

A CENTURY IN FLIGHT

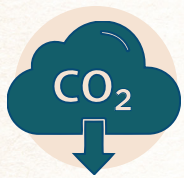

2025 ATL ENVIRONMENTAL, SOCIAL, AND GOVERNANCE REPORT

The annual Hartsfield-Jackson Atlanta International Airport (ATL) ESG Report highlights the Airport's priorities, performance, and opportunities for enhancing sustainability. The 2025 report, *A Century in Flight* honors the Airport's 100 years of visionary leadership as ATL continues to set the global standard for operational excellence, passenger experience, and innovation. Visit www.atl.com/sustainability to read the full report.
