences of the ownership of or the receipt or accrual of interest on the Taxable Notes.

Customary practice in the giving of legal opinions includes not detailing in the opinion all the assumptions, limitations and exclusions that are a part of the conclusions therein. See *"Statement on the Role of Customary Practice in the Preparation and Understanding of Third-Party Legal Opinions"*, 63 Bus. Law. 1277 (2008) and *"Legal Opinion Principles"*, 53 Bus. Law. 831 (May 1998), updated by *"Statement of Opinion Practices"*, 74 Bus. Law. 801, 807 (2019). Purchasers of the Taxable Notes should seek advice or counsel concerning such matters as they deem prudent in connection with their purchase of Taxable Notes.

*Tax Consequences Generally.* The following is a discussion of material United States federal income tax matters regarding the purchase, ownership and disposition of the Taxable Notes. This summary is based on the Code and existing and proposed Treasury Regulations, revenue rulings, administrative interpretations and judicial decisions, all as currently in effect and all of which are subject to change, possibly with retroactive effect, and subject to different interpretations. Except as specifically set forth in this subsection, this summary deals only with Taxable Notes purchased by a United States holder, as defined below, at original issuance, at par, and held as capital assets within the meaning of Section 1221 of the Code. It does not discuss all of the tax consequences that may be relevant to such a holder in light of their particular circumstances or to holders subject to special rules, such as insurance companies, financial institutions, regulated investment companies or real estate investment trusts, dealers or brokers in securities or foreign currencies, traders in securities that elect the mark-to-market accounting method, persons holding the Taxable Notes as part of a hedging transaction, "straddle," conversion transaction, or other integrated transaction, or United States holders whose functional currency, as defined in Section 985 of the Code, is not the United States dollar. This discussion does not address United States estate tax consequences of holding the Taxable Notes and, except as specifically described, does not address either tax consequences to pension plans or foreign investors or any aspect of state or local taxation with respect to the Taxable Notes. Persons considering the purchase of the Taxable Notes should consult with their own tax advisors concerning the application of the United States federal income tax laws to their particular situations as well as any tax consequences arising under the laws of any state, local or foreign jurisdiction. The Opinion of Co-Note Counsel will not address such matters.

If a partnership or other entity classified as a partnership for United States federal income tax purposes holds Taxable Notes, the tax treatment of the partnership and each partner generally will depend on the activities of the partnership and the status of the partner. Partnerships acquiring Taxable Notes, and partners in such partnerships, should consult their tax advisors.

*United States Holder.* As used in the sections below, the term "United States holder" means a beneficial owner of a Taxable Note that is for United States federal income tax purposes (a) an individual citizen or resident of the United States, (b) a corporation (including an entity treated as a corporation for United States federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia, (c) an estate, the income of which is includible in gross income for United States federal income tax purposes, regardless of its source, or (d) a trust if (i) a court within the United States can exercise primary supervision over the administration of such trust and one or more United States persons have the authority to control all substantial decisions of such trust or (ii) the trust has in effect a valid election to be treated as a domestic trust for United States federal income tax purposes. Further, as described below, a non-United States holder is any holder of a Taxable Note that is not a United States holder.

THE DISCUSSION OF THE MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PURCHASE, OWNERSHIP AND DISPOSITION OF THE TAXABLE NOTES IS NOT INTENDED TO BE, AND SHOULD NOT BE CONSTRUED TO BE, LEGAL OR TAX ADVICE TO ANY PARTICULAR PERSON. ACCORDINGLY, ALL PROSPECTIVE INVESTORS ARE URGED TO CONSULT THEIR TAX ADVISORS WITH RESPECT TO THE U.S. FEDERAL, STATE AND LOCAL AND NON-U.S. TAX CONSEQUENCES RELATING TO THE PURCHASE, OWNERSHIP AND DISPOSITION OF THE TAXABLE NOTES BASED ON THEIR PARTICULAR CIRCUMSTANCES.

*Taxation of Interest.* Interest payable on a Taxable Note generally will be taxable to a United States holder as ordinary interest income at the time it accrues or is received, in accordance with the United States holder's method of tax accounting. In addition, United States holders that are individuals, estates or trusts generally will be required to pay a 3.8% Medicare tax on their net investment income (including interest from the Taxable Notes), or in the case of estates and trusts, on their net income that is not distributed, in each case to the extent that their total adjusted gross income exceeds applicable thresholds.

*Sale, Exchange or Retirement of the Taxable Notes.* Upon the sale, retirement or other taxable disposition of a Taxable Note, a United States holder generally will recognize taxable gain or loss equal to the difference between the amount realized on the sale, retirement or other taxable disposition (other than amounts representing accrued and unpaid interest, which will be taxable as ordinary interest income to the extent not previously included in gross income) and the United States holder's adjusted tax basis in the Taxable Note. In general, a United States holder's adjusted tax basis in a Taxable Note will equal the cost of the Taxable Note to that holder, increased by the amount of any earned, but as yet unpaid, interest previously included in income by such holder with respect to the Taxable Note and reduced by any principal payments received by the holder.

Gain or loss recognized on the sale, exchange or retirement of a Taxable Note generally will be capital gain or loss and generally will be long-term capital gain or loss if at the time of sale, exchange or retirement the Taxable Note has been held for more than one year. The deductibility of capital losses is subject to certain limitations. In addition, net investment income for purposes of the 3.8% Medicare tax described above will include gains from the sale or other disposition of the Taxable Notes. Prospective investors should consult their own tax advisor concerning these tax law provisions.

Defeasance or material modification of the terms of any Taxable Note may result in a deemed reissuance thereof, in which event a beneficial owner of the defeased Taxable Note generally will recognize taxable gain or loss equal to the difference between the amount realized from the sale, exchange or retirement (less any accrued qualified stated interest which will be taxable as such) and the beneficial owner's adjusted tax basis in the Taxable Note. Prospective purchasers of the Taxable Notes are urged to consult their tax advisors regarding the foregoing matters.

*Taxation of Tax-Exempt Investors.* Special considerations apply to employee benefit plans and other investors ("Tax-Exempt Investors") that are subject to tax only on their unrelated business taxable income ("UBTI"). A Tax-Exempt Investor's income from the Taxable Notes is not expected to be treated as UBTI under current law, so long as such Tax-Exempt Investor's

acquisition of such Taxable Notes is not debt-financed. Tax-Exempt Investors should consult with their own tax advisors concerning these special considerations.

In addition, the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and the Code generally prohibit certain transactions between an employee benefit plan under ERISA or tax-qualified retirement plans and individual retirement accounts under the Code (collectively, the "Plans") and persons who, with respect to a Plan, are fiduciaries or other "parties in interest" within the meaning of ERISA or "disqualified persons" within the meaning of the Code. The investment of the assets of the Plans also must satisfy the standards of fiduciary conduct prescribed by ERISA, e.g., prudence and diversification. All fiduciaries of Plans, in consultation with their advisors, should carefully consider the impact of ERISA and the Code on an investment in any Taxable Notes.

*Non-United States Holders.* The following applies to a holder if the holder is a beneficial owner of a Taxable Note and is not a United States holder or a United States partnership (or entity treated as a partnership for United States federal income tax purposes) (hereinafter a "non-United States holder"). Special rules which will not be addressed herein may apply if a non-United States holder is a "controlled foreign corporation" or a "passive foreign investment company" for United States federal income tax purposes. If a non-United States holder is such an entity, the non-United States holder should consult its tax advisor to determine the tax consequences that may be relevant to the non-United States holder.

Subject to the discussion below under "Foreign Account Tax Compliance Act," all payments on a Taxable Note made to a non-United States holder and any gain realized on a sale, exchange, or other disposition of a Taxable Note will be exempt from United States federal income and withholding tax, provided that:

- the non-United States holder does not own, actually or constructively, 10% or more of the City's outstanding capital or profit interests within the meaning of the Code and the Treasury regulations;
- the non-United States holder is not a controlled foreign corporation related, directly or indirectly, to the City through stock ownership;
- the non-United States holder is not a bank whose receipt of interest on the Taxable Note is described in Section 881(c)(3)(A) of the Code;
- the non-United States holder has fulfilled the certification requirement described below;
- such payments are not effectively connected with the conduct by the non-United States holder of a trade or business in the United States or, if required by an applicable income tax treaty, the gain is not attributable to a permanent establishment maintained by the non-United States holder in the United States; and
- in the case of gain realized on the sale, exchange, or other disposition of a Taxable Note, if the non-United States holder is a nonresident alien individual, the non-United States holder is not present in the United States for 183 or more days in the taxable year of the disposition where certain other conditions are met.

The certification requirement referred to above will be fulfilled if the non-United States holder provides its name and address to the trustee or paying agent on IRS Form W-8BEN or

W-8BEN-E, as applicable (or an acceptable substitute), and certifies, under penalties of perjury, that the holder is not a United States person. Prospective investors should consult their tax advisors regarding possible additional reporting requirements.

If the non-United States holder of a Taxable Note is engaged in the conduct of a trade or business in the United States, and if payments on a Taxable Note, or gain realized on its sale, retirement or other taxable disposition of the Taxable Notes are effectively connected with the conduct of such trade or business, or are attributable to a permanent establishment maintained by the non-United States holder in the United States under any applicable tax treaty, the non-United States holder will generally be taxed in the same manner as a United States holder (see "United States Holders" above), except that the non-United States holder will be required to provide a properly executed IRS Form W-8ECI in order to claim an exemption from withholding tax and such holder, if treated as a corporation for U.S. federal income tax purposes, may be subject to an additional, up to 30% (or lower applicable treaty rate), branch profits tax.

FATCA (as defined below) could impose United States withholding tax (at a rate of 30%) on payments of interest in respect of the Taxable Notes to a non-United States holder that does not comply with certain disclosure requirements related to the non-United States holder. *See the "Foreign Account Tax Compliance Act" discussion below.*

Non-United States holders should consult their tax advisors with respect to other tax consequences of the ownership of the Taxable Notes.

*Information Reporting and Backup Withholding.* Information returns may be filed with the IRS in connection with payments on the Taxable Notes and the proceeds from a sale, exchange, or other disposition of the Taxable Notes. Holders may receive statements containing the information reflected on these returns. If the holder is a United States holder, the holder may be subject to United States backup withholding tax (currently at a rate of 24%) on these payments if it fails to provide its taxpayer identification number to the paying agent and comply with certification procedures or otherwise establish an exemption from backup withholding. If the holder is not a United States holder, it may be subject to United States backup withholding tax on these payments unless the holder complies with certification procedures to establish that the holder is not a United States person. The certification procedures required of the holder to claim the exemption from withholding tax on certain payments on the Taxable Notes described above will satisfy the certification requirements necessary to avoid the backup withholding tax as well.

The amount of any backup withholding made from a payment will be allowable as a credit against the holder's United States federal income tax liability and may entitle the holder to a refund, provided that the holder timely furnishes the required information to the IRS. United States holders should consult their tax advisors regarding the application of information reporting and backup withholding rules in their particular situations, the availability of an exemption therefrom, and the procedure for obtaining such an exemption, if applicable.

*Foreign Account Tax Compliance Act.* Recent legislation and IRS guidance concerning foreign account tax compliance rules ("FATCA") impose United States withholding tax on interest paid to certain foreign financial institutions and non-financial foreign entities if certain certification requirements related to United States accounts or ownership are not satisfied. A

foreign financial institution or non-financial foreign entity can meet the certification requirements by providing a properly executed IRS Form W-8BEN-E or IRS Form W-8ECI, as applicable. Foreign financial institutions located in jurisdictions that have an intergovernmental agreement with the United States governing FATCA may be subject to different rules. While FATCA withholding would have originally been required on certain payments of gross proceeds from the sale or other disposition of a note, proposed Treasury Regulations provide that withholding is not required on such payments of gross proceeds (other than amounts treated as interest). Taxpayers may rely generally on these proposed U.S. Treasury Regulations until they are revoked or final U.S. Treasury Regulations are issued. No additional amounts will be paid in respect of any such withholding. Non-United States holders and those holding through foreign accounts should consult their tax advisors with respect to FATCA withholding on the Taxable Notes.

*Certain State and Local Tax Consequences.* In addition to the United States federal income tax consequences described above, prospective investors should consider the potential state and local tax consequences of an investment in the Taxable Notes. State income tax law may vary substantially from state to state, and this discussion does not purport to describe any aspect of the income tax laws of any state or locality, as explicitly set forth above in "Opinion of Co-Note Counsel." Therefore, potential purchasers should consult their own tax advisors with respect to the various state and local tax consequences of an investment in the Taxable Notes.

*Other Tax Considerations.* The Opinion of Co-Note Counsel represents Co-Note Counsel's legal judgment based in part upon the representations and covenants referenced therein and its review of existing law, but is neither a guarantee of a result nor binding on the Internal Revenue Service or the courts. Co-Note Counsel assumes no duty to update or supplement the Opinion of Co-Note Counsel to reflect any facts or circumstances that may come to Co-Note Counsel's attention after the date thereof or to reflect any changes in law or the interpretation thereof that may occur or become effective after such date.

There are many events that could affect the value, liquidity and/or marketability of the Taxable Notes after their issuance, including but not limited to a general change in interest rates for comparable securities, a change in federal or state income tax rates, legislative or regulatory proposals affecting state and local government securities and changes in judicial interpretation of existing law. In addition, certain tax considerations relevant to owners of Taxable Notes who purchase Taxable Notes after their issuance may be different from those relevant to purchasers upon issuance. Neither the Opinion of Co-Note Counsel nor this Offering Memorandum purports to address the likelihood or effect of any such potential events or such other tax considerations, and purchasers of the Taxable Notes should seek advice concerning such matters as they deem prudent in connection with their purchase of Taxable Notes.

Such account may be changed only by presentation to the Bank of a letter in form satisfactory to the Bank specifying a different account with the Paying Agent and executed by the Paying Agent.

5. Upon our honoring any Drawing, the Stated Amount and the amount available to be drawn hereunder by you pursuant to any subsequent Drawing shall be automatically decreased by an amount equal to the amount of such Drawing. In connection therewith, the Stated Amount and the amounts from time to time available to be drawn by you hereunder by any Drawing (except in the case of a Drawing resulting from the delivery of a Final Drawing Notice) shall be increased when and to the extent, but only when and to the extent (i) (A) of transfer by you to us on the date such Drawing is honored of proceeds of Commercial Paper issued on such date or (B) you receive written notice from us to you in the form of Annex I hereto that we have been reimbursed by or on behalf of the City for any amount drawn hereunder by any Drawing, and (ii) that you have not received from us a No-Issuance Notice in the form attached hereto as Annex H.

6. No Drawing may be made under this Letter of Credit with respect to (a) any Commercial Paper issued after your receipt and the effectiveness of any No-Issuance Notice in the form of Annex H hereto or a Final Drawing Notice, in either case, from us and prior to your receipt of written notice from us that such No-Issuance Notice or Final Drawing Notice, as applicable, is rescinded and (b) Commercial Paper issued in a principal amount in excess of the principal amount of Commercial Paper maturing on the date such Commercial Paper was issued after your receipt and the effectiveness of any Restricted Issuance Notice, in the form of Annex J hereto from us and prior to your receipt of written notice from us that such Restricted Issuance Notice is rescinded. Commercial Paper referred in clause (a) and (b) of this paragraph are herein referred to as "*Excluded Notes*."

If we are requested to do so pursuant and subject to the terms of the Reimbursement Agreement, the Stated Amount of this Letter of Credit shall also be reduced from the to time on each Decrease Date specified in, and in the amounts set forth in, a notice from us to you in the form attached hereto as Annex F (each, a "*Decrease Notice*"), which we shall deliver promptly after receiving such request. As of the applicable Decrease Date and upon such reduction, the Stated Amount shall not be less than our certification in the applicable Decrease Notice of the sum of the principal amount of all outstanding Commercial Paper plus interest thereon at the maximum rate of twelve percent (12%) per annum for a period of two hundred seventy (270) days calculated on the basis of a year of 365 days.

8. Payment under this Letter of Credit shall be made by the Bank by wire transfer of immediately available funds to [REDACTED]

[REDACTED] Such account may be changed only by presentation to the Bank of a letter in form satisfactory to the Bank specifying a different account with the Paying Agent and executed by the Paying Agent.

9. This Letter of Credit is transferable in its entirety to any transferee whom you have certified to us has succeeded you as Paying Agent under the Commercial Paper, and may be successively transferred. Transfer of the available balance under this Letter of Credit to such transferee shall be effected by presenting to us the attached form of Annex B signed by the transferor and the transferee (each a "*Transfer*") together with the original Letter of Credit. Transfers to designated foreign nationals and for specially designated nationals are not permitted as being contrary to the U.S. Treasury Department or Foreign Assets Control Regulations. Upon the Effective Date, as set forth in such Transfer, the transferee instead of the transferor shall, without necessity of further action, be entitled to all the benefits of and rights under this Letter of Credit in the transferor's place; *provided* that, in such case, any certificates of the Paying Agent to be provided hereunder shall be signed by one who states therein that he is a duly authorized officer or agent of the transferee

10. 11. If a Drawing does not conform to the terms and conditions of the Letter of Credit, we will use commercially reasonable efforts to give telephonic notice to the Paying Agent thereof within the time set forth above for honor of such demand for payment; such notice, if given, to be confirmed in writing to the Paying Agent within one Business Day after such notice.

## **APPENDIX B**

### **SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE**

[THIS PAGE INTENTIONALLY LEFT BLANK]

## **SUMMARY OF CERTAIN PROVISIONS OF THE BOND ORDINANCE**

The following is a brief summary of certain provisions of the Master Bond Ordinance, as amended and supplemented by the various supplemental bond ordinances thereto. This summary does not purport to be comprehensive or definitive and is qualified in its entirety by express reference to the Master Bond Ordinance in its entirety for a complete recital of the detailed provisions thereof.

### **Master Bond Ordinance**

With limited exceptions applicable to the Master Bond Ordinance, the Master Bond Ordinance governs all terms and provisions with respect to the outstanding Senior Lien General Revenue Bonds, outstanding Senior Lien PFC Revenue Bonds, the Series P/Q Notes (when and if issued), and any Additional Bonds issued after the adoption of the Master Bond Ordinance.

### **Airport**

The Master Bond Ordinance defines the “Airport” as the William B. Hartsfield Atlanta International Airport and all related improvements and facilities now in existence and as hereafter acquired, added, extended, improved and equipped and shall include (i) any additional airport or airports hereafter constructed or acquired by the City, (ii) any property or facilities purchased with funds of, or revenues derived from, William B. Hartsfield Atlanta International Airport or such additional airport or airports, and (iii) any other property or facilities allocated by the City to the Department of Aviation; less any portion thereof sold or otherwise disposed of pursuant to the provisions of the Master Bond Ordinance relating to restrictions on sale, lease, or encumbrance of the Airport and exceptions thereto. The Airport has subsequently been renamed the “Hartsfield-Jackson Atlanta International Airport.”

### **Pledged Revenues**

The Master Bond Ordinance provides that all Pledged Revenues shall be pledged to the prompt payment of the principal of, premium, if any, and interest on the Bonds, obligations treated as Senior Lien Bonds or Subordinate Lien Bonds and the City’s obligations under the Contracts; provided:

(1) General Revenues shall secure only (A) General Revenue Bonds, (B) Subordinate Lien Bonds which have a lien on General Revenues, (C) Hybrid Bonds which have a lien on General Revenues, and (D) any Contracts with respect to such Bonds;

(2) PFC Revenues shall secure only (A) PFC Revenue Bonds, (B) Subordinate Lien Bonds which have a lien on PFC Revenues, (C) Hybrid Bonds which have a lien on PFC Revenues, and (D) any Contracts with respect to such Bonds;

(3) Special Purpose Revenues shall secure only (A) the related Special Purpose Revenue Bonds, (B) Subordinate Lien Bonds which have a lien on any Special Purpose Revenues, (C) Hybrid Bonds which have a lien on any Special Purpose Revenues, and (D) any Contracts with respect to such Bonds;

(4) Released Revenues shall secure only (A) the related Released Revenue Bonds, (B) Subordinate Lien Bonds which have a lien on any Released Revenues, (C) Hybrid Bonds which have a lien on any Released Revenues, (D) any Contracts with respect to such Bonds and (E) separate agreements pursuant to the Master Bond Ordinance;

(5) Identified Revenues, subject to use with other General Revenues under (1) above, shall secure only (A) the related Identified Revenue Bonds, (B) Hybrid Bonds which have a lien on any Identified Revenues, and (C) any Contracts with respect to such Bonds; and

(6) A Contract may have a Senior Lien or a Subordinate Lien on a related category of Revenues, or no lien at all on Revenues, but (A) no Contract shall have a lien on Revenues that is senior to the lien on the category of Revenues securing the Bonds related to the Contract, and (B) the lien of the Contract shall be on a parity with the lien of the related Bonds only to the extent that the payment of principal of, premium, if any, and interest on such Bonds is made through such Contract as evidenced by Reimbursement Obligations or to the extent that the obligation is made pursuant to a Qualified Hedge Agreement; provided other amounts due on a Contract may be secured by a lien ranking immediately thereafter with the effect set forth in the Master Bond Ordinance.

Other Airport Obligations (other than obligations treated as Senior Lien Bonds or Subordinate Lien Bonds) are not secured by a lien on any category of Revenues and Hybrid Bonds described in clause (ii) of the definition thereof will not have a lien on any category of Revenues, but such obligations, prior to an Event of Default, may be paid from Revenues as described in the Master Bond Ordinance.

### **Funds Created and Flow of Funds**

The Master Bond Ordinance creates and requires the City to maintain the following funds:

- (1) the Revenue Fund and therein the following four accounts:
  - (A) General Revenue Account, and therein, the General Revenue Enhancement Subaccount;
  - (B) Special Purpose Revenue Account;

- (4) the Renewal and Extension Fund; and
- (5) the Construction Fund and therein the following two accounts:
  - (A) Capitalized Interest Account; and
  - (B) Rebate Account.

*Revenue Fund and PFC Revenue Fund*

The Master Bond Ordinance requires the City to deposit and continue to deposit all Revenues, other than PFC Revenues and Released PFC Revenues, in the Revenue Fund from time to time as and when received. All PFC Revenues and Released PFC Revenues must be deposited in the PFC Revenue Fund from time to time as and when received, with Released PFC Revenues deposited into the Released PFC Account. The amounts deposited in the Revenue Fund shall be immediately allocated to the account within the Revenue Fund designated therefor: General Revenues other than Identified Revenues will be immediately allocated to the General Revenue Account (other than the General Revenue Enhancement Subaccount); Special Purpose Revenues to the Special Purpose Revenue Account; Released Revenues to the Released Revenue Account; and Identified Revenues to the Identified Revenue Account.

Under the terms of the Master Bond Ordinance, moneys in the Revenue Fund and in the PFC Revenue Fund are to be applied by the City from time to time to the following purposes and, prior to the occurrence and continuation of an Event of Default under the Master Bond Ordinance, in the order of priority determined by the City in its sole discretion: (i) to pay Operating Expenses, (ii) to deposit into the Sinking Fund the amounts required for debt service on Bonds and certain related Contracts, (iii) to deposit into the Debt Service Reserve Account any required amounts, (iv) to deposit into the Rebate Account the amounts required to make provision for arbitrage rebate payments to the United States government, (v) to pay to any party to a Contract the amounts due thereon, including Additional Interest, continuing commission or commitment fees, remarketing agent fees and repayment of amounts equivalent to principal on related Bonds, (vi) to pay any amounts required to be paid with respect to any Other Airport Obligations, (vii) for transfer to the Renewal and Extension Fund, (viii) to deposit into the

Operating and Maintenance Reserve Account within the Renewal and Extension Fund amounts required by the Master Bond Ordinance (as described in (D) below), and (ix) for any other lawful purpose related to the Airport; provided the following strictures shall be applicable for purposes of such use of funds; provided that, the Master Bond Ordinance provides certain strictures applicable for purposes of such use of funds, including, without limitation: (A) amounts from each account in the Revenue Fund are only to be used for Operating Expenses, Bonds, Contracts, Other Airport Obligations and other purposes related to the category of Revenues allocated thereto; (B) any amounts to be withdrawn from the General Revenue Account for the purposes described in (i) through (v) above shall be drawn first from the General Revenue Enhancement Subaccount; (C) any amounts to be withdrawn from the PFC Revenue Fund for payments on related Bonds and Contracts shall be drawn first from the PFC Revenue Enhancement Account; and (D) the City shall, as of the first day of each Fiscal Year, have on deposit in the Operating and Maintenance Reserve Account to be established within the Renewal and Extension Fund, one quarter ( $\frac{1}{4}$ ) of the budgeted Operating Expenses for such Fiscal Year, as determined upon the adoption of the Annual Budget for the Airport. To the extent amounts on deposit into the Operating and Maintenance Reserve Account are in excess of the required reserve amount set forth in the immediately preceding sentence, the City may transfer such excess to the Renewal and Extension Fund. In the event of any withdrawal from the Operating and Maintenance Reserve Account, other than such withdrawal as is permitted pursuant to the immediately preceding sentence, the City shall deposit monthly into the Operating and Maintenance Reserve Account an amount equal to one-twelfth ( $\frac{1}{12}$ ) of the aggregate amount of such withdrawal until the balance in the Operating and Maintenance Reserve Account is at least equal to the required reserve amount.

### *Sinking Fund*

The Master Bond Ordinance requires the City to deposit sufficient moneys in periodic installments from the Revenue Fund into subaccounts of the Payments Account related to a particular series of Bonds for the purpose of paying the Bonds as they become due and payable and for the purpose of making payments under Contracts relating to a particular series of Bonds.

No payments may be made to a subaccount of the Sinking Fund related to Subordinate Lien Bonds or Hybrid Bonds, unless all required payments have been made to subaccounts related to Bonds, or Contracts related to Bonds, which have a lien on a category of Revenues ahead of or on a parity with such Subordinate Lien Bonds or Hybrid Bonds, and no payments may be made with respect to any Other Airport Obligations unless all required payments have been made to each subaccount with respect to Bonds and on all Contracts; provided that if required by the terms thereof, all obligations treated as Senior Lien Bonds or Subordinate Lien Bonds pursuant to the Master Bond Ordinance shall be paid with the other Senior Lien Bonds or Subordinate Lien Bonds.

If at any time the amounts in any subaccount of the Sinking Fund to be funded by General Revenues are less than the amounts required by the Master Bond Ordinance, and there are not on deposit in the Renewal and Extension Fund available moneys to cure such deficiency, then the City shall withdraw from subaccounts related to Subordinate Lien Bonds and Hybrid Bonds (taking such amounts first from subaccounts relating to Subordinate Lien Bonds, *pro rata*, and second from amounts subaccount relating to Hybrid Bonds, *pro rata*) and deposit in such

subaccount of the Sinking Fund, as the case may be, the amount necessary (or all the moneys in such funds and accounts, if less than the amount required) to make up such deficiency; provided that no such amounts shall be withdrawn from subaccounts relating to Special Purpose Revenue Bonds.

#### *Debt Service Reserve Account*

The Debt Service Reserve Requirement for the outstanding Senior Lien PFC Revenue Bonds and for any series of Bonds issued pursuant to the Master Bond Ordinance as Additional Bonds with a Subordinate Lien on General Revenues, shall be the aggregate sum, determined for all Outstanding Bonds with the same lien status and priority, equal to the Maximum Annual Debt Service Requirement with the calculation being made as if all of the Outstanding Bonds which have a Debt Service Reserve Requirement were a single series for purposes of the definitions of “Debt Service Reserve Requirement” and “Maximum Annual Debt Service Requirement.”

The Debt Service Reserve Requirement for the outstanding Senior Lien General Revenue Bonds and for any series of Bonds issued pursuant to the Master Bond Ordinance as Additional Bonds with a Senior Lien on General Revenues, shall be the aggregate sum, determined for all Outstanding Bonds with the same lien status and priority, equal to the Maximum Annual Debt Service Requirement with the calculation being made as if all of the Outstanding Bonds which have a Debt Service Reserve Requirement were a single series for purposes of the definitions of “Debt Service Reserve Requirement” and “Maximum Annual Debt Service Requirement.” The subaccount in the Debt Service Reserve Account securing the outstanding Senior Lien General Revenue Bonds will not secure the Outstanding PFC Revenue Hybrid Bonds.

Any increases in the amount of the Debt Service Reserve Requirement resulting from the issuance of the Series P/Q Notes and any other Additional Bonds which also are secured by an existing subaccount of the Debt Service Reserve Account must be funded immediately upon the issuance of any such Additional Bonds, either with funds or through a Reserve Account Credit Facility, or a combination thereof. The balance of each subaccount of the Debt Service Reserve Account must be maintained in an amount equal to the Debt Service Reserve Requirement for the related Bonds (or such lesser amount that is required to be accumulated in such subaccount of the Debt Service Reserve Account upon the failure of the City to provide a substitute Reserve Account Credit Facility in certain events). The City may elect to satisfy in whole or in part the Debt Service Reserve Requirement for any Bonds by means of a Reserve Account Credit Facility, subject to restrictions provided in the Master Bond Ordinance. The City may at any time review the status of any subaccount of the Debt Service Reserve Account. If there is a deficiency, the remedies provided for in the Master Bond Ordinance shall be followed. If there is an excess amount over the Debt Service Reserve Requirement, the terms of the Master Bond Ordinance relating to the application of excess moneys shall be followed.

#### *Renewal and Extension Fund*

Under the terms of the Master Bond Ordinance, amounts held in the Renewal and Extension Fund must be used first to prevent default in the payment of interest on or principal of any General Revenue Bonds when due and then will be applied by the City from time to time, as and when the City shall determine, to the following purposes and, prior to the occurrence and

continuation of an Event of Default, in the order of priority determined by the City in its sole discretion: (i) for the purposes for which moneys held in the Revenue Fund may be applied as described under the subheading "Funds Created and Flow of Funds - Revenue Fund and PFC Revenue Fund" herein, (ii) to pay any amounts which may then be due and owing under any Hedge Agreement (including termination payments, fees, expenses, and indemnity payments), (iii) to pay any governmental charges and assessments against the Airport or any part thereof which may then be due and owing, (iv) to make acquisitions, betterments, extensions, repairs, or replacements or other capital improvements (including the purchase of equipment) to the Airport deemed necessary by the City (including payments under contracts with vendors, suppliers, and contractors for the foregoing purposes), (v) to acquire Senior Lien Bonds (other than Special Purpose Revenue Bonds) by redemption or by purchase in the open market at a price not exceeding the callable prices, as provided and in accordance with the terms and conditions of the Master Bond Ordinance prior to their respective maturities, and (vi) to transfer to the General Revenue Enhancement Subaccount. Notwithstanding the preceding sentence, any PFC Revenues or Released PFC Revenues in the Renewal and Extension Fund may only be used for PFC Revenue Bonds, Released Revenue Bonds secured by Released PFC Revenues, related Contracts, Costs of PFC Facilities or transfer to the PFC Revenue Enhancement Subaccount.

### **Rate Covenant**

**General.** The City has covenanted and agreed at all times to prescribe, fix, maintain, and collect rates, fees, and other charges for the services and facilities furnished by the Airport fully sufficient at all times to: (i) provide for 100% of the Operating Expenses and for the accumulation in the Revenue Fund of a reasonable reserve therefor, and (ii) produce Net Revenues in each Fiscal Year, that: (A) equal at least 120% (and 110% without regard to amounts in the General Revenue Enhancement Subaccount) of the Debt Service Requirement on all related Bonds then Outstanding for the Sinking Fund Year ending on the next January 1 and at least 100% of the Debt Service Requirement on all other Bonds payable from related Revenues then Outstanding for the year of computation, (B) enable the City to make all required payments, if any, into the Debt Service Reserve Account and the Rebate Account and on any Contracts or Other Airport Obligations, (C) enable the City to accumulate an amount to be held in the Renewal and Extension Fund, which in the judgment of the City is adequate to meet the costs of major renewals, replacements, repairs, additions, betterments, and improvements to the Airport, necessary to keep the same in good operating condition or as is required by any governmental agency having jurisdiction over the Airport, and (D) remedy all deficiencies in required payments into any of the funds and accounts mentioned in the Master Bond Ordinance from prior Fiscal Years. The City has covenanted and agreed at all times while any Bonds are outstanding and unpaid to prescribe, fix, maintain, and collect PFC Revenues which will equal at least 100%, without regard to amounts in the PFC Revenue Enhancement Subaccount, of the Debt Service Requirement on all related Bonds then Outstanding for the Sinking Fund Year ending on the next January 1 and at least 100% of the Debt Service Requirement on all other Bonds payable from related Revenues then Outstanding for the year of computation. For purposes of (i), (ii)(A) and (B) each category of Net Revenues shall be compared to the required payments with respect to, or for accounts related to, related Operating Expenses, Bonds, Contracts and Other Airport Obligations and if Bonds have more than one Senior Lien, then the requirements of (ii)(A) must be met at the percentage mandated for each category of Revenues on which such Bonds have a Senior Lien

The rates, fees, and other charges shall be classified in a reasonable manner to cover users of the services and facilities furnished by the Airport so that, as nearly as practicable, such rates, fees, and other charges shall be uniform in application to all users falling within any reasonable class.

The City's ability to prescribe, fix, maintain and collect certain rates, fees and other charges may be limited by various contractual obligations to third parties including specifically its agreements with Signatory Airlines. See "INFORMATION CONCERNING GENERAL REVENUES AND PFC REVENUES" in the Official Statement.

**Provisions Applicable to Hybrid Bonds.** For the purposes of the Master Bond Ordinance, in determining the Debt Service Requirement on Hybrid Bonds with a Senior Lien on PFC Revenues and a Subordinate Lien on General Revenues (i) if the debt service on such Hybrid Bonds for the relevant period was paid from, or for future periods is expected to be paid from, General Revenues, such debt service will be taken into account in determining the Debt Service Requirement of General Revenue Bonds only and will not be taken into account in determining the Debt Service Requirement of PFC Revenue Bonds, notwithstanding the lien of such Hybrid Bonds on PFC Revenues; and (ii) if the debt service on such Hybrid Bonds for the relevant period was paid from, or for future periods is expected to be paid from, PFC Revenues (for this purpose, including amounts in the PFC Revenue Enhancement Subaccount), such debt service will be taken into account in determining the Debt Service Requirement of PFC Revenue Bonds only and will not be taken into account in determining the debt service requirement of General Revenue Bonds, notwithstanding the lien of such Hybrid Bonds on General Revenues.

### **Additional Senior Lien Bonds**

Upon satisfaction of certain conditions, the Master Bond Ordinance permits the City to issue Additional Bonds without express limit as to principal amount to finance capital improvements to or expansions of the Airport (or to refinance obligations issued for such purposes), which will be equally and ratably secured as to the lien on General Revenues on a parity basis with the Senior Lien General Revenue Bonds. The Master Bond Ordinance allows refunding Bonds issued to refund Senior Lien Bonds to constitute parity bonds if the City obtains a report from an Independent Certified Public Accountant, demonstrating that the refunding will reduce the total debt service payments on Outstanding Senior Lien Bonds, including payments on related Contracts, which are parity secured with the Bonds to be refunded, all on a present value basis and if the requirements of paragraphs (2), (5), (6) and (7) below are met.

The Master Bond Ordinance also allows Additional Senior Lien Bonds to be issued on a parity with the Outstanding Senior Lien Bonds upon satisfaction of the following conditions:

(1) There shall have been procured and filed with the City either:

(a) a report by an Independent Certified Public Accountant to the effect that the historical related Net Revenues (for General Revenues, without consideration of (i) amounts in the General Revenue Enhancement Subaccount or (ii) gifts or grants or expenditures of such gifts or grants) for each of the two most recent audited Fiscal Years, were equal to at least 120% (for PFC Revenue Bonds the percentage specified in the

Supplemental Bond Ordinance with respect to the Outstanding PFC Revenue Bonds) of the Maximum Annual Debt Service Requirement on all related Senior Lien Bonds which will be Outstanding immediately after the issuance of the proposed Additional Bonds and secured on a parity therewith and, for Additional General Revenue Bonds, or

(b) a report by an Airport Consultant to the effect that in each Fiscal Year of the Forecast Period the forecasted related Net Revenues (for General Revenues, without consideration of (i) any amounts in the General Revenue Enhancement Subaccount or (ii) gifts or grants or expenditures of such gifts or grants) are expected to equal at least 130% (for PFC Revenue Bonds the percentage specified in the Supplemental Bond Ordinance with respect to the Outstanding PFC Revenue Bonds) of the Maximum Annual Debt Service Requirement on all related Senior Lien Bonds which will be Outstanding immediately after the issuance of the proposed Additional Bonds and secured on a parity therewith.

The report by the Independent Certified Public Accountant described in paragraph (a) above may contain pro forma adjustments to historical related Net Revenues equal to 100% of the increased annual amount attributable to any revision in the schedule of rates, fees, and charges for the services and facilities furnished by the Airport, imposed prior to the date of delivery of the proposed Additional Bonds and not fully reflected in the historical related Net Revenues actually received during such historical period used.

(2) The City shall have received, at or before issuance of the Additional Bonds, a report from an Independent Certified Public Accountant to the effect that the payments required to be made into each account or subaccount of the Sinking Fund have been made and the balance in each account or subaccount of the Sinking Fund is not less than the balance required by the Master Bond Ordinance as of the date of issuance of the proposed Additional Bonds.

(3) The Supplemental Bond Ordinance authorizing the proposed Additional Bonds must require (i) that the amount to be accumulated and maintained in the subaccount of the Debt Service Reserve Account for Senior Lien Bonds which are to be secured on a parity with such Additional Bonds, if any, be increased to not less than 100% of the Debt Service Reserve Requirement computed on a basis which includes all Senior Lien Bonds which will be Outstanding and secured on a parity with the Additional Bonds immediately after the issuance of the proposed Additional Bonds and (ii) that the amount of such increase be deposited in such subaccount on or before the date and at least as fast as the rate specified in the Master Bond Ordinance.

(4) The Supplemental Bond Ordinance authorizing the proposed Additional Bonds must require the proceeds of such proposed Additional Bonds to be used solely to make capital improvements to the Airport, to fund interest on the proposed Additional Bonds, to refund other obligations issued for such purposes (whether or not such refunding Bonds satisfy the requirements of the Master Bond Ordinance relating to the issuance of refunding Bonds), and to pay expenses incidental thereto and to the issuance of the proposed Additional Bonds.

(5) If any Additional Bonds would bear interest at a Variable Rate, the Supplemental Bond Ordinance under which such Additional Bonds are issued shall provide a maximum rate of interest per annum which such Additional Bonds may bear.

(6) The Airport Manager and the Chief Finance Officer shall have certified, by written certificate dated as of the date of issuance of the Additional Bonds, that the City is in compliance with all requirements of the Master Bond Ordinance.

(7) The City shall have received an opinion of Bond Counsel, dated as of the date of issuance of the Additional Bonds, to the effect that the Supplemental Bond Ordinance and any related Supplemental Ordinance authorizing the issuance of Additional Bonds have been duly adopted by the City.

If the Additional Senior Lien Bonds are to have Senior Liens on more than one category of Revenues, the requirements of paragraph (1) above must be met with respect to each category of Revenues.

### **Additional PFC Revenue Bonds**

No PFC Revenue Bonds having a Senior Lien on the PFC Revenues may be issued, unless such PFC Revenue Bonds are issued as Hybrid Bonds having, in addition to a Senior Lien on PFC Revenues, a Subordinate Lien on General Revenues in compliance with the terms of the Seventh Supplemental Bond Ordinance. The City has expressly reserved the right to issue additional PFC Revenue Bonds having a Subordinate Lien on PFC Revenues in accordance with the provisions of the Master Bond Ordinance without complying with the terms of the Seventh Supplemental Bond Ordinance.

All Hybrid Bonds having a Senior Lien on PFC Revenues shall comply with the provisions of the Master Bond Ordinance as summarized above in paragraphs (2) through (7) under the heading “Additional Senior Lien Bonds” above, as well as the following additional conditions:

(1) there shall have been procured and filed with the City a report by an Independent Certified Public Accountant to the effect that historical Net Revenues consisting of PFC Revenues for each of the two most recent audited Fiscal Years were equal to at least 120% of the Maximum Annual Debt Service Requirement of all Hybrid Bonds having a Senior Lien on PFC Revenues (excluding, for this purpose, the Debt Service Requirement of all Hybrid Bonds having a Senior Lien on PFC Revenues to the extent such Debt Service Requirement was actually paid from General Revenues for each such Fiscal Year, as shown in such report) which will be Outstanding immediately after the issuance of the proposed Additional Bonds and secured on a parity therewith; or

(2) there shall have been procured and filed with the City a report by an Airport Consultant to the effect that in each Fiscal Year of the Forecast Period forecasted PFC Revenues are expected to equal at least 130% of the Maximum Annual Debt Service Requirement of all Hybrid Bonds having a Senior Lien on PFC Revenues (excluding, for this purpose, the Debt Service Requirement of all Hybrid Bonds having a Senior Lien on PFC Revenues to the extent the Debt Service Requirement of such Hybrid Bonds is expected to be paid from General

Revenues for each year of the Forecast Period, as shown on in such report) which will be Outstanding immediately after the issuance of the proposed Additional Bonds and secured on a parity therewith.

In computing PFC Revenues, the City may take into account pro forma adjustments to historical PFC Revenues equal to 100% of the increased PFC Revenues attributable to any increase in the passenger facility charge imposed prior to the date of delivery of the proposed Additional Bonds and not fully reflected in the historical PFC Revenues actually received during such historical period used. Such pro forma adjustments, if any, shall be based upon a report of an Airport Consultant as to the amount of PFC Revenues which would have been received during such period had the increased passenger facility charge been in effect throughout such period.

If PFC Revenue Bonds, issued as Hybrid Bonds having, in addition to a Senior Lien on PFC Revenues, a Subordinate Lien on General Revenues, are being issued solely for purposes of refunding Hybrid Bonds, then, if the City obtains a report from an Independent Certified Public Accountant demonstrating that the refunding will reduce the total debt service payments on Outstanding Hybrid Bonds having, in addition to a Senior Lien on PFC Revenues, a Subordinate Lien on General Revenues, including payments on related Contracts which are parity secured with the Hybrid Bonds to be refunded, all on a present value basis, the requirements set forth in this subheading above and paragraph (1) under the subheading “- Additional Subordinate Lien PFC Revenue Bonds -” below, are deemed satisfied.

#### **Additional Subordinate Lien PFC Revenue Bonds**

Additional Subordinate Lien Bonds may be issued ranking as to lien on the General Revenues on a parity with the Senior Lien PFC Revenue Bonds in accordance with the Master Bond Ordinance (as described under the heading “Additional Subordinate Lien Bonds” herein), but only if the following additional conditions are met:

(1) There shall have been procured and filed with the City either:

(a) a report by an Independent Certified Public Accountant to the effect that historical Net General Revenues (for this purpose, without consideration of (i) amounts in the General Revenue Enhancement Subaccount, or (ii) gifts or grants or expenditures of such gifts or grants) for each of the two most recent audited Fiscal Years, were equal to at least 120% of the Maximum Annual Debt Service Requirement of all related Senior Lien Bonds which will be Outstanding immediately after the issuance of the proposed Additional Bonds and all outstanding Subordinate Lien Bonds which will be Outstanding immediately after the issuance of the proposed Additional Bonds and secured on a parity therewith (excluding, for this purpose, the Debt Service Requirement of all Hybrid Bonds having a Subordinate Lien on General Revenues to the extent the Debt Service Requirement of such Subordinate Lien Bonds was actually paid from the PFC Revenues for each such Fiscal Year, as shown in such report); or

(b) a report by an Airport Consultant to the effect that in each Fiscal Year of the Forecast Period the forecasted Net General Revenues (without consideration of

(i) any amounts in the General Revenue Enhancement Subaccount, or (ii) gifts or grants or expenditures of such gifts or grants) are expected to equal at least 130% of the Maximum Annual Debt Service Requirement of all Senior Lien Bonds which will be Outstanding immediately after the issuance of the proposed Additional Bonds and all outstanding Subordinate Lien Bonds which will be Outstanding immediately after the issuance of the proposed Additional Bonds and secured on a parity therewith (excluding, for this purpose, the Debt Service Requirement of all Hybrid Bonds having a Subordinate Lien on General Revenues to the extent the Debt Service Requirement of such Hybrid Bonds is expected to be paid from PFC Revenues for each year of the Forecast Period, as shown in such report).

The report by the Independent Certified Public Accountant that is required by (1)(a) above may contain pro forma adjustments to historical Net General Revenues equal to 100% of the increased annual amount attributable to any revision in the schedule of rates, fees, and charges for the services and facilities furnished by the Airport, imposed prior to the date of delivery of the proposed Additional Bonds and not fully reflected in the historical Net General Revenues actually received during such historical period used. Such pro forma adjustments, if any, shall be based upon a report of an Airport Consultant as to the amount of General Revenues which would have been received during such period had the new rate schedule been in effect throughout such period.

### **Additional Subordinate Lien Bonds**

The Master Bond Ordinance also allows the City to issue Bonds on a Subordinate Lien basis pursuant to a Supplemental Bond Ordinance, payable from (unless such Bonds are Identified Revenue Bonds or to be secured by PFC Revenues or Released PFC Revenues) moneys which would otherwise be deposited in the Renewal and Extension Fund, and the Bonds so issued shall constitute Subordinate Lien Bonds, upon satisfaction of the following conditions:

(1) The Supplemental Bond Ordinance authorizing the Subordinate Lien Bonds shall provide that such Subordinate Lien Bonds shall be junior and subordinate in lien and right of payment (i) directly, to any Outstanding Senior Lien Bonds or Senior Lien Bonds issued in the future which have a Senior Lien on a category of Revenues as to which such proposed Additional Bonds have a Subordinate Lien, and (ii) indirectly (as a result of the requirements of the Master Bond Ordinance, to withdraw certain amounts at certain times from subaccounts related to Subordinate Lien Bonds), to any other Outstanding Senior Lien Bonds or Senior Lien Bonds issued in the future.

(2) The Supplemental Bond Ordinance authorizing the Subordinate Lien Bonds shall, (unless such Bonds are Identified Revenue Bonds or to be secured by PFC Revenues or Released PFC Revenues) establish funds and accounts for the moneys which would otherwise be deposited in the Renewal and Extension Fund, to be used to pay debt service on the Subordinate Lien Bonds, to pay Hedge Payments under related Hedge Agreements, and to provide reserves therefor. If Subordinate Lien Bonds are to be secured by PFC Revenues, Released PFC Revenues or Identified Revenues, the Supplemental Bond Ordinance shall establish funds and accounts for the moneys securing such Bonds, to be used to pay debt service on such Bonds, to pay Hedge Payments under related Hedge Agreements, and to provide reserves therefor.

(3) The requirements for Additional General Revenue Bonds described in paragraphs (4), (5), (6) and (7) under the heading “Additional Senior Lien Bonds” herein are met with respect to such Subordinate Lien Bonds.

The Master Bond Ordinance permits the accession of Subordinate Lien Bonds and related Contracts to the status of complete parity with any Senior Lien Bonds and related Contracts with a lien on the same category of Revenues if, as of the date of accession, the conditions described in paragraphs (1)(a), (5) and (6) under the heading “Additional Senior Lien Bonds” herein are satisfied, on a basis that includes all Outstanding Senior Lien Bonds with a lien on the same category of Revenues and such Subordinate Lien Bonds, and if on the date of accession the other conditions set forth in the Master Bond Ordinance are satisfied.

### **Released Revenues**

A separable category or portion of revenues, income, receipts and money relating to a definable service, facility or program of the Airport may, upon meeting the conditions set forth in the Master Bond Ordinance, be withdrawn from General Revenues or PFC Revenues including for PFC Revenues, amounts authorized to be charged and actually charged in excess of a particular amount and thereafter treated as Released Revenues for all purposes including the security for Released Revenue Bonds. The Master Bond Ordinance requires the City to obtain a report of an Independent Certified Public Accountant to the effect that historical Net General Revenues or Net PFC Revenues, excluding the category of Revenues proposed to become Released Revenues and without consideration of any amounts in the General Revenue Enhancement Subaccount or the PFC Revenue Enhancement Account, for each of the two most recent audited Fiscal Years prior to the date of such report were equal to at least 150% of the Maximum Annual Debt Service Requirement on all General Revenue Bonds or PFC Revenue Bonds, respectively, which will be Outstanding after the category of Revenues becomes Released Revenues. For purposes of this paragraph, “Debt Service Requirement” of PFC Revenue Bonds shall be computed in accordance with the provisions of the Bond Ordinance described under “Rate Covenant - Provisions Applicable to Hybrid Bonds” herein.

### **Special Purpose Revenue Bonds**

The Master Bond Ordinance permits the issuance of Special Purpose Airport Revenue Bonds to finance Special Purpose Facilities. The City may designate facilities at the Airport as “Special Purpose Facilities.” “Special Purpose Facilities” are defined in the Master Bond Ordinance as facilities which (i) will not result, upon completion, in a “material reduction” in Net General Revenues and (ii) will not be of such a type or design that the subsequent closing thereof (with the functions thereof not provided by a substitute facility) will materially impair the general operations of the Airport; provided, however, the foregoing test shall not be applicable to the consolidated car rental facility described in the Airport’s Capital Improvement Plan if so designated by the City. If a facility meets the foregoing test and is designated as a “Special Purpose Facility,” the revenues arising therefrom or generated thereby will not be General Revenues for the period during which any Special Purpose Revenue Bonds related thereto are Outstanding; provided if the consolidated car rental facility is so designated and financed with Special Purpose Revenue Bonds, the related Special Purpose Revenues shall not include any privilege fee or similar charge assessed by the City or the Airport for rental car concessions. For

purposes of this paragraph, “material reduction” means Net General Revenues for the first complete Fiscal Year following completion of such Special Purpose Facilities will be either (1) more than 10% below Net General Revenues during the preceding Fiscal Year or (2) less than the amount required by the Master Bond Ordinance.

Special Purpose Airport Revenue Bonds are secured solely by Revenues generated by Special Purpose Facilities and are not secured by a lien on General Revenues or PFC Revenues, and Bonds secured by General Revenues or PFC Revenues are not secured by such Special Purpose Revenues.

### **Maintenance, Insurance, and Sale or Transfer of the Airport; Annual Budget; Tax Covenants**

The City has covenanted in the Master Bond Ordinance to (i) maintain the Airport in good repair and in sound operating condition, (ii) carry adequate public liability, fidelity, and property insurance or self-insurance, such as is maintained by similar airports, and (iii) adopt an annual budget for the Airport for each Fiscal Year in compliance with the rate covenant described above.

Pursuant to the Master Bond Ordinance and except as otherwise expressly permitted in the Master Bond Ordinance, the City has irrevocably covenanted, bound, and obligated itself not to sell, lease, encumber, or in any manner dispose of the Airport as a whole or in part until all of the Bonds and all interest thereon shall have been paid in full or provision for payment has been made in accordance with the provisions of the Master Bond Ordinance relating to defeasance. The City is further prohibited from, directly or indirectly, transferring the ownership, management, operation or control of the Airport, except in the instance of a change in the City’s form of government which is subject to the assent of a majority of qualified voters.

The City has reserved the right to sell, lease, or otherwise dispose of any of the property comprising a part of the Airport in the following manner, if any one of the following conditions exists, in the opinion of the Airport Manager: (i) such property is not necessary for the operation of the Airport; (ii) such property is not useful in the operation of the Airport; (iii) such property is not profitable in the operation of the Airport; or (iv) the disposition of such property will be advantageous to the Airport and will not adversely affect the security for the Bondholders. All proceeds of any such sale or disposition received by the City shall be deposited in the Revenue Fund unless the City directs amounts be deposited in the Renewal and Extension Fund or the City is required to deliver such amounts to another Person.

The City has reserved the right to sell any portion of the Airport to any political subdivision or authority or agency of one or more political subdivisions of the State, provided that there shall be first filed with the Airport Manager, in form and substance satisfactory to the Airport Manager: (i) an opinion of Bond Counsel to the effect that such sale will not adversely affect the extent to which interest on any Tax-Exempt Bonds is excluded from gross income for federal income tax purposes; and (ii) an opinion of an Airport Consultant expressing the view that such sale will not result in a diminution of Net Revenues to the extent that in any future Fiscal Year such Net Revenues will be less than 130% of the annual Debt Service Requirement on all Bonds secured by any category of Revenues to be Outstanding after such sale. In reaching

this conclusion, the Airport Consultant shall take into consideration such factors as the Airport Consultant may deem significant, including (i) anticipated diminution of Revenues, (ii) anticipated increase or decrease in Operating Expenses attributable to the sale, and (iii) reduction in the annual Debt Service Requirement attributable to the application of the sale proceeds to the provision for payment of Bonds theretofore Outstanding. All proceeds of any such sale or disposition received by the City shall be deposited in the Revenue Fund unless the City directs amounts be deposited in the Renewal and Extension Fund or the City is required to deliver such amounts to another Person.

The City has reserved the right to transfer the Airport as a whole to any political subdivision or authority or agency of one or more political subdivisions of the State provided (i) such entity has provided evidence reasonably satisfactory to the City that the successor entity has comparable airport operations and management experience both in size and scope as the Airport and (ii) such entity has been formed under the authority of a duly adopted and ratified local government reorganization act which consolidates the governmental and corporate powers of the City with a county as provided in Article IX, Section III, Paragraph II of the 1983 Constitution of the State of Georgia, as the same may be hereafter amended. Such consolidated government may assume or be delegated the legal authority to own and operate the Airport, or any portion thereof, on behalf of the public, provided that it undertakes in writing, filed with the Attesting Officer, the City's obligations under the Bond Ordinance, and there shall be first filed with the Attesting Officer: (i) an opinion of Bond Counsel to the effect that such transfer will not adversely affect the extent to which interest on any Tax-Exempt Bonds is excluded from gross income for federal income tax purposes; and (ii) an opinion of an Airport Consultant expressing the view that such transfer will not result in any diminution of Net Revenues to the extent that in any future Fiscal Year the Net Revenues will be less than 120% of the average annual Debt Service Requirement on all Senior Lien Bonds to be Outstanding after such transfer with a lien on any category of Revenues, in the then current and each succeeding Fiscal Year. In reaching this conclusion, the Airport Consultant shall take into consideration such factors as the Airport Consultant may deem significant, including any rate revision to be imposed by the transferee political subdivision, authority, or agency.

Notwithstanding any other provision of the Master Bond Ordinance described in the preceding paragraphs, the City may sell, lease or otherwise transfer any portion of the Airport which is (i) not a part of Hartsfield-Jackson Atlanta International Airport, and (ii) not used for any airport or aviation purpose, and all Revenues and receipts associated with such portion of the Airport and its transfer shall be released from the lien hereof and the City may use or deliver such amounts without restriction under the Master Bond Ordinance.

The City has also covenanted in the Master Bond Ordinance to take all actions to assure the tax-exempt status of interest on tax-exempt Bonds and to refrain from taking any action which would adversely affect such status.

### **Events of Default and Remedies**

The Master Bond Ordinance defines an "Event of Default" to mean, among other things, (i) failure to pay debt service or redemption price on Senior Lien Bonds when due, (ii) failure to perform any obligation with respect to any subaccount in the Debt Service Reserve Account

relating to Senior Lien Bonds, which remains unremedied for more than 30 days, (iii) certain events of insolvency affecting the City, (iv) the appointment of a receiver of the Airport or the funds held under the Master Bond Ordinance, (v) failure to perform any other covenant contained in the Master Bond Ordinance for 90 days (or 180 days if such default cannot be cured in 90 days and if corrective action is instituted and diligently pursued) after notice from the owners of (or a Credit Issuer securing) at least 25% in aggregate principal amount of Senior Lien Bonds, (vi) an Event of Default under any Supplemental Bond Ordinance relating to Senior Lien Bonds, (vii) failure by any Credit Issuer to pay the purchase price of Senior Lien Bonds, (viii) delivery of notice that an "Event of Default" has occurred under any agreement relating to a credit facility supporting Senior Lien Bonds, and (ix) delivery of notice that an "Event of Default" has occurred under a hedge agreement relating to Senior Lien Bonds; provided if the Event of Default relates solely to Bonds related to a particular category of Revenues and no other event has occurred which could become an Event of Default with respect to any other Bonds then Outstanding, such Event of Default shall be deemed to apply solely to the related Bonds and Contracts and the provisions of the Master Bond Ordinance shall otherwise remain in full force and effect with respect to all other Bonds and related Contracts; and provided further, that if there is a failure to pay the principal of, or redemption price, or any installment of interest on any Senior Lien Bond not secured by an associated subaccount of the Debt Service Reserve Account, at maturity, or otherwise when due and payable, then such event shall not be deemed an Event of Default unless and until (A) only Senior Lien Bonds not secured by an associated subaccount of the Debt Service Reserve Account are Outstanding, or (B) there is an Event of Default with respect to Senior Lien Bonds which are secured by an associated subaccount of the Debt Service Reserve Account.

Upon the happening and continuance of any Event of Default (except for events described in clauses (vii), (viii) and (ix) above), the Master Bond Ordinance allows the owners of more than 50% in aggregate principal amount of outstanding Senior Lien Bonds affected thereby or a Credit Issuer securing more than 50% in aggregate principal amount of outstanding Senior Lien Bonds affected thereby to accelerate such Bonds affected thereby. If the City cures the Event of Default, the Master Bond Ordinance allows the owners of more than 50% in aggregate principal amount of outstanding Senior Lien Bonds to waive the acceleration, subject to the consent of each Credit Issuer securing Senior Lien Bonds.

The Master Bond Ordinance provides that, upon the occurrence and continuation of an Event of Default, the City or a receiver appointed for the purpose must apply all Pledged Revenues as follows and in the following order of priority: (i) first, to the payment of the reasonable and proper charges, expenses, and liabilities of the receiver and any paying agent and bond registrar under the Master Bond Ordinance (with such amounts payable, if related to a particular series and therefore to a particular category of Revenues, first from such category), (ii) second, to the payment of all reasonable and necessary expenses of operation and maintenance of the Airport and major renewals and replacements to the Airport, and (iii) third, to the payment of debt service on Senior Lien Bonds and amounts (other than termination, indemnity, and expense payments) due under hedge agreements relating to Senior Lien Bonds.

## **Defeasance**

The Master Bond Ordinance provides that any Bonds for the payment or redemption of which sufficient moneys or sufficient direct obligations of, or obligations fully guaranteed by, the United States of America have been deposited with the Paying Agent or the depository of the Sinking Fund (whether upon or prior to the maturity or the redemption date of such bonds) will be deemed to be paid and no longer Outstanding under the Master Bond Ordinance.

If all Bonds and obligations secured by a lien on a category of Revenues have been paid or provision for payment thereof made as set forth in the preceding paragraph, at the option of the City the terms and provisions of the Master Bond Ordinance relating solely to such category of Revenues may be determined as void and of no further force or effect; provided the other terms and provisions of the Master Bond Ordinance shall remain in effect until the election of the City after payment or provision for payment of all Bonds and obligations secured by a lien created pursuant to the Master Bond Ordinance on any Revenues.

## **Supplemental Ordinances**

The Master Bond Ordinance permits the City to adopt supplemental ordinances modifying, amending, or supplementing the Master Bond Ordinance, without the consent of or notice to the owners of any of the Bonds for certain purposes including to modify any of the provisions of the Master Bond Ordinance in any respect (other than a modification of the type described below requiring the unanimous consent of the owners of Bonds); provided that for (i) any outstanding Bonds which are assigned a Rating and which are not secured by a Credit Facility providing for the payment of the full amount of principal and interest to be paid thereon, each Rating Agency rating such Bonds shall have notified the City that such modification will not cause the then applicable rating on any such Bonds to be reduced or withdrawn, and (ii) any Outstanding Bonds which are secured by Credit Facilities providing for the payment of the full amount of the principal and interest to be paid thereon, each Credit Issuer shall have consented in writing to such modification.

The Master Bond Ordinance also provides that, with the consent of the owners of not less than a majority in aggregate principal amount of the Outstanding Bonds of each class (senior and subordinate), voting separately by class, the City may adopt a supplemental ordinance for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Master Bond Ordinance provided that no supplemental ordinance (a) extend the maturity date or due date of any mandatory sinking fund redemption with respect to any Bond Outstanding under the Bond Ordinance; (b) reduce or extend the time for payment of principal of, redemption premium, or interest on any Bond Outstanding under the Bond Ordinance; (c) reduce any premium payable upon the redemption of any Bond under the Bond Ordinance or advance the date upon which any Bond may first be called for redemption prior to its stated maturity date; (d) give to any Bond or Bonds (or related Contracts) a preference over any other Bond or Bonds (or related Contracts) not already permitted by the Bond Ordinance; (e) permit the creation of any lien or any other encumbrance on the Pledged Revenues having a lien equal to or prior to the lien created under the Bond Ordinance for the Senior Lien Bonds; (f) reduce the percentage of owners of either class of Bonds required to approve any such Supplemental Ordinance; or (g) deprive the owners of the Bonds of the right to payment of the Bonds or from

the Pledged Revenues, without, in each case, the consent of the owners of all the Bonds then Outstanding of the category of Bonds affected thereby.

#### **Issuance and Sale of Notes, Maturities and Interest Rate; Establishment of New Programs.**

The City may issue and sell Series M/N/O Notes pursuant to the Dealer Agreement and the Issuing and Paying Agency Agreement at such times, in such amount, with such maturities, at such rates of interest and upon such other terms and conditions as shall be fixed by an Authorized Representative at the time of sale, subject to the provisions of the Thirtieth Supplemental Bond Ordinance.

Upon receipt by the Issuing and Paying Agent from an Authorized Representative of the City or agent of the City designated by an Authorized Representative of (i) a request that such Issuing and Paying Agent shall authenticate and issue Series M/N/O Notes theretofore delivered to it pursuant to the Issuing and Paying Agency Agreement, and (ii) instructions specifying the principal amounts, dates of issuance, maturities, rates of interest, registered owners and other terms and conditions as shall be determined by such Authorized Representative, the Issuing and Paying Agent shall thereupon withdraw from safekeeping said Series M/N/O Notes and shall complete, authenticate and issue the same in accordance with such instructions. Such instruction shall be given in writing (including facsimile transmissions or other electronic means), provided, however, that telephonic instructions may be given if confirmed in writing (including facsimile transmission or other electronic means) within twenty-four (24) hours.

The delivery to the Issuing and Paying Agent of instructions to complete, authenticate and issue Series M/N/O Notes shall constitute a certification by the City as of the date of said instructions to the following effect:

- i. the representations and warranties of the City contained in the Thirtieth Supplemental Bond Ordinance, the Reimbursement Agreement, the Dealer Agreement and the Issuing and Paying Agency Agreement are true and correct and all covenants contained therein have been duly performed and observed;
- ii. no petition by or against the City has at any time been filed under the United States Bankruptcy Code or under any similar law;
- iii. no default under the Reimbursement Agreement, or other condition thereunder that could prevent said issuance, has occurred or would occur as a result of the issuance of such Series M/N/O Notes;

- v. a No Issuance Notice (as defined in either Credit Facility) has not been delivered to the Issuing and Paying Agent; and

In confirmation of the foregoing, the City agrees to cause an Authorized Representative to execute and deliver a certificate. Such certificate shall be mailed to the Issuing and Paying Agent, the Bank and the Dealer on each day such instructions are given to the Issuing and Paying Agent.

An Authorized Representative of the City is authorized to prepare, make public, execute and distribute such disclosure documents as may be deemed necessary or appropriate in connection with the sale of the Series M/N/O Notes in such form as such Authorized Representative deems appropriate.

Each Program, including without limitation the initial Program, shall be established, from time to time, by the completion and execution by an Authorized Representative, and the acknowledgment by the Issuing and Paying Agent and the Dealer, of a New Program Order and compliance with the provisions of the Thirtieth Supplemental Bond Ordinance. The establishment of a new Program, in and of itself, shall not require the consent of the holders or the Bank.

A Program may be established from time to time to succeed another Program. On and after the date a new Program is established under the Thirtieth Supplemental Bond Ordinance, no Series M/N/O Notes may be issued under a prior Program; however, Outstanding Series M/N/O Notes issued under a prior Program shall continue to be subject to the terms and provisions of the Thirtieth Supplemental Bond Ordinance until the maturity date thereof. It is the intention of the City that all Series M/N/O Notes issued under a Program over the 18-month period beginning on the date of the first issuance of Series M/N/O Notes under such Program (such 18-month period, the "New Money Issuance Period") shall constitute a single issue under the Code. - ii. fully executed copies of a tax certificate (prepared by Note Counsel) and IRS Form 8038-G or Form 8038, as applicable, with respect to such Program;

The City shall require that the Issuing and Paying Agent make a drawing under the Credit Facility at the times and on the dates provided in the Issuing and Paying Agency Agreement sufficient, after accounting for any amounts or deposit in the Notes Account with respect to the Rolled Notes to pay in full the Series M/N/O Notes scheduled to mature on any date and such funds shall be deposited into the Credit Facility Account and used solely for the purpose of paying the Series M/N/O Notes.

**Notes Project Fund.**

A special trust fund is created and established and designated as the "City of Atlanta Airport Series M/N/O Notes Project Fund" (the "Notes Project Fund"). U.S. Bank Trust National Association, Atlanta, Georgia, is designated as the Project Fund Custodian (the "Project Fund Custodian").

There is established within the Notes Project Fund a separate account which shall be designated as the "Airport General Account," and a second separate account which shall be designated as the "Costs of Issuance Account." The Project Fund Custodian, at the direction of the City, may establish other accounts or subaccounts in the Notes Project Fund from time to time, and the City covenants and agrees to establish and maintain such other accounts or subaccounts if and to the extent required by (i) the Tax and Non-Arbitrage Certificate of the City to be issued and delivered in connection with the issuance of the Notes or (ii) any statutory or regulatory requirements applicable to ensure that any particular category or item of revenue is applied in conformity with such statutory or regulatory requirement. Disbursements of Note proceeds from the Airport General Account of the Notes Project Fund shall be made only for payment of the Costs of the Notes Project and to repay principal of and interest on Outstanding Notes, provided, however, the owners of the Notes shall have recourse against amounts on

deposit in the Airport General Account of the Notes Project Fund in the event there is a default with respect to the payment of the principal of or interest on the Notes. Proceeds of Notes to refund other Notes prior to maturity shall be held by the Escrow Agent prior to their application pursuant to the Escrow Agreement. The City shall deposit into the Costs of Issuance Account of the Notes Project Fund, from other amounts lawfully available to the City, such amount necessary to pay costs of issuance of the Notes.

Before any disbursements shall be made from the Airport General Account, there shall be filed by the Airport Manager or his designee with the City Finance Officer and with the Project Fund Custodian a requisition for such disbursement stating each amount to be paid, the account from which such payment is to be made and the name of the person, firm or corporation to whom payment thereof is due (or in the case of reimbursement of the City for costs paid by the City, that such amount is due to the City). The Department of Aviation shall maintain records with respect to the expenditures of such funds.

All disbursements from the Costs of Issuance Account of the Notes Project Fund shall be made by the Project Fund Custodian upon written direction of the City Finance Officer and applied to the payment of costs and expenses incurred by the City in connection with the issuance and delivery of the Notes. Moneys remaining in the Costs of Issuance Account after the earlier of (i) the payment of all costs and expenses in connection with the Notes or (ii) six months after the issuance and delivery of the Notes shall be applied in a manner as directed by the Chief Officer.

All requisitions submitted to the Project Fund Custodian shall be retained by the Project Fund Custodian, subject at all times to inspection by any officer of the City or any owner of a Note, upon reasonable request.

### **Investments.**

Amounts on deposit in the Notes Project Fund and each account therein may be invested and reinvested by the City in Permitted Investments.

### **Creation of Additional Funds and Accounts.**

The following subaccounts are created:

- i. within the Interest Subaccount of the Payments Account of the City of Atlanta Airport Sinking Fund and a Series M/N/O Notes Subaccount;

- iii. within the Contract Payments Subaccount of the City of Atlanta Airport Sinking Fund and a Series M/N/O Notes Subaccount.

The City shall deposit to the Series M/N/O Notes Subaccount of the Interest Subaccount on the maturity date of any Note an amount equal to the interest coming due on such Note (taking into account moneys held by the Issuing and Paying Agent or other moneys available

therefor). Upon a Termination Date, the City shall deposit to the Interest Subaccount with respect to the Notes an amount representing the interest of the Notes paid under the Series M/N/O Credit Facility (taking into account amounts held by the Issuing and Paying Agent for such purpose and other available amounts). Such deposit shall be credited to the Series M/N/O Notes Subaccount of the Interest Subaccount and shall be paid to the Issuing and Paying Agent for deposit to the Remarketing Account held by the Issuing and Paying Agent.

Upon a Termination Date, the City shall deposit to the Principal Subaccount with respect to the Notes an amount representing the principal of the Notes paid under the Series M/N/O Credit Facility (taking into account amounts held by the Issuing and Paying Agent and other available amounts).

The City shall deposit to the Series M/N/O Notes Subaccount of the Contract Payment Subaccount on the Business Day preceding the date any payment is due under the Reimbursement Agreement the amount so due under such Reimbursement Agreement (other than Reimbursement Obligations), including Additional Interest.

- v. a No Issuance Notice (as defined in either Credit Facility) has not been delivered to the Issuing and Paying Agent; and

- vi. with respect to Series P/Q Notes issued during the initial New Money Issuance Period, Note Counsel has not notified the City that the descriptions and opinions contained in the opinion delivered at the beginning of the initial New Money Issuance Period are no longer applicable to Series P/Q Notes issued after such notification.

In confirmation of the foregoing, the City agrees to cause an Authorized Representative to execute and deliver a certificate. Such certificate shall be mailed to the Issuing and Paying Agent, the Bank and the Dealer on each day such instructions are given to the Issuing and Paying Agent.

An Authorized Representative of the City is authorized to prepare, make public, execute and distribute such disclosure documents as may be deemed necessary or appropriate in connection with the sale of the Series P/Q Notes in such form as such Authorized Representative deems appropriate.

Each Program, including without limitation the Initial Program, shall be established, from time to time, by the completion and execution by an Authorized Representative, and the acknowledgment by the Issuing and Paying Agent and the Dealer, of a New Program Order and compliance with the provisions of the Thirty-Fourth Supplemental Bond Ordinance. The establishment of a new Program, in and of itself, shall not require the consent of the holders or the Bank.

A Program may be established from time to time to succeed another Program. On and after the date a new Program is established under the Thirty-Fourth Supplemental Bond Ordinance, no Series P/Q Notes may be issued under a prior Program; however, Outstanding Series P/Q Notes issued under a prior Program shall continue to be subject to the terms and provisions of the Thirty-Fourth Supplemental Bond Ordinance until the maturity date thereof. It is the intention of the City that all Series P/Q Notes issued under a Program over the 18-month period beginning on the date of the first issuance of Series P/Q Notes under such Program (such 18-month period, the “New Money Issuance Period”) shall constitute a single issue under the Code. Under each Program, but subject to the following sentence, Series P/Q Notes may be issued during the New Money Issuance Period to finance or refinance any one or more of the following: (i) Costs of the Notes Project, (ii) costs of a reasonably required debt service reserve, if any, or (iii) the principal of and accrued and unpaid interest on the Series P/Q Notes issued under a prior Program, or the accrued and unpaid interest on a prior Series of a Program, including reimbursement of a Credit Provider for such prior Series of a Program. After the New Money Issuance Period, Series P/Q Notes may be issued under a Program only to refinance the principal of Series P/Q Notes previously issued under that Program.

The establishment and effectiveness of a new Program shall be conditioned upon the delivery to the Issuing and Paying Agent of each of the following:

- i. a fully executed copy of the New Program Order;
- ii. fully executed copies of a tax certificate (prepared by Co-Note Counsel) and IRS Form 8038-G or Form 8038, as applicable, with respect to such Program;
- iii. an opinion of Co-Note Counsel with respect to such Program; and

- iv. such other documents, certificates and opinions as Co-Note Counsel, the Issuing and Paying Agent, the Dealer(s) or the Dealer(s)' counsel may reasonably require.

#### **Payment of Principal and Interest on Series P/Q Notes.**

As provided in the Issuing and Paying Agency Agreement, maturing Series P/Q Notes shall be paid in the following priority:

- i. first, from the proceeds of the Rolled Notes deposited in the Notes Account;
- ii. second, from the proceeds of the sale of new Series P/Q Notes deposited in the Notes Accounts; and
- iii. third, from draws on the Credit Facility.

The City shall require that the Issuing and Paying Agent make a drawing under the Credit Facility at the times and on the dates provided in the Issuing and Paying Agency Agreement sufficient, after accounting for any amounts on deposit in the Notes Account with respect to any proceeds from Rolled Notes or any proceeds from Series P/Q Notes, to pay in full the Series P/Q Notes scheduled to mature on any date and such funds shall be deposited into the Credit Facility Account and used solely for the purpose of paying the Series P/Q Notes.

#### **Notes Project Fund.**

A special trust fund is created and established and designated as the "City of Atlanta Airport Series P/Q Notes Project Fund" (the "Notes Project Fund"). U.S. Bank Trust National Association, Atlanta, Georgia, is designated as the Project Fund Custodian (the "Project Fund Custodian").

There is established within the Notes Project Fund a separate account which shall be designated as the "Airport General Account," and a second separate account which shall be designated as the "Costs of Issuance Account." The Project Fund Custodian, at the direction of the City, may establish other accounts or subaccounts in the Notes Project Fund from time to time, and the City covenants and agrees to establish and maintain such other accounts or subaccounts if and to the extent required by (i) the Tax and Non-Arbitrage Certificate of the City to be issued and delivered in connection with the issuance of the Notes or (ii) any statutory or regulatory requirements applicable to ensure that any particular category or item of revenue is applied in conformity with such statutory or regulatory requirement. Disbursements of Note proceeds from the Airport General Account of the Notes Project Fund shall be made only for payment of the Costs of the Notes Project and to repay principal of and interest on Outstanding Notes, provided, however, the owners of the Notes shall have recourse against amounts on deposit in the Airport General Account of the Notes Project Fund in the event there is a default with respect to the payment of the principal of or interest on the Notes. Proceeds of Notes to refund other Notes prior to maturity shall be held by the Escrow Agent prior to their application pursuant to the Escrow Agreement. The City shall deposit into the Costs of Issuance Account of the Notes Project Fund, from other amounts lawfully available to the City, such amount necessary to pay costs of issuance of the Notes.

Before any disbursements shall be made from the Airport General Account, there shall be filed by the Airport Manager or his designee with the City Finance Officer and with the Project Fund Custodian a requisition for such disbursement stating each amount to be paid, the account from which such payment is to be made and the name of the person, firm or corporation to whom payment thereof is due (or in the case of reimbursement of the City for costs paid by the City, that such amount is due to the City). The Department of Aviation shall maintain records with respect to the expenditures of such funds.

All disbursements from the Costs of Issuance Account of the Notes Project Fund shall be made by the Project Fund Custodian upon written direction of the City Finance Officer and applied to the payment of costs and expenses incurred by the City in connection with the issuance and delivery of the Notes. Moneys remaining in the Costs of Issuance Account after the earlier of (i) the payment of all costs and expenses in connection with the Notes or (ii) six months after the issuance and delivery of the Notes shall be applied in a manner as directed by the Chief Officer.

All requisitions submitted to the Project Fund Custodian shall be retained by the Project Fund Custodian, subject at all times to inspection by any officer of the City or any owner of a Note, upon reasonable request.

### **Investments.**

Amounts on deposit in the Notes Project Fund and each account therein may be invested and reinvested by the City in Permitted Investments.

### **Creation of Additional Funds and Accounts.**

The following subaccounts are created:

- i. within the Interest Subaccount of the Payments Account of the City of Atlanta Airport Sinking Fund and a Series P/Q Notes Subaccount;
- ii. within the Principal Subaccount of the Payments Account of the City of Atlanta Airport Sinking Fund and a Series P/Q Notes Subaccount; and
- iii. within the Contract Payments Subaccount of the City of Atlanta Airport Sinking Fund and a Series P/Q Notes Subaccount.

The City shall deposit to the Series P/Q Notes Subaccount of the Interest Subaccount on the maturity date of any Note an amount equal to the interest coming due on such Note (taking into account moneys held by the Issuing and Paying Agent or other moneys available therefor). Upon a Termination Date, the City shall deposit to the Interest Subaccount with respect to the Notes an amount representing the interest of the Notes paid under the Series P/Q Credit Facility (taking into account amounts held by the Issuing and Paying Agent for such purpose and other available amounts). Such deposit shall be credited to the Series P/Q Notes Subaccount of the Interest Subaccount and shall be paid to the Issuing and Paying Agent for deposit to the Remarketing Account held by the Issuing and Paying Agent.

Upon a Termination Date, the City shall deposit to the Principal Subaccount with respect to the Notes an amount representing the principal of the Notes paid under the Series P/Q Credit Facility (taking into account amounts held by the Issuing and Paying Agent and other available amounts).

The City shall deposit to the Series P/Q Notes Subaccount of the Contract Payment Subaccount on the Business Day preceding the date any payment is due under the Reimbursement Agreement the amount so due under such Reimbursement Agreement (other than Reimbursement Obligations), including Additional Interest.

The funds in each of the foregoing subaccounts shall secure the Series P/Q Notes, and all amounts owing under the Series P/Q Reimbursement Agreement.

*Section 2.13. Net of Taxes, Etc.*

(a) *Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.*  
(i) Any and all payments by or on account of any obligation of the Issuer hereunder or under any other Related Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the Bank) require the deduction or withholding of any Tax from any such payment

by the Issuer, then the Issuer shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If the Issuer shall be required by the Code to withhold or deduct any Taxes, including both United States federal backup withholding and withholding taxes, from any payment, then (A) the Issuer shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Issuer shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the Code, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Issuer shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 2.13) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(iii) If the Bank shall be required by any applicable Laws other than the Code to withhold or deduct any Taxes from any payment, then (A) the Issuer, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Issuer, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Issuer shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 2.13) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) *Payment of Other Taxes by the Issuer.* Without limiting the provisions of subsection (a) above, the Issuer shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Bank timely reimburse it for the payment of, any Other Taxes.

(c) *Tax Indemnifications.* To the extent not prohibited by Law, the Issuer shall, and does hereby, indemnify each Recipient, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.13) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Issuer by the Bank shall be conclusive absent manifest error.

(d) *Evidence of Payments.* Upon request by the Issuer or the Bank, as the case may be, after any payment of Taxes by the Issuer or by the Bank to a Governmental Authority as provided in this Section 2.13, the Issuer shall deliver to the Bank or the Bank shall deliver to the Issuer, as the case may be, the original or a certified copy of a receipt issued by such

Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to the Issuer or the Bank, as the case may be.

(e) *Status of Bank; Tax Documentation.* (i) If the Bank is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Related Document, the Bank shall deliver to the Issuer at the time or times reasonably requested by the Issuer, such properly completed and executed documentation reasonably requested by the Issuer or as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, the Bank, if reasonably requested by the Issuer, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Issuer as will enable the Issuer to determine whether or not the Bank is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.13(e)(ii) or (e)(iii) below) shall not be required if in the Bank's reasonable judgment such completion, execution or submission would subject the Bank to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of the Bank.

(ii) Without limiting the generality of the foregoing, the Bank shall deliver to the Issuer (and from time to time thereafter upon the reasonable request of the Issuer), executed originals of IRS Form W-9 certifying that the Bank is exempt from U.S. federal backup withholding tax.

(iii) If a payment made the Bank under this Reimbursement Agreement or any other Related Document would be subject to U.S. federal withholding Tax imposed by FATCA if the Bank were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), the Bank shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with their obligations under FATCA and to determine that the Bank has complied with its obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this subsection (e)(iii), "FATCA" shall include any amendments made to FATCA after the date of this Reimbursement Agreement.

(f) *Treatment of Certain Refunds.* If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Issuer or with respect to which the Issuer has paid additional amounts pursuant to this Section 2.13, it shall pay to the Issuer an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Issuer under this Section 2.13 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Issuer, upon the request of the Recipient, agrees to repay the amount paid over to the Issuer (plus any penalties, interest or other charges imposed by the relevant

Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to the Issuer pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification after giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Issuer or any other Person.

(g) *Survival.* Each party's obligations under this Section 2.13 shall survive the termination of the Letter of Credit and the repayment, satisfaction or discharge of all other Obligations.

*Section 2.14. Reductions of Stated Amount and Termination of the Letter of Credit.*

(a) The Stated Amount may be permanently reduced from time to time by the Issuer upon five Business Days' prior written notice of such reduction given by the Issuer to the Bank; *provided*, that each such reduction shall be in an amount equal to the lesser of (i) \$5,000,000 or any integral multiple in excess thereof and (ii) the Stated Amount; and, *provided further*, that the Stated Amount of the Letter of Credit shall not be reduced below an amount equal to the sum of the outstanding amount of the Loans plus the principal amount of Series M Notes outstanding plus interest on such principal amount of Series M Notes computed at 12% per annum for a period of 365 days.

(b) Notwithstanding any provisions of the Bond Ordinance to the contrary, the Issuer agrees not to replace the Letter of Credit (or to direct the Paying Agent to terminate the Letter of Credit without an Alternate Credit Facility being substituted therefor) unless (i) the Issuer first pays to the Bank the outstanding amount of all Loans, including accrued and unpaid interest thereon, all fees and expenses payable by the Issuer to the Bank hereunder or under the Fee Letter, including any termination fee or any reduction fee then due and payable, (ii) the Issuer shall have provided at least 30 days' prior notice to the Bank of its intention to reduce or terminate the Letter of Credit and (iii) all outstanding Series M Notes supported by the Letter of Credit shall have matured and been paid before such substitution or replacement.

*Section 2.15. Maximum Lawful Rate.* (a) If the amount of interest payable for any period in accordance with terms hereof exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Maximum Lawful Rate, then interest for such period shall be payable in an amount calculated at the Maximum Lawful Rate for such period.

(b) Any interest that would have been due and payable for any period but for the operation of Section 2.15(a) shall accrue and be payable as provided in this paragraph (b) and shall, less interest actually paid to the Bank for such period, constitute the "*Excess Interest Amount.*" If there is any accrued and unpaid Excess Interest Amount as of any date then the

principal amount with respect to which interest is payable shall bear interest at the Maximum Lawful Rate, until payment to the Bank of the entire Excess Interest Amount.

(c) Notwithstanding the foregoing, on the date on which no principal amount hereunder remains unpaid, the Issuer shall pay to the Bank a fee equal to any accrued and unpaid Excess Interest Amount.

*Section 2.16. Issuance Generally.* The Issuer may issue Series M Notes only in accordance with the terms of and subject to the conditions set forth in the Bond Ordinance and the Issuing and Paying Agency Agreement.

(t) *Tax-Exempt Status.* With respect to Series M Notes issued on a tax-exempt basis, the Issuer has not taken any action or omitted to take any action, and knows of no action taken or omitted to be taken by any other Person, which action, if taken or omitted, would adversely affect the exclusion of interest on the Series M Notes from gross income for Federal income tax purposes.

(u) *ERISA.* The Issuer does not maintain or contribute to, and has not maintained or contributed to, any Plan that is subject to Title IV of ERISA.

that a document, opinion report or other instrument or any event or condition be acceptable or satisfactory to any Person, for purposes of this Reimbursement Agreement, such compliance shall be waived, or such provision shall be consented to, only if it is waived or consented to, as the case may be, by the Bank and such document, opinion report or other instrument shall be acceptable or satisfactory to the Bank. No amendment to such covenants (or the defined terms relating thereto) made pursuant to the Related Documents shall be effective to amend such incorporated covenants without the written consent of the Bank. (i) *Maintenance of Existence.* The Issuer will maintain its existence. The Issuer shall, in all material respects, maintain, preserve and keep the Airport in good repair, working order and condition (ordinary wear and tear excepted), except to the extent that the failure to do so could reasonably be expected to result in a material adverse effect.

(j) *Maintenance and Approvals; Filings, etc.* The Issuer shall at all times maintain in effect, renew and comply with all the terms and conditions of all consents, licenses, approvals and authorizations as may be necessary or appropriate under any applicable law or regulation for its execution, delivery and performance of this Reimbursement Agreement and the Related Documents which are still in effect and to which it is a party.

(B) *Additional Commercial Paper Notes.* The proceeds of the Series M Notes will be used to finance the Series M Notes Project and other costs authorized to be paid with the proceeds of the Series M Notes. It is the Issuer's intent to finance the Series M Notes Project (and refinance indebtedness incurred to pay such costs, including the Series M Notes) upon completion through the issuance of Bonds. When the Series M Notes Project are completed and the Issuer issues Bonds to finance the costs of the Series M Notes Projects, including the repayment of the Series M Notes the proceeds of which paid such costs, the Issuer shall not issue new Commercial Paper Notes which represent that portion of the Series M Notes authorized by the Thirtieth Supplemental Ordinance repaid from the proceeds of such Bonds unless the Issuer shall have satisfied the requirements of Section 502(b) of the Master Bond Ordinance with respect to such new Commercial Paper Notes.

(ii) *Rate Covenant.* The Issuer shall continuously own, control, operate, and maintain the Airport in an efficient and economical manner and on a revenue producing basis and shall at all times prescribe, fix, maintain, and collect rates, fees, and other charges for the services and facilities furnished by the Airport in accordance with Section 6.01 of the Master Bond Ordinance.

(s) *Interest Rate Protection Agreements.* Without the prior written consent of the Bank, the Issuer will not enter into any Interest Rate Protection Agreement relating to Debt (a) wherein any termination payments secured by a pledge of or lien on Revenues thereunder are senior to or on parity with the pledge of Revenues securing the Series M Notes or the other Obligations or (b) which requires the Issuer to post cash collateral to secure its obligations thereunder.

(t) *Dealer.* The Issuer will appoint, or cause to be appointed, at all times, a Dealer in accordance with Section 5.01(g) hereof. The Issuer shall at all times use its best efforts to

If a Dealer fails to perform its duties under a Dealer Agreement or any Loan remains outstanding for a period of thirty (30) consecutive calendar days or any Dealer fails to sell the Series M Notes or otherwise fails to perform its duties under the related Dealer Agreement, after being directed to do so by the Issuer (subject to the provisions of the applicable Dealer Agreement), at the written direction of the Bank, the Issuer shall cause the related Dealer (that has been unable to sell Series M Notes or fails to perform its duties) to be replaced with a Dealer satisfactory to the Bank within thirty (30) calendar days of the receipt of such written direction. The Issuer shall at all times cause the Dealer Agreement entered into after the date hereof to contain satisfactory third-party beneficiary provisions in favor of the Bank and to provide that (a) such Dealer may resign upon at least sixty (60) days' prior written notice to the Issuing and Paying Agent, the Bank and the Issuer but only upon the appointment of a successor Dealer in accordance with the terms hereof (which resignation, for the avoidance of doubt, is not the same as an automatic termination or suspension of the Dealer's obligations under the Dealer Agreement such as those described in Section 11 of the Dealer Agreement in effect on the Closing Date) and (b) such Dealer shall use its best efforts to sell the Series M Notes without regard to the Bank Rate (i.e., whether or not the rate to be borne by the Series M Notes is less than the Bank Rate).

(u) *Underlying Rating and Bank Notes Rating.* The Issuer shall at all times maintain (i) a rating on its long-term unenhanced Senior Lien Bonds, Subordinate Lien Bonds and Hybrid Bonds from at least two Rating Agencies and (ii) a rating on the Series M Notes from at least two Rating Agencies. The Issuer covenants and agrees that it shall not at any time withdraw any long-term unenhanced rating on its Senior Lien Bonds, Subordinated Bonds, or Hybrid Bonds from any of Fitch, Moody's or S&P if the effect of such withdrawal would be to cure a Default or an Event of Default under this Reimbursement Agreement. In addition, the Issuer shall at all times (i) maintain, or cause to be maintained, a long-term debt rating by any one of Moody's, Fitch or S&P applicable to the Bank Notes, and (ii) ensure (at its expense) that the CUSIP Number(s) and the Bank Notes rating (described in sub-clause (iii) of this Section 5.01(u)) are available on the Bloomberg Municipal Note Description Screen (or a similar electronic registry acceptable to the Bank).

(v) *Other Agreements.* In the event that the Issuer shall, directly or indirectly, enter into or otherwise consent to any Bank Agreement which such Bank Agreement provides such Person with different or more restrictive covenants, different or additional events of default and/or greater rights and remedies than are provided to the Bank in this Reimbursement Agreement, the Issuer shall provide the Bank with a copy of each such Bank Agreement and such different or more restrictive covenants, different or additional events of default and/or greater rights and remedies shall automatically be deemed to be incorporated into this Reimbursement Agreement and the Bank shall have the benefits of such different or more restrictive covenants, different or additional events of default and/or greater rights and remedies as if specifically set forth herein. The Issuer shall promptly enter into an amendment to this Reimbursement Agreement to include different or more restrictive covenants, different or additional events of default and/or greater rights and remedies; *provided* that the Bank shall have and maintain the benefit of such different or more restrictive covenants, different or additional events of default and/or greater rights and remedies even if the Issuer fails to provide such amendment.

(w) *Merger, Disposition of Assets.* The Issuer will not consolidate or merge with or into any person or sell, lease or otherwise transfer all or substantially all of its assets or the assets of the Airport to any Person.

(x) *Anti-Corruption Laws.* Neither the Issuer nor any of its Affiliates shall, directly or indirectly, use the proceeds of any Drawing under the Letter of Credit for any purpose which would breach the United States Foreign Corrupt Practices Act of 1977, the UK Bribery Act 2010 and other similar anti-corruption legislation in other jurisdictions.

(y) *Sanctions.* Neither the Issuer nor any of its Affiliates shall, directly or indirectly, use the proceeds of any Drawing under the Letter of Credit, or lend, contribute or otherwise make available such proceeds to any Person, to fund any activities of or business with any Person, or in any Designated Jurisdiction, that, at the time of such funding, is the subject of Sanctions, or in any other manner that will result in a violation by any Person of Sanctions.

*Section 8.01. Transfer, Reduction and Reinstatement.* The Letter of Credit may be transferred, reduced and reinstated in accordance with the provisions set forth therein.

*Section 8.02. Extension of Stated Expiration Date.* If the Issuer on any date which is not more than 180 days nor less than 120 days prior to the Stated Expiration Date (as the same may be extended from time to time) submits to the Bank a written request for an extension of the Stated Expiration Date for a period as specified in such written request, the Bank will make reasonable efforts to respond to such request within 30 days after receipt of all information necessary, in the Bank's reasonable judgment, to permit the Bank to make an informed credit decision. In the event the Bank fails to definitively respond to such request within such period of time, the Bank shall be deemed to have refused to grant the extension requested. The Bank may, in its sole and absolute discretion, decide to accept or reject any such proposed extension and no extension shall become effective unless the Bank shall have consented thereto in writing. The consent of the Bank, if granted, shall be conditioned upon the preparation, execution and delivery of documentation in form and substance reasonably satisfactory to the Bank and consistent with this Reimbursement Agreement. If such extension request is accepted by the Bank in its absolute discretion, then the current Stated Expiration Date for the Letter of Credit shall be extended to the date agreed to by the Issuer and the Bank by the Bank's delivery of a Notice of Extension to the Paying Agent in the form of Annex G to the Letter of Credit.

(c) To the extent permitted by law, the Issuer and the Bank agree to waive their respective rights to a jury trial of any and all claims or causes of action based upon or arising out of this reimbursement agreement and the other related documents. Each party hereto (a) certifies that no representative, agent or attorney of any other person has represented, expressly or otherwise, that such other person would not, in the event of litigation, seek to enforce the foregoing waiver, and (b) acknowledges that it and the other parties hereto have been induced to enter into this Reimbursement Agreement and the other related documents by, among other things, the mutual waivers and certifications in this Section.

(d) TO THE EXTENT PERMITTED BY LAW, THE ISSUER WILL WAIVE ANY CLAIM OF IMMUNITY WITH RESPECT TO ITSELF THE PLEDGED REVENUES, ASSETS OR PROPERTY OF THE AIRPORT WHICH COMPRISE PLEDGED REVENUES ON GROUNDS OF SOVEREIGN IMMUNITY (OR SIMILAR GROUNDS) FOR ANY SUIT, ASSERTION OF JURISDICTION OF ANY COURT, RELIEF BY WAY OF INJUNCTION, ORDER FOR SPECIFIC PERFORMANCE OR FOR RECOVERY OF PROPERTY, ATTACHMENT OF ITS ASSETS AND EXECUTION OR ENFORCEMENT OF ANY JUDGMENTS, WHICH SUCH SUIT, ASSERTION, RELIEF, ORDER, ATTACHMENT OR EXECUTIONS ARISING OUT OF A CLAIM SEEING A REMEDY FOR BREACH OF THIS REIMBURSEMENT AGREEMENT. *Section 9.07. Headings.* Section headings in this Reimbursement Agreement are included herein for convenience of reference only and shall not have any effect for purposes of interpretation or construction of the terms of this Reimbursement Agreement.

*Section 9.08. Successors and Assigns.*

(a) *Successors and Assigns Generally.* The provisions of this Reimbursement Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Issuer may not assign or

otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Bank. Nothing in this Reimbursement Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (b) of this Section 9.08 and, to the extent expressly contemplated hereby, the Related Parties of the Bank) any legal or equitable right, remedy or claim under or by reason of this Reimbursement Agreement.

(b) *Participations.* The Bank may at any time, without the consent of, or notice to, the Issuer, sell participations to any Person (other than a natural person or the Issuer or any of the Issuer's Affiliates) (each, a "*Participant*") in all or a portion of the Bank's rights and/or obligations under this Reimbursement Agreement; *provided* that (i) the Bank's obligations under this Reimbursement Agreement shall remain unchanged, (ii) the Bank shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Issuer shall continue to deal solely and directly with the Bank in connection with the Bank's rights and obligations under this Reimbursement Agreement.

Any agreement or instrument pursuant to which the Bank sells such a participation shall provide that the Bank shall retain the sole right to enforce this Reimbursement Agreement and to approve any amendment, modification or waiver of any provision of this Reimbursement Agreement; *provided* that such agreement or instrument may provide that the Bank will not, without the consent of the Participant, agree to any amendment, waiver or other modification that affects such Participant. The Issuer agrees that each Participant shall be entitled to the benefits of Sections 2.06, 2.07 and 2.13 to the same extent as if it were the Bank and had acquired its interest by assignment pursuant to subsection (a) of this Section 9.08.

(c) *Certain Pledges.* In addition to the rights of the Bank set forth above, the Bank may at any time pledge or grant a security interest in all or any portion of its rights or interests hereunder to secure obligations of the Bank or an Affiliate of the Bank, including any pledge or assignment to secure obligations to a Federal Reserve Bank or to any state or local governmental entity or with respect to public deposits; *provided* that no such pledge or assignment shall release the Bank from any of its obligations under the Letter of Credit or substitute any such pledgee or assignee for the Bank as a party hereto.

*Section 9.09. Counterparts.* This Reimbursement Agreement may be signed in any number of counterpart copies, but all such copies shall constitute one and the same instrument.

*Section 9.10. Complete and Controlling Agreement.* This Reimbursement Agreement and the other Related Documents completely set forth the agreements between the Bank and the Issuer and fully supersede all prior agreements, both written and oral, between the Bank and the Issuer relating to the issuance of the Letter of Credit and all matters set forth herein and in the Related Documents.

*Section 9.11. Government Regulations.* The Issuer shall (a) ensure that no Person who owns a controlling interest in or otherwise controls the Issuer is or shall be listed on the Specially Designated Nationals and Blocked Person List or other similar lists maintained by the Office of Foreign Assets Control ("*OFAC*"), the Department of the Treasury or included in any Executive

Orders, that prohibits or limits Bank from making any advance or extension of credit to the Issuer or from otherwise conducting business with the Issuer and (b) ensure that the Series M Note proceeds and proceeds drawn under the Letter of Credit shall not be used to violate any of the foreign asset control regulations of OFAC or any enabling statute or Executive Order relating thereto. Further the Issuer shall comply, and cause any of its subsidiaries to comply, with all applicable Bank Secrecy Act (“BSA”) laws and regulations, as amended.

*Section 9.12. Costs and Expenses.* (a) The Issuer shall pay (i) all reasonable out-of-pocket expenses incurred by the Bank and its Affiliates, in connection with the preparation, negotiation, execution, delivery and administration of this Reimbursement Agreement and the other Related Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by the Bank in connection with the issuance, amendment, renewal or extension of its Letter of Credit or any demand for payment thereunder and (iii) all out-of-pocket expenses incurred by the Bank (including the fees, charges and disbursements of any counsel for the Bank), and all fees and time charges for attorneys who may be employees of the Bank, in connection with the enforcement or protection of its rights (A) in connection with this Reimbursement Agreement and the other Related Documents, including its rights under this Section, or (B) in connection with the Drawings or Loans made or the Letter of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Drawings or Loans or the Letter of Credit.

*Section 9.13. USA Patriot Act.* The Bank hereby notifies the Issuer that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”), it is required to obtain, verify and record information that identifies the Issuer, which information includes the name and address of the Issuer and other information that will allow the Bank to identify the Issuer in accordance with the Act. The Issuer agrees to, promptly following a request by the Bank, provide all such other documentation and information reasonably requested by Bank for purposes of compliance with applicable “know your customer” and anti-money laundering rules and regulations, including, without limitation, the Act.

*Section 9.14. No Advisory or Fiduciary Relationship.* In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Related Document), the Issuer acknowledges and agrees, and acknowledges its Affiliates’ understanding, that: (a) (i) the services regarding this Reimbursement Agreement provided by the Bank and any Affiliate thereof are arm’s-length commercial transactions between the Issuer, on the one hand, and the Bank and its Affiliates, on the other hand, (ii) the Issuer has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) the Issuer is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Related Documents; (b) (i) the Bank and its Affiliates each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary, for the Issuer, or any other Person and (ii) neither the Bank nor any of its Affiliates has any obligation to the Issuer with respect to the transactions contemplated hereby except those obligations expressly set forth

herein and in the other Related Documents; and (c) the Bank and its Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Issuer, and neither the Bank nor any of its Affiliates has any obligation to disclose any of such interests to the Issuer. To the fullest extent permitted by law, the Issuer, hereby waives and releases any claims that it may have against the Bank or any of its Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transactions contemplated hereby.

*Section 9.15. Payment Set Aside.* To the extent that the Bank receives any payment from or on behalf of the Issuer, or the Bank exercises its right of setoff, which payment or setoff amount or any part thereof is subsequently invalidated, declared to constitute a fraudulent conveyance or preferential transfer, set aside, or required to be repaid (including pursuant to any settlement entered into by the Bank in its discretion) to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause (collectively, “*Set Aside*”); then, to the extent of any such Set Aside, the obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or setoff amount had not been received by the Bank.

*Section 9.16. Electronic Execution of Certain Documents.* This Agreement and any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement (each a “*Communication*”), including Communications required to be in writing, may, if agreed by the Bank, be in the form of an Electronic Record and may be executed using Electronic Signatures, including, without limitation, facsimile and/or .pdf. The Issuer agrees that any Electronic Signature (including, without limitation, facsimile or .pdf) on or associated with any Communication shall be valid and binding on the Issuer to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of the Issuer enforceable against the Issuer in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered to the Bank. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Bank of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Bank may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record (“*Electronic Copy*”), which shall be deemed created in the ordinary course of the Bank’s business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Bank is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Bank pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Bank has agreed to accept such Electronic Signature, the Bank shall be entitled to rely on any such Electronic Signature without further verification and (b) upon the request of the Bank any Electronic Signature shall

be promptly followed by a manually executed, original counterpart. For purposes hereof, “*Electronic Record*” and “*Electronic Signature*” shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

*Section 9.17. EMMA Postings.* The Issuer may, after consultation with the Bank, file (or cause to be filed) with the Municipal Securities Rulemaking Board under its Electronic Municipal Market Access (EMMA) system or otherwise a copy of this Agreement and agreements between the Bank and the Issuer related to this Agreement, in each case redacted in a manner satisfactory to the Bank to prevent disclosure of any signatures, account information, information regarding pricing, or other proprietary or other confidential information under State law regarding the transactions contemplated hereby, or a summary of this Agreement and such related agreements (in each case as so redacted); *provided, however*, the Issuer shall be permitted, without consultation with the Bank, to include in such redacted copies of this Agreement (or summaries thereof) such information as shall be necessary to comply with requirements of applicable law (including, but not limited to, federal or state securities laws and the regulations promulgated thereunder) and the requirements of the Issuer’s other contractual obligations. Notwithstanding anything herein to the contrary, the Bank consents to the Issuer attaching this Agreement to (i) any legislation required to be adopted by the governing body of the Issuer to authorize the Issuer’s execution, delivery and performance of such Agreement and (ii) any pleadings required to be filed in connection with the Georgia statutory bond validation proceedings.

*Section 9.18. US QFC Stay Rules.*

(a) *Recognition of U.S. Resolution Regimes.* In the event that any party that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of this Agreement (and any interest and obligation in or under this Agreement and any property securing this Agreement) from such Covered Entity will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement (and any such interest, obligation and property) were governed by the laws of the United States or a state of the United States. In the event that any party that is a Covered Entity or a BHC Act Affiliate of such party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights against such party with respect to this Agreement are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States. The requirements of this paragraph (a) apply notwithstanding the provisions of paragraph (b).

(b) *Limitation on the Exercise of Certain Rights Related to Affiliate Insolvency Proceedings.* Notwithstanding anything to the contrary in this Agreement or any related agreement, but subject to the requirements of paragraph (a), no party to this Agreement shall be permitted to exercise any Default Right against a party that is a Covered Entity with respect to this Agreement that is related, directly or indirectly, to a BHC Act Affiliate of such Covered Entity becoming subject to Insolvency Proceedings, except to the extent the exercise of such Default Right would be permitted under 12 C.F.R. § 252.84, 12 C.F.R. § 47.5, or 12 C.F.R. § 382.4, as applicable. After a BHC Act Affiliate of a party that is a Covered Entity has become

subject to Insolvency Proceedings, any party that seeks to exercise a Default Right against such Covered Entity with respect to this Agreement shall have the burden of proof, by clear and convincing evidence, that the exercise of such Default Right is permitted hereunder.

“*BHC Act Affiliate*” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“*Covered Entity*” means any of the following:

(a) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

(b) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or

(c) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“*Default Right*” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“*Insolvency Proceeding*” means a receivership, insolvency, liquidation, resolution, or similar proceeding.

“*U.S. Special Resolution Regime*” means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

(c) *Certificates for Reimbursement.* A certificate of the Bank or a Recipient setting forth in reasonable detail the basis for the amount or amounts for which reimbursement is sought and the amount or amounts necessary to compensate the Bank or any such Recipient or the Bank's or any such Recipient's parent or holding company, as the case may be, as specified in subsection (a) or (b) of this Section 2.07 and delivered to the Issuer, shall be conclusive absent manifest error. The Issuer shall pay the Bank or any such Recipient, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof. The payment obligation

hereunder shall be limited to amounts available from Pledged Revenues (junior to the Reimbursement Obligations, as specified in Section 2.11 hereof).

(d) *Delay in Requests.* Failure or delay on the part of the Bank to demand compensation pursuant to the foregoing provisions of this Section 2.07 shall not constitute a waiver of the Bank's right to demand such compensation.

(e) *Survival.* All of the Issuer's obligations under this Section 2.07 shall survive termination of this Reimbursement Agreement and repayment of all other Obligations hereunder.

*Section 2.08. Method of Payment.* All payments by the Issuer to the Bank hereunder shall be nonrefundable and made in lawful currency of the United States and in immediately available funds. Amounts payable to the Bank hereunder shall be transferred to the Bank's account at [REDACTED]

[REDACTED] (or to such other account of the Bank as the Bank may specify by written notice to the Issuer and the Paying Agent) not later than 1:00 p.m., New York, New York time, on the date payment is due. Any payment received by the Bank after 1:00 p.m., New York, New York time, shall be deemed to have been received by the Bank on the next Business Day. If any payment hereunder is due on a day that is not a Business Day, then such payment shall be due on the immediately succeeding Business Day, and such extended time shall be included in the computation of interest and fees.

*Section 2.09. Maintenance of Accounts.* The Bank shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Issuer and the amounts payable and paid from time to time hereunder. In any legal action or proceeding in respect of this Reimbursement Agreement, the entries made in such account or accounts shall be presumptive evidence of the existence and amounts of the obligations of the Issuer therein recorded. The failure to record any such amount shall not, however, limit or otherwise affect the obligations of the Issuer hereunder to repay all amounts owed hereunder, together with all interest accrued thereon as provided in this Article II.

*Section 2.10. Cure.* The Issuer agrees to pay to the Bank on demand any amounts advanced by or on behalf of the Bank to the extent required to cure any default, event of default or event of nonperformance under this Reimbursement Agreement or any Related Document. The Bank shall give the Issuer reasonably prompt notice of any such advances. The Bank shall have the right, but not the obligation, to cure any such default, event of default or event of nonperformance.

*Section 2.11. Nature of Obligations.* All Reimbursement Obligations of the Issuer under this Reimbursement Agreement shall be limited obligations secured by, as to the Series N (General) Notes and Series N (General) Bank Note, a third lien on General Revenues, and as to the Series N (Modified Hybrid PFC) Notes and Series N (Modified Hybrid PFC) Bank Note, a second lien on PFC Revenues and a third lien on General Revenues. All other obligations (i.e., other than the Reimbursement Obligations) of the Issuer owing under this Reimbursement Agreement shall be limited obligations secured by a third lien on PFC Revenues and a fourth lien on General Revenues. The obligations of the Issuer hereunder shall not constitute a general or

moral obligation of the Issuer nor a debt, indebtedness, or obligation of, or a pledge of the faith and credit of, the Issuer or the State or any political subdivision thereof, within the meaning of any constitutional or statutory provision whatsoever. Neither the faith and credit nor the taxing power of the Issuer, the State, nor any political subdivision thereof is pledged to the payment of the Issuer's obligations hereunder. The Issuer has no authority to levy any taxes to pay its obligations hereunder. Neither the members of the governing body nor any person executing this Reimbursement Agreement shall be liable personally for the Issuer's obligations hereunder by reason of the execution hereof.

*Section 2.12. Bank Notes.* (a) General Loans shall be evidenced by the Series N (General) Bank Notes, payable to the Bank. Hybrid Loans shall be evidenced by the Series N (Modified Hybrid PFC) Bank Notes payable to the Bank. The maximum aggregate principal amount of General Loans and Hybrid Loans evidenced by the Bank Notes shall not exceed the Original Stated Amount.

(b) The Bank shall record the date, amount and maturity of the Loans and the date and amount of each payment of principal made by or on behalf of the Issuer with respect thereto; and prior to any transfer of the Bank Notes shall endorse on the schedule forming a part thereof appropriate notations to evidence the foregoing information with respect to the Loans then outstanding; *provided* that the failure of the Bank to make any such recordation or endorsement shall not affect the obligations of the Issuer hereunder or under the Bank Notes. The Bank is hereby irrevocably authorized by the Issuer to endorse the Bank Notes and to attach to and make a part of the Bank Notes a continuation of any such schedule as and when required.

*Section 2.13. Net of Taxes, Etc.*

(a) *Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.*  
(i) Any and all payments by or on account of any obligation of the Issuer hereunder or under any other Related Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the Bank) require the deduction or withholding of any Tax from any such payment by the Issuer, then the Issuer shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If the Issuer shall be required by the Code to withhold or deduct any Taxes, including both United States federal backup withholding and withholding taxes, from any payment, then (A) the Issuer shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Issuer shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the Code, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Issuer shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 2.13) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(iii) If the Bank shall be required by any applicable Laws other than the Code to withhold or deduct any Taxes from any payment, then (A) the Issuer, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Issuer, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Issuer shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 2.13) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) *Payment of Other Taxes by the Issuer.* Without limiting the provisions of subsection (a) above, the Issuer shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Bank timely reimburse it for the payment of, any Other Taxes.

(c) *Tax Indemnifications.* To the extent not prohibited by Law, the Issuer shall, and does hereby, indemnify each Recipient, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.13) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Issuer by the Bank shall be conclusive absent manifest error.

(d) *Evidence of Payments.* Upon request by the Issuer or the Bank, as the case may be, after any payment of Taxes by the Issuer or by the Bank to a Governmental Authority as provided in this Section 2.13, the Issuer shall deliver to the Bank or the Bank shall deliver to the Issuer, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to the Issuer or the Bank, as the case may be.

(e) *Status of Bank; Tax Documentation.* (i) If the Bank is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Related Document, the Bank shall deliver to the Issuer at the time or times reasonably requested by the Issuer, such properly completed and executed documentation reasonably requested by the Issuer or as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, the Bank, if reasonably requested by the Issuer, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Issuer as will enable the Issuer to determine whether or not the Bank is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.13(e)(ii) or (e)(iii) below) shall not be required if in the Bank's reasonable judgment such completion, execution or submission would subject the Bank to any material

unreimbursed cost or expense or would materially prejudice the legal or commercial position of the Bank.

(ii) Without limiting the generality of the foregoing, the Bank shall deliver to the Issuer (and from time to time thereafter upon the reasonable request of the Issuer), executed originals of IRS Form W-9 certifying that the Bank is exempt from U.S. federal backup withholding tax.

(iii) If a payment made the Bank under this Reimbursement Agreement or any other Related Document would be subject to U.S. federal withholding Tax imposed by FATCA if the Bank were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), the Bank shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with their obligations under FATCA and to determine that the Bank has complied with its obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this subsection (e)(iii), “FATCA” shall include any amendments made to FATCA after the date of this Reimbursement Agreement.

(f) *Treatment of Certain Refunds.* If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Issuer or with respect to which the Issuer has paid additional amounts pursuant to this Section 2.13, it shall pay to the Issuer an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Issuer under this Section 2.13 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Issuer, upon the request of the Recipient, agrees to repay the amount paid over to the Issuer (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to the Issuer pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification after giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Issuer or any other Person.

(g) *Survival.* Each party’s obligations under this Section 2.13 shall survive the termination of the Letter of Credit and the repayment, satisfaction or discharge of all other Obligations.

*Section 2.14. Reductions of Stated Amount and Termination of the Letter of Credit.* (a) The Stated Amount may be permanently reduced from time to time by the Issuer upon five Business

Days' prior written notice of such reduction given by the Issuer to the Bank; *provided*, that each such reduction shall be in an amount equal to the lesser of (i) \$5,000,000 or any integral multiple in excess thereof and (ii) the Stated Amount; and, *provided further*, that the Stated Amount of the Letter of Credit shall not be reduced below an amount equal to the sum of the outstanding amount of the Loans plus the principal amount of Series N Notes outstanding plus interest on such principal amount of Series N Notes computed at 12% per annum for a period of 365 days.

(b) Notwithstanding any provisions of the Bond Ordinance to the contrary, the Issuer agrees not to replace the Letter of Credit (or to direct the Paying Agent to terminate the Letter of Credit without an Alternate Credit Facility being substituted therefor) unless (i) the Issuer first pays to the Bank the outstanding amount of all Loans, including accrued and unpaid interest thereon, all fees and expenses payable by the Issuer to the Bank hereunder or under the Fee Letter, including any termination fee or any reduction fee then due and payable, (ii) the Issuer shall have provided at least 30 days' prior notice to the Bank of its intention to reduce or terminate the Letter of Credit and (iii) all outstanding Series N Notes supported by the Letter of Credit shall have matured and been paid before such substitution or replacement.

*Section 2.15. Maximum Lawful Rate.* (a) If the amount of interest payable for any period in accordance with terms hereof exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Maximum Lawful Rate, then interest for such period shall be payable in an amount calculated at the Maximum Lawful Rate for such period.

(b) Any interest that would have been due and payable for any period but for the operation of Section 2.15(a) shall accrue and be payable as provided in this paragraph (b) and shall, less interest actually paid to the Bank for such period, constitute the "*Excess Interest Amount*." If there is any accrued and unpaid Excess Interest Amount as of any date then the principal amount with respect to which interest is payable shall bear interest at the Maximum Lawful Rate, until payment to the Bank of the entire Excess Interest Amount.

(c) Notwithstanding the foregoing, on the date on which no principal amount hereunder remains unpaid, the Issuer shall pay to the Bank a fee equal to any accrued and unpaid Excess Interest Amount.

*Section 2.16. Issuance Generally.* The Issuer may issue Series N Notes only in accordance with the terms of and subject to the conditions set forth in the Bond Ordinance and the Issuing and Paying Agency Agreement.

(o) *No Proposed Legal Changes.* There is no amendment, or to the knowledge of the Issuer, proposed amendment certified for placement on a statewide ballot, to the Constitution of the State or any published administrative interpretation of the Constitution of the State or any State law, or any legislation that has passed either house of the State legislature, or any published judicial decision interpreting any of the foregoing, the effect of which is to materially adversely affect the issuance of the Series N Notes, the ability of the Issuer to perform its obligations under this Reimbursement Agreement and the Related Documents or to operate the Airport or the rights, interests, security or remedies of the Bank under this Reimbursement Agreement or under the Related Documents.

(p) *Environmental Matters.* In the ordinary course of its business, the Issuer conducts an ongoing review of the effect of Environmental Laws on the business, operations and properties constituting the Airport, in the course of which they identify and evaluate associated liabilities and costs (including, without limitation, any capital or operating expenditures required for clean-up or closure of properties presently or previously owned or operated, any capital or operating expenditures required to achieve or maintain compliance with environmental protection standards imposed by law or as a condition of any license, permit or contract, and related constraints on operating activities, including any periodic or permanent shutdown of any facility or reduction in the level of or change in the nature of operations conducted thereat and any actual or potential liabilities to third parties, including employees, and any related costs and expenses). On the basis of this review, except as otherwise described in the Offering Memorandum, the Issuer has reasonably concluded that it is in compliance with Environmental Laws the non-compliance with which could have a materially adverse effect on the business, financial condition, results of operations or prospects of the Issuer or the Department of Aviation or the rights, interests, security or remedies of the Bank under this Reimbursement Agreement or under the Related Documents.

(q) *Interest Rate Protection Agreements.* The Issuer has not entered into any Interest Rate Protection Agreement relating to Debt secured by Pledged Revenues (a) wherein any termination payment thereunder is senior to or on a parity with the payment of the Series N Notes or the other Obligations or (b) which requires the Issuer to post cash collateral to secure its obligations thereunder.

(r) *Anti-Corruption Laws.* The Issuer and its Affiliates have conducted their business in compliance with all Anti-Corruption Laws and have instituted and maintained policies and procedures designed to promote and achieve compliance with such laws.

(s) *Issuance of Series N Notes.* Each issuance of Series N Notes by the Issuer shall be deemed a representation by the Issuer that (a) the Issuer has complied in all material respects with all of the terms and provisions of this Reimbursement Agreement, (b) on such date, and after giving effect to the issuance of the Series N Notes, no Default or Event of Default has occurred or is continuing, (c) the representations and warranties of the Issuer contained in this Reimbursement Agreement are true and correct in all material respects on and as of the date of issuance of the Series N Notes in question as though made on and as of such date, and (d) the aggregate amount of Series N Notes outstanding, together with accrued interest thereon to maturity, after issuance of the Series N Notes will not exceed the Stated Amount.

(t) *Tax-Exempt Status.* With respect to Series N Notes issued on a tax-exempt basis, the Issuer has not taken any action or omitted to take any action, and knows of no action taken or omitted to be taken by any other Person, which action, if taken or omitted, would adversely affect the exclusion of interest on the Series N Notes from gross income for Federal income tax purposes.

(u) *ERISA.* The Issuer does not maintain or contribute to, and has not maintained or contributed to, any Plan that is subject to Title IV of ERISA.

Further, the Issuer shall provide copies of any and all amendments to the Series M Documents and the Series O Documents prior to any such amendment becoming effective. Provided further, Bank acknowledges that it has received, and to the extent required, consents to and will cooperate in providing further written evidence of its consent to, the proposed Amendment to the Master Bond Ordinance clarifying the City's right to issue Senior Lien Bonds without funding a related Debt Service Reserve Account and certain related modifications to the definition of an Event of Default for such bonds.

On such date the Issuer shall pay in full all other amounts due under this Reimbursement Agreement and the Fee Letter (including the Excess Interest Amount and unpaid interest thereon to the extent provided by Section 2.15).

(g) *Appointment of Successors.* The Issuer shall not, without the prior written consent of the Bank (*provided, however, such consent of the Bank shall not be required so long as, but only so long as, the Bank has failed to honor a properly presented and conforming drawing made in strict conformity with the requirements of the Letter of Credit*), such consent not to be unreasonably withheld or delayed), permit the appointment of a successor Paying Agent or Dealer.

(h) *Incorporation of Covenants.* The covenants of the Issuer set forth in each of the Related Documents to which the Issuer is a party are hereby incorporated by reference in this Reimbursement Agreement for the benefit of the Bank. To the extent that any such incorporated provision permits any Person to waive compliance with or consent to such provision or requires that a document, opinion report or other instrument or any event or condition be acceptable or satisfactory to any Person, for purposes of this Reimbursement Agreement, such compliance shall be waived, or such provision shall be consented to, only if it is waived or consented to, as the case may be, by the Bank and such document, opinion report or other instrument shall be acceptable or satisfactory to the Bank. No amendment to such covenants (or the defined terms relating thereto) made pursuant to the Related Documents shall be effective to amend such incorporated covenants without the written consent of the Bank. The Issuer will comply with and observe all other obligations and requirements set forth in the Fee Letter, the Bond Ordinance, the Issuing and Paying Agency Agreement, the Series N Notes and the Bank Notes (including without limitation all provisions therein for the benefit of the Bank), in all statutes and regulations binding upon it relating to the Series N Notes, this Reimbursement Agreement or any of the Related Documents, and in the Issuer's investment policy as approved by the Issuer and as amended from time to time.

(i) *Maintenance of Existence.* The Issuer will maintain its existence. The Issuer shall, in all material respects, maintain, preserve and keep the Airport in good repair, working order and condition (ordinary wear and tear excepted), except to the extent that the failure to do so could reasonably be expected to result in a material adverse effect.

(j) *Maintenance and Approvals; Filings, etc.* The Issuer shall at all times maintain in effect, renew and comply with all the terms and conditions of all consents, licenses, approvals and authorizations as may be necessary or appropriate under any applicable law or regulation for its execution, delivery and performance of this Reimbursement Agreement and the Related Documents which are still in effect and to which it is a party.

(k) *Disclosure.* The Issuer shall not include in an offering document for any Debt any information concerning the Bank that is not supplied in writing, or otherwise consented to, by the Bank expressly for inclusion therein.

(l) *Further Assurance.* The Issuer shall, upon the request of the Bank, from time to time, execute and deliver and, if necessary, file, register and record such further financing statements, amendments, continuation statements and other documents and instruments and take such further action as may be reasonably necessary to effectuate the provisions of this Reimbursement Agreement and the other Related Documents and the lien on the Pledged Revenues to the extent granted under the Bond Ordinance and hereunder.

(n) *Encumbrances.* Except as permitted under the Bond Ordinance, the Issuer shall not grant a lien upon, pledge, grant a security interest in, make an assignment of or permit the creation of any encumbrance on any of the Pledged Revenues.

(o) *Sovereign Immunity.* To the extent permitted by law, the Issuer will waive any claim of immunity on grounds of sovereign immunity for any suit arising out of a claim seeking a remedy for breach of its contractual obligations under this Reimbursement Agreement or any of the Related Documents.

(p) *Financial Covenants.*

(i) (A) *Additional Bonds.* The Issuer shall not issue any Additional Bonds or incur any debt in either case which is secured by a lien on or payable from Pledged Revenues except to the extent permitted under the Bond Ordinance.

(B) *Additional Commercial Paper Notes.* The proceeds of the Series N Notes will be used to finance the Series N Notes Project and other costs authorized to be paid with the proceeds of the Series N Notes. It is the Issuer's intent to finance the Series N Notes Project (and refinance indebtedness incurred to pay such costs, including the Series N Notes) upon completion through the issuance of the Bonds. When the Series N Notes Project are completed and the Issuer issues Bonds to finance the costs of the Series N Notes Projects, including the repayment of the Series N Notes the proceeds of which paid such costs, the Issuer shall not issue new Commercial Paper Notes which represent that portion of the Series N Notes authorized by the Thirtieth Supplemental Ordinance repaid from the proceeds of such Bonds unless the Issuer shall have satisfied the requirements of Section 502(b) of the Master Bond Ordinance with respect to such new Commercial Paper Notes.

(ii) *Rate Covenant.* The Issuer shall continuously own, control, operate, and maintain the Airport in an efficient and economical manner and on a revenue producing basis and shall at all times prescribe, fix, maintain, and collect rates, fees, and other charges for the services and facilities furnished by the Airport in accordance with Section 6.01 of the Master Bond Ordinance.

(q) *Exempt Status.* The Issuer shall not take any action or omit to take any that, if taken or omitted, would adversely affect the excludability of interest on the Series N Notes from the gross income of the owners thereof for purposes of federal income taxation.

(r) *Inspection Rights.* The Issuer will permit the Bank, upon reasonable notice and during normal business hours, to meet with the City Finance Officer and employees of the Department of Finance and Department of Aviation, to discuss the affairs, finances, business and accounts of the Airport and to visit the Airport in order to enable the Bank to monitor the Issuer's compliance with this Reimbursement Agreement.

(s) *Interest Rate Protection Agreements.* Without the prior written consent of the Bank, the Issuer will not enter into any Interest Rate Protection Agreement relating to Debt (a) wherein any termination payments secured by a pledge of or lien on Revenues thereunder are senior to or on parity with the pledge of Revenues securing the Series N Notes or the other Obligations or (b) which requires the Issuer to post cash collateral to secure its obligations thereunder.

(t) *Dealer.* The Issuer will appoint, or cause to be appointed, at all times, a Dealer in accordance with Section 5.01(g) hereof. The Issuer shall at all times use its best efforts to enforce the Dealer Agreement. The Bank hereby acknowledges and agrees that the Dealer on the Closing Date is an acceptable Dealer. If a Dealer fails to perform its duties under a Dealer Agreement or any Loan remains outstanding for a period of thirty (30) consecutive calendar days or any Dealer fails to sell the Series N Notes or otherwise fails to perform its duties under the related Dealer Agreement, after being directed to do so by the Issuer (subject to the provisions of the applicable Dealer Agreement), at the written direction of the Bank, the Issuer shall cause the related Dealer (that has been unable to sell Series N Notes or fails to perform its duties) to be replaced with a Dealer satisfactory to the Bank within thirty (30) calendar days of the receipt of such written direction. The Issuer shall at all times cause the Dealer Agreement entered into after the date hereof to contain satisfactory third-party beneficiary provisions in favor of the Bank and to provide that (a) such Dealer may resign upon at least sixty (60) days' prior written notice to the Issuing and Paying Agent, the Bank and the Issuer but only upon the appointment of a successor Dealer in accordance with the terms hereof (which resignation, for the avoidance of doubt, is not the same as an automatic termination or suspension of the Dealer's obligations under the Dealer Agreement such as those described in Section 11 of the Dealer Agreement in effect on the Closing Date) and (b) such Dealer shall use its best efforts to sell the Series N Notes without regard to the Bank Rate (i.e., whether or not the rate to be borne by the Series N Notes is less than the Bank Rate). Nothing herein limits the Issuer's independent authority to terminate the Dealer as provided in the Dealer Agreement.

(u) *Underlying Rating and Bank Notes Rating.* The Issuer shall at all times maintain (i) a rating on its long-term unenhanced Senior Lien Bonds, Subordinate Lien Bonds and Hybrid Bonds from at least two Rating Agencies and (ii) a rating on the Series N Notes from at least two Rating Agencies. The Issuer covenants and agrees that it shall not at any time withdraw any long-term unenhanced rating on its Senior Lien Bonds, Subordinated Bonds, or Hybrid Bonds from any of Fitch, Moody's or S&P if the effect of such withdrawal would be to cure a Default or an Event of Default under this Reimbursement Agreement. In addition, the Issuer shall at all times (i) maintain, or cause to be maintained, a long-term debt rating by any one of Moody's, Fitch or S&P applicable to the Bank Notes, and (ii) ensure (at its expense) that the CUSIP Number(s) and the Bank Notes rating (described in sub-clause (iii) of this Section 5.01(u)) are available on the Bloomberg Municipal Note Description Screen (or a similar electronic registry acceptable to the Bank).

(v) *Other Agreements.* In the event that the Issuer shall, directly or indirectly, enter into or otherwise consent to any Bank Agreement which such Bank Agreement provides such Person with different or more restrictive covenants, different or additional events of default and/or greater rights and remedies than are provided to the Bank in this Reimbursement Agreement, the Issuer shall provide the Bank with a copy of each such Bank Agreement and such different or more

restrictive covenants, different or additional events of default and/or greater rights and remedies shall automatically be deemed to be incorporated into this Reimbursement Agreement and the Bank shall have the benefits of such different or more restrictive covenants, different or additional events of default and/or greater rights and remedies as if specifically set forth herein. The Issuer shall promptly enter into an amendment to this Reimbursement Agreement to include different or more restrictive covenants, different or additional events of default and/or greater rights and remedies; *provided* that the Bank shall have and maintain the benefit of such different or more restrictive covenants, different or additional events of default and/or greater rights and remedies even if the Issuer fails to provide such amendment.

(w) *Merger, Disposition of Assets.* The Issuer will not consolidate or merge with or into any person or sell, lease or otherwise transfer all or substantially all of its assets or the assets of the Airport to any Person.

(x) *Anti-Money Laundering/International Trade Law Compliance.* (i) The Issuer and the Guarantor must comply with all Anti-Terrorism Laws. The Issuer must promptly notify the Bank in writing upon the occurrence of a Reportable Compliance Event.

(ii) No Covered Entity will become a Sanctioned Person. Neither the Issuer nor the Guarantor, either in its own right or through any third party, nor any Covered Entity, either in its own right or, to such Person's knowledge, through any third party, will (i) have any of its assets in a Sanctioned Country or in the possession, custody or control of a Sanctioned Person in violation of any Anti-Terrorism Law; (ii) do business in or with, or derive any of its income from investments in or transactions with, any Sanctioned Country or Sanctioned Person in violation of any Anti-Terrorism Law; (iii) engage in any dealings or transactions prohibited by any Anti-Terrorism Law or (iv) use the proceeds of any Drawing under the Letter of Credit to fund any operations in, finance any investments or activities in, or, make any payments to, a Sanctioned Country or Sanctioned Person in violation of any Anti-Terrorism Law. No collateral, if any, will become Embargoed Property and, in addition to all other rights and remedies available to the Bank, upon request by the Bank, the Issuer shall provide substitute collateral acceptable to the Bank that is not Embargoed Property. The funds used to repay the Obligations will not be derived from any unlawful activity.

The Bank and any of its employees, agents, officers or directors shall not be liable or responsible for: (a) the use which may be made of the Letter of Credit or for any acts or omissions of the Paying Agent or the Dealer and any of its agents and any transferee in connection therewith; (b) the validity, sufficiency or genuineness of documents (other than the validity and enforceability of the Bank's obligations hereunder), or of any endorsement(s) thereon, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment by the Bank against presentation of documents which do not strictly comply with the terms of the Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under the Letter of Credit, except only that the Issuer shall have a claim against the Bank, and the Bank shall be liable to the Issuer, to the extent, but only to the extent, of any direct damages, as opposed to special consequential or punitive damages (the right to receive special, consequential or punitive damages being hereby waived by the Issuer) suffered by the Issuer which the Issuer proves were caused by the Bank's willful misconduct or gross negligence respectively, as determined by a court of competent jurisdiction in a final and nonappealable judgment (it being understood that in making such payment under this Reimbursement Agreement or the Letter of Credit the Bank's exclusive reliance on the documents presented to the Bank in accordance with the terms of the Letter of Credit as to any and all matters set forth therein, whether or not any statement or any document presented pursuant to the Letter of Credit proves to be forged, fraudulent, invalid or insufficient in any respect or any statement therein proves to be untrue or inaccurate in any respect whatsoever, shall not be deemed willful misconduct or gross negligence of the Bank); *provided, however*, that the maximum amount of damages recoverable by the Issuer as provided above is expressly limited to the Stated Amount of the Letter of Credit.

In furtherance and not in limitation of the foregoing, the Bank may accept documents that the Bank in good faith determines appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary. The provisions of this Section 7.03 shall survive the termination of this Reimbursement Agreement and the Letter of Credit.

The parties hereto agree that the provisions of this Section shall survive the termination of this Reimbursement Agreement.

*Section 7.05. Facsimile Documents.* At the request of the Issuer, the Letter of Credit provides that demands for payment thereunder may be presented to the Bank by, among other methods, facsimile transmission. The Issuer acknowledges and assumes all risks relating to the use of such demands for payment sent by facsimile transmission and agrees that its obligations under this Reimbursement Agreement and the Related Documents shall remain absolute, unconditional and irrevocable as provided in Section 7.01 above if the Bank honors such telecopied demands for payment.

In the event the Bank fails to definitively respond to such request within such period of time, the Bank shall be deemed to have refused to grant the extension requested. The Bank may, in its sole and absolute discretion, decide to accept or reject any such proposed extension and no extension shall become effective unless the Bank shall have consented thereto in writing. (d) TO THE EXTENT PERMITTED BY LAW, THE ISSUER WILL WAIVE ANY CLAIM OF IMMUNITY WITH RESPECT TO ITSELF THE PLEDGED REVENUES, ASSETS OR PROPERTY OF THE AIRPORT WHICH COMPRISE PLEDGED REVENUES ON GROUNDS OF SOVEREIGN IMMUNITY (OR SIMILAR GROUNDS) FOR ANY SUIT, ASSERTION OF JURISDICTION OF ANY COURT, RELIEF BY WAY OF INJUNCTION, ORDER FOR SPECIFIC PERFORMANCE OR FOR RECOVERY OF PROPERTY, ATTACHMENT OF ITS ASSETS AND EXECUTION OR ENFORCEMENT OF ANY JUDGMENTS, WHICH SUCH SUIT, ASSERTION, RELIEF, ORDER, ATTACHMENT OR EXECUTIONS ARISING OUT OF A CLAIM SEEING A REMEDY FOR BREACH OF THIS REIMBURSEMENT AGREEMENT. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

6. No Drawing may be made under this Letter of Credit with respect to (a) any Commercial Paper issued after your receipt and the effectiveness of any No-Issuance Notice in the form of Annex H hereto or a Final Drawing Notice, in either case, from us and prior to your receipt of written notice from us that such No-Issuance Notice or Final Drawing Notice, as applicable, is rescinded and (b) Commercial Paper issued in a principal amount in excess of the principal amount of Commercial Paper maturing on the date such Commercial Paper was issued after your receipt and the effectiveness of any Restricted Issuance Notice, in the form of Annex J hereto from us and prior to your receipt of written notice from us that such Restricted Issuance Notice is rescinded. As of the applicable Decrease Date and upon such reduction, the Stated Amount shall not be less than our certification in the applicable Decrease Notice of the sum of the principal amount of all outstanding Commercial Paper plus interest thereon at the maximum rate of twelve percent (12%) per annum for a period of two hundred seventy (270) days calculated on the basis of a year of 365 days.

8. Payment under this Letter of Credit shall be made by the Bank by wire transfer of immediately available funds to [REDACTED]

[REDACTED] Such account may be changed only by presentation to the Bank of a letter in form satisfactory to the Bank specifying a different account with the Paying Agent and executed by the Paying Agent.

9. This Letter of Credit is transferable in its entirety to any transferee whom you have certified to us has succeeded you as Paying Agent under the Commercial Paper, and may be successively transferred. Transfer of the available balance under this Letter of Credit to such transferee shall be effected by presenting to us the attached form of Annex B signed by the transferor and the transferee (each a "*Transfer*") together with the original Letter of Credit. *Section 2.07. Increased Costs.*

(a) *Increased Costs Generally.* If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, the Bank;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on the Bank or the London interbank market any other condition, cost or expense affecting this Reimbursement Agreement, the Fee Letter or the Letter of Credit or any participation therein;

and the result of any of the foregoing shall be to increase the cost to the Bank of participating in, issuing or maintaining the Letter of Credit, or to reduce the amount of any sum received or receivable by the Bank hereunder (whether of principal, interest or any other amount) then, upon request of the Bank, the Issuer will pay to the Bank such additional amount or amounts as will compensate the Bank for such additional costs incurred or reduction suffered.

(b) *Capital Requirements.* If the Bank determines that any Change in Law affecting the Bank or the Bank's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the Bank's capital or liquidity or on the capital or liquidity of the Bank's holding company, if any, as a consequence of this Reimbursement Agreement, the Fee Letter or the Letter of Credit issued by the Bank, to a level below that which the Bank or the Bank's holding company could have achieved but for such Change in Law (taking into consideration the Bank's policies and the policies of the Bank's holding company with respect to capital adequacy), then from time to time the Issuer will pay to the Bank such additional amount or amounts as will compensate the Bank or the Bank's holding company for any such reduction suffered.

(c) *Certificates for Reimbursement.* A certificate of the Bank or a Recipient setting forth in reasonable detail the basis for the amount or amounts for which reimbursement is sought and the amount or amounts necessary to compensate the Bank or any such Recipient or the Bank's or any such Recipient's parent or holding company, as the case may be, as specified in subsection (a) or (b) of this Section 2.07 and delivered to the Issuer, shall be conclusive absent manifest error.

The Issuer shall pay the Bank or any such Recipient, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof. The payment obligation hereunder shall be limited to amounts available from Pledged Revenues (junior to the Reimbursement Obligations, as specified in Section 2.11 hereof).

(d) *Delay in Requests.* Failure or delay on the part of the Bank to demand compensation pursuant to the foregoing provisions of this Section 2.07 shall not constitute a waiver of the Bank's right to demand such compensation.

(e) *Survival.* All of the Issuer's obligations under this Section 2.07 shall survive termination of this Reimbursement Agreement and repayment of all other Obligations hereunder.

*Section 2.08. Method of Payment.* All payments by the Issuer to the Bank hereunder shall be nonrefundable and made in lawful currency of the United States and in immediately available funds. Amounts payable to the Bank hereunder shall be transferred to the Bank's account at [REDACTED] (or to such other account of the Bank as the Bank may specify by written notice to the Issuer and the Paying Agent) not later than 1:00 p.m., New York, New York time, on the date payment is due. Any payment received by the Bank after 1:00 p.m., New York, New York time, shall be deemed to have been received by the Bank on the next Business Day. If any payment hereunder is due on a day that is not a Business Day, then such payment shall be due on the immediately succeeding Business Day, and such extended time shall be included in the computation of interest and fees.

*Section 2.09. Maintenance of Accounts.* The Bank shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Issuer and the amounts payable and paid from time to time hereunder. In any legal action or proceeding in respect of this Reimbursement Agreement, the entries made in such account or accounts shall be presumptive evidence of the existence and amounts of the obligations of the Issuer therein recorded. The failure to record any such amount shall not, however, limit or otherwise affect the obligations of the Issuer hereunder to repay all amounts owed hereunder, together with all interest accrued thereon as provided in this Article II.

*Section 2.10. Cure.* The Issuer agrees to pay to the Bank on demand any amounts advanced by or on behalf of the Bank to the extent required to cure any default, event of default or event of nonperformance under this Reimbursement Agreement or any Related Document. The Bank shall give the Issuer reasonably prompt notice of any such advances. The Bank shall have the right, but not the obligation, to cure any such default, event of default or event of nonperformance.

*Section 2.11. Nature of Obligations.* All Reimbursement Obligations of the Issuer under this Reimbursement Agreement shall be limited obligations secured by, as to the Series O (General) Notes and Series O (General) Bank Note, a third lien on General Revenues, and as to the Series O (Modified Hybrid PFC) Notes and Series O (Modified Hybrid PFC) Bank Note, a second lien on PFC Revenues and a third lien on General Revenues. All other obligations (i.e., other than the Reimbursement Obligations) of the Issuer owing under this Reimbursement Agreement shall be limited obligations secured by a third lien on PFC Revenues and a fourth lien

on General Revenues. The obligations of the Issuer hereunder shall not constitute a general or moral obligation of the Issuer nor a debt, indebtedness, or obligation of, or a pledge of the faith and credit of, the Issuer or the State or any political subdivision thereof, within the meaning of any constitutional or statutory provision whatsoever. Neither the faith and credit nor the taxing power of the Issuer, the State nor any political subdivision thereof is pledged to the payment of the Issuer's obligations hereunder. The Issuer has no authority to levy any taxes to pay its obligations hereunder. Neither the members of the governing body nor any person executing this Reimbursement Agreement shall be liable personally for the Issuer's obligations hereunder by reason of the execution hereof.

*Section 2.12. Bank Notes.* (a) General Loans shall be evidenced by the Series O (General) Bank Notes, payable to the Bank. Hybrid Loans shall be evidenced by the Series O (Modified Hybrid PFC) Bank Notes payable to the Bank. The maximum aggregate principal amount of General Loans and Hybrid Loans evidenced by the Bank Notes shall not exceed the Original Stated Amount.

(b) The Bank shall record the date, amount and maturity of the Loans and the date and amount of each payment of principal made by or on behalf of the Issuer with respect thereto; and prior to any transfer of the Bank Notes shall endorse on the schedule forming a part thereof appropriate notations to evidence the foregoing information with respect to the Loans then outstanding; *provided* that the failure of the Bank to make any such recordation or endorsement shall not affect the obligations of the Issuer hereunder or under the Bank Notes. The Bank is hereby irrevocably authorized by the Issuer to endorse the Bank Notes and to attach to and make a part of the Bank Notes a continuation of any such schedule as and when required.

*Section 2.13. Net of Taxes, Etc.*

(a) *Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.*

(i) Any and all payments by or on account of any obligation of the Issuer hereunder or under any other Related Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the Bank) require the deduction or withholding of any Tax from any such payment by the Issuer, then the Issuer shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If the Issuer shall be required by the Code to withhold or deduct any Taxes, including both United States federal backup withholding and withholding taxes, from any payment, then (A) the Issuer shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Issuer shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the Code, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Issuer shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 2.13) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(iii) If the Bank shall be required by any applicable Laws other than the Code to withhold or deduct any Taxes from any payment, then (A) the Issuer, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Issuer, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Issuer shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 2.13) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) *Payment of Other Taxes by the Issuer.* Without limiting the provisions of subsection (a) above, the Issuer shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Bank timely reimburse it for the payment of, any Other Taxes.

(c) *Tax Indemnifications.* To the extent not prohibited by Law, the Issuer shall, and does hereby, indemnify each Recipient, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.13) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Issuer by the Bank shall be conclusive absent manifest error.

(d) *Evidence of Payments.* Upon request by the Issuer or the Bank, as the case may be, after any payment of Taxes by the Issuer or by the Bank to a Governmental Authority as provided in this Section 2.13, the Issuer shall deliver to the Bank or the Bank shall deliver to the Issuer, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to the Issuer or the Bank, as the case may be.

(e) *Status of Bank; Tax Documentation.* (i) If the Bank is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Related Document, the Bank shall deliver to the Issuer at the time or times reasonably requested by the Issuer, such properly completed and executed documentation reasonably requested by the Issuer or as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, the Bank, if reasonably requested by the Issuer, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Issuer as will enable the Issuer to determine whether or not the Bank is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.13(e)(ii) or (e)(iii) below) shall not be required if in the Bank's reasonable judgment such completion, execution or submission would subject the Bank to any material

unreimbursed cost or expense or would materially prejudice the legal or commercial position of the Bank.

(ii) Without limiting the generality of the foregoing, the Bank shall deliver to the Issuer (and from time to time thereafter upon the reasonable request of the Issuer), executed originals of IRS Form W-9 certifying that the Bank is exempt from U.S. federal backup withholding tax.

(iii) If a payment made the Bank under this Reimbursement Agreement or any other Related Document would be subject to U.S. federal withholding Tax imposed by FATCA if the Bank were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), the Bank shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with their obligations under FATCA and to determine that the Bank has complied with its obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this subsection (e)(iii), “FATCA” shall include any amendments made to FATCA after the date of this Reimbursement Agreement.

(f) *Treatment of Certain Refunds.* If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Issuer or with respect to which the Issuer has paid additional amounts pursuant to this Section 2.13, it shall pay to the Issuer an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Issuer under this Section 2.13 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Issuer, upon the request of the Recipient, agrees to repay the amount paid over to the Issuer (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to the Issuer pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification after giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Issuer or any other Person.

(g) *Survival.* Each party’s obligations under this Section 2.13 shall survive the termination of the Letter of Credit and the repayment, satisfaction or discharge of all other Obligations.

*Section 2.14. Reductions of Stated Amount and Termination of the Letter of Credit.* (a) The Stated Amount may be permanently reduced from time to time by the Issuer upon five Business

Days' prior written notice of such reduction given by the Issuer to the Bank; *provided*, that each such reduction shall be in an amount equal to the lesser of (i) \$5,000,000 or any integral multiple in excess thereof and (ii) the Stated Amount; and, *provided further*, that the Stated Amount of the Letter of Credit shall not be reduced below an amount equal to the sum of the outstanding amount of the Loans plus the principal amount of Series O Notes outstanding plus interest on such principal amount of Series O Notes computed at 12% per annum for a period of 365 days.

(b) Notwithstanding any provisions of the Bond Ordinance to the contrary, the Issuer agrees not to replace the Letter of Credit (or to direct the Paying Agent to terminate the Letter of Credit without an Alternate Credit Facility being substituted therefor) unless (i) the Issuer first pays to the Bank the outstanding amount of all Loans, including accrued and unpaid interest thereon, all fees and expenses payable by the Issuer to the Bank hereunder or under the Fee Letter, including any termination fee or any reduction fee then due and payable, (ii) the Issuer shall have provided at least 30 days' prior notice to the Bank of its intention to reduce or terminate the Letter of Credit and (iii) all outstanding Series O Notes supported by the Letter of Credit shall have matured and been paid before such substitution or replacement.

*Section 2.15. Maximum Lawful Rate.* (a) If the amount of interest payable for any period in accordance with terms hereof exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Maximum Lawful Rate, then interest for such period shall be payable in an amount calculated at the Maximum Lawful Rate for such period.

(b) Any interest that would have been due and payable for any period but for the operation of Section 2.15(a) shall accrue and be payable as provided in this paragraph (b) and shall, less interest actually paid to the Bank for such period, constitute the "*Excess Interest Amount*." If there is any accrued and unpaid Excess Interest Amount as of any date then the principal amount with respect to which interest is payable shall bear interest at the Maximum Lawful Rate, until payment to the Bank of the entire Excess Interest Amount.

(c) Notwithstanding the foregoing, on the date on which no principal amount hereunder remains unpaid, the Issuer shall pay to the Bank a fee equal to any accrued and unpaid Excess Interest Amount.

*Section 2.16. Issuance Generally.* The Issuer may issue Series O Notes only in accordance with the terms of and subject to the conditions set forth in the Bond Ordinance and the Issuing and Paying Agency Agreement.

*Section 4.01. Representations of the Issuer.* To induce the Bank to enter into this Reimbursement Agreement and to issue the Letter of Credit, the Issuer hereby represents and warrants to, and agrees with, the Bank as follows (which representations, warranties and agreements shall survive the execution and delivery of this Reimbursement Agreement and the issuance of the Letter of Credit).

issuance of the Series O Notes or the pledge of the security for the Series O Notes, or (iii) any Debt of the Issuer payable from or secured by General Revenues or PFC Revenues, or (iv) any contract, agreement or instrument to which the Issuer is a party or by which it or the Airport property is bound, default under which could have a material adverse effect on the properties, business, condition (financial or other), results of operations or prospects of the Airport, the General Revenues or the transactions contemplated by this Reimbursement Agreement or the other Related Documents, or which could have a material adverse effect on the validity or enforceability of, or ability of the Issuer to perform its obligations under, this Reimbursement Agreement and the Related Documents to which it is a party or the rights, interests, security or remedies of the Bank under this Reimbursement Agreement or under the Related Documents.

(o) *No Proposed Legal Changes.* There is no amendment, or to the knowledge of the Issuer, proposed amendment certified for placement on a statewide ballot, to the Constitution of the State or any published administrative interpretation of the Constitution of the State or any State law, or any legislation that has passed either house of the State legislature, or any published judicial decision interpreting any of the foregoing, the effect of which is to materially adversely affect the issuance of the Series O Notes, the ability of the Issuer to perform its obligations under this Reimbursement Agreement and the Related Documents or to operate the Airport or the rights, interests, security or remedies of the Bank under this Reimbursement Agreement or under the Related Documents.

(p) *Environmental Matters.* In the ordinary course of its business, the Issuer conducts an ongoing review of the effect of Environmental Laws on the business, operations and properties constituting the Airport, in the course of which they identify and evaluate associated liabilities and costs (including, without limitation, any capital or operating expenditures required for clean-up or closure of properties presently or previously owned or operated, any capital or operating expenditures required to achieve or maintain compliance with environmental protection standards imposed by law or as a condition of any license, permit or contract, and related constraints on operating activities, including any periodic or permanent shutdown of any facility or reduction in the level of or change in the nature of operations conducted thereat and any actual or potential liabilities to third parties, including employees, and any related costs and expenses). No amendment to such covenants (or the defined terms relating thereto) made pursuant to the Related Documents shall be effective to amend such incorporated covenants without the written consent of the Bank. The Issuer will comply with and observe all other obligations and requirements set forth in the Fee Letter, the Bond Ordinance, the Issuing and Paying Agency Agreement, the Series O Notes and the Bank Notes (including without limitation all provisions therein for the benefit of the Bank), in all statutes and regulations binding upon it relating to the Series O Notes, this Reimbursement Agreement or any of the Related Documents, and in the Issuer's investment policy as approved by the Issuer and as amended from time to time.

(i) *Maintenance of Existence.* The Issuer will maintain its existence. The Issuer shall, in all material respects, maintain, preserve and keep the Airport in good repair, working order and condition (ordinary wear and tear excepted), except to the extent that the failure to do so could reasonably be expected to result in a material adverse effect.

(j) *Maintenance and Approvals; Filings, etc.* The Issuer shall at all times maintain in effect, renew and comply with all the terms and conditions of all consents, licenses, approvals and authorizations as may be necessary or appropriate under any applicable law or regulation for its execution, delivery and performance of this Reimbursement Agreement and the Related Documents which are still in effect and to which it is a party.

(B) *Additional Commercial Paper Notes.* The proceeds of the Series O Notes will be used to finance the Series O Notes Project and other costs authorized to be paid with the proceeds of the Series O Notes. It is the Issuer's intent to finance the Series O Notes Project (and refinance indebtedness incurred to pay such costs, including the Series O Notes) upon completion through the issuance of the Bonds. When the Series O Notes Project are completed and the Issuer issues Bonds to finance the costs of the Series O Notes Projects, including the repayment of the Series O Notes the proceeds of which paid such costs, the Issuer shall not issue new Commercial Paper Notes which represent that portion of the Series O Notes authorized by the Thirtieth Supplemental Ordinance repaid from the proceeds of such Bonds unless the Issuer shall have satisfied the requirements of Section 502(b) of the Master Bond Ordinance with respect to such new Commercial Paper Notes.

(ii) *Rate Covenant.* The Issuer shall continuously own, control, operate, and maintain the Airport in an efficient and economical manner and on a revenue producing basis and shall at all times prescribe, fix, maintain, and collect rates, fees, and other charges for the services and facilities furnished by the Airport in accordance with Section 6.01 of the Master Bond Ordinance.

(s) *Interest Rate Protection Agreements.* Without the prior written consent of the Bank, the Issuer will not enter into any Interest Rate Protection Agreement relating to Debt (a) wherein

any termination payments secured by a pledge of or lien on Revenues thereunder are senior to or on parity with the pledge of Revenues securing the Series O Notes or the other Obligations or (b) which requires the Issuer to post cash collateral to secure its obligations thereunder.

(t) *Dealer.* The Issuer will appoint, or cause to be appointed, at all times, a Dealer in accordance with Section 5.01(g) hereof. The Issuer shall at all times use its best efforts to enforce the Dealer Agreement. The Bank hereby acknowledges and agrees that the Dealer on the Closing Date is an acceptable Dealer. If a Dealer fails to perform its duties under a Dealer Agreement or any Loan remains outstanding for a period of thirty (30) consecutive calendar days or any Dealer fails to sell the Series O Notes or otherwise fails to perform its duties under the related Dealer Agreement, after being directed to do so by the Issuer (subject to the provisions of the applicable Dealer Agreement), at the written direction of the Bank, the Issuer shall cause the related Dealer (that has been unable to sell Series O Notes or fails to perform its duties) to be replaced with a Dealer satisfactory to the Bank within thirty (30) calendar days of the receipt of such written direction. The Issuer shall at all times cause the Dealer Agreement entered into after the date hereof to provide that (a) such Dealer may resign upon at least sixty (60) days' prior written notice to the Issuing and Paying Agent, the Bank and the Issuer but only upon the appointment of a successor Dealer in accordance with the terms hereof (which resignation, for the avoidance of doubt, is not the same as an automatic termination or suspension of the Dealer's obligations under the Dealer Agreement such as those described in Section 11 of the Dealer Agreement in effect on the Closing Date) and (b) such Dealer shall use its best efforts to sell the Series O Notes without regard to the Bank Rate (i.e., whether or not the rate to be borne by the Series O Notes is less than the Bank Rate). Nothing herein limits the Issuer's independent authority to terminate the Dealer as provided in the Dealer Agreement.

(u) *Underlying Rating and Bank Notes Rating.* The Issuer shall at all times maintain (i) a rating on its long-term unenhanced Senior Lien Bonds, Subordinate Lien Bonds and Hybrid Bonds from at least two Rating Agencies and (ii) a rating on the Series O Notes from at least two Rating Agencies. The Issuer covenants and agrees that it shall not at any time withdraw any long-term unenhanced rating on its Senior Lien Bonds, Subordinated Bonds, or Hybrid Bonds from any of Fitch, Moody's or S&P if the effect of such withdrawal would be to cure a Default or an Event of Default under this Reimbursement Agreement. In addition, the Issuer shall at all times (i) maintain, or cause to be maintained, a long-term debt rating by any one of Moody's, Fitch or S&P applicable to the Bank Notes, and (ii) ensure (at its expense) that the CUSIP Number(s) and the Bank Notes rating (described in sub-clause (iii) of this Section 5.01(u)) are available on the Bloomberg Municipal Note Description Screen (or a similar electronic registry acceptable to the Bank).

(v) *Other Agreements.* In the event that the Issuer shall, directly or indirectly, enter into or otherwise consent to any Bank Agreement which such Bank Agreement provides such Person with different or more restrictive covenants, different or additional events of default and/or greater rights and remedies than are provided to the Bank in this Reimbursement Agreement, the Issuer shall provide the Bank with a copy of each such Bank Agreement and such different or more restrictive covenants, different or additional events of default and/or greater rights and remedies shall automatically be deemed to be incorporated into this Reimbursement Agreement and the Bank shall have the benefits of such different or more restrictive covenants, different or additional

events of default and/or greater rights and remedies as if specifically set forth herein. The Issuer shall promptly enter into an amendment to this Reimbursement Agreement to include different or more restrictive covenants, different or additional events of default and/or greater rights and remedies; *provided* that the Bank shall have and maintain the benefit of such different or more restrictive covenants, different or additional events of default and/or greater rights and remedies even if the Issuer fails to provide such amendment.

(w) *Merger, Disposition of Assets.* The Issuer will not consolidate or merge with or into any person or sell, lease or otherwise transfer all or substantially all of its assets or the assets of the Airport to any Person.

(x) *Anti-Corruption Laws and Sanctions.* The Issuer will maintain in effect and enforce policies and procedures designed to ensure compliance by the Issuer, its Affiliates and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions. The Issuer will not request any Letter of Credit, and the Issuer shall not use, and shall procure that its Affiliates and its or their respective directors, officers, employees and agents shall not use, the proceeds of any Letter of Credit (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (B) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, except to the extent permitted for a Person required to comply with Sanctions, or (C) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

## **ARTICLE II**

### **ISSUANCE OF LETTER OF CREDIT; REIMBURSEMENT, FEES AND PAYMENT PROVISIONS**

*Section 2.01. Issuance of the Letter of Credit.* The Bank agrees, if each of the conditions set forth in Article III are satisfied or waived by the Bank on the Date of Issuance and relying upon the representations and warranties set forth in this Reimbursement Agreement or incorporated herein by reference, to (i) issue the Letter of Credit (substantially in the form of Exhibit B hereto) in the Stated Amount on the Date of Issuance, and (ii) deliver a customary opinion of counsel to the Bank, including a customary foreign counsel opinion, if applicable. The Letter of Credit shall be in the original stated amount of \$163,315,069 (calculated as the sum of the maximum principal amount of the Series P Notes supported by the Letter of Credit (*i.e.*, \$150,000,000) plus interest thereon at a maximum rate of twelve percent (12%) per annum for a period of two hundred seventy (270) days calculated on the basis of a year of 365 days) (the “*Original Stated Amount*”). On the Date of Issuance, the Issuer agrees to cause the conditions set forth in Article III to be satisfied as determined by the Bank or waived by the Bank.

*Section 2.02. Reimbursement of Drawings.* The Issuer agrees to pay or cause to be paid to the Bank an amount equal to all amounts drawn under the Letter of Credit, payable without

any requirement of notice or demand by the Bank on the day on which such Drawing is paid. Notwithstanding the preceding sentence, if on the date of any Drawing the conditions precedent contained in Section 3.13 hereof are satisfied, the Issuer shall not be required to pay or cause to be paid to the Bank an amount equal to the Principal Portion of such Drawing on the date of such Drawing, but rather the Issuer agrees to pay or cause to be paid to the Bank with respect to the Principal Portion of such Drawing, payable without any requirement of notice or demand by the Bank, on the first to occur of January 1, April 1, July 1 or October 1 after the date of such Drawing and on each such date thereafter and on the third anniversary of the date of such Drawing, amounts sufficient to amortize the amount of the Principal Portion of such Drawing in approximately equal quarterly principal payments over the three year period following the date of such Drawing; *provided, however*, (i) that upon issuance of Series P Notes or bonds, or (ii) the termination of the Letter of Credit (other than by virtue of the Stated Expiration Date), the amount owed to the Bank pursuant to this Section with respect to the Principal Portion of such Drawing shall be immediately paid to the Bank in an amount equal to the amount outstanding under this Section (or, with respect to an issuance of Series P Notes or bonds, if less), the principal amount of the Series P Notes or bonds issued which is not used to repay Series P Notes maturing on such date or to reimburse the Bank for amounts drawn under the Letter of Credit to repay such maturing Series P Notes; and *provided, further*, that the amount owed to the Bank under this Section shall be due and payable in full on the date of delivery to the Paying Agent of any Alternate Credit Facility and as otherwise provided in Section 6.02; and *provided further*, that, notwithstanding anything herein to the contrary, the Issuer agrees to pay or cause to be paid to the Bank an amount equal to the Interest Portion of any Drawing on the date of such Drawing. On the date of each Drawing the Issuer shall be deemed to have made the representations and warranties set forth in Article IV as of such date. The amount of any Drawing hereunder in support of Series P (General) Notes for which the Bank is not reimbursed on the date of such Drawing together with interest thereon, as provided in this Section and Section 2.03, shall be herein referred to as a “*General Loan*” and collectively as the “*General Loans*.” Interest shall accrue on the Loan, subject to Section 2.03, at the Bank Rate. The Issuer shall pay to the Bank interest accrued on the Loan on the first Business Day of each month.

*Section 2.03. Default Rate.* The Issuer agrees to pay to the Bank, interest on any and all amounts owed by the Issuer under this Reimbursement Agreement, the Fee Letter and the Bank Note from and after the earliest of (a) the occurrence of an Event of Default, (b) the date such amounts are due and payable but not paid until payment thereof in full and (c) the occurrence of a Rate Covenant Event, in each case, at a fluctuating interest rate per annum (computed on the basis of the actual number of days elapsed and a year of 360 days) equal to the Base Rate plus three percent 3.0% (the “*Default Rate*”); provided that the Default Rate shall not exceed the Maximum Lawful Rate.

*Section 2.04. Fees.* On the Date of Issuance, the Issuer and the Bank shall execute the Fee Letter pursuant to which the Issuer agrees to pay certain fees to the Bank and reimburse the Bank for certain expenses. The Issuer covenants and agrees to pay such fees and expenses to the Bank. The terms and provisions of the Fee Letter are hereby incorporated herein by reference as if fully set forth herein. All references to amounts or obligations due hereunder or in this Reimbursement Agreement shall be deemed to include all amounts and obligations (including without limitation fees and expenses) under the Fee Letter. All fees paid under this

Reimbursement Agreement and the Fee Letter shall be fully earned when due and nonrefundable when paid.

*Section 2.05. Prepayment.* Any Loan may be prepaid in whole or in part (but only in the minimum amount of \$100,000 and integral multiples of \$1,000 in excess thereof) at any time without penalty or premium on one Business Day's prior written notice from the Issuer to the Bank and by payment of such amounts to the Bank.

*Section 2.06. Certain Taxes.* The Issuer shall pay any and all stamp and other taxes and fees payable or determined to be payable in connection with the execution, delivery, filing and recording of this Reimbursement Agreement, the Related Documents and such other documents and agrees to save the Bank harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such taxes and fees.

*Section 2.07. Increased Costs.*

(a) *Increased Costs Generally.* If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, the Bank;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on the Bank or the London interbank market any other condition, cost or expense affecting this Reimbursement Agreement, the Fee Letter or the Letter of Credit or any participation therein;

and the result of any of the foregoing shall be to increase the cost to the Bank of participating in, issuing or maintaining the Letter of Credit, or to reduce the amount of any sum received or receivable by the Bank hereunder (whether of principal, interest or any other amount) then, upon request of the Bank, the Issuer will pay to the Bank such additional amount or amounts as will compensate the Bank for such additional costs incurred or reduction suffered.

(b) *Capital Requirements.* If the Bank determines that any Change in Law affecting the Bank or the Bank's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the Bank's capital or liquidity or on the capital or liquidity of the Bank's holding company, if any, as a consequence of this Reimbursement Agreement, the Fee Letter or the Letter of Credit issued by the Bank, to a level below that which the Bank or the Bank's holding company could have achieved but for such Change in Law (taking into consideration the Bank's policies and the policies of the Bank's holding company with respect to capital adequacy), then from time to time the Issuer will pay to

the Bank such additional amount or amounts as will compensate the Bank or the Bank's holding company for any such reduction suffered.

(c) *Certificates for Reimbursement.* A certificate of the Bank or a Recipient setting forth in reasonable detail the basis for the amount or amounts for which reimbursement is sought and the amount or amounts necessary to compensate the Bank or any such Recipient or the Bank's or any such Recipient's parent or holding company, as the case may be, as specified in subsection (a) or (b) of this Section 2.07 and delivered to the Issuer, shall be conclusive absent manifest error. The Issuer shall pay the Bank or any such Recipient, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof. The payment obligation hereunder shall be limited to amounts available from Pledged Revenues (junior to the Reimbursement Obligations, as specified in Section 2.11 hereof).

(d) *Delay in Requests.* Failure or delay on the part of the Bank to demand compensation pursuant to the foregoing provisions of this Section 2.07 shall not constitute a waiver of the Bank's right to demand such compensation.

(e) *Survival.* All of the Issuer's obligations under this Section 2.07 shall survive termination of this Reimbursement Agreement and repayment of all other Obligations hereunder.

*Section 2.08. Method of Payment.* All payments by the Issuer to the Bank hereunder shall be nonrefundable and made in lawful currency of the United States and in immediately available funds. Amounts payable to the Bank hereunder shall be transferred to the Bank's account at [REDACTED]

[REDACTED] or to such other account of the Bank as the Bank may specify by written notice to the Issuer and the Paying Agent) not later than 1:00 p.m., New York, New York time, on the date payment is due. Any payment received by the Bank after 1:00 p.m., New York, New York time, shall be deemed to have been received by the Bank on the next Business Day. If any payment hereunder is due on a day that is not a Business Day, then such payment shall be due on the immediately succeeding Business Day, and such extended time shall be included in the computation of interest and fees.

*Section 2.09. Maintenance of Accounts.* The Bank shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Issuer and the amounts payable and paid from time to time hereunder. In any legal action or proceeding in respect of this Reimbursement Agreement, the entries made in such account or accounts shall be presumptive evidence of the existence and amounts of the obligations of the Issuer therein recorded. The failure to record any such amount shall not, however, limit or otherwise affect the obligations of the Issuer hereunder to repay all amounts owed hereunder, together with all interest accrued thereon as provided in this Article II.

*Section 2.10. Cure.* The Issuer agrees to pay to the Bank on demand any amounts advanced by or on behalf of the Bank to the extent required to cure any default, event of default or event of nonperformance under this Reimbursement Agreement or any Related Document. The Bank shall give the Issuer reasonably prompt notice of any such advances. The Bank shall

have the right, but not the obligation, to cure any such default, event of default or event of nonperformance.

*Section 2.11. Nature of Obligations.* All Reimbursement Obligations of the Issuer under this Reimbursement Agreement shall be limited obligations secured by, as to the Series P (General) Notes and Series P (General) Bank Note, a third lien on General Revenues. All other obligations (i.e., other than the Reimbursement Obligations) of the Issuer owing under this Reimbursement Agreement shall be limited obligations secured by a fourth lien on General Revenues. The obligations of the Issuer hereunder shall not constitute a general or moral obligation of the Issuer nor a debt, indebtedness, or obligation of, or a pledge of the faith and credit of, the Issuer or the State or any political subdivision thereof, within the meaning of any constitutional or statutory provision whatsoever. Neither the faith and credit nor the taxing power of the Issuer, the State, nor any political subdivision thereof is pledged to the payment of the Issuer's obligations hereunder. The Issuer has no authority to levy any taxes to pay its obligations hereunder. Neither the members of the governing body nor any person executing this Reimbursement Agreement shall be liable personally for the Issuer's obligations hereunder by reason of the execution hereof.

*Section 2.12. Bank Note.* (a) General Loans shall be evidenced by the Series P (General) Bank Note, payable to the Bank. The maximum aggregate principal amount of General Loans evidenced by the Bank Note shall not exceed the Original Stated Amount.

(b) The Bank shall record the date, amount and maturity of the Loans and the date and amount of each payment of principal made by or on behalf of the Issuer with respect thereto; and prior to any transfer of the Bank Note shall endorse on the schedule forming a part thereof appropriate notations to evidence the foregoing information with respect to the Loans then outstanding; *provided* that the failure of the Bank to make any such recordation or endorsement shall not affect the obligations of the Issuer hereunder or under the Bank Note. The Bank is hereby irrevocably authorized by the Issuer to endorse the Bank Note and to attach to and make a part of the Bank Note a continuation of any such schedule as and when required.

*Section 2.13. Net of Taxes, Etc.*

(a) *Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.*  
(i) Any and all payments by or on account of any obligation of the Issuer hereunder or under any other Related Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the Bank) require the deduction or withholding of any Tax from any such payment by the Issuer, then the Issuer shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If the Issuer shall be required by the Code to withhold or deduct any Taxes, including both United States federal backup withholding and withholding taxes, from any payment, then (A) the Issuer shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Issuer shall timely pay the full amount withheld or deducted to the

relevant Governmental Authority in accordance with the Code, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Issuer shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 2.13) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(iii) If the Bank shall be required by any applicable Laws other than the Code to withhold or deduct any Taxes from any payment, then (A) the Issuer, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Issuer, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Issuer shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 2.13) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) *Payment of Other Taxes by the Issuer.* Without limiting the provisions of subsection (a) above, the Issuer shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Bank timely reimburse it for the payment of, any Other Taxes.

(c) *Tax Indemnifications.* To the extent not prohibited by Law, the Issuer shall, and does hereby, indemnify each Recipient, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.13) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Issuer by the Bank shall be conclusive absent manifest error.

(d) *Evidence of Payments.* Upon request by the Issuer or the Bank, as the case may be, after any payment of Taxes by the Issuer or by the Bank to a Governmental Authority as provided in this Section 2.13, the Issuer shall deliver to the Bank or the Bank shall deliver to the Issuer, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to the Issuer or the Bank, as the case may be.

(e) *Status of Bank; Tax Documentation.* (i) If the Bank is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Related Document, the Bank shall deliver to the Issuer at the time or times reasonably requested by the Issuer, such properly completed and executed documentation reasonably requested by the Issuer or as will

permit such payments to be made without withholding or at a reduced rate of withholding. In addition, the Bank, if reasonably requested by the Issuer, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Issuer as will enable the Issuer to determine whether or not the Bank is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.13(e)(ii) or (e)(iii) below) shall not be required if in the Bank's reasonable judgment such completion, execution or submission would subject the Bank to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of the Bank.

(ii) Without limiting the generality of the foregoing, the Bank shall deliver to the Issuer (and from time to time thereafter upon the reasonable request of the Issuer), executed originals of IRS Form W-9 certifying that the Bank is exempt from U.S. federal backup withholding tax.

(iii) If a payment made the Bank under this Reimbursement Agreement or any other Related Document would be subject to U.S. federal withholding Tax imposed by FATCA if the Bank were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), the Bank shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with their obligations under FATCA and to determine that the Bank has complied with its obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this subsection (e)(iii), "FATCA" shall include any amendments made to FATCA after the date of this Reimbursement Agreement.

(f) *Treatment of Certain Refunds.* If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Issuer or with respect to which the Issuer has paid additional amounts pursuant to this Section 2.13, it shall pay to the Issuer an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Issuer under this Section 2.13 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Issuer, upon the request of the Recipient, agrees to repay the amount paid over to the Issuer (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to the Issuer pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification after giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make

available its tax returns (or any other information relating to its taxes that it deems confidential) to the Issuer or any other Person.

(g) *Survival.* Each party's obligations under this Section 2.13 shall survive the termination of the Letter of Credit and the repayment, satisfaction or discharge of all other Obligations.

*Section 2.14. Reductions of Stated Amount and Termination of the Letter of Credit.*

(a) The Stated Amount may be permanently reduced from time to time by the Issuer upon five Business Days' prior written notice of such reduction given by the Issuer to the Bank; *provided*, that each such reduction shall be in an amount equal to the lesser of (i) \$5,000,000 or any integral multiple in excess thereof and (ii) the Stated Amount; and, *provided further*, that the Stated Amount of the Letter of Credit shall not be reduced below an amount equal to the sum of the outstanding amount of the Loans plus the principal amount of Series P Notes outstanding plus interest on such principal amount of Series P Notes computed at 12% per annum for a period of 365 days.

(b) Notwithstanding any provisions of the Bond Ordinance to the contrary, the Issuer agrees not to replace the Letter of Credit (or to direct the Paying Agent to terminate the Letter of Credit without an Alternate Credit Facility being substituted therefor) unless (i) the Issuer first pays to the Bank the outstanding amount of all Loans, including accrued and unpaid interest thereon, all fees and expenses payable by the Issuer to the Bank hereunder or under the Fee Letter, including any termination fee or any reduction fee then due and payable, (ii) the Issuer shall have provided at least 30 days' prior notice to the Bank of its intention to reduce or terminate the Letter of Credit and (iii) all outstanding Series P Notes supported by the Letter of Credit shall have matured and been paid before such substitution or replacement.

*Section 2.15. Maximum Lawful Rate.* (a) If the amount of interest payable for any period in accordance with terms hereof exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Maximum Lawful Rate, then interest for such period shall be payable in an amount calculated at the Maximum Lawful Rate for such period.

(b) Any interest that would have been due and payable for any period but for the operation of Section 2.15(a) shall accrue and be payable as provided in this paragraph (b) and shall, less interest actually paid to the Bank for such period, constitute the "*Excess Interest Amount.*" If there is any accrued and unpaid Excess Interest Amount as of any date then the principal amount with respect to which interest is payable shall bear interest at the Maximum Lawful Rate, until payment to the Bank of the entire Excess Interest Amount.

(c) Notwithstanding the foregoing, on the date on which no principal amount hereunder remains unpaid, the Issuer shall pay to the Bank a fee equal to any accrued and unpaid Excess Interest Amount.

*Section 2.16. Issuance Generally.* The Issuer may issue Series P Notes only in accordance with the terms of and subject to the conditions set forth in the Bond Ordinance and the Issuing and Paying Agency Agreement.

(s) *Issuance of Series P Notes.* Each issuance of Series P Notes by the Issuer shall be deemed a representation by the Issuer that (a) the Issuer has complied in all material respects with all of the terms and provisions of this Reimbursement Agreement, (b) on such date, and after giving effect to the issuance of the Series P Notes, no Default or Event of Default has occurred or is continuing, (c) the representations and warranties of the Issuer contained in this Reimbursement Agreement are true and correct in all material respects on and as of the date of issuance of the Series P Notes in question as though made on and as of such date, and (d) the aggregate amount of Series P Notes outstanding, together with accrued interest thereon to maturity, after issuance of the Series P Notes will not exceed the Stated Amount.

(t) *Tax-Exempt Status.* With respect to Series P Notes issued on a tax-exempt basis, the Issuer has not taken any action or omitted to take any action, and knows of no action taken or omitted to be taken by any other Person, which action, if taken or omitted, would adversely affect the exclusion of interest on the Series P Notes from gross income for Federal income tax purposes.

to the extent permitted in Section 1001(a), (b), (c), (d), (e), (f), (h), (i), (j), (l), (m) or (n) of the Master Bond Ordinance), the Issuer shall not amend, modify, terminate or permit the amendment, modification or termination of, or consent to, or permit or suffer to occur any action or omission which results in, or is equivalent to, an amendment, termination or modification of any of the Related Documents without the prior written consent of the Bank. Further, the Issuer shall provide copies of any and all amendments to the Series M Documents, Series N Documents, Series O Documents and the Series Q Documents prior to any such amendment becoming effective. (g) *Appointment of Successors.* The Issuer shall not, without the prior written consent of the Bank (*provided, however*, such consent of the Bank shall not be required so long as, but only so long as, the Bank has failed to honor a properly presented and conforming drawing made in strict conformity with the requirements of the Letter of Credit), such consent not to be unreasonably withheld or delayed), permit the appointment of a successor Paying Agent or Dealer.

(h) *Incorporation of Covenants.* The covenants of the Issuer set forth in each of the Related Documents to which the Issuer is a party are hereby incorporated by reference in this Reimbursement Agreement for the benefit of the Bank. To the extent that any such incorporated provision permits any Person to waive compliance with or consent to such provision or requires that a document, opinion report or other instrument or any event or condition be acceptable or satisfactory to any Person, for purposes of this Reimbursement Agreement, such compliance shall be waived, or such provision shall be consented to, only if it is waived or consented to, as the case may be, by the Bank and such document, opinion report or other instrument shall be acceptable or satisfactory to the Bank. No amendment to such covenants (or the defined terms relating thereto) made pursuant to the Related Documents shall be effective to amend such incorporated covenants without the written consent of the Bank. The Issuer will comply with

and observe all other obligations and requirements set forth in the Fee Letter, the Bond Ordinance, the Issuing and Paying Agency Agreement, the Series P Notes and the Bank Note (including without limitation all provisions therein for the benefit of the Bank), in all statutes and regulations binding upon it relating to the Series P Notes, this Reimbursement Agreement or any of the Related Documents, and in the Issuer's investment policy as approved by the Issuer and as amended from time to time.

(i) *Maintenance of Existence.* The Issuer will maintain its existence. The Issuer shall, in all material respects, maintain, preserve and keep the Airport in good repair, working order and condition (ordinary wear and tear excepted), except to the extent that the failure to do so could reasonably be expected to result in a material adverse effect.

(j) *Maintenance and Approvals; Filings, etc.* The Issuer shall at all times maintain in effect, renew and comply with all the terms and conditions of all consents, licenses, approvals and authorizations as may be necessary or appropriate under any applicable law or regulation for its execution, delivery and performance of this Reimbursement Agreement and the Related Documents which are still in effect and to which it is a party.

(k) *Disclosure.* The Issuer shall not include in an offering document for any Debt any information concerning the Bank that is not supplied in writing, or otherwise consented to, by the Bank expressly for inclusion therein.

(l) *Further Assurance.* The Issuer shall, upon the request of the Bank, from time to time, execute and deliver and, if necessary, file, register and record such further financing statements, amendments, continuation statements and other documents and instruments and take such further action as may be reasonably necessary to effectuate the provisions of this Reimbursement Agreement and the other Related Documents and the lien on the Pledged Revenues to the extent granted under the Bond Ordinance and hereunder.

(n) *Encumbrances.* Except as permitted under the Bond Ordinance, the Issuer shall not grant a lien upon, pledge, grant a security interest in, make an assignment of or permit the creation of any encumbrance on any of the Pledged Revenues.

(o) *Sovereign Immunity.* To the extent permitted by law, the Issuer will waive any claim of immunity on grounds of sovereign immunity for any suit arising out of a claim seeking a remedy for breach of its contractual obligations under this Reimbursement Agreement or any of the Related Documents.

(p) *Financial Covenants.*

(i) (A) *Additional Bonds.* The Issuer shall not issue any Additional Bonds or incur any debt in either case which is secured by a lien on or payable from Pledged Revenues except to the extent permitted under the Bond Ordinance.

(B) *Additional Commercial Paper Notes.* The proceeds of the Series P Notes will be used to finance the Series P Notes Project and other costs authorized to be paid with the proceeds of the Series P Notes. It is the Issuer's intent to finance the Series P Notes Project (and refinance indebtedness incurred to pay such costs, including the Series P Notes) upon completion through the issuance of Bonds. When the Series P Notes Project are completed and the Issuer issues Bonds to finance the costs of the Series P Notes Projects, including the repayment of the Series P Notes the proceeds of which paid such costs, the Issuer shall not issue new Commercial Paper Notes which represent that portion of the Series P Notes authorized by the Thirty-Fourth Supplemental Ordinance repaid from the proceeds of such Bonds unless the Issuer shall have satisfied the requirements of Section 502(b) of the Master Bond Ordinance with respect to such new Commercial Paper Notes.

(ii) *Rate Covenant.* The Issuer shall continuously own, control, operate, and maintain the Airport in an efficient and economical manner and on a revenue producing basis and shall at all times prescribe, fix, maintain, and collect rates, fees, and other charges for the services and facilities furnished by the Airport in accordance with Section 6.01 of the Master Bond Ordinance.

(q) *Exempt Status.* The Issuer shall not take any action or omit to take any that, if taken or omitted, would adversely affect the excludability of interest on the Series P-1 Notes from the gross income of the owners thereof for purposes of federal income taxation.

(r) *Inspection Rights.* The Issuer will permit the Bank, upon reasonable notice and during normal business hours, to meet with the City Finance Officer and employees of the Department of Finance and Department of Aviation, to discuss the affairs, finances, business and accounts of the Airport and to visit the Airport in order to enable the Bank to monitor the Issuer's compliance with this Reimbursement Agreement.

(s) *Interest Rate Protection Agreements.* Without the prior written consent of the Bank, the Issuer will not enter into any Interest Rate Protection Agreement relating to Debt (a) wherein any termination payments secured by a pledge of or lien on Revenues thereunder are senior to or on parity with the pledge of Revenues securing the Series P Notes or the other Obligations or (b) which requires the Issuer to post cash collateral to secure its obligations thereunder.

(t) *Dealer.* The Issuer will appoint, or cause to be appointed, at all times, a Dealer in accordance with Section 5.01(g) hereof. The Issuer shall at all times use its best efforts to enforce the Dealer Agreement. The Bank hereby acknowledges and agrees that the Dealer on the Closing Date is an acceptable Dealer. If a Dealer fails to perform its duties under a Dealer Agreement or any Loan remains outstanding for a period of thirty (30) consecutive calendar days or any Dealer fails to sell the Series P Notes or otherwise fails to perform its duties under the related Dealer Agreement, after being directed to do so by the Issuer (subject to the provisions of the applicable Dealer Agreement), at the written direction of the Bank, the Issuer shall cause the related Dealer (that has been unable to sell Series P Notes or fails to perform its duties) to be replaced with a Dealer satisfactory to the Bank within thirty (30) calendar days of the receipt of such written direction. The Issuer shall at all times cause the Dealer Agreement entered into

after the date hereof to contain satisfactory third-party beneficiary provisions in favor of the Bank and to provide that (a) such Dealer may resign upon at least sixty (60) days' prior written notice to the Issuing and Paying Agent, the Bank and the Issuer but only upon the appointment of a successor Dealer in accordance with the terms hereof (which resignation, for the avoidance of doubt, is not the same as an automatic termination or suspension of the Dealer's obligations under the Dealer Agreement such as those described in Section 11 of the Dealer Agreement in effect on the Closing Date) and (b) such Dealer shall use its best efforts to sell the Series P Notes without regard to the Bank Rate (i.e., whether or not the rate to be borne by the Series P Notes is less than the Bank Rate).

(u) *Underlying Rating and Bank Note Rating.* The Issuer shall at all times maintain (i) a rating on its long-term unenhanced Senior Lien Bonds, Subordinate Lien Bonds and Hybrid Bonds from at least two Rating Agencies and (ii) a rating on the Series P Notes from at least two Rating Agencies. The Issuer covenants and agrees that it shall not at any time withdraw any long-term unenhanced rating on its Senior Lien Bonds, Subordinate Lien Bonds, or Hybrid Bonds from any of Fitch, Moody's or S&P if the effect of such withdrawal would be to cure a Default or an Event of Default under this Reimbursement Agreement. In addition, the Issuer shall at all times (i) maintain, or cause to be maintained, a long-term debt rating by any one of Moody's, Fitch or S&P applicable to the Bank Note, and (ii) ensure (at its expense) that the CUSIP Number(s) and the Bank Note rating (described in sub-clause (iii) of this Section 5.01(u)) are available on the Bloomberg Municipal Note Description Screen (or a similar electronic registry acceptable to the Bank).

(v) *Other Agreements.* In the event that the Issuer shall, directly or indirectly, enter into or otherwise consent to any Bank Agreement which such Bank Agreement provides such Person with different or more restrictive covenants, different or additional events of default and/or greater rights and remedies than are provided to the Bank in this Reimbursement Agreement, the Issuer shall provide the Bank with a copy of each such Bank Agreement and such different or more restrictive covenants, different or additional events of default and/or greater rights and remedies shall automatically be deemed to be incorporated into this Reimbursement Agreement and the Bank shall have the benefits of such different or more restrictive covenants, different or additional events of default and/or greater rights and remedies as if specifically set forth herein. The Issuer shall promptly enter into an amendment to this Reimbursement Agreement to include different or more restrictive covenants, different or additional events of default and/or greater rights and remedies; *provided* that the Bank shall have and maintain the benefit of such different or more restrictive covenants, different or additional events of default and/or greater rights and remedies even if the Issuer fails to provide such amendment.

(w) *Merger, Disposition of Assets.* The Issuer will not consolidate or merge with or into any person or sell, lease or otherwise transfer all or substantially all of its assets or the assets of the Airport to any Person.

(x) *Anti-Corruption Laws.* Neither the Issuer nor any of its Affiliates shall, directly or indirectly, use the proceeds of any Drawing under the Letter of Credit for any purpose which would breach the United States Foreign Corrupt Practices Act of 1977, the UK Bribery Act 2010 and other similar anti-corruption legislation in other jurisdictions.

(y) *Sanctions.* Neither the Issuer nor any of its Affiliates shall, directly or indirectly, use the proceeds of any Drawing under the Letter of Credit, or lend, contribute or otherwise make available such proceeds to any Person, to fund any activities of or business with any Person, or in any Designated Jurisdiction, that, at the time of such funding, is the subject of Sanctions, or in any other manner that will result in a violation by any Person of Sanctions.

After a BHC Act Affiliate of a party that is a Covered Entity has become subject to Insolvency Proceedings, any party that seeks to exercise a Default Right against such Covered Entity with respect to this Agreement shall have the burden of proof, by clear and convincing evidence, that the exercise of such Default Right is permitted hereunder.

No. [\_\_\_\_\_]

U.S. Bank National Association, as Paying Agent

Ladies and Gentlemen:

We hereby establish, at the request and for the account of the City of Atlanta (the “City”), in your favor, as Paying Agent (the “Paying Agent”) with respect to the City’s Third Lien Airport General Revenue Commercial Paper Notes, Series P-1 (AMT) and Series P-2 (Taxable), issued pursuant to the City’s Restated and Amended Master Bond Ordinance adopted by the City on March 20, 2000 (the “Master Bond Ordinance”) as amended from time to time including by that certain Thirty-Fourth Supplemental Ordinance adopted by the City on November 18, 2024 (the “Thirty-Fourth Supplemental Bond Ordinance”), in each case as supplemented and amended in accordance with the terms thereof and the hereinafter defined Reimbursement Agreement (collectively, the “Bond Ordinance”), pursuant to which up to \$150,000,000 in aggregate principal amount of the City’s Third Lien Airport General Revenue Commercial Paper Notes, Series P-1 (AMT) and Series P-2 (Taxable) (the “Commercial Paper”), is being or may be issued, our Irrevocable Letter of Credit No. [\_\_\_\_\_] in the maximum available amount of \$163,315,069 (calculated as the sum of the maximum principal amount of the Commercial Paper (*i.e.*, \$150,000,000) plus interest thereon at the maximum rate of twelve percent (12%) per annum for a period of two hundred seventy (270) days calculated on the basis of a year of 365 days and the actual number of days elapsed) (as more fully described below) (the “Stated Amount”), which may be drawn upon from time to time in respect of the principal of and actual interest accrued on the Commercial Paper, effective on the date hereof and expiring on the Stated Expiration Date (as hereinafter defined) or earlier as hereafter provided; *provided, however*, that if such date is not a Business Day, the Stated Expiration Date shall be the next preceding Business Day. The Stated Amount is subject to reductions and reinstatements as provided herein. All drawings under this Letter of Credit will be paid with our own immediately available funds and will not be paid directly or indirectly from funds or collateral to deposit with or for the account of, or pledged with or for the account of, us by the City. This Letter of Credit is being issued pursuant to that certain Letter of Credit Reimbursement Agreement dated as of January 1, 2025 (the “Reimbursement Agreement”),

between the City and the Bank. Capitalized terms used but not defined herein shall have the same meaning herein as in the Reimbursement Agreement.

We hereby irrevocably authorize you to draw on us in an aggregate amount not to exceed the Stated Amount of this Letter of Credit set forth above and in accordance with the terms and conditions and subject to the reductions and reinstatements in amount as hereinafter set forth, in one or more Drawings (as hereinafter defined) (subject to the provisions contained in the second following paragraph), payable as set forth herein on any day other than (i) a Saturday or Sunday or a day on which institutions are authorized or required by law or executive order to be closed in the States of Georgia or New York for commercial banking purposes; (ii) a day on which the New York Stock Exchange is authorized or required by law or executive order to be closed; and (iii) a day upon which commercial banks are authorized or required by law or executive order to be closed in the cities and states in which demands for payment may be presented under this Letter of Credit (a "*Business Day*"), by presentation of your written and completed certificate signed by you in the form of (a) Annex A-1 (with respect to the payment at maturity of the principal of and interest at maturity on Commercial Paper issued in accordance with the Bond Ordinance), or (b) Annex A-2 (with respect to the payment at maturity of the principal of and interest to maturity on Commercial Paper issued in accordance with the Bond Ordinance and that otherwise matures on or after the date that you receive notice from us in the form of Annex E hereto (the "*Final Drawing Notice*")), attached hereto (any such certificate being a "*Drawing*"), in each case an aggregate amount not exceeding the Stated Amount of this Letter of Credit.

Upon our honoring any Drawing, the Stated Amount and the amount available to be drawn hereunder by you pursuant to any subsequent Drawing shall be automatically decreased by an amount equal to the amount of such Drawing. In connection therewith, the Stated Amount and the amounts from time to time available to be drawn by you hereunder by any Drawing (except in the case of a Drawing resulting from the delivery of a Final Drawing Notice) shall be increased when and to the extent, but only when and to the extent (i) (A) of transfer by you to us on the date such Drawing is honored of proceeds of Commercial Paper issued on such date or (B) you receive written notice from us to you in the form of Annex I hereto that we have been reimbursed by or on behalf of the City for any amount drawn hereunder by any Drawing, and (ii) that you have not received from us a No-Issuance Notice in the form attached hereto as Annex H.

No Drawing may be made under this Letter of Credit with respect to (a) any Commercial Paper issued after your receipt and the effectiveness of any No-Issuance Notice in the form of Annex H hereto or a Final Drawing Notice, in either case, from us and prior to your receipt of written notice from us that such No-Issuance Notice or Final Drawing Notice, as applicable, is rescinded and (b) Commercial Paper issued in a principal amount in excess of the principal amount of Commercial Paper maturing on the date such Commercial Paper was issued after your receipt and the effectiveness of any Restricted Issuance Notice, in the form of Annex J hereto from us and prior to your receipt of written notice from us that such Restricted Issuance Notice is rescinded. Commercial Paper referred in clause (a) and (b) of this paragraph are herein referred to as "*Excluded Notes*."

If we are requested to do so pursuant and subject to the terms of the Reimbursement Agreement, the Stated Amount of this Letter of Credit shall also be reduced from time to time on each Decrease Date specified in, and in the amounts set forth in, a notice from us to you in the form attached hereto as Annex F (each, a "*Decrease Notice*"), which we shall deliver promptly after receiving such request. As of the applicable Decrease Date and upon such reduction, the Stated Amount shall not be less than our certification in the applicable Decrease Notice of the sum of the principal amount of all outstanding Commercial Paper plus interest thereon at the maximum rate of twelve percent (12%) per annum for a period of two hundred seventy (270) days calculated on the basis of a year of 365 days.

Each Drawing shall be dated the date of its presentation, and shall be presented by facsimile (at facsimile number [REDACTED]), Attention: [REDACTED], without further need of documentation, including the original of this Letter of Credit, it being understood that each Drawing so submitted is to be the sole operative instrument of drawing. Each Drawing shall be immediately confirmed by telephone (telephone number: [REDACTED]), notifying us of such Drawing; *provided* that the failure to confirm such Drawing by telephone shall not affect the validity or effectiveness of the Drawing. If a Drawing is made by you hereunder at or prior to 12:00 p.m., New York City time, on a Business Day and such Drawing conforms to the terms and conditions hereof, payment shall be made in the amount specified in such Drawing in immediately available funds, no later than 2:30 p.m., New York City time, on the same Business Day. Payment under this Letter of Credit shall be made by the Bank by wire transfer of immediately available funds to [REDACTED]

[REDACTED] Such account may be changed only by presentation to the Bank of a letter in form satisfactory to the Bank specifying a different account with the Paying Agent and executed by the Paying Agent.

This Letter of Credit shall expire at 5:00 p.m., New York time, on the date (the earliest of such date to occur referred to herein as the "*Termination Date*") which is the earliest of (i) January 21, 2028 (the "*Stated Expiration Date*"), (ii) the later of the date on which we receive written notice from you in the form of Annex C attached hereto that an Alternate Credit Facility has been substituted for this Letter of Credit in accordance with the Bond Ordinance or the effective date of any such Alternate Credit Facility as specified in such Annex C (after we honor any properly presented and conforming Drawing on such date), (iii) the date on which we receive written notice from you in the form of Annex D attached hereto that there is no longer any Commercial Paper Outstanding within the meaning of the Bond Ordinance and that you elect to terminate the Letter of Credit, or (iv) the earlier of (a) the 10th calendar day after the date on which we have delivered to you the Final Drawing Notice, and (b) the date on which the Drawing resulting from the delivery of the Final Drawing Notice is honored hereunder.

This Letter of Credit is transferable in its entirety to any transferee whom you have certified to us has succeeded you as Paying Agent under the Commercial Paper, and may be successively transferred. Transfer of the available balance under this Letter of Credit to such transferee shall be effected by presenting to us the attached form of Annex B signed by the transferor and the transferee (each a "*Transfer*") together with the original Letter of Credit. Transfers to designated foreign nationals and for specially designated nationals are not permitted as being contrary to the U.S. Treasury Department or Foreign Assets Control Regulations. Upon the Effective Date, as set forth in such Transfer, the transferee instead of the transferor shall, without necessity of further action, be entitled to all the benefits of and rights under this Letter of Credit in the transferor's place; *provided* that, in such case, any certificates of the Paying Agent to be provided hereunder shall be signed by one who states therein that he is a duly authorized officer or agent of the transferee.

This Letter of Credit sets forth in full our undertaking but not any of our rights (whether under applicable law or otherwise), and such undertaking but not any of our rights (whether under applicable law or otherwise) shall not in any way be modified, amended, amplified or limited by reference to any document, instrument or agreement referred to herein (including, without limitation, the Commercial Paper), except only the Drawings referred to herein and ISP98 (as hereinafter defined); and any such reference shall not be deemed to incorporate herein by reference any document, instrument or agreement except for such Drawings.

If a Drawing does not conform to the terms and conditions of the Letter of Credit, we will use commercially reasonable efforts to give telephonic notice to the Paying Agent thereof within the time set forth above for honor of such demand for payment; such notice, if given, to be confirmed in writing to the Paying Agent within one Business Day after such notice.

and the result of any of the foregoing shall be to increase the cost to the Bank of participating in, issuing or maintaining the Letter of Credit, or to reduce the amount of any sum received or receivable by the Bank hereunder (whether of principal, interest or any other amount) then, upon request of the Bank, the Issuer will pay to the Bank such additional amount or amounts as will compensate the Bank for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If the Bank determines that any Change in Law affecting the Bank or the Bank's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the Bank's capital or liquidity or on the capital or liquidity of the Bank's holding company, if any, as a consequence of this Reimbursement Agreement, the Fee Letter or the Letter of Credit issued by the Bank, to a level below that which the Bank or the Bank's holding company could have achieved but for such Change in Law (taking into consideration the Bank's policies and the policies of the Bank's holding company with respect to capital adequacy), then from time to time the Issuer will pay to the Bank such additional amount or amounts as will compensate the Bank or the Bank's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of the Bank or a Recipient setting forth in reasonable detail the basis for the amount or amounts for which reimbursement is sought and the amount or amounts necessary to compensate the Bank or any such Recipient or the Bank's or any such Recipient's parent or holding company, as the case may be, as specified in subsection (a) or (b) of this Section 2.07 and delivered to the Issuer, shall be conclusive absent manifest error. The Issuer shall pay the Bank or any such Recipient, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof. The payment obligation hereunder

shall be limited to amounts available from Pledged Revenues (junior to the Reimbursement Obligations, as specified in Section 2.11 hereof).

(d) Delay in Requests. Failure or delay on the part of the Bank to demand compensation pursuant to the foregoing provisions of this Section 2.07 shall not constitute a waiver of the Bank's right to demand such compensation.

(e) Survival. All of the Issuer's obligations under this Section 2.07 shall survive termination of this Reimbursement Agreement and repayment of all other Obligations hereunder.

Section 2.08. Method of Payment. All payments by the Issuer to the Bank hereunder shall be nonrefundable and made in lawful currency of the United States and in immediately available funds. Amounts payable to the Bank hereunder shall be transferred to the Bank's account (as specified by the Bank in a written notice to the Issuer and the Paying Agent) not later than 1:00 p.m., New York, New York time, on the date payment is due. Any payment received by the Bank after 1:00 p.m., New York, New York time, shall be deemed to have been received by the Bank on the next Business Day. If any payment hereunder is due on a day that is not a Business Day, then such payment shall be due on the immediately succeeding Business Day, and such extended time shall be included in the computation of interest and fees.

Section 2.09. Maintenance of Accounts. The Bank shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Issuer and the amounts payable and paid from time to time hereunder. In any legal action or proceeding in respect of this Reimbursement Agreement, the entries made in such account or accounts shall be presumptive evidence of the existence and amounts of the obligations of the Issuer therein recorded. Section 2.10. Cure. The Issuer agrees to pay to the Bank on demand any amounts advanced by or on behalf of the Bank to the extent required to cure any default, event of default or event of nonperformance under this Reimbursement Agreement or any Related Document. The Bank shall have the right, but not the obligation, to cure any such default, event of default or event of nonperformance.

Section 2.11. Nature of Obligations. All Reimbursement Obligations of the Issuer under this Reimbursement Agreement shall be limited obligations secured by, as to the Series Q Notes and Series Q Bank Note, a third lien on General Revenues. All other obligations (i.e., other than the Reimbursement Obligations) of the Issuer owing under this Reimbursement Agreement shall be limited obligations secured by a fourth lien on General Revenues. The obligations of the Issuer hereunder shall not constitute a general or moral obligation of the Issuer nor a debt, indebtedness, or obligation of, or a pledge of the faith and credit of, the Issuer or the State or any political subdivision thereof, within the meaning of any constitutional or statutory provision whatsoever. Neither the faith and credit nor the taxing power of the Issuer, the State, nor any political subdivision thereof is pledged to the payment of the Issuer's obligations hereunder. The Issuer has no authority to levy any taxes to pay its obligations hereunder. Neither the members of the governing body nor any person executing this Reimbursement Agreement shall be liable personally for the Issuer's obligations hereunder by reason of the execution hereof.

Section 2.12. Bank Notes.

(a) Loans shall be evidenced by the Series Q Bank Note, payable to the Bank. The maximum aggregate principal amount of Loans evidenced by the Bank Note shall not exceed the Original Stated Amount.

(b) The Bank shall record the date, amount and maturity of the Loans and the date and amount of each payment of principal made by or on behalf of the Issuer with respect thereto; and prior to any transfer of the Bank Note shall endorse on the schedule forming a part thereof appropriate notations to evidence the foregoing information with respect to the Loans then outstanding (which notations can be either attached to the actual Bank Note or noted electronically on the Bank's loan system); provided that the failure of the Bank to make any such recordation or endorsement shall not affect the obligations of the Issuer hereunder or under the Bank Note. The Bank is hereby irrevocably authorized by the Issuer to endorse the Bank Note and to attach to and make a part of the Bank Note a continuation of any such schedule as and when required.

Section 2.13. Net of Taxes, Etc.

(a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.

(i) Any and all payments by or on account of any obligation of the Issuer hereunder or under any other Related Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the Bank) require the deduction or withholding of any Tax from any such payment by the Issuer, then the Issuer shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If the Issuer shall be required by the Code to withhold or deduct any Taxes, including both United States federal backup withholding and withholding taxes, from any payment, then (A) the Issuer shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Issuer shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the Code, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Issuer shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 2.13) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(iii) If the Bank shall be required by any applicable Laws other than the Code to withhold or deduct any Taxes from any payment, then (A) the Issuer, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Issuer, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Issuer shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 2.13) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) Payment of Other Taxes by the Issuer. Without limiting the provisions of subsection (a) above, the Issuer shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Bank timely reimburse it for the payment of, any Other Taxes.

(c) Tax Indemnifications. To the extent not prohibited by Law, the Issuer shall, and does hereby, indemnify each Recipient, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.13) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Issuer by the Bank shall be conclusive absent manifest error.

(d) Evidence of Payments. Upon request by the Issuer or the Bank, as the case may be, after any payment of Taxes by the Issuer or by the Bank to a Governmental Authority as provided in this Section 2.13, the Issuer shall deliver to the Bank or the Bank shall deliver to the Issuer, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to the Issuer or the Bank, as the case may be.

(e) Status of Bank; Tax Documentation.

(i) If the Bank is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Related Document, the Bank shall deliver to the Issuer at the time or times reasonably requested by the Issuer, such properly completed and executed documentation reasonably requested by the Issuer or as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, the Bank, if reasonably requested by the Issuer, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Issuer as will enable the Issuer to determine whether or not the Bank is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.13(e)(ii) or (e)(iii) below) shall not be required if in the Bank's reasonable judgment such completion, execution or submission would subject the Bank to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of the Bank.

(ii) Without limiting the generality of the foregoing, the Bank shall deliver to the Issuer (and from time to time thereafter upon the reasonable request of the Issuer), executed originals of IRS Form W-9 certifying that the Bank is exempt from U.S. federal backup withholding tax.

(iii) If a payment made the Bank under this Reimbursement Agreement or any other Related Document would be subject to U.S. federal withholding Tax imposed by FATCA if the Bank were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), the Bank shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with their obligations under FATCA and to determine that the Bank has complied with its obligations under FATCA or to determine the amount to deduct and

withhold from such payment. Solely for purposes of this subsection (e)(iii), "FATCA" shall include any amendments made to FATCA after the date of this Reimbursement Agreement.

(f) Treatment of Certain Refunds. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Issuer or with respect to which the Issuer has paid additional amounts pursuant to this Section 2.13, it shall pay to the Issuer an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Issuer under this Section 2.13 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Issuer, upon the request of the Recipient, agrees to repay the amount paid over to the Issuer (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to the Issuer pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification after giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Issuer or any other Person.

(g) Survival. Each party's obligations under this Section 2.13 shall survive the termination of the Letter of Credit and the repayment, satisfaction or discharge of all other Obligations.

Section 2.14. Reductions of Stated Amount and Termination of the Letter of Credit.

(a) The Stated Amount may be permanently reduced from time to time by the Issuer upon five Business Days' prior written notice of such reduction given by the Issuer to the Bank; provided, that each such reduction shall be in an amount equal to the lesser of (i) \$5,000,000 or any integral multiple in excess thereof and (ii) the Stated Amount; and, provided further, that the Stated Amount of the Letter of Credit shall not be reduced below an amount equal to the sum of the outstanding amount of the Loans plus the principal amount of Series Q Notes outstanding plus interest on such principal amount of Series Q Notes computed at 12% per annum for a period of 365 days.

(b) Notwithstanding any provisions of the Bond Ordinance to the contrary, the Issuer agrees not to replace the Letter of Credit (or to direct the Paying Agent to terminate the Letter of Credit without an Alternate Credit Facility being substituted therefor) unless (i) the Issuer first pays to the Bank the outstanding amount of all Loans, including accrued and unpaid interest thereon, all fees and expenses payable by the Issuer to the Bank hereunder or under the Fee Letter, (ii) the Issuer shall have provided at least 30 days' prior notice to the Bank of its intention to reduce or terminate the Letter of Credit and (iii) all outstanding Series Q Notes supported by the Letter of Credit shall have matured and been paid before such substitution or replacement.

Section 2.15. Maximum Lawful Rate.

(a) If the amount of interest payable for any period in accordance with terms hereof exceeds the amount of interest that would be payable for such period had interest for such period

been calculated at the Maximum Lawful Rate, then interest for such period shall be payable in an amount calculated at the Maximum Lawful Rate for such period.

(b) Any interest that would have been due and payable for any period but for the operation of Section 2.15(a) shall accrue and be payable as provided in this paragraph (b) and shall, less interest actually paid to the Bank for such period, constitute the "Excess Interest Amount." If there is any accrued and unpaid Excess Interest Amount as of any date then the principal amount with respect to which interest is payable shall bear interest at the Maximum Lawful Rate, until payment to the Bank of the entire Excess Interest Amount.

(c) Notwithstanding the foregoing, on the date on which no principal amount hereunder remains unpaid, the Issuer shall pay to the Bank a fee equal to any accrued and unpaid Excess Interest Amount.

Section 2.16. Issuance Generally. The Issuer may issue Series Q Notes only in accordance with the terms of and subject to the conditions set forth in the Bond Ordinance and the Issuing and Paying Agency Agreement.

Except as disclosed in the Offering Memorandum, there is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending or, to the knowledge of the Issuer, threatened against or affecting the Issuer wherein an unfavorable decision, ruling or finding would materially adversely affect (i) the transactions contemplated by or the validity of this Reimbursement Agreement, the Bond Ordinance or any of the Related Documents to which the Issuer is a party, (ii) the status of the Issuer as a municipal corporation or of the exemption of interest on the Series Q Notes issued on a tax-exempt basis from federal income tax, (iii) the property, assets, operations or conditions, financial or otherwise of the Airport, or the Airport's or the Issuer's ability to perform its obligations under this Reimbursement Agreement or under the Related Documents or (iv) the rights, interests, security or remedies of the Bank under this Reimbursement Agreement or under the Related Documents.

On the basis of this review, except as otherwise described in the Offering Memorandum, the Issuer has reasonably concluded that it is in compliance with Environmental Laws the non-compliance with which could have a materially adverse effect on the business, financial condition, results of operations or prospects of the Issuer or the Department of Aviation or the rights, interests, security or remedies of the Bank under this Reimbursement Agreement or under the Related Documents.

On such date the Issuer shall pay in full all other amounts due under this Reimbursement Agreement and the Fee Letter (including the Excess Interest Amount and unpaid interest thereon to the extent provided by Section 2.15).

(g) Appointment of Successors. The Issuer shall not, without the prior written consent of the Bank (provided, however, such consent of the Bank shall not be required so long as, but only so long as, the Bank has failed to honor a properly presented and conforming drawing made in strict conformity with the requirements of the Letter of Credit), such consent not to be unreasonably withheld or delayed), permit the appointment of a successor Paying Agent or Dealer.

(h) Incorporation of Covenants. To the extent that any such incorporated provision permits any Person to waive compliance with or consent to such provision or requires that a document, opinion report or other instrument or any event or condition be acceptable or satisfactory to any Person, for purposes of this Reimbursement Agreement, such compliance shall be waived, or such provision shall be consented to, only if it is waived or consented to, as the case may be, by the Bank and such document, opinion report or other instrument shall be acceptable or satisfactory to the Bank. No amendment to such covenants (or the defined terms relating thereto) made pursuant to the Related Documents shall be effective to amend such incorporated covenants without the written consent of the Bank. The Issuer will comply with and observe all other obligations and requirements set forth in the Fee Letter, the Bond Ordinance, the Issuing and Paying Agency Agreement, the Series Q Notes and the Bank Note (including without limitation all provisions therein for the benefit of the Bank), in all statutes and regulations binding upon it relating to the Series Q Bank Note, this Reimbursement Agreement or any of the Related Documents, and in the Issuer's investment policy as approved by the Issuer and as amended from time to time.

(i) Maintenance of Existence. The Issuer will maintain its existence. The Issuer shall, in all material respects, maintain, preserve and keep the Airport in good repair, working order and condition (ordinary wear and tear excepted), except to the extent that the failure to do so could reasonably be expected to result in a material adverse effect.

(j) Maintenance and Approvals; Filings, etc. The Issuer shall at all times maintain in effect, renew and comply with all the terms and conditions of all consents, licenses, approvals and authorizations as may be necessary or appropriate under any applicable law or regulation for its execution, delivery and performance of this Reimbursement Agreement and the Related Documents which are still in effect and to which it is a party.

(o) Sovereign Immunity. To the extent permitted by law, the Issuer will waive any claim of immunity on grounds of sovereign immunity for any suit arising out of a claim seeking a remedy for breach of its contractual obligations under this Reimbursement Agreement or any of the Related Documents.

(p) Financial Covenants.

(i) (A) Additional Bonds. The Issuer shall not issue any Additional Bonds or incur any debt in either case which is secured by a lien on or payable from Pledged Revenues except to the extent permitted under the Bond Ordinance.

(B) Additional Commercial Paper Notes. The proceeds of the Series Q Notes will be used to finance the Series Q Notes Project and other costs authorized to be paid with the proceeds of the Series Q Notes. It is the Issuer's intent to finance the Series Q Notes Project (and refinance indebtedness incurred to pay such costs, including the Series Q Notes) upon completion through the issuance of Bonds. When the Series Q Notes Project are completed and the Issuer issues Bonds to finance the costs of the Series Q Notes Projects, including the repayment of the Series Q Notes the proceeds of which paid such costs, the Issuer shall not issue new Commercial Paper Notes which represent that portion of the Series Q Notes authorized by the Thirty-Fourth Supplemental Ordinance repaid from the proceeds of such Bonds unless the Issuer shall have satisfied the requirements of Section 502(b) of the Master Bond Ordinance with respect to such new Commercial Paper Notes.

(ii) Rate Covenant. The Issuer shall continuously own, control, operate, and maintain the Airport in an efficient and economical manner and on a revenue producing basis and shall at all times prescribe, fix, maintain, and collect rates, fees, and other charges for the services and facilities furnished by the Airport in accordance with Section 6.01 of the Master Bond Ordinance.

(s) Interest Rate Protection Agreements. Without the prior written consent of the Bank, the Issuer will not enter into any Interest Rate Protection Agreement relating to Debt (a) wherein any termination payments secured by a pledge of or lien on Revenues thereunder are senior to or on parity with the pledge of Revenues securing the Series Q Notes or the other Obligations or (b) which requires the Issuer to post cash collateral to secure its obligations thereunder.

(t) Dealer. The Issuer will appoint, or cause to be appointed, at all times, one or more Dealers in accordance with Section 5.01(g) hereof. The Issuer shall at all times use its best efforts to enforce the Dealer Agreement. The Bank hereby acknowledges and agrees that each Dealer on the Closing Date is an acceptable Dealer. If a Dealer fails to perform its duties under a Dealer Agreement or any Loan remains outstanding for a period of thirty (30) consecutive calendar days or any Dealer fails to sell the Series Q Notes or otherwise fails to perform its duties under the related Dealer Agreement, after being directed to do so by the Issuer (subject to the provisions of the applicable Dealer Agreement), at the written direction of the Bank, the Issuer shall cause the related Dealer (that has been unable to sell Series Q Notes or fails to perform its duties) to be replaced with a Dealer satisfactory to the Bank within thirty (30) calendar days of the receipt of such written direction. The Issuer shall at all times cause the Dealer Agreement entered into after the date hereof to contain satisfactory third-party beneficiary provisions in favor of the Bank and to provide that (a) such Dealer may resign upon at least sixty (60) days' prior written notice to the Issuing and Paying Agent, the Bank and the Issuer but only upon the appointment of a successor Dealer in accordance with the terms hereof (which resignation, for the avoidance of doubt, is not the same as an automatic termination or suspension of the Dealer's obligations under the Dealer Agreement such as those described in Section 11 of the Dealer Agreement in effect on the Closing Date) and (b) such Dealer shall use its best efforts to sell the Series Q Notes without regard to the Bank Rate (i.e., whether or not the rate to be borne by the Series Q Notes is less than the Bank Rate).

(u) Underlying Rating and Bank Note Rating. The Issuer shall at all times maintain (i) a rating on its long-term unenhanced Senior Lien Bonds, Subordinate Lien Bonds and Hybrid Bonds from at least two Rating Agencies and (ii) a rating on the Series Q Notes from at least two Rating Agencies. The Issuer covenants and agrees that it shall not at any time withdraw any long-term unenhanced rating on its Senior Lien Bonds, Subordinated Bonds, or Hybrid Bonds from any of Fitch, Moody's or S&P if the effect of such withdrawal would be to cure a Default or an Event of Default under this Reimbursement Agreement. In addition, the Issuer shall at all times (i) maintain, or cause to be maintained, a long-term debt rating by any one of Moody's, Fitch or S&P applicable to the Bank Note, and (ii) ensure (at its expense) that the CUSIP Number(s) and the Bank Note rating (described in sub-clause (iii) of this Section 5.01(u)) are available on the Bloomberg Municipal Note Description Screen (or a similar electronic registry acceptable to the Bank).

(v) Other Agreements. In the event that the Issuer shall, directly or indirectly, enter into or otherwise consent to any Bank Agreement which such Bank Agreement provides such Person with different or more restrictive covenants, different or additional events of default and/or greater rights and remedies than are provided to the Bank in this Reimbursement Agreement, the Issuer shall provide the Bank with a copy of each such Bank Agreement and such different or more restrictive covenants, different or additional events of default and/or greater rights and remedies shall automatically be deemed to be incorporated into this Reimbursement Agreement and the Bank shall have the benefits of such different or more restrictive covenants, different or additional events of default and/or greater rights and remedies as if specifically set forth herein. The Issuer shall promptly enter into an amendment to this Reimbursement Agreement to include different or more restrictive covenants, different or additional events of default and/or greater rights and remedies; provided that the Bank shall have and maintain the benefit of such different or more restrictive

covenants, different or additional events of default and/or greater rights and remedies even if the Issuer fails to provide such amendment.

(w) Merger, Disposition of Assets. The Issuer will not consolidate or merge with or into any person or sell, lease or otherwise transfer all or substantially all of its assets or the assets of the Airport to any Person.

(x) Anti-Corruption Laws. Neither the Issuer nor any of its Affiliates shall, directly or indirectly, use the proceeds of any Drawing under the Letter of Credit for any purpose which would breach the United States Foreign Corrupt Practices Act of 1977, the UK Bribery Act 2010 and other similar anti-corruption legislation in other jurisdictions.

(y) Sanctions. Neither the Issuer nor any of its Affiliates shall, directly or indirectly, use the proceeds of any Drawing under the Letter of Credit, or lend, contribute or otherwise make available such proceeds to any Person, to fund any activities of or business with any Person, or in any Designated Jurisdiction, that, at the time of such funding, is the subject of Sanctions, or in any other manner that will result in a violation by any Person of Sanctions.

The Bank may, in its sole and absolute discretion, decide to accept or reject any such proposed extension and no extension shall become effective unless the Bank shall have consented thereto in writing. The consent of the Bank, if granted, shall be conditioned upon the preparation, execution and delivery of documentation in form and substance reasonably satisfactory to the Bank and consistent with this Reimbursement Agreement. If such extension request is accepted by the Bank in its absolute discretion, then the current Stated Expiration Date for the Letter of Credit shall be extended to the date agreed to by the Issuer and the

Bank by the Bank's delivery of a Notice of Extension to the Paying Agent in the form of Annex G to the Letter of Credit.

## ARTICLE IX.

### MISCELLANEOUS

Section 9.01. Right of Setoff. Upon the occurrence of an Event of Default, the Bank may, at any time and from time to time, without notice to the Issuer or any other person (any such notice being expressly waived), set off and appropriate and apply, against and on account of, any obligations and liabilities of the Issuer to the Bank arising under or connected with this Reimbursement Agreement and the Related Documents, without regard to whether or not the Bank shall have made any demand therefor, and although such obligations and liabilities may be contingent or unmatured, any and all deposits (general or special, including but not limited to indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other indebtedness at any time held or owing by the Bank to or for the credit or the account of the Issuer (excluding amounts payable under the Letter of Credit).

Any provision of this Reimbursement Agreement or the Bank Note may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Issuer and the Bank. In the event any agreement contained in this Reimbursement Agreement should be breached by the Issuer and thereafter waived by the Bank, such waiver shall be limited to the particular breach so waived for the specific period set out in such waiver and such waiver shall not constitute a waiver of such breach for any other period and shall not waive any other or similar breach hereunder.

Section 9.03. No Waiver; Remedies. No failure on the part of the Bank to exercise, and no delay in exercising, any right under this Reimbursement Agreement shall operate as a waiver of such right; nor shall any single or partial exercise of any right under this Reimbursement Agreement preclude any other further exercise of such right or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Any notice or other communication shall be sufficiently given and shall be deemed given when delivered to the addressee in writing or when given by telephone immediately confirmed in writing by telecopier or other telecommunication device.

Section 9.05. Severability. Any provision of this Reimbursement Agreement which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or nonauthorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

Section 9.06. Governing Law; Venue; Waiver of Jury Trial.

(a) THIS REIMBURSEMENT AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NORTH CAROLINA; PROVIDED, HOWEVER, THAT MATTERS RELATING TO THE ISSUER'S POWER AND AUTHORITY TO ENTER INTO AND PERFORM UNDER THIS REIMBURSEMENT AGREEMENT AND THE APPLICABILITY OF SOVEREIGN IMMUNITY AGAINST THE ISSUER (INCLUDING THE AUTHORITY TO INDEMNIFY ANY PARTY), WAIVER OF JURY TRIAL AND STATUTES OF LIMITATIONS ON CIVIL CLAIMS SHALL EACH BE GOVERNED BY THE LAWS OF THE STATE OF GEORGIA.

(b) The Issuer and the Bank irrevocably (1) agree that any suit, action or other legal proceeding arising out of this Reimbursement Agreement may be brought in the United States District Court for the Northern District of Georgia, (2) consent to jurisdiction in such court in any such suit, action or proceedings and (3) waive any objection which it may have to the laying of venue in any such suit, action or proceeding in such court and any claim that such suit, action or proceeding has been brought in an inconvenient forum.

(c) To the extent permitted by law, the Issuer and the Bank agree to waive their respective rights to a jury trial of any and all claims or causes of action based upon or arising out of this reimbursement agreement and the other related documents. Each party hereto (a) certifies that no representative, agent or attorney of any other person has represented, expressly or otherwise, that such other person would not, in the event of litigation, seek to enforce the foregoing waiver, and (b) acknowledges that it and the other parties hereto have been induced to enter into this Reimbursement Agreement and the other related documents by, among other things, the mutual waivers and certifications in this Section.

(d) TO THE EXTENT PERMITTED BY LAW, THE ISSUER WILL WAIVE ANY CLAIM OF IMMUNITY WITH RESPECT TO ITSELF THE PLEDGED REVENUES, ASSETS OR PROPERTY OF THE AIRPORT WHICH COMPRISE PLEDGED REVENUES ON GROUNDS OF SOVEREIGN IMMUNITY (OR SIMILAR GROUNDS) FOR ANY SUIT, ASSERTION OF JURISDICTION OF ANY COURT, RELIEF BY WAY OF INJUNCTION, ORDER FOR SPECIFIC PERFORMANCE OR FOR RECOVERY OF PROPERTY, ATTACHMENT OF ITS ASSETS AND EXECUTION OR ENFORCEMENT OF ANY JUDGMENTS, WHICH SUCH SUIT, ASSERTION, RELIEF, ORDER, ATTACHMENT OR

EXECUTIONS ARISING OUT OF A CLAIM SEEING A REMEDY FOR BREACH OF THIS REIMBURSEMENT AGREEMENT. ANY REMEDY, RECOVERY OR JUDGMENT AGAINST THE ISSUER IN FAVOR OF THE BANK HEREUNDER SHALL BE LIMITED TO THE PLEDGED REVENUES OF THE AIRPORT, IT BEING AGREED THAT ALL OTHER REVENUES, ASSETS AND PROPERTY OF THE ISSUER SHALL BE UNAVAILABLE TO BANK OR ANY CLAIMANT FOR ANY PURPOSE UNDER THIS REIMBURSEMENT AGREEMENT.

Section 9.07. Headings. Section headings in this Reimbursement Agreement are included herein for convenience of reference only and shall not have any effect for purposes of interpretation or construction of the terms of this Reimbursement Agreement.

Section 9.08. Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Reimbursement Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Issuer may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Bank. Nothing in this Reimbursement Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (b) of this Section 9.08 and, to the extent expressly contemplated hereby, the Related Parties of the Bank) any legal or equitable right, remedy or claim under or by reason of this Reimbursement Agreement.

(b) Participations. The Bank may at any time, without the consent of, or notice to, the Issuer, sell participations to any Person (other than a natural person or the Issuer or any of the Issuer's Affiliates) (each, a "Participant") in all or a portion of the Bank's rights and/or obligations under this Reimbursement Agreement; provided that (i) the Bank's obligations under this Reimbursement Agreement shall remain unchanged, (ii) the Bank shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Issuer shall continue to deal solely and directly with the Bank in connection with the Bank's rights and obligations under this Reimbursement Agreement.

Any agreement or instrument pursuant to which the Bank sells such a participation shall provide that the Bank shall retain the sole right to enforce this Reimbursement Agreement and to approve any amendment, modification or waiver of any provision of this Reimbursement Agreement; provided that such agreement or instrument may provide that the Bank will not, without the consent of the Participant, agree to any amendment, waiver or other modification that affects such Participant. The Issuer agrees that each Participant shall be entitled to the benefits of Sections 2.06, 2.07 and 2.13 to the same extent as if it were the Bank and had acquired its interest by assignment pursuant to subsection (a) of this Section 9.08.

(c) Certain Pledges. In addition to the rights of the Bank set forth above, the Bank may at any time pledge or grant a security interest in all or any portion of its rights or interests hereunder to secure obligations of the Bank or an Affiliate of the Bank, including any pledge or assignment to secure obligations to a Federal Reserve Bank or to any state or local governmental entity or with respect to public deposits; provided that no such pledge or assignment shall release the Bank from any of its obligations under the Letter of Credit or substitute any such pledgee or assignee for the Bank as a party hereto.

Section 9.09. Counterparts. This Reimbursement Agreement may be signed in any number of counterpart copies, but all such copies shall constitute one and the same instrument.

Section 9.10. Complete and Controlling Agreement. This Reimbursement Agreement and the other Related Documents completely set forth the agreements between the Bank and the Issuer and fully supersede all prior agreements, both written and oral, between the Bank and the Issuer relating to the issuance of the Letter of Credit and all matters set forth herein and in the Related Documents.

Section 9.11. Government Regulations. The Issuer shall (a) ensure that no Person who owns a controlling interest in or otherwise controls the Issuer is or shall be listed on the Specially Designated Nationals and Blocked Person List or other similar lists maintained by the Office of Foreign Assets Control ("OFAC"), the Department of the Treasury or included in any Executive Orders, that prohibits or limits Bank from making any advance or extension of credit to the Issuer or from otherwise conducting business with the Issuer and (b) ensure that the Series Q Note proceeds and proceeds drawn under the Letter of Credit shall not be used to violate any of the foreign asset control regulations of OFAC or any enabling statute or Executive Order relating thereto. Further the Issuer shall comply, and cause any of its subsidiaries to comply, with all applicable Bank Secrecy Act ("BSA") laws and regulations, as amended.

Section 9.12. Costs and Expenses. (a) The Issuer shall pay (i) all reasonable out-of-pocket expenses incurred by the Bank and its Affiliates, in connection with the preparation, negotiation, execution, delivery and administration of this Reimbursement Agreement and the other Related Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by the Bank in connection with the issuance, amendment, renewal or extension of its Letter of Credit or any demand for payment thereunder and (iii) all out-of-pocket expenses incurred by the Bank (including the fees, charges and disbursements of any counsel for the Bank), and all fees and time charges for attorneys who may be employees of the Bank, in connection with the enforcement or protection of its rights (A) in connection with this Reimbursement Agreement and the other Related Documents, including its rights under this Section, or (B) in connection with the Drawings or Loans made or the Letter of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Drawings or Loans or the Letter of Credit.

Section 9.13. USA Patriot Act. The Bank hereby notifies the Issuer that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies the Issuer, which information includes the name and address of the Issuer and other information that will allow the Bank to identify the Issuer in accordance with the Act. The Issuer agrees to, promptly following a request by the Bank, provide all such other documentation and information reasonably requested by Bank for purposes of compliance with applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the Act.

Section 9.14. No Advisory or Fiduciary Relationship. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Related Document), the Issuer acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (a) (i) the services regarding this Reimbursement Agreement provided by the Bank and any Affiliate thereof are arm's-length commercial transactions between the Issuer, on the one hand, and the Bank and its Affiliates, on the other hand, (ii) the Issuer has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) the Issuer is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Related Documents; (b) (i) the Bank and its Affiliates each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant

parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary, for the Issuer, or any other Person and (ii) neither the Bank nor any of its Affiliates has any obligation to the Issuer with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Related Documents; and (c) the Bank and its Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Issuer, and neither the Bank nor any of its Affiliates has any obligation to disclose any of such interests to the Issuer. To the fullest extent permitted by law, the Issuer, hereby waives and releases any claims that it may have against the Bank or any of its Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transactions contemplated hereby.

Section 9.15. Payment Set Aside. To the extent that the Bank receives any payment from or on behalf of the Issuer, or the Bank exercises its right of setoff, which payment or setoff amount or any part thereof is subsequently invalidated, declared to constitute a fraudulent conveyance or preferential transfer, set aside, or required to be repaid (including pursuant to any settlement entered into by the Bank in its discretion) to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause (collectively, "Set Aside"); then, to the extent of any such Set Aside, the obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or setoff amount had not been received by the Bank.

Section 9.16. Electronic Execution of Certain Documents. This Agreement and any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement (each a "Communication"), including Communications required to be in writing, may, if agreed by the Bank, be in the form of an Electronic Record and may be executed using Electronic Signatures, including, without limitation, facsimile and/or .pdf. The Issuer agrees that any Electronic Signature (including, without limitation, facsimile or .pdf) on or associated with any Communication shall be valid and binding on the Issuer to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of the Issuer enforceable against the Issuer in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered to the Bank. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Bank of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Bank may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of the Bank's business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Bank is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Bank pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Bank has agreed to accept such Electronic Signature, the Bank shall be entitled to rely on any such Electronic Signature without further verification and (b) upon the request of the Bank any Electronic Signature shall be promptly followed by a manually executed, original counterpart. For purposes hereof, "Electronic Record" and "Electronic Signature" shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

Section 9.17. EMMA Postings. The Issuer may, after consultation with the Bank, file (or cause to be filed) with the Municipal Securities Rulemaking Board under its Electronic Municipal Market Access

(EMMA) system or otherwise a copy of this Agreement and agreements between the Bank and the Issuer related to this Agreement, in each case redacted in a manner satisfactory to the Bank to prevent disclosure of any signatures, account information, information regarding pricing, or other proprietary or other confidential information under State law regarding the transactions contemplated hereby, or a summary of this Agreement and such related agreements (in each case as so redacted); provided, however, the Issuer shall be permitted, without consultation with the Bank, to include in such redacted copies of this Agreement (or summaries thereof) such information as shall be necessary to comply with requirements of applicable law (including, but not limited to, federal or state securities laws and the regulations promulgated thereunder) and the requirements of the Issuer's other contractual obligations. Notwithstanding anything herein to the contrary, the Bank consents to the Issuer attaching this Agreement to (i) any legislation required to be adopted by the governing body of the Issuer to authorize the Issuer's execution, delivery and performance of such Agreement and (ii) any pleadings required to be filed in connection with the Georgia statutory bond validation proceedings.

Section 9.18. US QFC Stay Rules.

(a) Recognition of U.S. Resolution Regimes. In the event that any party that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of this Agreement (and any interest and obligation in or under this Agreement and any property securing this Agreement) from such Covered Entity will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement (and any such interest, obligation and property) were governed by the laws of the United States or a state of the United States. In the event that any party that is a Covered Entity or a BHC Act Affiliate of such party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights against such party with respect to this Agreement are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States. The requirements of this paragraph (a) apply notwithstanding the provisions of paragraph (b).

(b) Limitation on the Exercise of Certain Rights Related to Affiliate Insolvency Proceedings. Notwithstanding anything to the contrary in this Agreement or any related agreement, but subject to the requirements of paragraph (a), no party to this Agreement shall be permitted to exercise any Default Right against a party that is a Covered Entity with respect to this Agreement that is related, directly or indirectly, to a BHC Act Affiliate of such Covered Entity becoming subject to Insolvency Proceedings, except to the extent the exercise of such Default Right would be permitted under 12 C.F.R. § 252.84, 12 C.F.R. § 47.5, or 12 C.F.R. § 382.4, as applicable. After a BHC Act Affiliate of a party that is a Covered Entity has become subject to Insolvency Proceedings, any party that seeks to exercise a Default Right against such Covered Entity with respect to this Agreement shall have the burden of proof, by clear and convincing evidence, that the exercise of such Default Right is permitted hereunder.

"BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"Covered Entity" means any of the following:

(a) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

(b) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or

(c) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“Insolvency Proceeding” means a receivership, insolvency, liquidation, resolution, or similar proceeding.

“U.S. Special Resolution Regime” means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

Ladies and Gentlemen:

We hereby establish, at the request and for the account of the City of Atlanta (the "City"), in your favor, as Paying Agent (the "Paying Agent") with respect to the City's Third Lien Airport General Revenue Commercial Paper Notes, Series Q-1 (Non-AMT) and Series Q-2 (AMT), issued pursuant to the City's Restated and Amended Master Bond Ordinance adopted by the City on March 20, 2000 (the "Master Bond Ordinance") as amended from time to time including by that certain Thirty-Fourth Supplemental Ordinance adopted by the City on November 18, 2024 (the "Thirty-Fourth Supplemental Bond Ordinance"), in each case as supplemented and amended in accordance with the terms thereof and the hereinafter defined Reimbursement Agreement (collectively, the "Bond Ordinance"), pursuant to which up to \$300,000,000 in aggregate principal amount of the City's Third Lien Airport General Revenue Commercial Paper Notes, Series Q-1 (Non-AMT) and Series Q-2 (AMT) (the "Commercial Paper"), is being or may be issued, our Irrevocable Letter of Credit No. \_\_\_\_\_ in the maximum available amount of \$326,630,137 (calculated as the sum of the maximum principal amount of the Commercial Paper (i.e., \$300,000,000) plus interest thereon at the maximum rate of twelve percent (12%) per annum for a period of two hundred seventy (270) days calculated on the basis of a year of 365 days and the actual number of days elapsed) (as more fully described below) (the "Stated Amount"), which may be drawn upon from time to time in respect of the principal of and actual interest accrued on the Commercial Paper, effective on the date hereof and expiring on the Stated Expiration Date (as hereinafter defined) or earlier as hereafter provided; provided, however, that if such date is not a Business Day, the Stated Expiration Date shall be the next preceding Business Day. The Stated Amount is subject to reductions and reinstatements as provided herein. All drawings under this Letter of Credit will be paid with our own immediately available funds and will not be paid directly or indirectly from funds or collateral to deposit with or for the account of, or pledged with or for the account of, us by the City. This Letter of Credit is being issued pursuant to that certain Letter of Credit Reimbursement Agreement dated as of January 1, 2025 (the "Reimbursement Agreement"), between the City and the Bank. Capitalized terms used but not defined herein shall have the same meaning herein as in the Reimbursement Agreement.

We hereby irrevocably authorize you to draw on us in an aggregate amount not to exceed the Stated Amount of this Letter of Credit set forth above and in accordance with the terms and conditions and subject to the reductions and reinstatements in amount as hereinafter set forth, in one or more Drawings (as hereinafter defined) (subject to the provisions contained in the second following paragraph), payable as set

Upon our honoring any Drawing, the Stated Amount and the amount available to be drawn hereunder by you pursuant to any subsequent Drawing shall be automatically decreased by an amount equal to the amount of such Drawing. In connection therewith, the Stated Amount and the amounts from time to time available to be drawn by you hereunder by any Drawing (except in the case of a Drawing resulting from the delivery of a Final Drawing Notice) shall be increased when and to the extent, but only when and to the extent (i) (A) of transfer by you to us on the date such Drawing is honored of proceeds of Commercial Paper issued on such date or (B) you receive written notice from us to you in the form of Annex I hereto that we have been reimbursed by or on behalf of the City for any amount drawn hereunder by any Drawing, and (ii) that you have not received from us a No-Issuance Notice in the form attached hereto as Annex H.

No Drawing may be made under this Letter of Credit with respect to (a) any Commercial Paper issued after your receipt and the effectiveness of any No-Issuance Notice in the form of Annex H hereto or a Final Drawing Notice, in either case, from us and prior to your receipt of written notice from us that such No-Issuance Notice or Final Drawing Notice, as applicable, is rescinded and (b) Commercial Paper issued in a principal amount in excess of the principal amount of Commercial Paper maturing on the date such Commercial Paper was issued after your receipt and the effectiveness of any Restricted Issuance Notice, in the form of Annex J hereto from us and prior to your receipt of written notice from us that such Restricted Issuance Notice is rescinded. Schedule 2.02

**SOFR ADDENDUM  
(TERM SOFR)**

This **SOFR ADDENDUM** (“Addendum”) is hereby made a part of the Letter of Credit Reimbursement Agreement dated as of January 1, 2025 (the “Reimbursement Agreement”), between **CITY OF ATLANTA** (the “Issuer”), and **TRUIST BANK**, a North Carolina banking corporation (the “Bank”).

**1. INTEREST RATE.** Interest shall accrue during each Interest Period at a variable rate of interest per annum equal to the Bank Rate.

**2. DEFINITIONS.** Any capitalized terms not defined herein shall have the meaning set forth in the Reimbursement Agreement.

“**Adjusted Term SOFR Rate**” means the variable annual interest rate calculated for each Interest Period equal to the sum obtained by adding (i) Term SOFR for said Interest Period plus (ii) the Margin.

“**Determination Day**” means that date which is (i) two U.S. Government Securities Business Days prior to the first day of the Interest Period if such day is a U.S. Government Securities Business Day or (ii) if the first day of the Interest Period is not a U.S. Government Securities Business Day then two U.S. Government Securities Business Days prior to the U.S. Government Securities Business Day immediately preceding the commencement of the Interest Period.

“**Interest Period**” means, with respect to each Loan, a one-month period commencing on the first day of each month, provided that the initial Interest Period will commence on the date of such Loan and result in a shorter initial Interest Period. No Interest Period shall extend beyond the Amortization End Date.

“**Margin**” means 1.50% per annum.

“**Term SOFR**” means the Term SOFR reference rate for a one month tenor as administered by the Term SOFR Administrator and quoted by Bloomberg Finance L.P., or any quoting service or commonly available source utilized by Bank on the Determination Day; provided that if as of 5:00 p.m. (New York time) on the Determination Day, Term SOFR for such tenor has not been published by the Term SOFR Administrator, then, subject to Section 3, the rate used will be Term SOFR for such tenor as published by the Term SOFR Administrator for the immediately preceding U.S. Government Securities Business Day on which such rate was published on the Term SOFR Administrator’s website so long as such immediately preceding U.S. Government Securities Business Day is not more than three (3) U.S. Government Securities Business Days prior to such Determination Day; and further provided if Term SOFR would be less than zero percent (0%), then it shall be deemed to be zero percent (0%).

“**Term SOFR Administrator**” means CME Group Benchmark Administration Limited or a successor administrator of the Term SOFR selected by the Bank in its sole discretion.

“**U.S. Government Securities Business Day**” Any day except for (i) a Saturday, (ii) a Sunday, or (iii) a day on which the Securities Industry and Financial Markets Association recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in United States government securities.

### 3. EFFECT OF BENCHMARK TRANSITION EVENT.

(a) In the event Bank determines in its sole discretion that (i) there is a public announcement by the administrator of a Benchmark or a Relevant Governmental Body that such Benchmark will cease or has ceased to be published; (ii) a public announcement is made by the administrator of a Benchmark or any Relevant Governmental Body that the Benchmark is no longer representative; or (iii) a Relevant Governmental Body has determined that Bank may no longer utilize the Benchmark for purposes of setting interest rates (each a “Benchmark Transition Event”); Bank will have no obligation to make, fund or maintain a Loan based on the Benchmark and on a date and time determined by Bank, without any further action or consent of by the Issuer or amendment to this Addendum or any other Related Document, the first available alternative set forth in the order below that can be determined by Bank shall replace the Benchmark (“Successor Rate”):

(x) Relevant Governmental Body Recommended Rate; or

(y) Alternative Benchmark Rate.

(b) In connection with the implementation of a Successor Rate, Bank will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Related Document, any amendments implementing such Successor Rate or Conforming Changes will become effective without any further action or consent of the Issuer. Notwithstanding anything else herein, if at any time any Successor Rate as so determined would otherwise be less than zero percent (0%), the Successor Rate will be deemed to be zero percent (0%) for the purposes of this Addendum and the other Related Documents. For avoidance of doubt, following the implementation of the Successor Rate, in determining the interest rate applicable to any Loans, the Margin shall be added to the Successor Rate and any provisions for a minimum rate shall continue to apply.

(c) Bank will notify (in one or more notices) the Issuer of the implementation of any Successor Rate. Any determination or decision that may be made by Bank pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in Bank’s sole discretion and without consent from the Issuer.

(d) In the event Bank determines in its sole discretion that Bank cannot make, fund, or maintain a Loan based upon the Benchmark due to illegality or the inability to ascertain or determine said rate on the basis provided for herein (“Unavailability Period”) and a Benchmark Transition Event has not occurred, then at the election of the Bank the Benchmark shall convert to the Alternative Benchmark Rate for purposes of calculating the interest rate applicable to the then outstanding principal balance of Loans and for interest accruing on any fundings or advances requested by the Issuer and, thereafter, the interest rate applicable to the Loans shall adjust simultaneously with any fluctuation in the Alternative Benchmark Rate. In the event Bank determines that the circumstances giving rise the Unavailability Period have ended, at such time as determined by Bank the Benchmark will revert to the prior Benchmark (provided a Benchmark Transition Event has not occurred). Bank shall provide notice, which may be after the implementation of the Alternative Benchmark Rate as contemplated hereunder, to the Issuer of any Benchmark change that is made pursuant to this Section. For avoidance of doubt, following the conversion to the Alternative Benchmark Rate, in determining the interest rate applicable to the Loans, the Margin shall be added to the Alternative Benchmark Rate and any provisions for a minimum rate shall continue to apply.

(e) For purposes of this Section, in addition to the definitions set forth in Section 2, the following definitions shall apply:

**“Alternative Benchmark Rate”** means a rate of interest per annum equal to the Prime Rate minus two and 5/10 percent (2.5%) which shall adjust daily with changes in the Prime Rate.

**“Benchmark”** means initially Term SOFR, and thereafter it will be the then-current Successor Rate.

**“Conforming Changes”** means, with respect to any Successor Rate, any technical, administrative or operational changes (including changes to the definitions such as “Business Day,” “Interest Period,” timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, length of lookback periods, the applicability of breakage provisions and other technical, administrative or operational matters) that Bank decides may be appropriate to reflect the adoption and implementation of such Successor Rate and to permit the administration thereof by Bank in a manner Bank decides is reasonably necessary in connection with the administration of this Addendum and the other Related Documents.

**“Relevant Governmental Body”** means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto.

**“Relevant Governmental Body Recommended Rate”** means, in respect of any relevant day, the rate (inclusive of any spreads or adjustments which may be positive or negative) recommended as the replacement for the Benchmark by the Relevant Governmental Body (which rate may be produced by the Federal Reserve Bank of New York or another administrator).

All sums held by the Issuing and Paying Agent in the Notes Account will be held uninvested. Within the Notes Account, the Issuing and Paying Agent shall establish three subaccounts designated the “Series M Notes Subaccount,” the “Series N Notes Subaccount” and the “Series O Notes Subaccount” (each, a “**Notes Subaccount**”). The Notes Subaccounts shall be in the Issuing and Paying Agent’s name, as paying agent for the holders of Series M/N/O Notes issued by or on behalf of the City, and under the Issuing and Paying Agent’s exclusive control as agent for such holders and the respective Credit Providers. Except for holders of Series M/N/O Notes issued by or on behalf of the City, the Credit Providers, the City and the Issuing and Paying Agent, as paying agent therefor, no Person shall have any legal or beneficial interest in the Notes Subaccounts.

(c) (i) Pursuant to the Dealer Agreements, the proceeds of any Rolled Notes are to be transmitted to the Issuing and Paying Agent and any such amounts transmitted are to be deposited in the respective Notes Subaccounts, all of which shall be

confirmed by the Issuing and Paying Agent as of 11:30 a.m. (New York City time) on the date on which Series M/N/O Notes mature. Prior to 12:00 p.m. (New York City time) on the Business Day (as defined in the Reimbursement Agreements) on which Series M/N/O Notes mature, the Issuing and Paying Agent shall determine (1) the amount of proceeds of Rolled Notes that the Dealers of the respective subseries of Series M/N/O Notes have deposited in the respective Notes Subaccounts, and (2) the difference, if any, between the amounts specified in (1) above and the amount of the respective subseries of Series M/N/O Notes maturing. The Issuing and Paying Agent shall draw on the Series M Credit Facility, the Series N Credit Facility or Series O Credit Facility, as applicable, for any such difference. If the Issuing and Paying Agent does not receive notice or has not received a deposit of Rolled Note proceeds in the Notes Account from the City and/or Dealers by 12:00 p.m. (New York City time), the Issuing and Paying Agent shall draw on the respective Series M/N/O Credit Facilities an amount sufficient to pay in full any maturing Series M/N/O Notes at or prior to 12:00 p.m. (New York City time). The proceeds of each Drawing (as defined in the respective Reimbursement Agreement) under the Series M/N/O Credit Facilities shall be deposited in the applicable Credit Facility Subaccount. Any funds on deposit in the Credit Facility Account shall be subject to withdrawal solely by the Issuing and Paying Agent, as paying agent for the holders of Series M/N/O Notes, and solely for the purpose of paying maturing Series M/N/O Notes in respect of which the Issuing and Paying Agent has presented a drawing certificate in the form set forth in the applicable Credit Facility demanding payment in accordance with the terms of the related Credit Facility. All sums held by the Issuing and Paying Agent in the Credit Facility Account will be held uninvested for the payment of the principal of and interest due on the Series M/N/O Notes to the Persons entitled thereto until such sums have been paid to such Persons. All payments by a Credit Provider under the related Credit Facility in respect of a Drawing shall be credited to the Credit Facility Subaccount for the related Credit Provider, and no funds in the Credit Facility Account shall be commingled with monies from any other source.

(ii) After having confirmed the amount of proceeds of a rollover of Series M/N/O Notes that have been deposited by the Dealers as of 11:30 a.m. (New York City time) on the Business Day on which Series M/N/O Notes mature and prior to 12:00 p.m. (New York City time) on such Business Day, the Issuing and Paying Agent shall present to the payment office of the related Credit Provider as set forth in the related Credit Facility a drawing certificate conforming to the terms of the related Credit Facility in an amount equal to the principal of and accrued interest on the maturing Series M/N/O Notes, less the amount of proceeds derived from Rolled Notes that the City and/or Dealers of the respective subseries of Series M/N/O Notes has notified the Issuing and Paying Agent pursuant to Section 4(c)(i) above have been deposited in the respective Notes Accounts hereunder.

(d) Subject to the conditions precedent therefor, each Credit Provider has agreed to honor any properly presented and conforming drawing certificate under its related Credit Facility, with immediately available funds, not later than 2:30 p.m. (New York City time) on the Business Day on which such conforming drawing certificate has been properly presented to the payment office of the related Credit Provider (provided such properly presented and conforming drawing certificate is presented at or prior to

12:00 p.m. on such Business Day (New York City time)), by making a wire transfer to the Issuing and Paying Agent for deposit in the related Credit Facility Subaccount of an amount of immediately available funds equal to the amount so demanded.

(e) (i) All proceeds received by the Issuing and Paying Agent from the initial sale of the Series M/N/O Notes or from the proceeds of Rolled Notes shall be deposited in the respective Notes Subaccount of the Notes Account and shall be withdrawn only for the purposes set forth in this subsection (i), in the following order of priority: First, an amount equal to the amount designated by the Authorized Representative to be used to repay principal of and interest on maturing Series M/N/O Notes or on outstanding Series M/N/O Notes in advance of their respective maturity date shall be paid to the escrow fund, if any, established with an escrow agent. Second, an amount equal to the amount required to reimburse each respective Credit Provider for its Drawings shall be paid to such Credit Provider. Third, an amount equal to the amount designated by the Authorized Representative to be used for the purpose of financing or refinancing the costs of the planning, engineering, design, acquisition and construction of certain improvements to Hartsfield-Jackson Atlanta International Airport (the “**Airport**”) as described in the Hartsfield-Jackson Atlanta International Airport Master Plan and as particularly described in the plans and specifications on file, from time to time, with the City, including reimbursing the amounts drawn under the respective credit facilities securing the Series J Notes, the Series K Notes and the Series L Notes issued under a prior program established by the Airport, or for paying the costs of issuance of such Series M/N/O Notes shall be transferred from the applicable subaccount of the Notes Account and deposited to the applicable subaccount of the Notes Project Fund created under the Supplemental Ordinance or such other accounts or subaccounts designated by the Authorized Representative.

(ii) If the City receives a notice from the Issuing and Paying Agent that a properly presented and conforming drawing certificate under either Credit Facility has not been honored by the applicable Credit Provider and without limiting its obligations under the respective Credit Facility, the City agrees that it will prior to 1:00 p.m. (New York City time) and, in any event, not before payment is made by the respective Credit Provider under the applicable Credit Facility, on the date set forth in the applicable Credit Facility, deposit or cause to be deposited in the applicable Notes Subaccount an aggregate amount equal to the amount of the Drawing.

(iii) Notwithstanding any provision contained in this Agreement, the Issuing and Paying Agent agrees that it will in no event permit funds in the Notes Account to be withdrawn or transferred to any Credit Provider on the day of payment of any Drawing under a Credit Facility unless payment by the Credit Provider of such Drawing has been made.

(iv) The Issuing and Paying Agent shall have no responsibility for determining the purpose of or the intended use of any proceeds of any withdrawal from the Notes Account.

## 5. THE SERIES M/N/O CREDIT FACILITIES

The Issuing and Paying Agent shall request and receive Drawings under the Series M/N/O Credit Facilities on behalf of the holders of Series M/N/O Notes pursuant to Section 4 of this Agreement. Such Drawings shall be made in accordance with the terms of this Agreement, each Reimbursement Agreement and each of the respective Series M/N/O Credit Facilities.

(b) The Stated Amounts or Available Amounts, as applicable, of the Series M/N/O Credit Facilities shall be reduced and reinstated in accordance with the terms of the respective Credit Facility.

(c) The Stated Amounts or Available Amounts, as applicable, of the Series M/N/O Credit Facilities may be reduced, increased or cancelled, all in accordance with the respective terms thereof, provided that the Stated Amounts or Available Amounts, as applicable, shall not be reduced to an amount less than the principal of and interest due at maturity on outstanding applicable Series M/N/O Notes issued prior to the effectiveness of a related No-Issuance Notice or Final Drawing Notice, as applicable, (each as defined in the Reimbursement Agreements).

(d) Any collected funds remaining in a Credit Facility Subaccount at the close of business on the maturity date of any Note shall (i) to the extent required for the payment of any matured Note not presented for payment by the holder thereof, be held until such matured Note, for which the Drawing was made, is presented for payment by the holder thereof and (ii) to the extent not so required, be returned to the applicable Credit Provider, unless the Drawing which was made to pay such matured Note has been repaid in full, in which case such funds shall be returned to the City.

Any Certificated Note bearing the manual or facsimile signature of a person who is an Authorized Representative on the date such signature was affixed shall bind the City after completion thereof by the Issuing and Paying Agent, notwithstanding that such person shall have ceased to hold his or her office on the date such Certificated Note is countersigned or delivered by the Issuing and Paying Agent.

The Master Note and the Book-Entry Notes shall be subject to DTC's rules and procedures, as amended from time to time. The Issuing and Paying Agent shall not be liable or responsible for sending transaction statements of any kind to DTC's participants or the beneficial owners of the Book-Entry Notes, or for maintaining, supervising or reviewing the records of DTC or its participants with respect to such Book-Entry Notes. In connection with DTC's program, the City understands that as one of the conditions of its participation therein, it shall be necessary for the City and the Issuing and Paying Agent to enter into Letter of Representations, in the forms of "**Exhibit D**," "**Exhibit E**" and "**Exhibit F**" hereto, and for DTC to receive and accept such Letter of Representation. In accordance with DTC's program, the Issuing and Paying Agent shall obtain from the CUSIP Service Bureau a written list of CUSIP numbers for the City's Book-Entry Notes, and the Issuing and Paying Agent shall deliver such list to DTC. The CUSIP

Service Bureau shall bill the City directly for the fee or fees payable for the list of CUSIP numbers for the City's Book-Entry Notes.

## **9. ISSUANCE INSTRUCTIONS; PURCHASE PAYMENTS**

The City understands that all instructions under this Agreement are to be directed to the Issuing and Paying Agent. The Issuing and Paying Agent shall provide the City, or, if applicable, the City's Dealers, with access to the Issuing and Paying Agent's Money Market Issuance System or other electronic means, including SPANS (as defined in paragraph (f) in this Section 9) (collectively, the "**System**") in order that the Issuing and Paying Agent may receive electronic instructions for the issuance of Series M/N/O Notes. Electronic instructions must be transmitted in accordance with the procedures furnished by the Issuing and Paying Agent to the City or its Dealers in connection with the System. These transmissions shall be the equivalent to the giving of a duly authorized written and signed instruction, which the Issuing and Paying Agent may act upon without liability. In the event that the System is inoperable at any time, an Authorized Representative or a Delegate may deliver written, telephone or facsimile instructions to the Issuing and Paying Agent, which instructions shall be verified in accordance with any security procedures agreed upon by the parties. The Issuing and Paying Agent shall incur no liability to the City in acting upon instructions believed by the Issuing and Paying Agent in good faith to have been given by an Authorized Representative or a Delegate. In the event that a discrepancy exists between a telephonic instruction and a written confirmation, the telephonic instruction will be deemed the controlling and proper instruction. The Issuing and Paying Agent may electronically record any conversations made pursuant to this Agreement, and the City hereby consents to such recordings. All issuance instructions regarding the Series M/N/O Notes must be received by 12:00 p.m. New York City time in order for the Series M/N/O Notes to be issued or delivered on the same day.

(a) **Issuance and Purchase of Book-Entry Notes.** Upon receipt of issuance instructions from the City or any one of its Dealers with respect to Book-Entry Notes, the Issuing and Paying Agent shall transmit such instructions to DTC and direct DTC to cause appropriate entries of the Book-Entry Notes to be made in accordance with DTC's applicable rules, regulations and procedures for book-entry commercial paper programs. The Issuing and Paying Agent shall assign CUSIP numbers to the City's Book-Entry Notes to identify the City's aggregate principal amount of outstanding Book-Entry Notes in DTC's system, together with the aggregate unpaid interest on such Book-Entry Notes. Promptly following DTC's established settlement time on each issuance date, the Issuing and Paying Agent shall access DTC's system to verify whether settlement has occurred with respect to the City's Book-Entry Notes. Prior to the close of business on such Business Day, the Issuing and Paying Agent shall deposit immediately available funds in the amount of the proceeds due to the City (if any) to the applicable Notes Subaccount, provided that the Issuing and Paying Agent has received DTC's confirmation that the Book-Entry Notes have settled in accordance with DTC's applicable rules, regulations and procedures. The Issuing and Paying Agent shall have no liability to the City whatsoever if any DTC participant purchasing a Book-Entry Note fails to settle or delays in settling its balance with DTC or if DTC fails to perform in any respect.

(b) **Issuance and Purchase of Certificated Notes.** Upon receipt of issuance instructions with respect to Certificated Notes, the Issuing and Paying Agent shall: (a) complete each Certificated Note as to principal amount, date of issue, maturity date, place of payment, and rate or amount of interest in accordance with such instructions; (b) countersign each Certificated Note; and (c) deliver each Certificated Note in accordance with the City's instructions, except as otherwise set forth below. Whenever the Issuing and Paying Agent is instructed to deliver any Certificated Note by mail, the Issuing and Paying Agent shall strike from the Certificated Note the word "Bearer," insert as payee the name of the person so designated by the City and effect delivery by mail to such payee or to such other person as is specified in such instructions to receive the Certificated Note. The City understands that, in accordance with the custom prevailing in the commercial paper market, delivery of Certificated Notes shall be made before the actual receipt of payment for such Certificated Notes in immediately available funds, even if the City instructs the Issuing and Paying Agent to deliver a Certificated Note against payment. Therefore, once the Issuing and Paying Agent has delivered a Certificated Note to the designated recipient, the City shall bear the risk that such recipient may fail to remit payment of such Certificated Note or return such Certificated Note to the Issuing and Paying Agent. Delivery of Certificated Notes shall be subject to the rules of the New York Clearing House in effect at the time of such delivery. Funds received in payment of Certificated Notes shall be credited to the related Notes Account.

(c) **Restrictions and Limitations on the Issuance of Notes.** Notwithstanding anything to the contrary herein, no Series M/N/O Note may be issued unless the Issuing and Paying Agent has received complete instructions in accordance with the provisions of this Section 9. Additionally, no Note may be issued (i) having a principal amount less than \$100,000 or (ii) having an integral multiple of less than \$1,000 thereof; (iii) having a maturity date later than the earlier to occur of (x) 270 days from the date of issuance of the Series M/N/O Note or (y) five Business Days prior to (A) the expiration of the related Credit Facility unless the City shall have arranged for a Substitute Facility or (B) the Termination Date (as defined in the related Credit Facility) of the related Credit Facility; (iv) (A) with respect to Series M Notes, having a principal amount together with the interest thereon that, when added to the then outstanding principal amount of Series M Notes together with the interest thereon, would cause the total outstanding principal amount of Series M Notes together with the interest thereon to exceed the Available Amount (or Stated Amount, as applicable) of the Series M Credit Facility on the date of issuance of the Series M Note, (B) with respect to Series N Notes, having a principal amount together with the interest thereon that, when added to the then outstanding principal amount of Series N Notes together with the interest thereon, would cause the total outstanding principal amount of Series N Notes together with the interest thereon to exceed the Available Amount (or Stated Amount, as applicable) of the Series N Credit Facility on the date of issuance of the Series N Note, and (C) with respect to Series O Notes, having a principal amount together with the interest thereon that, when added to the then outstanding principal amount of Series O Notes together with the interest thereon, would cause the total outstanding principal amount of Series O Notes together with the interest thereon to exceed the Available Amount (or Stated Amount, as applicable) of the Series O Credit Facility on the date of issuance of the Series O Note, (v) (A) with respect to Series M Notes, notwithstanding any contrary instructions from

the City, any Series M Notes pursuant to such instructions if such issuance would result in the aggregate principal amount of and interest payable upon maturity of the Series M Notes would be in excess of \$350,000,000, (B) with respect to Series N Notes, notwithstanding any contrary instructions from the City, any Series N Notes pursuant to such instructions if such issuance would result in the aggregate principal amount of and interest payable upon maturity of the Series N Notes would be in excess of \$475,000,000, or (C) with respect to Series O Notes, notwithstanding any contrary instructions from the City, any Series O Notes pursuant to such instructions if such issuance would result in the aggregate principal amount of and interest payable upon maturity of the Series O Notes would be in excess of \$125,000,000, and (vi) that bear interest in an amount that exceeds the interest component, the maximum of which interest component is calculated at a rate of twelve percent (12.00%), or such lesser amount set forth in the applicable Credit Facility, of the Stated Amount (or Available Amount, as applicable) for a period of 270 days for the actual number of days on the basis of a 365 day year.

(d) **No-Issuance Notice, Final Drawing Notice or Restricted Issuance Notice.** Notwithstanding anything to the contrary herein, on any day that the Issuing and Paying Agent receives (i) a No-Issuance Notice (as defined in each Credit Facility), in the form of Annex H to the Series M Credit Facility, Annex H to the Series N Credit Facility and Annex H to the Series O Credit Facility, or (ii) a written notice from a Credit Provider that there is a default or event of default under its related Reimbursement Agreement together with a written request that the Issuing and Paying Agent make the final drawing under the related Credit Facility in the form of Annex E to the Series M Credit Facility, Annex E to the Series N Credit Facility or Annex E to the Series O Credit Facility, the Issuing and Paying Agent shall immediately cease issuing, authenticating and delivering Series M/N/O Notes for which the issuing instructions are received after the receipt of such notice. Additionally, the Issuing and Paying Agent shall on a best effort basis stop the delivery of Certificated Notes and the transmission of Book-Entry Notes to DTC, the issuance instructions for which were received on the same day as the date of such notice; provided, however, that the Issuing and Paying Agent shall be required to deliver Series M/N/O Notes in respect of which agreements for the sale of the Series M/N/O Notes were concluded by a Dealer prior to the receipt of such notice. For the purposes of the preceding proviso, the Issuing and Paying Agent may rely on a written notice given or delivered to the Issuing and Paying Agent by the Dealer as to whether any particular Note is to be issued in respect of such agreements concluded by such Dealer, and the Issuing and Paying Agent shall have no obligation to make any further investigation.

If the Issuing and Paying Agent shall receive a No Issuance Notice or the Final Drawing Notice from either Credit Provider, the Issuing and Paying Agent shall not thereafter issue or deliver any related Series M/N/O Notes supported by the applicable Credit Facility, notwithstanding any contrary instructions received from an Authorized Representative or Delegate of the City or the Dealer, and the Issuing and Paying Agent may only resume issuing Series M/N/O Notes only if such No Issuance Notice is withdrawn in writing by the applicable Credit Provider. The Issuing and Paying Agent shall immediately give notice to the City and the Dealer of the receipt of a No Issuance Notice or the Final Drawing Notice. A No Issuance Notice shall not be effective until

received by the Issuing and Paying Agent. If received by the Issuing and Paying Agent by 10:00 a.m. (New York time) on a Business Day, it shall be effective on the same Business Day. Otherwise it shall be effective on the immediately succeeding Business Day. No further authentication or delivery of the Series M/N/O Notes shall be made after the effective date of the No Issuance Notice or Final Drawing Notice until such time as the applicable Credit Provider shall have rescinded such instructions by a notice in writing to the Issuing and Paying Agent.

On and after the day on which the Issuing and Paying Agent receives a Restricted Issuance Notice (as defined in the related Credit Facility) in the form of Annex J to the related Credit Facility, the Issuing and Paying Agent shall not issue Series M/N/O Notes, as applicable, on any day having a principal amount in excess of the principal amount of Series M/N/O Notes, as applicable, maturing on such day.

Once the Issuing and Paying Agent has received a No-Issuance Notice or Final Drawing Notice as described above, the Issuing and Paying Agent may not resume issuing Series M/N/O Notes or, in the case of receipt of a Restricted Issuance Notice, may issue Series M/N/O Notes limited in principal amount to the principal amount of Series M/N/O Notes maturing on such date of issuance, unless and until the Issuing and Paying Agent has received a written notice from the Credit Provider that (1) such notice has been rescinded and (2) the Issuing and Paying Agent may resume issuing Series M/N/O Notes. If the Issuing and Paying Agent receives a written notice from the related Credit Provider that there is a default under the related Reimbursement Agreement and requesting a final drawing under the related Credit Facility, the Issuing and Paying Agent shall follow the instructions set forth in such notice, including (i) ceasing to authenticate the related Series M/N/O Notes on the date set forth in such Final Drawing Notice and (ii) before the Termination Date (as defined in the applicable Credit Facility) of the related Credit Facility, making the final drawing under the Credit Facility to provide for the payment of principal of and interest on the related Series M/N/O Notes issued in accordance with the Supplemental Ordinance that are outstanding and are maturing or are to mature after receipt of such Final Drawing Notice, promptly (but in no event later than 2 business days prior to the Termination Date of the applicable Credit Facility) make a final drawing in an amount equal to the principal of the related outstanding Series M/N/O Notes (other than Excluded Notes, as such term is defined in the related Credit Facility) plus interest to their maturity and apply such monies to payments on all related outstanding Series M/N/O Notes as such related Series M/N/O Notes mature after receipt of such Final Drawing Notice. Notwithstanding anything herein to the contrary, the instructions contained in this paragraph (d) are irrevocable and may not be revoked, rescinded, altered or modified by the City for so long as each Credit Facility remains in effect.

Immediately upon receipt of the Final Drawing Notice, the Issuing and Paying Agent shall present all required drawing certificates and accompanying documentation, if required, to the applicable Credit Provider and demand payment be made immediately and directly to the Issuing and Paying Agent under the applicable Credit Facility of an amount sufficient to pay the entire amount of principal of the then outstanding related Series M/N/O Notes supported by the related Credit Facility and the

interest due on such related Series M/N/O Notes on the maturity date(s) first to occur after receipt of such Final Drawing Notice.

Such final drawing amounts shall be deposited into the applicable Credit Facility Subaccount and held uninvested until used to pay the principal of and interest on the related Series M/N/O Notes upon proper presentation thereof at maturity.

(e) **Bank Officers.** For the purposes of this Agreement, officers of each Credit Provider shall be authorized to act and to give instructions and notices on behalf of such Credit Provider hereunder, and the Issuing and Paying Agent shall be entitled conclusively to rely on any writing, paper or notice purporting to be signed, sent or given by any officer of such Credit Provider, unless an officer of the Issuing and Paying Agent shall have received written notice from an officer of such Credit Provider that a particular writing, paper or notice was not signed, sent or given by an authorized officer of the related Credit Provider.

(f) **SPANS.** The City is granted a personal, non-transferable and non-exclusive right to use the instruction and reporting communication service “Securities Processing Automated Note System” (“**SPANS**”) to transmit instructions made pursuant to this Agreement. The City, by separate agreement between the City and its Dealer may authorize the Dealer (in each case other than the Issuing and Paying Agent) to directly access SPANS for the purposes of transmitting instructions to the Issuing and Paying Agent or obtaining reports with respect to the Series M/N/O Notes.

The City acknowledges that (a) some or all of the services utilized in connection with SPANS are furnished by Open Information System (“**OIS**”) and the Issuing and Paying Agent, (b) SPANS is provided to the City “AS IS” without warranties or representations of any kind whatsoever by OIS or the Issuing and Paying Agent, and (c) SPANS is proprietary and confidential property disclosed to the City in confidence and only on the terms and conditions and for the purposes set forth in this Agreement.

By this Agreement, the City acquires no title, ownership or sublicensing rights whatsoever in SPANS or in any trade secret, trademark, copyright or patent of the Issuing and Paying Agent or OIS now or to become applicable to SPANS. The City may not transfer, sublicense, assign, rent, lease, convey, modify, translate, convert to a programming language, decompile, disassemble, recirculate, republish or redistribute SPANS for any purpose without the prior written consent of the Issuing and Paying Agent and, where necessary, OIS.

In the event (a) any action is taken or threatened which may result in a disclosure or transfer of SPANS or any part thereof, other than as authorized by this Agreement, or (b) the use of any trademark, trade name, service mark, service name, copyright or patent of the Issuing and Paying Agent or OIS by the City amounts to unfair competition, or otherwise constitutes a possible violation of any kind, then the Issuing and Paying Agent and/or OIS shall have the right to take any and all action deemed necessary to protect their rights in SPANS, and to avoid the substantial and irreparable

damage which would result from such disclosure, transfer or use, including the immediate termination of the City's right to use SPANS.

To permit the use of SPANS to issue instructions and/or obtain reports with respect to the Series M/N/O Notes, the Issuing and Paying Agent will supply the City with an identification number and initial passwords. From time to time thereafter, the City may change its passwords directly through SPANS. To the extent permitted by law, the City will keep all information relating to its identification number and passwords strictly confidential and will be responsible for the maintenance of adequate security over its customer identification number and passwords. For security purposes, the City should change its passwords at least once a year.

Instructions transmitted over SPANS and received by the Issuing and Paying Agent pursuant to this Agreement accompanied by the City's identification number and the passwords, shall be deemed conclusive evidence that such instructions are correct and complete and that the issuance or redemption of the Series M/N/O Notes directed thereby has been duly authorized by the City.

#### **10. USE OF SALES PROCEEDS IN ADVANCE OF PAYMENT**

The Issuing and Paying Agent shall not be obligated to credit the Notes Account unless and until payment of the purchase price of each Note is received by the Issuing and Paying Agent. From time to time, the Issuing and Paying Agent, in its sole discretion, may permit the City to have use of funds payable with respect to a Note prior to the Issuing and Paying Agent's receipt of the sales proceeds of such Note. If the Issuing and Paying Agent makes a deposit, payment or transfer of funds on behalf of the City before the Issuing and Paying Agent receives payment for any Note, such deposit, payment or transfer of funds shall represent an advance by the Issuing and Paying Agent to the City to be repaid promptly, and in any event on the same day as it is made, from the proceeds of the sale of such Note, or by the City if such proceeds are not received by the Issuing and Paying Agent.

#### **11. PAYMENT OF MATURED SERIES M/N/O NOTES**

On any day when a Series M/N/O Note matures or on which the final drawing is made, the City shall cause the related Credit Provider to transmit, to the related Credit Facility Subaccount, prior to 3:30 p.m. New York City time on the Business Day on which a drawing certificate has been properly presented, an amount of immediately available funds sufficient to pay the aggregate principal amount of such Series M/N/O Note and any applicable interest due, less the amount of proceeds from the rollover of any Series M/N/O Notes that the City and/or Dealers of the respective subseries of Series M/N/O Notes has notified the Issuing and Paying Agent pursuant to Section 4(c)(i) hereof has been deposited in the Notes Account on the date on which such Series M/N/O Notes mature. The drawing certificate shall specify such amount of deposited proceeds derived from a rollover of maturing Series M/N/O Notes for which the Dealers have sold or purchased new Series M/N/O Notes. Notwithstanding the foregoing, the Issuing and Paying Agent, prior to 12:00 p.m. New York City time on the Business Day on which a Series M/N/O Note matures, shall make a Drawing under the related Credit Facility in an amount sufficient to pay the maturing principal of and interest on such Series M/N/O Note,

pursuant to Section 4(c)(ii) hereof. The Issuing and Paying Agent shall pay the interest and principal on a Book-Entry Note to DTC in immediately available funds, which payment shall be by net settlement of the Issuing and Paying Agent Account at DTC. The Issuing and Paying Agent shall pay Certificated Notes upon presentment. The Issuing and Paying Agent shall have no obligation under this Agreement to make any payment for which there is not sufficient, available and collected funds in the Credit Facility Account, and the Issuing and Paying Agent may, without liability to the City, refuse to pay any Note that would result in an overdraft to the Credit Facility Account.

Series M/N/O Notes shall be paid by debiting the Credit Facility Account in accordance with the provisions of this Section 11.

Series M/N/O Notes will be paid first from the proceeds of the Rolled Notes previously issued or from the sale of new Series M/N/O Notes, second from draws under the related Credit Facility, and third from funds deposited into the Notes Account by the City. The Issuing and Paying Agent shall make a drawing under the applicable Credit Facility sufficient to pay in full the related Series M/N/O Notes scheduled to mature on any day in accordance with the provisions of this Agreement, particularly Section 4(c)(ii) hereof, and the Series M/N/O Credit Facilities and such funds, deposited into the related Credit Facility Subaccount, shall be used solely to pay the Series M/N/O Notes or any portion thereof.

## **12. OVERDRAFTS**

(a) Intraday overdrafts with respect to the Notes Account shall be subject to the Issuing and Paying Agent policies as in effect from time to time.

(b) An overdraft will exist in the Notes Account if the Issuing and Paying Agent, in its sole discretion, (i) permits an advance to be made pursuant to Section 10 and, notwithstanding the provisions of Section 10, such advance is not repaid in full on the same day as it is made, or (ii) pays a Note pursuant to Section 11 in excess of the available collected balance in such Notes Account. Overdrafts shall be subject to the Issuing and Paying Agent established banking practices, including, without limitation, the imposition of interest, funds usage charges and administrative fees. The City shall repay any such overdraft, fees and charges no later than the next Business Day, together with interest on the overdraft at the rate established by the Issuing and Paying Agent for the Notes Account, computed from and including the date of the overdraft to the date of repayment.

## **13. NO PRIOR COURSE OF DEALING**

No prior action or course of dealing on the part of the Issuing and Paying Agent with respect to advances of the purchase price or payments of matured Series M/N/O Notes shall give rise to any claim or cause of action by the City against the Issuing and Paying Agent in the event that the Issuing and Paying Agent refuses to pay or settle any Series M/N/O Notes for which the City has not timely provided funds as required by this Agreement.

#### **14. CANCELLATION AND RETURN OF SERIES M/N/O NOTES**

(a) For Book-Entry Notes, the Issuing and Paying Agent shall cause the books maintained by DTC and the books of its direct and indirect participants to be annotated to reflect the face amount of Book-Entry Notes following the payment of any amount of such Notes.

(b) For Certificated Notes, the Issuing and Paying Agent will in due course cancel any Certificated Note presented for payment and return such Note to the City. The Issuing and Paying Agent shall also cancel and return to the City any spoiled or voided Certificated Notes. Promptly upon written request of the City or at the termination of this Agreement, the Issuing and Paying Agent shall destroy all blank, unissued Certificated Notes in its possession and furnish a certificate to the City certifying such actions.

#### **15. INFORMATION FURNISHED BY THE ISSUING AND PAYING AGENT**

Upon the reasonable request of the City, the Issuing and Paying Agent shall promptly provide the City with information with respect to any Note issued and paid under this Agreement, provided, that the City delivers such request in writing and, to the extent applicable, includes the serial number or note number, principal amount, payee, date of issue, maturity date, amount of interest (if any) and place of payment of such Note.

By its execution hereof, the Issuing and Paying Agent agrees to provide each Credit Provider with read-only access to the on-line commercial paper trade reporting system of the Issuing and Paying Agent with respect to the Notes and to any other electronic platform as required by either Credit Provider to fulfill such Credit Provider's regulatory reporting needs with respect to the Notes.

#### **16. REPRESENTATIONS AND WARRANTIES**

The City represents and warrants that: (i) it has the right, capacity and authority to enter into this Agreement; and (ii) it will comply with all of its obligations and duties under this Agreement. The City further represents and agrees that each Note issued and distributed upon its instruction pursuant to this Agreement shall constitute the City's representation and warranty to the Issuing and Paying Agent (i) that such Note is a legal, valid and binding limited obligation of the City, payable from and secured by the funds pledged thereto under the Master Bond Ordinance, (ii) that such Note is being issued in a transaction which is exempt from registration under the Securities Act of 1933, as amended, and any applicable state securities law, (iii) the Issuing and Paying Agent's appointment to act for the City hereunder has been duly authorized by all necessary corporate action of the City, (iv) after the issuance of such Series M/N/O Notes and the application of the proceeds thereof, the aggregate principal amount of and interest payable upon maturity will not exceed \$350,000,000 with respect to the Series M Notes, \$475,000,000 with respect to the Series N Notes and \$125,000,000 with respect to the Series O Notes, (v) no default or event of default has occurred or is continuing thereunder and each representation and warranty of the City thereunder is true and correct in all material respects on and as of such date, and (vi) a No Issuance Notice or a Final Drawing Notice has not been received from either Credit Provider.

## **17. DISCLAIMERS**

The City agrees that the Issuing and Paying Agent shall not be liable for any losses, damages, liabilities or costs suffered or incurred by the City as a result of (a) the Issuing and Paying Agent having executed instructions from the City, (b) the Issuing and Paying Agent's improper execution or failure to execute any instructions because of unclear instructions, failure of communications media or any other circumstances beyond the control of the Issuing and Paying Agent, (c) the actions or inactions of DTC or any broker, dealer, consignee or agent not selected by the Issuing and Paying Agent, or (d) any other acts or omissions of the Issuing and Paying Agent (or of any of its agents or correspondents) relating to this Agreement or the transactions or activities contemplated hereby except to the extent, if any, that such other acts or omissions constitute negligence or willful misconduct by the Issuing and Paying Agent. The City, in the absence of negligence or willful misconduct by the Issuing and Paying Agent, and subject to State law requirements, agrees to indemnify the Issuing and Paying Agent and to hold it harmless from and against (a) any and all losses, expenses (including attorney's fees and expenses), liabilities, litigation costs, claims (groundless or otherwise), suits, fines and penalties arising out of the Issuing and Paying Agent's actions or omissions relating to the Issuing and Paying Agent's activities under this Agreement or activities or transactions contemplated therewith and (b) any damages, costs, expenses (including legal fees and disbursements), losses or liabilities relating to any such actions, claims, suits, fines or penalties or to any breach of this Agreement by the City. This Section 17 shall survive any termination of this Agreement and the issuance and payment of any Series M/N/O Notes.

## **18. OPINION OF COUNSEL**

The City shall deliver to the Issuing and Paying Agent all documents it may reasonably request relating to the existence of the City and authority of the City for this Agreement, including, without limitation, an opinion of counsel, substantially in the form of "**Exhibit G**" to this Agreement.

## **19. NOTICES**

The City shall pay compensation for services pursuant to this Agreement in accordance with the pricing schedules furnished by the Issuing and Paying Agent to the City from time to time and upon such payment terms as the parties shall determine. The City shall also reimburse the Issuing and Paying Agent for any fees and charges imposed by DTC with respect to services provided in connection with the Book-Entry Notes.

## **21. BENEFIT OF AGREEMENT**

This Agreement is solely for the benefit of the parties hereto and the Credit Providers, as third-party beneficiaries, and no other person shall acquire or have any right under or by virtue hereof.

## **22. TERMINATION**

(a) This Agreement may be terminated in accordance with the provisions of the Master Bond Ordinance and the Supplemental Ordinance; provided however that no such termination shall be effective until such time as a successor issuing and paying agent has been appointed by the City and has executed an issuing and paying agent agreement substantially identical to this Agreement in accordance with the Supplemental Ordinance and that the Reimbursement Agreements and the Series M/N/O Credit Facilities have been amended to provide that such successor issuing and paying agent is the beneficiary thereof.

(b) In the event that the Issuing and Paying Agent resigns or is removed as Issuing and Paying Agent, no such resignation or removal shall become effective unless and until a successor Issuing and Paying Agent is appointed, such successor has accepted such appointment, and the Issuing and Paying Agent has delivered the Series M/N/O Credit Facilities to the successor Issuing and Paying Agent. No successor Issuing and Paying Agent shall be appointed unless such successor Issuing and Paying Agent shall have trust powers. The City shall notify the Issuing and Paying Agent and the Agent of the identity of any successor Issuing and Paying Agent upon such appointment. Upon the termination of this Agreement the respective rights and duties of the City, the Credit Providers and the Issuing and Paying Agent shall cease, except as otherwise expressly provided in this Agreement. Any Series M/N/O Notes issued and sold in accordance with the provisions of this Agreement and outstanding on the date of the termination of

this Agreement shall nevertheless remain valid limited obligations of the City in accordance with the terms thereof and of the Master Bond Ordinance and the Supplemental Ordinance, and shall be entitled to the benefits of the related Credit Facility to the extent provided therein, and the benefits of this Agreement shall continue to be applicable with respect to such Series M/N/O Notes and any funds held in the applicable Credit Facility Subaccount to the same extent as if this Agreement had not been terminated or, in the case where there shall exist a successor Issuing and Paying Agent, the arrangements provided for under such successor Agreement shall be applicable to the Series M/N/O Notes.

(c) On the Business Day following the date of termination of this Agreement, the Issuing and Paying Agent shall destroy the Master Note and deliver the Series M/N/O Credit Facilities then held by the Issuing and Paying Agent under the terms of this Agreement and transfer all funds, if any, on deposit in the Credit Facility Account to the successor Issuing and Paying Agent. The Issuing and Paying Agent shall promptly notify the City and the applicable Credit Provider of the destruction of the Master Note.

(d) It is understood that upon the Issuing and Paying Agent's resignation, the Issuing and Paying Agent shall no longer be obligated to issue any Series M/N/O Notes. It is also understood that, if after sixty (60) days from the termination, a successor Issuing and Paying Agent has not been appointed, the Issuing and Paying Agent may petition a court of competent jurisdiction for the appointment of a successor Issuing and Paying Agent, and such court may thereupon appoint a successor Issuing and Paying Agent.

## **23. FORCE MAJEURE**

In no event shall the Issuing and Paying Agent be liable for any failure or delay in the performance of its obligations under this Agreement because of circumstances beyond the Issuing and Paying Agent's control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like which restrict or prohibit the providing of the services contemplated by this Agreement, inability to obtain material, equipment, or communications or computer facilities, or the failure of equipment or interruption of communications or computer facilities, and other causes beyond the Issuing and Paying Agent's control whether or not of the same class or kind as specifically named above.

## **24. ENTIRE AGREEMENT**

This Agreement, together with the exhibits attached, constitutes the entire agreement between the Issuing and Paying Agent and the City with respect to the subject matter and supersedes in all respects all prior proposals, negotiations, communications, discussions and agreements between the parties concerning the subject matter of this Agreement.

## **25. WAIVERS AND AMENDMENTS**

No failure or delay on the part of any party in exercising any power or right under this Agreement shall operate as a waiver, nor does any single or partial exercise of any power or right preclude any other or further exercise, or the exercise of any other power or right. Any such

waiver shall be effective only in the specific instance and for the purpose for which it is given. No amendment, modification or waiver of any provision of this Agreement shall be effective unless the same shall be in writing and signed by the City and the Issuing and Paying Agent and agreed to by the Credit Provider in writing prior to the effectiveness of such amendment.

**26. BUSINESS DAY**

Whenever any payment to be made under this Agreement shall be due on a day, which is not a business day for the Issuing and Paying Agent, then such payment shall be made on the Issuing and Paying Agent's next succeeding business day.

**27. COUNTERPARTS**

This Agreement may be executed in counterparts, each of which shall be deemed an original and such counterparts together shall constitute but one instrument.

**28. HEADINGS**

The headings in this Agreement are for purposes of reference only and shall not in any way limit or otherwise affect the meaning or interpretation of any of the terms of this Agreement.

**29. GOVERNING LAW**

This Agreement and the Series M/N/O Notes shall be governed by and construed in accordance with the internal laws of the State of Georgia, without regard to the conflict of laws provisions thereof.

**30. NOTES ACCOUNT CONDITIONS**

The Notes Account and Credit Facility Account shall be subject to the Issuing and Paying Agent's account conditions, as in effect from time to time.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on their behalf by duly authorized officers as of the day and year first-above written.

## ISSUING AND PAYING AGENCY AGREEMENT

This Issuing and Paying Agency Agreement, dated as of January 1, 2024 (this “**Agreement**”), is by and between the City of Atlanta, a municipal corporation created and existing under the laws of the State of Georgia (the “**City**”) and U.S. Bank Trust Company, National Association (the “**Issuing and Paying Agent**”). Capitalized terms used herein and not otherwise defined shall have the meaning given such terms in the Restated and Amended Master Bond Ordinance (Ordinance No. 99-O-1896) adopted by the Atlanta City Council on March 20, 2000 (the “**Master Bond Ordinance**”) and by the Thirty-Fourth Supplemental Bond Ordinance (Ordinance No. 24-O-1623) adopted by the Atlanta City Council on November 18, 2024 and approved by the Mayor on November 22, 2024 (the “**Supplemental Ordinance**”) providing for the issuance by the City of (i) its Third Lien Airport General Revenue Commercial Paper Notes, Series P-1 (AMT) (the “**Series P-1 Notes**”), its Third Lien Airport General Revenue Commercial Paper Notes, Series P-2 (Taxable) (the “**Series P-2 Notes**” and, together with the Series P-1 Notes, the “**Series P Notes**”) and (ii) its Third Lien Airport General Revenue Commercial Paper Notes, Series Q-1 (Non-AMT) (the “**Series Q-1 Notes**”), and its Third Lien Airport General Revenue Commercial Paper Notes, Series Q-2 (AMT) (the “**Series Q-2 Notes**” and, together with the Series Q-1 Notes, the “**Series Q Notes**”); The Series P Notes and the Series Q Notes are collectively referred to herein as the “**Series P/Q Notes**.” The payment of the principal of and interest on the Series P/Q Notes is supported by the Series P/Q Notes Credit Facilities (defined herein) issued by TD Bank, with respect to the Series P Notes, and Truist Bank, N.A., with respect to the Series Q Notes.

### 1. APPOINTMENT AND ACCEPTANCE

The City appoints U.S. Bank Trust Company, National Association as its issuing and paying agent in connection with the issuance and payment of the Series P/Q Notes, as further described in this Agreement, and the Issuing and Paying Agent agrees to act as such agent upon the terms and conditions contained in this Agreement and accepts any duties as provided in the Master Bond Ordinance and the Supplemental Ordinance.

### 2. COMMERCIAL PAPER PROGRAMS

The City may establish one or more commercial paper note programs under this Agreement.

### 3. SERIES P/Q NOTES

All Series P/Q Notes issued by the City under this Agreement shall be commercial paper notes, exempt from the registration requirements of the Securities Act of 1933, as amended, and from applicable state securities laws, and shall be designated Airport Commercial Paper Notes, Series P or Series Q, as applicable. The Series P/Q Notes may be placed by the Dealers (defined below) in accordance with Section 6 of this Agreement. The Series P/Q Notes shall be issued in book-entry form.

On the date hereof, (i) an irrevocable direct-pay letter of credit (the “**Series P Credit Facility**”) will be issued by TD Bank (the “**Series P Credit Provider**”), pursuant to a Letter of

Credit Reimbursement Agreement dated [as of the date hereof,] between the City and the Series P Credit Provider (as amended, supplemented, restated or modified from time to time, the “**Series P Reimbursement Agreement**”), supporting the payment of the principal of and interest at maturity of up to a maximum principal amount of \$150,000,000 of Series P Notes; and (ii) an irrevocable direct-pay letter of credit (the “**Series Q Credit Facility**”) will be issued by Truist Bank (the “**Series Q Credit Provider**”), pursuant to a Letter of Credit Reimbursement Agreement dated as of the date hereof, between the City and the Series Q Credit Provider (as amended, supplemented, restated or modified from time to time, the “**Series Q Reimbursement Agreement**” and, together with the Series P Reimbursement Agreement, referred to together herein as the “**Reimbursement Agreements**”), supporting the payment of the principal of and interest at maturity of up to a maximum principal amount of \$300,000,000 of Series Q Notes. The Series P Credit Provider and the Series Q Credit Provider are referred to collectively herein as the “**Credit Providers**.”

The City has entered into substantially identical Commercial Paper Dealer Agreements, each dated as of January 1, 2024 (as amended, supplemented, restated or modified from time to time, the “**Dealer Agreements**”), (i) one relating to the Series P Notes with TD Securities (USA) LLC, and (ii) two relating to the Series Q Notes, one with Truist Securities, Inc. and another with Loop Capital Markets LLC, with respect to the marketing and solicitation of purchasers, on a best efforts basis (“**Dealer**” shall mean TD Securities (USA) LLC, the dealer with respect to the Series P Notes; and Truist Securities, Inc., or Loop Capital Markets LLC, the dealer with respect to the Series Q Notes). The proceeds of any Series P/Q Notes that have been re-priced and resold prior to or at their maturity (the “**Rolled Notes**”) shall be deposited as provided by the respective Dealer Agreement and as described herein.

The obligation for the payment of the principal of and interest on the Series P/Q Notes is expressly limited for each Credit Provider (i) to the amounts and terms of the Series P Credit Facility in the case of the Series P Credit Provider, and (ii) to the amounts and terms of the Series Q Credit Facility in the case of the Series Q Credit Provider. The Credit Providers are only contractually obligated under their respective Credit Facility.

#### **4. ESTABLISHMENT OF ACCOUNTS**

(a) Prior to or contemporaneously with the execution and delivery by the City of this Agreement, and for the purposes of this Agreement and the Series P/Q Credit Facilities, the Issuing and Paying Agent shall establish in its corporate trust office in New York, New York, a special purpose non-interest bearing trust account designated as the “**Airport Commercial Paper Notes, Series P/Q Notes Account**” (the “**Notes Account**”). All sums held by the Issuing and Paying Agent in the Notes Account will be held uninvested. Within the Notes Account, the Issuing and Paying Agent shall establish two subaccounts designated the “**Series P Notes Subaccount**,” and the “**Series Q Notes Subaccount**” (each, a “**Notes Subaccount**”). The Notes Subaccounts shall be in the Issuing and Paying Agent’s name, as paying agent for the holders of Series P/Q Notes issued by or on behalf of the City, and under the Issuing and Paying Agent’s exclusive control as agent for such Series P/Q Notes. Except for holders of Series P/Q Notes issued by or on behalf of the City, the Credit Providers, the City and the Issuing and Paying

Agent, as paying agent therefor, no Person shall have any legal or beneficial interest in the Notes Subaccounts.

(b) Prior to or contemporaneously with the execution and delivery by the City of this Agreement, the Issuing and Paying Agent shall establish in its corporate trust office a special purpose non-interest bearing trust account designated as the “Airport Commercial Paper Notes, Series P/Q Credit Facility Account” (the “**Credit Facility Account**”). Within the Credit Facility Account, the Issuing and Paying Agent shall establish two subaccounts designated the “Series P Credit Facility Subaccount” and the “Series Q Credit Facility Subaccount” (each, a “**Credit Facility Subaccount**”). The Credit Facility Subaccounts shall be in the Issuing and Paying Agent’s name, as paying agent for the holders of Series P/Q Notes issued by or on behalf of the City, and under the Issuing and Paying Agent’s exclusive control as agent for such Series P/Q Notes. Except for holders of Series P/Q Notes issued by or on behalf of the City, the Credit Providers and the Issuing and Paying Agent, as paying agent therefor, no Person shall have any legal or beneficial interest in the Credit Facility Subaccounts.

(c) (i) Pursuant to the Dealer Agreements, the proceeds of any Rolled Notes are to be deposited with the Issuing and Paying Agent and any such amounts deposited are to be confirmed in writing by the respective Dealer to the Issuing and Paying Agent and deposited in the respective Notes Subaccounts, all of which shall be confirmed by the Issuing and Paying Agent as of 11:30 a.m. (New York City time) on the date on which Series P/Q Notes mature. Prior to 12:00 p.m. (New York City time) on the Business Day (as defined herein) on which Series P/Q Notes mature, the Issuing and Paying Agent shall determine (1) the amount of proceeds of Rolled Notes that the Dealers of the respective subseries of Series P/Q Notes have deposited in the respective Notes Subaccounts, and (2) the difference, if any, between the amounts specified in (1) above and the amount of the respective subseries of Series P/Q Notes maturing. The Issuing and Paying Agent shall draw on the Series P Credit Facility or the Series Q Credit Facility, as applicable, for any such difference. If the Issuing and Paying Agent does not receive notice or has not received a deposit of Rolled Note proceeds in the Notes Account from the City and/or Dealers by 11:30 p.m. (New York City time), the Issuing and Paying Agent shall draw on the respective Series P/Q Credit Facilities an amount sufficient to pay in full any maturing Series P/Q Notes at or prior to 12:00 p.m. (New York City time). The proceeds of each Drawing (as defined in the respective Reimbursement Agreement) under the Series P/Q Credit Facilities shall be deposited in the applicable Credit Facility Subaccount. Any funds on deposit in the Credit Facility Account shall be subject to withdrawal solely by the Issuing and Paying Agent, as paying agent for the holders of Series P/Q Notes, and solely for the purpose of paying maturing Series P/Q Notes in respect of which the Issuing and Paying Agent has presented a drawing certificate in the form set forth in the applicable Credit Facility demanding payment in accordance with the terms of the related Credit Facility. All sums held by the Issuing and Paying Agent in the Credit Facility Account will be held uninvested for the payment of the principal of and interest due on the Series P/Q Notes to the Persons entitled thereto until such sums have been paid to such Persons. All payments by a Credit Provider under the related Credit Facility in respect of a Drawing shall be credited to the Credit Facility Subaccount for the related Credit Provider, and no funds in the Credit Facility Account shall be

commingled with monies from any other source. For purposes of this Agreement “Business Day” shall mean any day other than (i) a Saturday or Sunday or a day on which institutions are authorized or required by law or executive order to be closed in the States of Georgia or New York for commercial banking purposes; (ii) a day on which the New York Stock Exchange is authorized or required by law or executive order to be closed; and (iii) a day upon which commercial banks are authorized or required by law or executive order to be closed in the cities and states in which demands for payment may be presented under the Letter of Credit.

(ii) After having confirmed the amount of proceeds of a rollover of Series P/Q Notes that have been deposited by the Dealers as of 11:30 a.m. (New York City time) on the Business Day on which Series P/Q Notes mature and at or prior to 12:00 p.m. (New York City time) on such Business Day, the Issuing and Paying Agent shall present to the payment office of the related Credit Provider as set forth in the related Credit Facility a drawing certificate conforming to the terms of the related Credit Facility in an amount equal to the principal of and accrued interest on the maturing Series P/Q Notes, less the amount of proceeds derived from Rolled Notes that the City and/or Dealers of the respective subseries of Series P/Q Notes has notified the Issuing and Paying Agent pursuant to Section 4(c)(i) above have been deposited in the respective Notes Accounts hereunder.

(d) Subject to the conditions precedent therefor, each Credit Provider has agreed to honor any properly presented and conforming drawing certificate under its related Credit Facility, with immediately available funds, not later than 2:30 p.m. (New York City time) on the Business Day on which such conforming drawing certificate has been properly presented to the payment office of the related Credit Provider (provided such properly presented and conforming drawing certificate is presented at or prior to 12:00 p.m. on such Business Day (New York City time)), by making a wire transfer to the Issuing and Paying Agent for deposit in the related Credit Facility Subaccount of an amount of immediately available funds equal to the amount so demanded.

(e) (i) All proceeds received by the Issuing and Paying Agent from the initial sale of the Series P/Q Notes or from the proceeds of Rolled Notes shall be deposited in the respective Notes Subaccount of the Notes Account and shall be withdrawn only for the purposes set forth in this subsection, as set forth in a written instruction from an Authorized Representative (as defined herein) (i), in the following order of priority: First, an amount equal to the amount designated by the Authorized Representative to be used to repay principal of and interest on maturing Series P/Q Notes or on outstanding Series P/Q Notes in advance of their respective maturity date shall be paid to the escrow fund, if any, established with an escrow agent. Second, an amount equal to the amount required to reimburse each respective Credit Provider for its Drawings shall be paid to such Credit Provider. Third, an amount equal to the amount designated by the Authorized Representative to be used for the purpose of financing or refinancing the costs of the planning, engineering, design, acquisition and construction of certain improvements to Hartsfield-Jackson Atlanta International Airport (the “**Airport**”) as described in the Hartsfield-Jackson Atlanta International Airport Master Plan and as particularly described in the plans and specifications on file, from time to time, with the

City, including reimbursing the amounts drawn under the respective credit facilities securing the Series J Notes, the Series K Notes, the Series L Notes, Series M Notes, Series N Notes and Series O Notes issued under a prior program established by the Airport, or for paying the costs of issuance of such Series P/Q Notes shall be transferred from the applicable subaccount of the Notes Account and deposited to the applicable subaccount of the Notes Project Fund created under the Supplemental Ordinance or such other accounts or subaccounts designated by the Authorized Representative.

(ii) If the City receives a notice from the Issuing and Paying Agent that a properly presented and conforming drawing certificate under either Credit Facility has not been honored by the applicable Credit Provider and without limiting its obligations under the respective Credit Facility, the City agrees that it will prior to 1:00 p.m. (New York City time) and, in any event, not before payment is made by the respective Credit Provider under the applicable Credit Facility, on the date set forth in the applicable Credit Facility, deposit or cause to be deposited in the applicable Notes Subaccount an aggregate amount equal to the amount of the Drawing.

(iii) Notwithstanding any provision contained in this Agreement, the Issuing and Paying Agent agrees that it will in no event permit funds in the Notes Account to be withdrawn or transferred to any Credit Provider on the day of payment of any Drawing under a Credit Facility unless payment by the Credit Provider of such Drawing has been made.

(iv) The Issuing and Paying Agent shall have no responsibility for determining the purpose of or the intended use of any proceeds of any withdrawal from the Notes Account.

## **5. THE SERIES P/Q CREDIT FACILITIES**

(a) Concurrently with the execution of this Agreement and in accordance with the terms and conditions of the related Reimbursement Agreement, the Series P Credit Provider shall deliver to the Issuing and Paying Agent the Series P Credit Facility and the Series Q Credit Provider shall deliver to the Issuing and Paying Agent the Series Q Credit Facility. The Issuing and Paying Agent shall request and receive Drawings under the Series P/Q Credit Facilities on behalf of the holders of Series P/Q Notes pursuant to Section 4 of this Agreement. Such Drawings shall be made in accordance with the terms of this Agreement, each Reimbursement Agreement and each of the respective Series P/Q Credit Facilities.

(b) The Stated Amounts or Available Amounts, as applicable, of the Series P/Q Credit Facilities shall be reduced and reinstated in accordance with the terms of the respective Credit Facility.

(c) The Stated Amounts or Available Amounts, as applicable, of the Series P/Q Credit Facilities may be reduced, increased or cancelled, all in accordance with the respective terms thereof, provided that the Stated Amounts or Available Amounts, as applicable, shall not be reduced to an amount less than the principal of and interest due at

maturity on outstanding applicable Series P/Q Notes issued prior to the effectiveness of a related No-Issuance Notice or Final Drawing Notice, as applicable, (each as defined in the Reimbursement Agreements).

(d) Any collected funds remaining in a Credit Facility Subaccount at the close of business on the maturity date of any Note shall (i) to the extent required for the payment of any matured Note not presented for payment by the holder thereof, be held until such matured Note, for which the Drawing was made, is presented for payment by the holder thereof and (ii) to the extent not so required, be returned to the applicable Credit Provider, unless the Drawing which was made to pay such matured Note has been repaid in full, in which case such funds shall be returned to the City.

## **6. AUTHORIZED REPRESENTATIVES**

The City shall deliver to the Issuing and Paying Agent a duly adopted ordinance authorizing the issuance of Series P/Q Notes and a certificate of incumbency, with specimen signatures attached, of those officers, employees and agents of the City authorized to take certain actions with respect to the Series P/Q Notes, as provided in this Agreement (each such person is hereinafter referred to as an “**Authorized Representative**”). Until the Issuing and Paying Agent receives any subsequent incumbency certificates of the City, the Issuing and Paying Agent shall be entitled to rely on the last incumbency certificate delivered to it for the purpose of determining the Authorized Representatives. The City represents and warrants that each Authorized Representative may appoint other officers, employees and agents of the City (the “**Delegates**”), including without limitation any Dealers, to issue instructions to the Issuing and Paying Agent under this Agreement, and take other actions on the City’s behalf hereunder, provided that notice of the appointment of each Delegate is delivered to the Issuing and Paying Agent in writing. Each such appointment shall remain in effect unless and until revoked by the City in a written notice to the Issuing and Paying Agent.

## **7. CERTIFICATED NOTES**

If and when the City intends to issue certificated notes (“**Certificated Notes**”), the City and the Issuing and Paying Agent shall agree upon the form of such Certificated Notes. Thereafter, the City shall from time to time deliver to the Issuing and Paying Agent at its own expense adequate supplies of Certificated Notes which will be in bearer form, serially numbered, and shall be executed by the manual or facsimile signature of an Authorized Representative. The Issuing and Paying Agent will acknowledge receipt of any supply of Certificated Notes received from the City, noting any exceptions to the shipping manifest or transmittal letter (if any), and will hold the Certificated Notes in safekeeping for the City in accordance with the Issuing and Paying Agent’s customary practices. The Issuing and Paying Agent shall not have any liability to the City to determine by whom or by what means a facsimile signature may have been affixed on Certificated Notes, or to determine whether any facsimile or manual signature is genuine, if such facsimile or manual signature resembles the specimen signature attached to the City’s certificate of incumbency with respect to such Authorized Representative. Any Certificated Note bearing the manual or facsimile signature of a person who is an Authorized Representative on the date such signature was affixed shall bind the City after completion thereof by the Issuing

and Paying Agent, notwithstanding that such person shall have ceased to hold his or her office on the date such Certificated Note is countersigned or delivered by the Issuing and Paying Agent.

## **8. BOOK-ENTRY NOTES**

The City's book-entry notes ("**Book-Entry Notes**") shall not be issued in physical form, but their aggregate principal amount, together with the interest thereon, shall be represented by a master note for each subseries (collectively, the "**Master Note**") in the forms of "**Exhibit A**" and "**Exhibit B**" hereto, executed by the City pursuant to the book-entry commercial paper program of The Depository Trust Company ("**DTC**"). The Issuing and Paying Agent shall maintain the Master Note in safekeeping, in accordance with its customary practices, on behalf of Cede & Co., the initial registered owner thereof and nominee of DTC. As long as Cede & Co. is the registered owner of the Master Note, the beneficial ownership interest therein shall be shown on, and the transfer of ownership thereof shall be effected through, entries on the books maintained by DTC and the books of its direct and indirect participants. The Master Note and the Book-Entry Notes shall be subject to DTC's rules and procedures, as amended from time to time. The Issuing and Paying Agent shall not be liable or responsible for sending transaction statements of any kind to DTC's participants or the beneficial owners of the Book-Entry Notes, or for maintaining, supervising or reviewing the records of DTC or its participants with respect to such Book-Entry Notes. In connection with DTC's program, the City understands that as one of the conditions of its participation therein, it shall be necessary for the City and the Issuing and Paying Agent to enter into Letter of Representations, in the forms of "**Exhibit C**" and "**Exhibit D**" hereto, and for DTC to receive and accept such Letter of Representation. In accordance with DTC's program, the Issuing and Paying Agent shall obtain from the CUSIP Service Bureau a written list of CUSIP numbers for the City's Book-Entry Notes, and the Issuing and Paying Agent shall deliver such list to DTC. The CUSIP Service Bureau shall bill the City directly for the fee or fees payable for the list of CUSIP numbers for the City's Book-Entry Notes.

## **9. ISSUANCE INSTRUCTIONS; PURCHASE PAYMENTS**

The City understands that all instructions under this Agreement are to be directed to the Issuing and Paying Agent. The Issuing and Paying Agent shall provide the City, or, if applicable, the City's Dealers, with access to the Issuing and Paying Agent's Money Market Issuance System or other electronic means, including SPANS (as defined in paragraph (f) in this Section 9) (collectively, the "**System**") in order that the Issuing and Paying Agent may receive electronic instructions for the issuance of Series P/Q Notes. Electronic instructions must be transmitted in accordance with the procedures furnished by the Issuing and Paying Agent to the City or its Dealers in connection with the System. These transmissions shall be the equivalent to the giving of a duly authorized written and signed instruction, which the Issuing and Paying Agent may act upon without liability. In the event that the System is inoperable at any time, an Authorized Representative or a Delegate may deliver written, telephone or facsimile instructions to the Issuing and Paying Agent, which instructions may be verified in accordance with the Optional Security Procedures in Section 32. The Issuing and Paying Agent shall incur no liability to the City in acting upon instructions believed by the Issuing and Paying Agent in good faith to have been given by an Authorized Representative or a Delegate. In the event that a discrepancy exists between a telephonic instruction and a written confirmation, the telephonic instruction will be deemed the controlling and proper instruction. The Issuing and Paying Agent

may electronically record any conversations made pursuant to this Agreement, and the City hereby consents to such recordings. All issuance instructions regarding the Series P/Q Notes must be received by 12:00 p.m. New York City time in order for the Series P/Q Notes to be issued or delivered on the same day.

(a) **Issuance and Purchase of Book-Entry Notes.** Upon receipt of issuance instructions from the City or any one of its Dealers with respect to Book-Entry Notes, the Issuing and Paying Agent shall transmit such instructions to DTC and direct DTC to cause appropriate entries of the Book-Entry Notes to be made in accordance with DTC's applicable rules, regulations and procedures for book-entry commercial paper programs. The Issuing and Paying Agent shall assign CUSIP numbers to the City's Book-Entry Notes to identify the City's aggregate principal amount of outstanding Book-Entry Notes in DTC's system, together with the aggregate unpaid interest on such Book-Entry Notes. Promptly following DTC's established settlement time on each issuance date, the Issuing and Paying Agent shall access DTC's system to verify whether settlement has occurred with respect to the City's Book-Entry Notes. Prior to the close of business on such Business Day, the Issuing and Paying Agent shall deposit immediately available funds in the amount of the proceeds due to the City (if any) to the applicable Notes Subaccount, provided that the Issuing and Paying Agent has received DTC's confirmation that the Book-Entry Notes have settled in accordance with DTC's applicable rules, regulations and procedures. The City understands that, in accordance with the custom prevailing in the commercial paper market, delivery of Series P/Q Notes shall be made before the actual receipt of payment for such Series P/Q Notes in immediately available funds. Therefore, once Issuing and Paying Agent has delivered a Series P/Q Note to a Dealer or its agent as provided herein, City shall bear all risk that a Dealer or its agent fails to remit payment for the Series P/Q Note to Issuing and Paying Agent. The Issuing and Paying Agent shall have no liability to the City whatsoever if any DTC participant purchasing a Book-Entry Note fails to settle or delays in settling its balance with DTC or if DTC fails to perform in any respect.

(b) **Issuance and Purchase of Certificated Notes.** Upon receipt of issuance instructions with respect to Certificated Notes, the Issuing and Paying Agent shall: (a) complete each Certificated Note as to principal amount, date of issue, maturity date, place of payment, and rate or amount of interest in accordance with such instructions; (b) countersign each Certificated Note; and (c) deliver each Certificated Note in accordance with the City's instructions, except as otherwise set forth below. Whenever the Issuing and Paying Agent is instructed to deliver any Certificated Note by mail, the Issuing and Paying Agent shall strike from the Certificated Note the word "Bearer," insert as payee the name of the person so designated by the City and effect delivery by mail to such payee or to such other person as is specified in such instructions to receive the Certificated Note. The City understands that, in accordance with the custom prevailing in the commercial paper market, delivery of Certificated Notes shall be made before the actual receipt of payment for such Certificated Notes in immediately available funds, even if the City instructs the Issuing and Paying Agent to deliver a Certificated Note against payment. Therefore, once the Issuing and Paying Agent has delivered a Certificated Note to the designated recipient, the City shall bear the risk that such recipient may fail to remit payment of such Certificated Note or return such Certificated

Note to the Issuing and Paying Agent. Delivery of Certificated Notes shall be subject to the rules of the New York Clearing House in effect at the time of such delivery. Funds received in payment of Certificated Notes shall be credited to the related Notes Account.

(c) **Restrictions and Limitations on the Issuance of Notes.** Notwithstanding anything to the contrary herein, no Series P/Q Note may be issued unless the Issuing and Paying Agent has received complete instructions in accordance with the provisions of this Section 9. Additionally, no instructions may be given for a Note to be issued (i) having a principal amount less than \$100,000 or (ii) having an integral multiple of less than \$1,000 thereof; (iii) having a maturity date later than the earlier to occur of (x) 270 days from the date of issuance of the Series P/Q Note or (y) five Business Days prior to (A) the expiration of the related Credit Facility unless the City shall have arranged for a Substitute Facility or (B) the Termination Date (as defined in the related Credit Facility) of the related Credit Facility; (iv) (A) with respect to Series P Notes, having a principal amount together with the interest thereon that, when added to the then outstanding principal amount of Series P Notes together with the interest thereon, would cause the total outstanding principal amount of Series P Notes together with the interest thereon to exceed the Available Amount (or Stated Amount, as applicable) of the Series P Credit Facility on the date of issuance of the Series P Note and (B) with respect to Series Q Notes, having a principal amount together with the interest thereon that, when added to the then outstanding principal amount of Series Q Notes together with the interest thereon, would cause the total outstanding principal amount of Series Q Notes together with the interest thereon to exceed the Available Amount (or Stated Amount, as applicable) of the Series Q Credit Facility on the date of issuance of the Series Q Note, (v) (A) with respect to Series P Notes, notwithstanding any contrary instructions from the City, any Series P Notes pursuant to such instructions if such issuance would result in the aggregate principal amount of and interest payable upon maturity of the Series P Notes would be in excess of \$163,315,069.00 or (B) with respect to Series Q Notes, notwithstanding any contrary instructions from the City, any Series Q Notes pursuant to such instructions if such issuance would result in the aggregate principal amount of and interest payable upon maturity of the Series Q Notes would be in excess of \$326,630,137.00, and (vi) that bear interest in an amount that exceeds the interest component, the maximum of which interest component is calculated at a rate of twelve percent (12.00%), or such lesser amount set forth in the applicable Credit Facility, of the Stated Amount (or Available Amount, as applicable) for a period of 270 days for the actual number of days on the basis of a 365 day year.

(d) **No-Issuance Notice, Final Drawing Notice, Restricted Issuance Notice or Notice of Substitute Facility.** Notwithstanding anything to the contrary herein, on any day that the Issuing and Paying Agent receives (i) a No-Issuance Notice (as defined in each Credit Facility), in the form of Annex H to the Series P Credit Facility and Annex H to the Series Q Credit Facility, or (ii) a written notice from a Credit Provider that there is a default or event of default under its related Reimbursement Agreement together with a written request that the Issuing and Paying Agent make the final drawing under the related Credit Facility in the form of Annex E to the Series P Credit Facility or Annex E to the Series Q Credit Facility, the Issuing and Paying Agent shall immediately cease issuing, authenticating and delivering Series P/Q Notes for which the issuing instructions

are received after the receipt of such notice. Additionally, the Issuing and Paying Agent shall on a best effort basis stop the delivery of Certificated Notes and the transmission of Book-Entry Notes to DTC, the issuance instructions for which were received on the same day as the date of such notice; provided, however, that the Issuing and Paying Agent shall be required to deliver Series P/Q Notes in respect of which agreements for the sale of the Series P/Q Notes were concluded by a Dealer prior to the receipt of such notice. For the purposes of the preceding proviso, the Issuing and Paying Agent may rely on a written notice given or delivered to the Issuing and Paying Agent by the Dealer as to whether any particular Note is to be issued in respect of such agreements concluded by such Dealer, and the Issuing and Paying Agent shall have no obligation to make any further investigation.

If the Issuing and Paying Agent shall receive a No Issuance Notice or the Final Drawing Notice from a Credit Provider, the Issuing and Paying Agent shall not thereafter issue or deliver any related Series P/Q Notes supported by the applicable Credit Facility, notwithstanding any contrary instructions received from an Authorized Representative or Delegate of the City or the Dealer, and the Issuing and Paying Agent may only resume issuing Series P/Q Notes only if such No Issuance Notice is withdrawn in writing by the applicable Credit Provider. The Issuing and Paying Agent shall promptly give notice to the City and the Dealer of the receipt of a No Issuance Notice or the Final Drawing Notice. A No Issuance Notice shall not be effective until received by the Issuing and Paying Agent. If received by the Issuing and Paying Agent by 10:00 a.m. (New York time) on a Business Day, it shall be effective on the same Business Day. Otherwise it shall be effective on the immediately succeeding Business Day. No further authentication or delivery of the Series P/Q Notes shall be made after the effective date of the No Issuance Notice or Final Drawing Notice (i.e., with the effective date being the same day as the notice if received before 10:00 a.m. and the next succeeding day if received at 10:00 a.m. or later) until such time as the applicable Credit Provider shall have rescinded such instructions by a notice in writing to the Issuing and Paying Agent.

On and after the day on which the Issuing and Paying Agent receives a Restricted Issuance Notice (as defined in the related Credit Facility) in the form of Annex J to the related Credit Facility, the Issuing and Paying Agent shall not issue Series P/Q Notes, as applicable, on any day having a principal amount in excess of the principal amount of Series P/Q Notes, as applicable, maturing on such day.

Once the Issuing and Paying Agent has received a No-Issuance Notice or Final Drawing Notice as described above, the Issuing and Paying Agent may not resume issuing Series P/Q Notes or, in the case of receipt of a Restricted Issuance Notice, may issue Series P/Q Notes limited in principal amount to the principal amount of Series P/Q Notes maturing on such date of issuance, unless and until the Issuing and Paying Agent has received a written notice from the applicable Credit Provider that (1) such notice has been rescinded and (2) the Issuing and Paying Agent may resume issuing Series P/Q Notes. If the Issuing and Paying Agent receives a written notice from the applicable Credit Provider that there is a default under the related Reimbursement Agreement and requesting a final drawing under the related Credit Facility, the Issuing and Paying Agent shall follow the instructions set forth in such notice, including (i) ceasing to authenticate

the related Series P/Q Notes on the date set forth in such Final Drawing Notice and (ii) before the Termination Date (as defined in the applicable Credit Facility) of the related Credit Facility, making the final drawing under the Credit Facility to provide for the payment of principal of and interest on the related Series P/Q Notes issued in accordance with the Supplemental Ordinance that are outstanding and are maturing or are to mature after receipt of such Final Drawing Notice, promptly (but in no event later than 2 business days prior to the Termination Date of the applicable Credit Facility) make a final drawing in an amount equal to the principal of the related outstanding Series P/Q Notes (other than Excluded Notes, as such term is defined in the related Credit Facility) plus interest to their maturity and apply such monies to payments on all related outstanding Series P/Q Notes as such related Series P/Q Notes mature after receipt of such Final Drawing Notice. Notwithstanding anything herein to the contrary, the instructions contained in this paragraph (d) are irrevocable and may not be revoked, rescinded, altered or modified by the City for so long as each Credit Facility remains in effect.

Promptly upon receipt of the Final Drawing Notice, the Issuing and Paying Agent shall present all required drawing certificates and accompanying documentation, if required, to the applicable Credit Provider and demand payment be made immediately and directly to the Issuing and Paying Agent under the applicable Credit Facility of an amount sufficient to pay the entire amount of principal of the then outstanding related Series P/Q Notes supported by the related Credit Facility and the interest due on such related Series P/Q Notes on the maturity date(s) first to occur after receipt of such Final Drawing Notice.

Such final drawing amounts shall be deposited into the applicable Credit Facility Subaccount and held uninvested until used to pay the principal of and interest on the related Series P/Q Notes upon proper presentation thereof at maturity.

Notwithstanding the provisions of the second full paragraph of Section 7.01(f) and 7.02(f) of the Thirty-Fourth Supplemental Bond Ordinance with respect to the provision of a Substitute Facility, no such facility shall be effective except on a maturity date on which the maturing Series P Notes or Series Q Notes, as applicable, shall have been fully paid from the proceeds of Rolled Notes or a draw on the related prior facility, or a combination of the two.

(e) **Bank Officers.** For the purposes of this Agreement, officers of each Credit Provider shall be authorized to act and to give instructions and notices on behalf of such Credit Provider hereunder, and the Issuing and Paying Agent shall be entitled conclusively to rely on any writing, paper or notice purporting to be signed, sent or given by any officer of such Credit Provider, unless an officer of the Issuing and Paying Agent shall have received written notice from an officer of such Credit Provider that a particular writing, paper or notice was not signed, sent or given by an authorized officer of the related Credit Provider.

(f) **SPANS.** The City is granted a personal, non-transferable and non-exclusive right to use the instruction and reporting communication service “Securities Processing Automated Note System” (“**SPANS**”) to transmit instructions made pursuant

to this Agreement. The City, by separate agreement between the City and its Dealer may authorize the Dealer (in each case other than the Issuing and Paying Agent) to directly access SPANS for the purposes of transmitting instructions to the Issuing and Paying Agent or obtaining reports with respect to the Series P/Q Notes.

The City acknowledges that (a) some or all of the services utilized in connection with SPANS are furnished by Open Information System (“OIS”) and the Issuing and Paying Agent, (b) SPANS is provided to the City “AS IS” without warranties or representations of any kind whatsoever by OIS or the Issuing and Paying Agent, and (c) SPANS is proprietary and confidential property disclosed to the City in confidence and only on the terms and conditions and for the purposes set forth in this Agreement.

By this Agreement, the City acquires no title, ownership or sublicensing rights whatsoever in SPANS or in any trade secret, trademark, copyright or patent of the Issuing and Paying Agent or OIS now or to become applicable to SPANS. The City may not transfer, sublicense, assign, rent, lease, convey, modify, translate, convert to a programming language, decompile, disassemble, recirculate, republish or redistribute SPANS for any purpose without the prior written consent of the Issuing and Paying Agent and, where necessary, OIS.

In the event (a) any action is taken or threatened which may result in a disclosure or transfer of SPANS or any part thereof, other than as authorized by this Agreement, or (b) the use of any trademark, trade name, service mark, service name, copyright or patent of the Issuing and Paying Agent or OIS by the City amounts to unfair competition, or otherwise constitutes a possible violation of any kind, then the Issuing and Paying Agent and/or OIS shall have the right to take any and all action deemed necessary to protect their rights in SPANS, and to avoid the substantial and irreparable damage which would result from such disclosure, transfer or use, including the immediate termination of the City’s right to use SPANS.

To permit the use of SPANS to issue instructions and/or obtain reports with respect to the Series P/Q Notes, the Issuing and Paying Agent will supply the City with an identification number and initial passwords. From time to time thereafter, the City may change its passwords directly through SPANS. To the extent permitted by law, the City will keep all information relating to its identification number and passwords strictly confidential and will be responsible for the maintenance of adequate security over its customer identification number and passwords. For security purposes, the City should change its passwords at least once a year.

Instructions transmitted over SPANS and received by the Issuing and Paying Agent pursuant to this Agreement accompanied by the City’s identification number and the passwords, shall be deemed conclusive evidence that such instructions are correct and complete and that the issuance or redemption of the Series P/Q Notes directed thereby has been duly authorized by the City.

## **10. USE OF SALES PROCEEDS IN ADVANCE OF PAYMENT**

The Issuing and Paying Agent shall not be obligated to credit the Notes Account unless and until payment of the purchase price of each Note is received by the Issuing and Paying Agent. From time to time, the Issuing and Paying Agent, in its sole discretion, may permit the City to have use of funds payable with respect to a Note prior to the Issuing and Paying Agent's receipt of the sales proceeds of such Note. If the Issuing and Paying Agent makes a deposit, payment or transfer of funds on behalf of the City before the Issuing and Paying Agent receives payment for any Note, such deposit, payment or transfer of funds shall represent an advance by the Issuing and Paying Agent to the City to be repaid promptly, and in any event on the same day as it is made, from the proceeds of the sale of such Note, or by the City if such proceeds are not received by the Issuing and Paying Agent.

## **11. PAYMENT OF MATURED SERIES P/Q NOTES**

On any day when a Series P/Q Note matures or on which the final drawing is made, the City shall cause the related Credit Provider to transmit, to the related Credit Facility Subaccount, prior to 1:00 p.m. New York City time on the Business Day on which a drawing certificate has been properly presented, an amount of immediately available funds sufficient to pay the aggregate principal amount of such Series P/Q Note and any applicable interest due, less the amount of proceeds from the rollover of any Series P/Q Notes that the City and/or Dealers of the respective subseries of Series P/Q Notes has notified the Issuing and Paying Agent pursuant to Section 4(c)(i) hereof has been deposited in the Notes Account on the date on which such Series P/Q Notes mature. The drawing certificate shall specify such amount of deposited proceeds derived from a rollover of maturing Series P/Q Notes for which the Dealers have sold or purchased new Series P/Q Notes. Notwithstanding the foregoing, the Issuing and Paying Agent, prior to 12:00 p.m. New York City time on the Business Day on which a Series P/Q Note matures, shall make a Drawing under the related Credit Facility in an amount sufficient to pay the maturing principal of and interest on such Series P/Q Note, pursuant to Section 4(c)(ii) hereof. The Issuing and Paying Agent shall pay the interest and principal on a Book-Entry Note to DTC in immediately available funds, which payment shall be by net settlement of the Issuing and Paying Agent Account at DTC. The Issuing and Paying Agent shall pay Certificated Notes upon presentment. The Issuing and Paying Agent shall have no obligation under this Agreement to make any payment for which there is not sufficient, available and collected funds in the Credit Facility Account, and the Issuing and Paying Agent may, without liability to the City, refuse to pay any Note that would result in an overdraft to the Credit Facility Account.

Series P/Q Notes shall be paid by debiting the Credit Facility Account in accordance with the provisions of this Section 11.

Series P/Q Notes will be paid first from the proceeds of the Rolled Notes previously issued or from the sale of new Series P/Q Notes, second from draws under the related Credit Facility, and third from funds deposited into the Notes Account by the City. The Issuing and Paying Agent shall make a drawing under the applicable Credit Facility sufficient to pay in full the related Series P/Q Notes scheduled to mature on any day in accordance with the provisions of this Agreement, particularly Section 4(c)(ii) hereof, and the Series P/Q Credit Facilities and such

funds, deposited into the related Credit Facility Subaccount, shall be used solely to pay the Series P/Q Notes or any portion thereof.

## **12. OVERDRAFTS**

(a) Intraday overdrafts with respect to the Notes Account shall be subject to the Issuing and Paying Agent policies as in effect from time to time.

(b) An overdraft will exist in the Notes Account if the Issuing and Paying Agent, in its sole discretion, (i) permits an advance to be made pursuant to Section 10 and, notwithstanding the provisions of Section 10, such advance is not repaid in full on the same day as it is made, or (ii) pays a Note pursuant to Section 11 in excess of the available collected balance in such Notes Account. Overdrafts shall be subject to the Issuing and Paying Agent established banking practices, including, without limitation, the imposition of interest, funds usage charges and administrative fees. The City shall repay any such overdraft, fees and charges no later than the next Business Day, together with interest on the overdraft at the rate established by the Issuing and Paying Agent for the Notes Account, computed from and including the date of the overdraft to the date of repayment.

## **13. NO PRIOR COURSE OF DEALING**

No prior action or course of dealing on the part of the Issuing and Paying Agent with respect to advances of the purchase price or payments of matured Series P/Q Notes shall give rise to any claim or cause of action by the City against the Issuing and Paying Agent in the event that the Issuing and Paying Agent refuses to pay or settle any Series P/Q Notes for which the City has not timely provided funds as required by this Agreement.

## **14. CANCELLATION AND RETURN OF SERIES P/Q NOTES**

(a) For Book-Entry Notes, the Issuing and Paying Agent shall cause the books maintained by DTC and the books of its direct and indirect participants to be annotated to reflect the face amount of Book-Entry Notes following the payment of any amount of such Notes.

(b) For Certificated Notes, the Issuing and Paying Agent will in due course cancel any Certificated Note presented for payment and return such Note to the City. The Issuing and Paying Agent shall also cancel and return to the City any spoiled or voided Certificated Notes. Promptly upon written request of the City or at the termination of this Agreement, the Issuing and Paying Agent shall destroy all blank, unissued Certificated Notes in its possession and furnish a certificate to the City certifying such actions.

## **15. INFORMATION FURNISHED BY THE ISSUING AND PAYING AGENT**

Upon the reasonable request of the City, the Issuing and Paying Agent shall promptly provide the City with information with respect to any Note issued and paid under this Agreement, provided, that the City delivers such request in writing and, to the extent applicable,

includes the serial number or note number, principal amount, payee, date of issue, maturity date, amount of interest (if any) and place of payment of such Note.

By its execution hereof, the Issuing and Paying Agent agrees to provide each Credit Provider with read-only access to the on-line commercial paper trade reporting system of the Issuing and Paying Agent with respect to the Notes and to any other electronic platform as requested by any Credit Provider to fulfill such Credit Provider's regulatory reporting needs with respect to the Notes and as agreed to by the Issuing and Paying Agent.

## **16. REPRESENTATIONS AND WARRANTIES**

The City represents and warrants that: (i) it has the right, capacity and authority to enter into this Agreement; and (ii) it will comply with all of its obligations and duties under this Agreement. The City further represents and agrees that each Note issued and distributed upon its instruction pursuant to this Agreement shall constitute the City's representation and warranty to the Issuing and Paying Agent (i) that such Note is a legal, valid and binding limited obligation of the City, payable from and secured by the funds pledged thereto under the Master Bond Ordinance, (ii) that such Note is being issued in a transaction which is exempt from registration under the Securities Act of 1933, as amended, and any applicable state securities law, (iii) the Issuing and Paying Agent's appointment to act for the City hereunder has been duly authorized by all necessary corporate action of the City, (iv) after the issuance of such Series P/Q Notes and the application of the proceeds thereof, the aggregate principal amount of and interest payable upon maturity will not exceed \$163,315,069.00 with respect to the Series P Notes and \$326,630,137.00 with respect to the Series Q Notes, (v) no default or event of default has occurred or is continuing thereunder and each representation and warranty of the City thereunder is true and correct in all material respects on and as of such date, and (vi) a No Issuance Notice or a Final Drawing Notice has not been received from any Credit Provider.

## **17. DISCLAIMERS**

The City agrees that the Issuing and Paying Agent shall not be liable for any losses, damages, liabilities or costs suffered or incurred by the City as a result of (a) the Issuing and Paying Agent having executed instructions from the City, any Authorized Representative, or any Delegate (b) the Issuing and Paying Agent's improper execution or failure to execute any instructions because of unclear instructions, failure of communications media or any other circumstances beyond the control of the Issuing and Paying Agent, (c) the actions or inactions of DTC or any broker, dealer, consignee or agent, or (d) any other acts or omissions of the Issuing and Paying Agent (or of any of its agents or correspondents) relating to this Agreement or the transactions or activities contemplated hereby except to the extent, if any, that such other acts or omissions constitute negligence or willful misconduct by the Issuing and Paying Agent. The City, in the absence of negligence or willful misconduct by the Issuing and Paying Agent, and subject to State law requirements, agrees to indemnify the Issuing and Paying Agent and to hold it harmless from and against (a) any and all losses, expenses (including attorney's fees and expenses), liabilities, litigation costs, claims (groundless or otherwise), suits, fines and penalties arising out of the Issuing and Paying Agent's actions or omissions relating to the Issuing and Paying Agent's activities under this Agreement or activities or transactions contemplated therewith and (b) any damages, costs, expenses (including legal fees and disbursements), losses

or liabilities relating to any such actions, claims, suits, fines or penalties or to any breach of this Agreement by the City. This Section 17 shall survive any termination of this Agreement and the issuance and payment of any Series P/Q Notes.

## **18. OPINION OF COUNSEL**

The City shall deliver to the Issuing and Paying Agent all documents it may reasonably request relating to the existence of the City and authority of the City for this Agreement, including, without limitation, an opinion of counsel, substantially in the form of “**Exhibit E**” to this Agreement.

## **20. COMPENSATION**

The City shall pay compensation for services pursuant to this Agreement in accordance with the pricing schedules furnished by the Issuing and Paying Agent to the City from time to time and upon such payment terms as the parties shall determine. The City shall also reimburse the Issuing and Paying Agent for any fees and charges imposed by DTC with respect to services provided in connection with the Book-Entry Notes. The obligations of City under this Section

20 shall survive any termination of this Agreement and the resignation or removal of Issuing and Paying Agent. If for any reason the funds are insufficient to cover such compensation and reimbursement, City shall promptly pay such amounts to Issuing and Paying Agent upon receipt of an itemized invoice.

## **21. BENEFIT OF AGREEMENT**

This Agreement is solely for the benefit of the parties hereto and no other person shall acquire or have any right under or by virtue hereof.

## **22. TERMINATION**

(a) This Agreement may be terminated in accordance with the provisions of the Master Bond Ordinance and the Supplemental Ordinance; provided however that no such termination shall be effective until such time as a successor issuing and paying agent has been appointed by the City and has executed an issuing and paying agent agreement substantially identical to this Agreement in accordance with the Supplemental Ordinance and that the Reimbursement Agreements and the Series P/Q Credit Facilities have been amended to provide that such successor issuing and paying agent is the beneficiary thereof.

(b) In the event that the Issuing and Paying Agent resigns or is removed as Issuing and Paying Agent, no such resignation or removal shall become effective unless and until a successor Issuing and Paying Agent is appointed, such successor has accepted such appointment, and the Issuing and Paying Agent has delivered the Series P/Q Credit Facilities to the successor Issuing and Paying Agent. No successor Issuing and Paying Agent shall be appointed unless such successor Issuing and Paying Agent shall have trust powers. The City shall notify the Issuing and Paying Agent of the identity of any successor Issuing and Paying Agent upon such appointment. Upon the termination of this Agreement the respective rights and duties of the City and the Issuing and Paying Agent shall cease, except as otherwise expressly provided in this Agreement. Any Series P/Q Notes issued and sold in accordance with the provisions of this Agreement and outstanding on the date of the termination of this Agreement shall nevertheless remain valid limited obligations of the City in accordance with the terms thereof and of the Master Bond Ordinance and the Supplemental Ordinance, and shall be entitled to the benefits of the related Credit Facility to the extent provided therein, and the benefits of this Agreement shall continue to be applicable with respect to such Series P/Q Notes and any funds held in the applicable Credit Facility Subaccount to the same extent as if this Agreement had not been terminated or, in the case where there shall exist a successor Issuing and Paying Agent, the arrangements provided for under such successor Agreement shall be applicable to the Series P/Q Notes.

(c) On the Business Day following the date of termination of this Agreement, the Issuing and Paying Agent shall destroy the Master Note and deliver the Series P/Q Credit Facilities then held by the Issuing and Paying Agent under the terms of this Agreement and transfer all funds, if any, on deposit in the Credit Facility Account to the

successor Issuing and Paying Agent. The Issuing and Paying Agent shall promptly notify the City and the applicable Credit Provider of the destruction of the Master Note.

(d) It is understood that upon the Issuing and Paying Agent's resignation, the Issuing and Paying Agent shall no longer be obligated to issue any Series P/Q Notes. It is also understood that, if after sixty (60) days from the termination, a successor Issuing and Paying Agent has not been appointed, the Issuing and Paying Agent may petition a court of competent jurisdiction for the appointment of a successor Issuing and Paying Agent, and such court may thereupon appoint a successor Issuing and Paying Agent. Issuing and Paying Agent shall be reimbursed by the City for any expenses in connection with any such petition and appointment.

## **23. FORCE MAJEURE**

In no event shall the Issuing and Paying Agent be liable for any failure or delay in the performance of its obligations under this Agreement because of circumstances beyond the Issuing and Paying Agent's control, including, but not limited to, acts of God, epidemic, flood, war (whether declared or undeclared), terrorism, fire, riot, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like which restrict or prohibit the providing of the services contemplated by this Agreement, inability to obtain material, equipment, or communications or computer facilities, or the failure of equipment or interruption of communications or computer facilities, and other causes beyond the Issuing and Paying Agent's control whether or not of the same class or kind as specifically named above.

## **24. ENTIRE AGREEMENT**

This Agreement, together with the exhibits attached, constitutes the entire agreement between the Issuing and Paying Agent and the City with respect to the subject matter and supersedes in all respects all prior proposals, negotiations, communications, discussions and agreements between the parties concerning the subject matter of this Agreement.

## **25. WAIVERS AND AMENDMENTS**

No failure or delay on the part of any party in exercising any power or right under this Agreement shall operate as a waiver, nor does any single or partial exercise of any power or right preclude any other or further exercise, or the exercise of any other power or right. Any such waiver shall be effective only in the specific instance and for the purpose for which it is given. No amendment, modification or waiver of any provision of this Agreement shall be effective unless the same shall be in writing and signed by the City and the Issuing and Paying Agent and agreed to by the Credit Provider in writing prior to the effectiveness of such amendment.

## **26. BUSINESS DAY**

Whenever any payment to be made under this Agreement shall be due on a day, which is not a business day for the Issuing and Paying Agent, then such payment shall be made on the Issuing and Paying Agent's next succeeding business day.

## **27. COUNTERPARTS**

This Agreement may be executed in counterparts, each of which shall be deemed an original and such counterparts together shall constitute but one instrument.

## **28. HEADINGS**

The headings in this Agreement are for purposes of reference only and shall not in any way limit or otherwise affect the meaning or interpretation of any of the terms of this Agreement.

## **29. GOVERNING LAW**

This Agreement and the Series P/Q Notes shall be governed by and construed in accordance with the internal laws of the State of Georgia, without regard to the conflict of laws provisions thereof.

## **30. NOTES ACCOUNT CONDITIONS**

**THE NOTES ACCOUNT AND CREDIT FACILITY ACCOUNT SHALL BE SUBJECT TO THE ISSUING AND PAYING AGENT'S ACCOUNT CONDITIONS, AS IN EFFECT FROM TIME TO TIME.**

## **31. LIABILITY OF ISSUING AND PAYING AGENT**

In no event shall Issuing and Paying Agent be liable for incidental, indirect, special, consequential or punitive damages or penalties (including, but not limited to lost profits), even if Issuing and Paying Agent has been advised of the likelihood of such damages or penalty and regardless of the form of action. Issuing and Paying Agent shall not be obligated to take any legal action or commence any proceeding in connection with this Agreement, the funds held hereunder or any account in which funds are deposited or to appear in, prosecute or defend any such legal action or proceeding or to take any other action that Issuing and Paying Agent determines, in its sole judgment, may expose it to liability or expense. Issuing and Paying Agent may consult legal counsel selected by it concerning this Agreement or of its duties hereunder and shall incur no liability and shall be fully indemnified from any liability whatsoever in acting in accordance with the advice of such counsel. If, at any time Issuing and Paying Agent is unable to determine, to Issuing and Paying Agent's sole satisfaction, the proper disposition of all or any portion of the funds held hereunder or Issuing and Paying Agent's proper actions with respect to its obligations hereunder, then Issuing and Paying Agent may, in its reasonable sole discretion, take either or both of the following actions: (i) suspend the performance of any of its obligations (including without limitation any disbursement obligations) under this Agreement until such uncertainty shall be resolved to the sole satisfaction of Issuing and Paying Agent and/or (ii) petition (by means of an interpleader action or any other appropriate method) any court of competent jurisdiction, in any venue convenient to Issuing and Paying Agent, for instructions with respect to such dispute or uncertainty, and to the extent required or permitted by law, pay into such court, for holding and disposition in accordance with the instructions of such court, all funds held hereunder, after deduction and payment to Issuing and Paying Agent of all fees and expenses (including court costs and attorneys' fees) payable to, incurred by, or expected to be

incurred by Issuing and Paying Agent in connection with the performance of its duties and the exercise of its rights hereunder.

### **32. OPTIONAL SECURITY PROCEDURES**

In the event funds transfer instructions, address changes or change in contact information are given (other than in writing at the time of execution of this Agreement), whether in writing, by facsimile or otherwise, Issuing and Paying Agent is authorized but shall be under no duty to seek confirmation of such instructions by telephone call-back to an Authorized Representative, and Issuing and Paying Agent may rely upon the confirmation of anyone purporting to be the person or persons so designated. The persons and telephone numbers for call-backs may be changed only in writing actually received and acknowledged by Issuing and Paying Agent and shall be effective only after Issuing and Paying Agent has a reasonable opportunity to act on such changes. Issuing and Paying Agent in any funds transfer may rely solely upon any account numbers or similar identifying numbers provided by City to identify (a) the beneficiary, (b) the beneficiary's bank, or (c) an intermediary bank. Agent may apply funds for any payment order it executes using any such identifying number, even when its use may result in a person other than the beneficiary being paid, or the transfer of funds to a bank other than the beneficiary's bank or an intermediary bank designated. City acknowledges that these optional security procedures are commercially reasonable.

### **33. ELECTRONIC TRANSMISSION; ELECTRONIC SIGNATURE**

Issuing and Paying Agent shall not have any duty to confirm that the person sending any notice, instruction or other communication (a "Notice") by electronic transmission (including by e-mail, facsimile transmission, web portal or other electronic methods) is, in fact, a person authorized to do so. Electronic signatures believed by Issuing and Paying Agent to comply with the ESIGN Act of 2000 or other applicable law (including electronic images of handwritten signatures and digital signatures provided by DocuSign, Orbit, Adobe Sign or any other digital signature provider acceptable to Agent) shall be deemed original signatures for all purposes. City assumes all risks arising out of the use of electronic signatures and electronic methods to send Notices to Issuing and Paying Agent, including without limitation the risk of Issuing and Paying Agent acting on an unauthorized Notice, and the risk of interception or misuse by third parties. Notwithstanding the foregoing, Issuing and Paying Agent may in any instance and in its sole discretion require that an original document bearing a manual signature be delivered to Issuing and Paying Agent in lieu of, or in addition to, any such electronic Notice.

### **34. TAX REPORTING**

Issuing and Paying Agent shall have no responsibility for the tax consequences of this Agreement and City shall consult with independent counsel concerning any and all tax matters. City shall provide IRS Form W-9 or Form W-8, as applicable, for each payee, together with any other documentation and information requested by Issuing and Paying Agent in connection with Issuing and Paying Agent's reporting obligations under any applicable U.S. federal law or regulation. If such tax documentation is not so provided, Issuing and Paying Agent is authorized to withhold taxes as required by applicable U.S. federal law or regulation.

### **35. IDENTIFYING INFORMATION**

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust, or other legal entity, Issuing and Paying Agent requires documentation to verify its formation and existence as a legal entity. Issuing and Paying Agent may ask to see financial statements, licenses, and identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation. The parties acknowledge that a portion of the identifying information set forth herein is being requested by Agent in connection with the USA Patriot Act, Pub.L.107-56 (the “Act”), and each agrees to provide any additional information requested by Issuing and Paying Agent in connection with the Act or any other legislation or regulation to which Issuing and Paying Agent is subject, in a timely manner.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on their behalf by duly authorized officers as of the day and year first-above written.

Ladies and Gentlemen:

As Co-Note Counsel to the City of Atlanta (the “City”), we have examined the applicable law and certified copies of certain documents and proceedings, including without limitation a certified copy of the validation proceeding in the Superior Court of Fulton County, Georgia, relating to the issuance and sale by the City of its Third Lien Airport General Revenue Commercial Paper Notes, Series M-1 (Non-AMT) (the “**Series M-1 Notes**”), its Third Lien Airport General Revenue Commercial Paper Notes, Series M-2 (AMT) (the “**Series M-2 Notes**”), its Second Lien Airport Passenger Facility Charge and Third Lien Airport General Revenue Commercial Paper Notes, Series M-3 (Non-AMT) (the “**Series M-3 Notes**”), and its Second Lien Airport Passenger Facility Charge and Third Lien Airport General Revenue Commercial Paper Notes, Series M-4 (AMT) (the “**Series M-4 Notes**” and, together with the Series M-1 Notes, the Series M-2 Notes and the Series M-3 Notes, the “**Series M Notes**”), in the maximum aggregate principal amount of \$350,000,000; its Third Lien Airport General Revenue Commercial Paper Notes, Series N-1 (Non-AMT) (the “**Series N-1 Notes**”), its Third Lien Airport General Revenue Commercial Paper Notes, Series N-2 (AMT) (the “**Series N-2 Notes**”), its Second Lien Airport Passenger Facility Charge and Third Lien Airport General Revenue Commercial Paper Notes, Series N-3 (Non-AMT) (the “**Series N-3 Notes**”), and its Second Lien Airport Passenger Facility Charge and Third Lien Airport General Revenue Commercial Paper Notes, Series N-4 (AMT) (the “**Series N-4 Notes**” and, together with

the Series N-1 Notes, the Series N-2 Notes and the Series N-3 Notes, the “**Series N Notes**”), in the maximum aggregate principal amount of \$475,000,000; and its Third Lien Airport General Revenue Commercial Paper Notes, Series O-1 (Non-AMT) (the “**Series O-1 Notes**”), its Third Lien Airport General Revenue Commercial Paper Notes, Series O-2 (AMT) (the “**Series O-2 Notes**”), its Second Lien Airport Passenger Facility Charge and Third Lien Airport General Revenue Commercial Paper Notes, Series O-3 (Non-AMT) (the “**Series O-3 Notes**”), and its Second Lien Airport Passenger Facility Charge and Third Lien Airport General Revenue Commercial Paper Notes, Series O-4 (AMT) (the “**Series O-4 Notes**” and, together with the Series O-1 Notes, the Series O-2 Notes and the Series O-3 Notes, the “**Series O Notes**”), in the maximum aggregate principal amount of \$125,000,000. The Series M Notes, the Series N Notes and the Series O Notes are referred to collectively herein as the “**Series M/N/O Notes**.” Capitalized terms used but not defined herein have the respective meanings ascribed thereto in the Bond Ordinance as hereinafter defined.

The Series M/N/O Notes are a part a commercial paper program and are to be issued over a period of time by the City to (i) finance or refinance a portion of the cost of the planning, engineering, design, acquisition and construction of certain improvements to Hartsfield-Jackson Atlanta International Airport (the “**Airport**”), including the 2022 Notes Project, and (ii) refund in whole or in part the principal of and interest on outstanding Series M/N/O Notes. The Series M/N/O Notes are authorized by that certain Amended and Restated Master Bond Ordinance (Ordinance No. 99-O-1896) adopted on March 20, 2000 (the “**Master Bond Ordinance**”), as thereafter supplemented and amended, including by that certain Thirtieth Supplemental Bond Ordinance (Ordinance No. 22-O-1266) adopted on May 2, 2022 (the “**Thirtieth Supplemental Bond Ordinance**” and, together with the Master Bond Ordinance, the “**Bond Ordinance**”). The Series M-1 Notes, the Series M-2 Notes, the Series N-1 Notes, the Series N-2 Notes, the Series O-1 Notes and the Series O-2 Notes are each secured by a third lien on General Revenues and on a parity with Third Lien GARB Notes, junior and subordinate to the lien on General Revenues of Senior Lien General Revenue Bonds and Hybrid PFC Bonds. The Series M-3 Notes, the Series M-4 Notes, the Series N-3 Notes, the Series N-4 Notes, the Series O-3 Notes and the Series O-4 Notes are each secured by (i) a second lien on PFC Revenues, junior and subordinate to the lien on PFC Revenues of Hybrid PFC Bonds, and (ii) a third lien on General Revenues and on a parity with Third Lien GARB Notes, junior and subordinate to the lien on General Revenues of Senior Lien General Revenue Bonds and Hybrid PFC Bonds. Reference is made to the forms of the Series M/N/O Notes and the Bond Ordinance for information concerning their details, including payment and redemption provisions, their purpose, and the proceedings pursuant to which they are issued.

Without undertaking to verify the same by independent investigation, we have relied on certifications by representatives of the City and other parties as to certain facts relevant to both our opinion and requirements of the Internal Revenue Code of 1986, as amended (the “**Code**”). The City has covenanted to comply with the provisions of the Code and regulations regarding, among other matters, the use, expenditure, and investment of the proceeds of the Series M/N/O Notes, the timely payment to the United States of any arbitrage rebate amounts with respect to the Series M/N/O Notes, and the timing requirements for the issuance of Series M/N/O Notes, all as set forth in the proceedings and documents relating to the issuance of the Series M/N/O Notes (the “**Covenants**”).

Based on the foregoing, in accordance with customary legal opinion practice, and assuming the due authorization, execution and delivery by the parties, other than the City, to the relevant agreements, we are of the opinion that:

(1) The Thirtieth Supplemental Bond Ordinance has been duly adopted, is in full force and effect, and is valid and enforceable against the City in accordance with its terms.

(2) The Series M/N/O Notes issued during the initial New Money Issuance Period have been duly authorized and issued in accordance with the Constitution and statutes of the State of Georgia and the Bond Ordinance, constitute valid and binding limited obligations of the City, and (i) with respect to the Series M-1 Notes, the Series M-2 Notes, the Series N-1 Notes, the Series N-2 Notes, the Series O-1 Notes and the Series O-2 Notes, are each payable solely from and secured by a third lien on General Revenues and on a parity with Third Lien GARB Notes, junior and subordinate to the lien on General Revenues of Senior Lien General Revenue Bonds and Hybrid PFC Bonds, and (ii) with respect to the Series M-3 Notes, the Series M-4 Notes, the Series N-3 Notes, the Series N-4 Notes, the Series O-3 Notes and the Series O-4 Notes, are each payable solely from and secured by (a) a second lien on PFC Revenues junior and subordinate to the lien on PFC Revenues of Hybrid PFC Bonds, and (b) a third lien on General Revenues, and on a parity with Third Lien GARB Notes, junior and subordinate to the lien on General Revenues of Senior Lien General Revenue Bonds and Hybrid PFC Bonds. The Series M/N/O Notes and the interest thereon do not constitute a pledge of the faith and credit of the State of Georgia or any political subdivision thereof, including without limitation, the City.

(3) The rights of the holders of the Series M/N/O Notes and the enforceability of such rights, including enforcement of the obligations of the City under the Bond Ordinance, may be limited or otherwise affected by (a) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, and other laws affecting the rights of creditors generally, and (b) principles of equity, whether considered at law or in equity.

(4) Under current law, (a) interest on the Series M-1 Notes, the Series M-3 Notes, the Series N-1 Notes, the Series N-3 Notes, the Series O-1 Notes and the Series O-3 Notes issued during the initial New Money Issuance Period, as described in the Thirtieth Supplemental Bond Ordinance, (i) will not be included in gross income for Federal income tax purposes, and (ii) will not be an item of tax preference for purposes of the Federal alternative minimum income tax, and (b) interest on the Series M-2 Notes, the Series M-4 Notes, the Series N-2 Notes, the Series N-4 Notes, the Series O-2 Notes and the Series O-4 Notes issued during the initial New Money Issuance Period (i) will not be included in gross income for Federal income tax purposes, except when held by a “substantial user” of the Airport facilities or a “related person” within the meaning of Section 147(a) of the Code, and (ii) will be an item of tax preference for purposes of the Federal alternative minimum income tax. The opinion in this paragraph (4) is subject to the conditions and limitations described above, and is subject to the condition that there is compliance subsequent to the issuance of the Series M/N/O Notes with all requirements of the Code that must be satisfied in order that interest thereon not be included in gross income for Federal income tax purposes. Failure by the City to comply with the Covenants, among other things, could cause interest on the Series M/N/O Notes to be included in gross income for Federal income tax purposes retroactively to

their date of issue. We express no opinion regarding other Federal tax consequences of ownership of or receipt or accrual of interest on Series M/N/O Notes.

(5) Under current law, interest on the Series M/N/O Notes issued during the initial New Money Issuance Period will be exempt from income taxation by the State of Georgia.

This opinion may be relied upon by purchasers of Series M/N/O Notes issued subsequent to the date hereof during the initial New Money Issuance Period only to the extent that, (i) the City has continued and will continue to comply with the Covenants, (ii) Co-Note Counsel has not issued a new opinion subsequent to the date hereof as to the matters addressed herein, (iii) Co-Note Counsel has not notified the City that the descriptions and opinions herein are no longer applicable to Series M/N/O Notes issued after such notification, and (iv) subsequent to the date hereof no legislation, court decisions, rulings or regulations have been enacted, promulgated or interpreted after the date hereof that would prevent Co-Note Counsel from rendering the opinions contained herein.

Our services as Co-Note Counsel have been limited to delivering the foregoing opinion based on our review of such proceedings and documents as we deem necessary to approve the validity of the Series M/N/O Notes and the tax-exempt status of the interest thereon. We express no opinion herein as to the financial resources of the City or the Airport, the City's or the Airport's ability to provide for the payments required on the Series M/N/O Notes, or the accuracy or completeness of any information, including the City's Offering Memorandum, dated \_\_\_\_\_, 2022, that may have been relied upon by anyone in making the decision to purchase Series M/N/O Notes.

Very truly yours,

Third Lien Airport General Revenue Commercial Paper Notes Series P-1 (AMT) and Series P-2 (Taxable)	Third Lien Airport General Revenue Commercial Paper Notes Series Q-1 (Non-AMT) and Series Q-2 (AMT)

Ladies and Gentlemen:

As Co-Note Counsel to the City of Atlanta (the “**City**”), we have examined the applicable law and certified copies of certain documents and proceedings, including without limitation a certified copy of the validation proceeding in the Superior Court of Fulton County, Georgia, relating to the issuance and sale by the City of its Third Lien Airport General Revenue Commercial Paper Notes, Series P-1 (AMT) (the “**Series P-1 Notes**”) and its Third Lien Airport General Revenue Commercial Paper Notes, Series P-2 (Taxable) (the “**Series P-2 Notes**” and, together with the Series P-1 Notes, the “**Series P Notes**”), in the maximum aggregate principal amount of \$150,000,000; its Third Lien Airport General Revenue Commercial Paper Notes, Series Q-1 (Non-AMT) (the “**Series Q-1 Notes**”) and its Third Lien Airport General Revenue Commercial Paper Notes, Series Q-2 (AMT) (the “**Series Q-2 Notes**” and, together with the Series Q-1 Notes, “**Series Q Notes**”), in the maximum aggregate principal amount of \$300,000,000. The Series P Notes and the Series Q Notes are referred to collectively herein as the “**Series P/Q Notes**.” Capitalized terms used but not defined herein have the respective meanings ascribed thereto in the hereinafter defined Bond Ordinance.

The Series P/Q Notes are a part a commercial paper program and are to be issued over a period of time by the City to (i) finance or refinance a portion of the cost of the planning, engineering, design, acquisition and construction of certain improvements to Hartsfield-Jackson Atlanta International Airport (the “**Airport**”), including the 2024 Notes Project, (ii) refund in whole or in part the principal of and interest on outstanding Series P/Q Notes, and (iii) to reimburse a credit provider for a draw under a credit facility related to a prior commercial paper program. The Series P/Q Notes are authorized by that certain Amended and Restated Master Bond Ordinance (Ordinance No. 99-O-1896) adopted on March 20, 2000 (the “**Master Bond Ordinance**”), as thereafter supplemented and amended, including by that certain Thirty-Fourth Supplemental Bond Ordinance (Ordinance No. 24-O-1623) adopted by the City Council of the City on November 18, 2024, and approved by the Mayor on November 22, 2024 (the “**Thirty-Fourth Supplemental Bond Ordinance**” and, together with the Master Bond Ordinance, the “**Bond**

**Ordinance**”). The Series P-1 Notes, the Series P-2 Notes, the Series Q-1 Notes and the Series Q-2 Notes are each secured by a third lien on General Revenues and on a parity with Third Lien GARB Notes, junior and subordinate to the lien on General Revenues of Senior Lien General Revenue Bonds and Hybrid PFC Bonds. Reference is made to the forms of the Series P/Q Notes and the Bond Ordinance for information concerning their details, including payment and redemption provisions, their purpose, and the proceedings pursuant to which they are issued.

Without undertaking to verify the same by independent investigation, we have relied on certifications by representatives of the City and other parties as to certain facts relevant to both our opinion and requirements of the Internal Revenue Code of 1986, as amended (the “**Code**”). The City has covenanted to comply with the current provisions of the Code and regulations regarding, among other matters, the use, expenditure, and investment of the proceeds of the Series P-1 Notes and the Series Q Notes, the timely payment to the United States of any arbitrage rebate amounts with respect to the Series P-1 Notes and the Series Q Notes, and the timing requirements for the issuance of the Series P-1 Notes and the Series Q Notes, all as set forth in the proceedings and documents relating to the issuance of the Series P/Q Notes (the “**Covenants**”).

Based on the foregoing, in accordance with customary legal opinion practice, and assuming the due authorization, execution and delivery by the parties, other than the City, to the relevant agreements, we are of the opinion that:

(1) The Thirty-Fourth Supplemental Bond Ordinance has been duly adopted, is in full force and effect, and is valid and enforceable against the City in accordance with its terms.

(2) The Series P/Q Notes issued during the initial as part of the Initial Program, as described in the Thirty-Fourth Supplemental Bond Ordinance have been duly authorized and issued in accordance with the Constitution and statutes of the State of Georgia and the Bond Ordinance, constitute valid and binding limited obligations of the City and are each payable solely from and secured by a third lien on General Revenues and on a parity with Third Lien GARB Notes, junior and subordinate to the lien on General Revenues of Senior Lien General Revenue Bonds and Hybrid PFC Bonds. The Series P/Q Notes and the interest thereon do not constitute a pledge of the faith and credit of the State of Georgia or any political subdivision thereof, including without limitation, the City.

(3) The rights of the holders of the Series P/Q Notes and the enforceability of such rights, including enforcement of the obligations of the City under the Bond Ordinance, may be limited or otherwise affected by (a) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and other laws affecting the rights of creditors generally, and (b) principles of equity, whether considered at law or in equity.

(4) Under current law, (a) interest on the Series Q-1 Notes issued as part of the Initial Program (i) will not be included in gross income for Federal income tax purposes, and (ii) will not be an item of tax preference for purposes of the Federal alternative minimum income tax (b) interest on the Series P-1 Notes and the Series Q-2 Notes issued as part of the Initial Program (i) will not be included in

gross income for Federal income tax purposes, except when held by a “substantial user” of the Airport facilities or a “related person” within the meaning of Section 147(a) of the Code, and (ii) will be an item of tax preference for purposes of the Federal alternative minimum income tax, and (c) interest on the Series P-1 Notes, the Series Q-1 Notes and the Series Q-2 Notes (collectively, the “**Tax-Exempt Notes**”) will be taken into account in determining the adjusted financial statement income of “applicable corporations” (as defined in Section 59(k) of the Code. The opinion in this paragraph (4) is subject to the conditions and limitations described above, and is subject to the condition that there is compliance subsequent to the issuance of the Tax-Exempt Notes with all requirements of the Code that must be satisfied in order that interest thereon not be included in gross income for Federal income tax purposes. Failure by the City to comply with the Covenants, among other things, could cause interest on the Tax-Exempt Notes to be included in gross income for Federal income tax purposes retroactively to their date of issue. We express no opinion regarding other Federal tax consequences of ownership of or receipt or accrual of interest on Series P/Q Notes.

(5) Under current law, interest on the Tax-Exempt Notes issued during the initial New Money Issuance Period will be exempt from income taxation by the State of Georgia.

The opinions expressed in this opinion letter may be relied upon by purchasers of Series P/Q Notes issued subsequent to the date hereof during the initial New Money Issuance Period only to the extent that, (i) the City has continued and will continue to comply with the Covenants, (ii) Co-Note Counsel has not issued a new opinion subsequent to the date hereof as to the matters addressed herein, (iii) Co-Note Counsel has not notified the City that the descriptions and opinions herein are no longer applicable to Series P/Q Notes issued after such notification and (iv) subsequent to the date hereof no legislation, court decisions, rulings or regulations have been enacted, promulgated or interpreted after the date hereof that would prevent Co-Note Counsel from rendering the opinions contained herein.

The opinions set forth above are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. Our services as co-note counsel have been limited to delivering the foregoing opinion based on our review of such proceedings and documents as we deem necessary to approve the validity of the Notes, the tax-exempt status of the interest on the Tax-Exempt Notes. Our services have not included any financial or other non-legal advice. We express no opinion herein as to the financial resources of the City or the Airport, the City’s or the Airport’s ability to provide for the payments required on the Series P/Q Notes, or the accuracy or completeness of any information, including the City’s Offering Memorandum, dated January 22, 2024, that may have been relied upon by anyone in making the decision to purchase Series P/Q Notes. We assume no duty to update or supplement these opinions to reflect any facts or circumstances that may hereafter come to our attention or to reflect any changes in any law or the interpretation thereof that may hereafter occur or become effective.

## APPENDIX H

### DTC AND THE BOOK-ENTRY ONLY SYSTEM

*Unless otherwise defined herein, capitalized terms used in this Appendix H and not otherwise defined herein shall have the meanings assigned thereto in the Offering Memorandum.*

*The information contained in this Appendix H concerning DTC and DTC's book-entry system has been obtained from DTC and neither the City nor the Dealers make any representation or warranty or take any responsibility for the accuracy or completeness of such information.*

DTC will act as securities depository for the Series M/N/O/P/Q Notes. The Series M/N/O/P/Q Notes will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series M Note certificate, one fully registered Series N Note certificate, and one fully registered Series O Note certificate, one fully registered Series P Note certificate, and one fully registered Series Q Note certificate will be issued for each maturity of the Series M/N/O/P/Q Notes as set forth on the inside front cover of this Offering Memorandum, each in the aggregate principal amount of such maturity and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds and provides asset servicing for U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants" and together with the Direct Participants, the "Participants"). The DTC Rules applicable to its Participants are on file with the SEC. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Series M/N/O/P/Q Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series M/N/O/P/Q Notes on DTC's records. The ownership interest of each actual purchaser of each Series M/N/O/P/Q Note ("Beneficial Owner") is in turn to be recorded on the Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to

receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series M/N/O/P/Q Notes are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series M/N/O/P/Q Notes, except in the event that use of the book-entry system for the Series M/N/O/P/Q Notes is discontinued.

To facilitate subsequent transfers, all Series M/N/O/P/Q Notes deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series M/N/O/P/Q Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series M/N/O/P/Q Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series M/N/O/P/Q Notes are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series M/N/O/P/Q Notes unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series M/N/O/P/Q Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, premium, if any, and interest payments on the Series M/N/O/P/Q Notes will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the Paying Agent on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, premium, if any, and interest on the Series M/N/O/P/Q Notes, as applicable, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Participants.

DTC may discontinue providing its services as securities depository with respect to the Series M/N/O/P/Q Notes at any time by giving reasonable notice to the City or Paying Agent.

Under such circumstances, in the event that a successor securities depository is not obtained, Series M/N/O/P/Q Note certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Series M/N/O/P/Q Note certificates will be delivered and registered in the name of the Beneficial Owner.
