

Security Awareness

Monthly Focus

Volume 13, Quarter 3, Issue 7

July 2026

Online Appointment Link

Employees can now reserve their own fingerprinting and badging appointments through the online appointment link, providing greater flexibility and efficiency.

To ensure accuracy, employees will use their personal email address when scheduling appointments. Automated email and text notifications will provide reminders and allow applicants to confirm or modify their appointments as needed.

A new confirmation process has been implemented to help maximize appointment availability. Unconfirmed appointments will be released back into the system, allowing other customers to utilize those time slots.

When the Appointment Is Scheduled

More than 48 hours in advance

24–48 hours in advance

1–24 hours in advance

Less than 1 hour in advance

Confirmation Required

Confirm within 24 hours of the reminder notification

Confirm within 24 hours

Confirm within 1 hour

No confirmation required

Remember, Safety & Security is Everyone's Business!

The Department of Aviation's Safety & Security division is responsible for managing an effective. Airport Security Program that ensures a safe secure environment at the world's busiest and most efficient airport while exceeding customers' expectations and complying with applicable regulations, laws and codes.

If you have questions, please contact the Safety & Security division at SecurityID@atl.com. Thank you for your continued support of the Airport Security Program.
