

Security Awareness

Monthly Focus

Volume 12, Quarter 3, Issue 9**September 2025**

September is National Insider Threat Awareness Month

❖ Anyone can be at risk of becoming a threat, whether intentionally or unintentionally. When you see something, say something. Impacts from insider threats include but are not limited to:

1. Resource degradation
2. Harm to national/transportation security
3. Organizational/operational readiness
4. Potential injury to people and even loss of life.
5. Loss of organizational reputation, innovation, industry advantage, and financial instability.

Remember, Security is Everybody's Business!

The Department of Aviation's Safety & Security Division is responsible for managing an effective Airport Security Program that ensures a safe and secure environment at the world's busiest and most efficient airport while exceeding customers' expectations and complying with applicable regulations, laws and codes.

If you have questions, please contact the Safety & Security Division at SecurityID@atl.com. Thank you for your continued support of the Airport Security Program.
